## CHAPTER 9B—NATIONAL FISH HATCHERY SYSTEM ENHANCEMENT

Sec.

760aa. Findings and purposes.

760aa–1. Gifts to system and particular national fish hatcheries.

760aa–2. Volunteer enhancement pilot projects.

760aa–3. Community partnership enhancement.

760aa–4. Hatchery education program development.

.....

### § 760aa. Findings and purposes

#### (a) Findings

Congress finds the following:

- (1) The National Fish Hatchery System (in this chapter referred to as the “System”)—
  - (A) consists of more than 60 hatcheries, seven fish technology centers, 9 fish health centers, and other fisheries program offices;
  - (B) plays an integral role in the recovery of more than 50 threatened species and endangered species and the restoration of over 100 native species;
  - (C) provides healthy fish populations that support recreational fishing opportunities, many of which are related to Federal water control structures; and
  - (D) works with over 250 partners to help mitigate the impacts of aquatic habitat loss and invasive species.
- (2) The System faces many challenges, including aging facilities, some of which date back to the late 1800s, and maintenance of intensive infrastructures such as wells, pumps, valves, pipes, filters, heaters, chillers, and treatment systems that must keep clean water moving 24 hours a day, 365 days a year.
- (3) By encouraging volunteer programs and donations and fostering non-Federal partnerships with hatchery facilities, Federal funding for the hatcheries can be supplemented.
- (4) By encouraging hatchery educational programs, public awareness of the resources of the System and public participation in the conservation of aquatic resources can be promoted.

#### (b) Purposes

The purposes of this chapter are the following:

- (1) To encourage the use of volunteers to assist the United States Fish and Wildlife Service in the management of hatcheries within the System.
- (2) To facilitate partnerships between the System and non-Federal entities to promote public awareness of the resources of the System and public participation in the conservation of those resources.
- (3) To encourage donations and other contributions by individuals and organizations to the System.

#### Short Title

Pub. L. 109–360, § 1, Oct. 16, 2006, 120 Stat. 2058, provided that: “This Act [enacting this chapter] may be cited as the ‘National Fish Hatchery System Volunteer Act of 2006’.”

### § 760aa–1. Gifts to system and particular national fish hatcheries

#### (a) Authorization of gifts, devises, and bequests for system

In furtherance of the purposes of this chapter, the Secretary of the Interior may accept any gifts, devises, or bequests of real and personal property, or proceeds therefrom, or interests therein, for the benefit of the National Fish Hatchery System. Such acceptance may be subject to the terms of any restrictive or affirmative covenant, or condition of servitude, if such terms are deemed by the Secretary to be in accordance with law and compatible with the purpose for which acceptance is sought.

**(b) Use of gifts, devises, and bequests**

**(1) In general**

Any gifts and bequests of money and proceeds from the sales of other property received as gifts or bequests pursuant to this subsection shall be deposited in a separate account in the Treasury and may be expended without further appropriation by the Secretary for the benefit of the System programs administered by the United States Fish and Wildlife Service.

**(2) Gifts, devises, and bequests for particular facilities**

**(A) Disbursal**

Any gift, devise, or bequest made for the benefit of a facility of the System shall be disbursed only for the benefit of that facility and without further appropriations.

**(B) Matching**

Subject to the availability of appropriations and the requirements of the Fish and Wildlife Coordination Act (16 U.S.C. 661 et seq.) and other applicable law, the Secretary may provide funds to match gifts, devises, and bequests made for the benefit of a facility of the System. With respect to each gift, devise, or bequest, the amount of Federal funds may not exceed the amount (or, in the case of property or in-kind services, the fair market value) of the gift, devise, or bequest.
