

TITLE 15 - COMMERCE AND TRADE
CHAPTER 2B - SECURITIES EXCHANGES**§ 78s. Registration, responsibilities, and oversight of self-regulatory organizations****(a) Registration procedures; notice of filing; other regulatory agencies**

(1) The Commission shall, upon the filing of an application for registration as a national securities exchange, registered securities association, or registered clearing agency, pursuant to section 78f, 78o-3, or 78q-1 of this title, respectively, publish notice of such filing and afford interested persons an opportunity to submit written data, views, and arguments concerning such application. Within ninety days of the date of publication of such notice (or within such longer period as to which the applicant consents), the Commission shall—

(A) by order grant such registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred eighty days of the date of a publication of notice of the filing of the application for registration. At the conclusion of such proceedings the Commission, by order, shall grant or deny such registration. The Commission may extend the time for conclusion of such proceedings for up to ninety days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the applicant consents.

The Commission shall grant such registration if it finds that the requirements of this chapter and the rules and regulations thereunder with respect to the applicant are satisfied. The Commission shall deny such registration if it does not make such finding.

(2) With respect to an application for registration filed by a clearing agency for which the Commission is not the appropriate regulatory agency—

(A) The Commission shall not grant registration prior to the sixtieth day after the date of publication of notice of the filing of such application unless the appropriate regulatory agency for such clearing agency has notified the Commission of such appropriate regulatory agency's determination that such clearing agency is so organized and has the capacity to be able to safeguard securities and funds in its custody or control or for which it is responsible and that the rules of such clearing agency are designed to assure the safeguarding of such securities and funds.

(B) The Commission shall institute proceedings in accordance with paragraph (1)(B) of this subsection to determine whether registration should be denied if the appropriate regulatory agency for such clearing agency notifies the Commission within sixty days of the date of publication of notice of the filing of such application of such appropriate regulatory agency's

(i) determination that such clearing agency may not be so organized or have the capacity to be able to safeguard securities or funds in its custody or control or for which it is responsible or that the rules of such clearing agency may not be designed to assure the safeguarding of such securities and funds and

(ii) reasons for such determination.

(C) The Commission shall deny registration if the appropriate regulatory agency for such clearing agency notifies the Commission prior to the conclusion of proceedings instituted in accordance with paragraph (1)(B) of this subsection of such appropriate regulatory agency's

(i) determination that such clearing agency is not so organized or does not have the capacity to be able to safeguard securities or funds in its custody or control or for which it is responsible or that the rules of such clearing agency are not designed to assure the safeguarding of such securities or funds and

(ii) reasons for such determination.

(3) A self-regulatory organization may, upon such terms and conditions as the Commission, by rule, deems necessary or appropriate in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any self-regulatory organization is no longer in existence or has ceased to do business in the capacity specified in its application for registration, the Commission, by order, shall cancel its registration. Upon the withdrawal of a national securities association from registration or the cancellation, suspension, or revocation of the registration of a national securities association, the registration of any association affiliated therewith shall automatically terminate.

(b) Proposed rule changes; notice; proceedings

(1) Each self-regulatory organization shall file with the Commission, in accordance with such rules as the Commission may prescribe, copies of any proposed rule or any proposed change in, addition to, or deletion from the rules of such self-regulatory organization (hereinafter in this subsection collectively referred to as a “proposed rule change”) accompanied by a concise general statement of the basis and purpose of such proposed rule change. The Commission shall, upon the filing of any proposed rule change, publish notice thereof together with the terms of substance of the proposed rule change or a description of the subjects and issues involved. The Commission shall give interested persons an opportunity to submit written data, views, and arguments concerning such proposed rule change. No proposed rule change shall take effect unless approved by the Commission or otherwise permitted in accordance with the provisions of this subsection.

(2) Within thirty-five days of the date of publication of notice of the filing of a proposed rule change in accordance with paragraph (1) of this subsection, or within such longer period as the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall—

(A) by order approve such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved. Such proceedings shall include notice of the grounds for disapproval under consideration and opportunity for hearing and be concluded within one hundred eighty days of the date of publication of notice of the filing of the proposed rule change. At the conclusion of such proceedings the Commission, by order, shall approve or disapprove such proposed rule change. The Commission may extend the time for conclusion of such proceedings for up to sixty days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the self-regulatory organization consents.

The Commission shall approve a proposed rule change of a self-regulatory organization if it finds that such proposed rule change is consistent with the requirements of this chapter and the rules and regulations thereunder applicable to such organization. The Commission shall disapprove a proposed rule change of a self-regulatory organization if it does not make such finding. The Commission shall not approve any proposed rule change prior to the thirtieth day after the date of publication of notice of the filing thereof, unless the Commission finds good cause for so doing and publishes its reasons for so finding.

(3) (A) Notwithstanding the provisions of paragraph (2) of this subsection, a proposed rule change may take effect upon filing with the Commission if designated by the self-regulatory organization as

(i) constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule of the self-regulatory organization,

(ii) establishing or changing a due, fee, or other charge imposed by the self-regulatory organization, or

- (iii) concerned solely with the administration of the self-regulatory organization or other matters which the Commission, by rule, consistent with the public interest and the purposes of this subsection, may specify as without the provisions of such paragraph (2).
- (B) Notwithstanding any other provision of this subsection, a proposed rule change may be put into effect summarily if it appears to the Commission that such action is necessary for the protection of investors, the maintenance of fair and orderly markets, or the safeguarding of securities or funds. Any proposed rule change so put into effect shall be filed promptly thereafter in accordance with the provisions of paragraph (1) of this subsection.
- (C) Any proposed rule change of a self-regulatory organization which has taken effect pursuant to subparagraph (A) or (B) of this paragraph may be enforced by such organization to the extent it is not inconsistent with the provisions of this chapter, the rules and regulations thereunder, and applicable Federal and State law. At any time within sixty days of the date of filing of such a proposed rule change in accordance with the provisions of paragraph (1) of this subsection, the Commission summarily may abrogate the change in the rules of the self-regulatory organization made thereby and require that the proposed rule change be refiled in accordance with the provisions of paragraph (1) of this subsection and reviewed in accordance with the provisions of paragraph (2) of this subsection, if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this chapter. Commission action pursuant to the preceding sentence shall not affect the validity or force of the rule change during the period it was in effect and shall not be reviewable under section 78y of this title nor deemed to be “final agency action” for purposes of section 704 of title 5.
- (4) With respect to a proposed rule change filed by a registered clearing agency for which the Commission is not the appropriate regulatory agency—
- (A) The Commission shall not approve any such proposed rule change prior to the thirtieth day after the date of publication of notice of the filing whereof unless the appropriate regulatory agency for such clearing agency has notified the Commission of such appropriate regulatory agency’s determination that the proposed rule change is consistent with the safeguarding of securities and funds in the custody or control of such clearing agency or for which it is responsible.
- (B) The Commission shall institute proceedings in accordance with paragraph (2)(B) of this subsection to determine whether any such proposed rule change should be disapproved, if the appropriate regulatory agency for such clearing agency notifies the Commission within thirty days of the date of publication of notice of the filing of the proposed rule change of such appropriate regulatory agency’s
- (i) determination that the proposed rule change may be inconsistent with the safeguarding of securities or funds in the custody or control of such clearing agency or for which it is responsible and
- (ii) reasons for such determination.
- (C) The Commission shall disapprove any such proposed rule change if the appropriate regulatory agency for such clearing agency notifies the Commission prior to the conclusion of proceedings instituted in accordance with paragraph (2)(B) of this subsection of such appropriate regulatory agency’s
- (i) determination that the proposed rule change is inconsistent with the safeguarding of securities or funds in the custody or control of such clearing agency or for which it is responsible and
- (ii) reasons for such determination.
- (D) The Commission shall abrogate any change in the rules of such a clearing agency made by a proposed rule change which has taken effect pursuant to paragraph (3) of this subsection, require that the proposed rule change be refiled in accordance with the provisions of paragraph

(1) of this subsection, and reviewed in accordance with the provisions of paragraph (2) of this subsection, if the appropriate regulatory agency for such clearing agency notifies the Commission within thirty days of the date of filing of such proposed rule change of such appropriate regulatory agency's

(i) determination that the rules of such clearing agency as so changed may be inconsistent with the safeguarding of securities or funds in the custody or control of such clearing agency or for which it is responsible and

(ii) reasons for such determination.

(5) The Commission shall consult with and consider the views of the Secretary of the Treasury prior to approving a proposed rule filed by a registered securities association that primarily concerns conduct related to transactions in government securities, except where the Commission determines that an emergency exists requiring expeditious or summary action and publishes its reasons therefor. If the Secretary of the Treasury comments in writing to the Commission on a proposed rule that has been published for comment, the Commission shall respond in writing to such written comment before approving the proposed rule. If the Secretary of the Treasury determines, and notifies the Commission, that such rule, if implemented, would, or as applied does

(i) adversely affect the liquidity or efficiency of the market for government securities; or

(ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section, the Commission shall, prior to adopting the proposed rule, find that such rule is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Secretary's determination.

(6) In approving rules described in paragraph (5), the Commission shall consider the sufficiency and appropriateness of then existing laws and rules applicable to government securities brokers, government securities dealers, and persons associated with government securities brokers and government securities dealers.

(7) Security futures product rule changes.—

(A) Filing required.— A self-regulatory organization that is an exchange registered with the Commission pursuant to section 78f (g) of this title or that is a national securities association registered pursuant to section 78o-3 (k) of this title shall file with the Commission, in accordance with such rules as the Commission may prescribe, copies of any proposed rule change or any proposed change in, addition to, or deletion from the rules of such self-regulatory organization (hereinafter in this paragraph collectively referred to as a "proposed rule change") that relates to higher margin levels, fraud or manipulation, recordkeeping, reporting, listing standards, or decimal pricing for security futures products, sales practices for security futures products for persons who effect transactions in security futures products, or rules effectuating such self-regulatory organization's obligation to enforce the securities laws. Such proposed rule change shall be accompanied by a concise general statement of the basis and purpose of such proposed rule change. The Commission shall, upon the filing of any proposed rule change, promptly publish notice thereof together with the terms of substance of the proposed rule change or a description of the subjects and issues involved. The Commission shall give interested persons an opportunity to submit data, views, and arguments concerning such proposed rule change.

(B) Filing with cftc.— A proposed rule change filed with the Commission pursuant to subparagraph (A) shall be filed concurrently with the Commodity Futures Trading Commission. Such proposed rule change may take effect upon filing of a written certification with the Commodity Futures Trading Commission under section 7a-2 (c) of title 7, upon a determination by the Commodity Futures Trading Commission that review of the proposed rule change is not necessary, or upon approval of the proposed rule change by the Commodity Futures Trading Commission.

(C) Abrogation of rule changes.— Any proposed rule change of a self-regulatory organization that has taken effect pursuant to subparagraph (B) may be enforced by such self-regulatory organization to the extent such rule is not inconsistent with the provisions of this chapter, the rules and regulations thereunder, and applicable Federal law. At any time within 60 days of the date of the filing of a written certification with the Commodity Futures Trading Commission under section 7a–2 (c) of title 7, the date the Commodity Futures Trading Commission determines that review of such proposed rule change is not necessary, or the date the Commodity Futures Trading Commission approves such proposed rule change, the Commission, after consultation with the Commodity Futures Trading Commission, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of paragraph (1), if it appears to the Commission that such proposed rule change unduly burdens competition or efficiency, conflicts with the securities laws, or is inconsistent with the public interest and the protection of investors. Commission action pursuant to the preceding sentence shall not affect the validity or force of the rule change during the period it was in effect and shall not be reviewable under section 78y of this title nor deemed to be a final agency action for purposes of section 704 of title 5.

(D) Review of resubmitted abrogated rules.—

(i) Proceedings.— Within 35 days of the date of publication of notice of the filing of a proposed rule change that is abrogated in accordance with subparagraph (C) and refiled in accordance with paragraph (1), or within such longer period as the Commission may designate up to 90 days after such date if the Commission finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall—

(I) by order approve such proposed rule change; or

(II) after consultation with the Commodity Futures Trading Commission, institute proceedings to determine whether the proposed rule change should be disapproved. Proceedings under subclause (II) shall include notice of the grounds for disapproval under consideration and opportunity for hearing and be concluded within 180 days after the date of publication of notice of the filing of the proposed rule change. At the conclusion of such proceedings, the Commission, by order, shall approve or disapprove such proposed rule change. The Commission may extend the time for conclusion of such proceedings for up to 60 days if the Commission finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the self-regulatory organization consents.

(ii) Grounds for approval.— The Commission shall approve a proposed rule change of a self-regulatory organization under this subparagraph if the Commission finds that such proposed rule change does not unduly burden competition or efficiency, does not conflict with the securities laws, and is not inconsistent with the public interest or the protection of investors. The Commission shall disapprove such a proposed rule change of a self-regulatory organization if it does not make such finding. The Commission shall not approve any proposed rule change prior to the 30th day after the date of publication of notice of the filing thereof, unless the Commission finds good cause for so doing and publishes its reasons for so finding.

(8) Decimal pricing.— Not later than 9 months after the date on which trading in any security futures product commences under this chapter, all self-regulatory organizations listing or trading security futures products shall file proposed rule changes necessary to implement decimal pricing of security futures products. The Commission may not require such rules to contain equal minimum increments in such decimal pricing.

(9) Consultation with cftc.—

(A) Consultation required.— The Commission shall consult with and consider the views of the Commodity Futures Trading Commission prior to approving or disapproving a proposed rule change filed by a national securities association registered pursuant to section 78o-3 (a) of this title or a national securities exchange subject to the provisions of subsection (a) of this section that primarily concerns conduct related to transactions in security futures products, except where the Commission determines that an emergency exists requiring expeditious or summary action and publishes its reasons therefor.

(B) Responses to cftc comments and findings.— If the Commodity Futures Trading Commission comments in writing to the Commission on a proposed rule that has been published for comment, the Commission shall respond in writing to such written comment before approving or disapproving the proposed rule. If the Commodity Futures Trading Commission determines, and notifies the Commission, that such rule, if implemented or as applied, would—

- (i) adversely affect the liquidity or efficiency of the market for security futures products; or
- (ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section,

the Commission shall, prior to approving or disapproving the proposed rule, find that such rule is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Commodity Futures Trading Commission's determination.

(c) Amendment by Commission of rules of self-regulatory organizations

The Commission, by rule, may abrogate, add to, and delete from (hereinafter in this subsection collectively referred to as "amend") the rules of a self-regulatory organization (other than a registered clearing agency) as the Commission deems necessary or appropriate to insure the fair administration of the self-regulatory organization, to conform its rules to requirements of this chapter and the rules and regulations thereunder applicable to such organization, or otherwise in furtherance of the purposes of this chapter, in the following manner:

- (1) The Commission shall notify the self-regulatory organization and publish notice of the proposed rulemaking in the Federal Register. The notice shall include the text of the proposed amendment to the rules of the self-regulatory organization and a statement of the Commission's reasons, including any pertinent facts, for commencing such proposed rulemaking.
- (2) The Commission shall give interested persons an opportunity for the oral presentation of data, views, and arguments, in addition to an opportunity to make written submissions. A transcript shall be kept of any oral presentation.
- (3) A rule adopted pursuant to this subsection shall incorporate the text of the amendment to the rules of the self-regulatory organization and a statement of the Commission's basis for and purpose in so amending such rules. This statement shall include an identification of any facts on which the Commission considers its determination so to amend the rules of the self-regulatory agency to be based, including the reasons for the Commission's conclusions as to any of such facts which were disputed in the rulemaking.
- (4)
 - (A)** Except as provided in paragraphs (1) through (3) of this subsection, rulemaking under this subsection shall be in accordance with the procedures specified in section 553 of title 5 for rulemaking not on the record.
 - (B)** Nothing in this subsection shall be construed to impair or limit the Commission's power to make, or to modify or alter the procedures the Commission may follow in making, rules and regulations pursuant to any other authority under this chapter.
 - (C)** Any amendment to the rules of a self-regulatory organization made by the Commission pursuant to this subsection shall be considered for all purposes of this chapter to be part of

the rules of such self-regulatory organization and shall not be considered to be a rule of the Commission.

(5) With respect to rules described in subsection (b)(5) of this section, the Commission shall consult with and consider the views of the Secretary of the Treasury before abrogating, adding to, and deleting from such rules, except where the Commission determines that an emergency exists requiring expeditious or summary action and publishes its reasons therefor.

(d) Notice of disciplinary action taken by self-regulatory organization against a member or participant; review of action by appropriate regulatory agency; procedure

(1) If any self-regulatory organization imposes any final disciplinary sanction on any member thereof or participant therein, denies membership or participation to any applicant, or prohibits or limits any person in respect to access to services offered by such organization or member thereof or if any self-regulatory organization (other than a registered clearing agency) imposes any final disciplinary sanction on any person associated with a member or bars any person from becoming associated with a member, the self-regulatory organization shall promptly file notice thereof with the appropriate regulatory agency for the self-regulatory organization and (if other than the appropriate regulatory agency for the self-regulatory organization) the appropriate regulatory agency for such member, participant, applicant, or other person. The notice shall be in such form and contain such information as the appropriate regulatory agency for the self-regulatory organization, by rule, may prescribe as necessary or appropriate in furtherance of the purposes of this chapter.

(2) Any action with respect to which a self-regulatory organization is required by paragraph (1) of this subsection to file notice shall be subject to review by the appropriate regulatory agency for such member, participant, applicant, or other person, on its own motion, or upon application by any person aggrieved thereby filed within thirty days after the date such notice was filed with such appropriate regulatory agency and received by such aggrieved person, or within such longer period as such appropriate regulatory agency may determine. Application to such appropriate regulatory agency for review, or the institution of review by such appropriate regulatory agency on its own motion, shall not operate as a stay of such action unless such appropriate regulatory agency otherwise orders, summarily or after notice and opportunity for hearing on the question of a stay (which hearing may consist solely of the submission of affidavits or presentation of oral arguments). Each appropriate regulatory agency shall establish for appropriate cases an expedited procedure for consideration and determination of the question of a stay.

(3) The provisions of this subsection shall apply to an exchange registered pursuant to section 78f (g) of this title or a national securities association registered pursuant to section 78o-3 (k) of this title only to the extent that such exchange or association imposes any final disciplinary sanction for—

- (A) a violation of the Federal securities laws or the rules and regulations thereunder; or
- (B) a violation of a rule of such exchange or association, as to which a proposed change would be required to be filed under this section, except that, to the extent that the exchange or association rule violation relates to any account, agreement, contract, or transaction, this subsection shall apply only to the extent such violation involves a security futures product.

(e) Disposition of review; cancellation, reduction, or remission of sanction

(1) In any proceeding to review a final disciplinary sanction imposed by a self-regulatory organization on a member thereof or participant therein or a person associated with such a member, after notice and opportunity for hearing (which hearing may consist solely of consideration of the record before the self-regulatory organization and opportunity for the presentation of supporting reasons to affirm, modify, or set aside the sanction)—

- (A) if the appropriate regulatory agency for such member, participant, or person associated with a member finds that such member, participant, or person associated with a member has engaged in such acts or practices, or has omitted such acts, as the self-regulatory organization

has found him to have engaged in or omitted, that such acts or practices, or omissions to act, are in violation of such provisions of this chapter, the rules or regulations thereunder, the rules of the self-regulatory organization, or, in the case of a registered securities association, the rules of the Municipal Securities Rulemaking Board as have been specified in the determination of the self-regulatory organization, and that such provisions are, and were applied in a manner, consistent with the purposes of this chapter, such appropriate regulatory agency, by order, shall so declare and, as appropriate, affirm the sanction imposed by the self-regulatory organization, modify the sanction in accordance with paragraph (2) of this subsection, or remand to the self-regulatory organization for further proceedings; or

(B) if such appropriate regulatory agency does not make any such finding it shall, by order, set aside the sanction imposed by the self-regulatory organization and, if appropriate, remand to the self-regulatory organization for further proceedings.

(2) If the appropriate regulatory agency for a member, participant, or person associated with a member, having due regard for the public interest and the protection of investors, finds after a proceeding in accordance with paragraph (1) of this subsection that a sanction imposed by a self-regulatory organization upon such member, participant, or person associated with a member imposes any burden on competition not necessary or appropriate in furtherance of the purposes of this chapter or is excessive or oppressive, the appropriate regulatory agency may cancel, reduce, or require the remission of such sanction.

(f) Dismissal of review proceeding

In any proceeding to review the denial of membership or participation in a self-regulatory organization to any applicant, the barring of any person from becoming associated with a member of a self-regulatory organization, or the prohibition or limitation by a self-regulatory organization of any person with respect to access to services offered by the self-regulatory organization or any member thereof, if the appropriate regulatory agency for such applicant or person, after notice and opportunity for hearing (which hearing may consist solely of consideration of the record before the self-regulatory organization and opportunity for the presentation of supporting reasons to dismiss the proceeding or set aside the action of the self-regulatory organization) finds that the specific grounds on which such denial, bar, or prohibition or limitation is based exist in fact, that such denial, bar, or prohibition or limitation is in accordance with the rules of the self-regulatory organization, and that such rules are, and were applied in a manner, consistent with the purposes of this chapter, such appropriate regulatory agency, by order, shall dismiss the proceeding. If such appropriate regulatory agency does not make any such finding or if it finds that such denial, bar, or prohibition or limitation imposes any burden on competition not necessary or appropriate in furtherance of the purposes of this chapter, such appropriate regulatory agency, by order, shall set aside the action of the self-regulatory organization and require it to admit such applicant to membership or participation, permit such person to become associated with a member, or grant such person access to services offered by the self-regulatory organization or member thereof.

(g) Compliance with rules and regulations

(1) Every self-regulatory organization shall comply with the provisions of this chapter, the rules and regulations thereunder, and its own rules, and (subject to the provisions of section 78q (d) of this title, paragraph (2) of this subsection, and the rules thereunder) absent reasonable justification or excuse enforce compliance—

(A) in the case of a national securities exchange, with such provisions by its members and persons associated with its members;

(B) in the case of a registered securities association, with such provisions and the provisions of the rules of the Municipal Securities Rulemaking Board by its members and persons associated with its members; and

(C) in the case of a registered clearing agency, with its own rules by its participants.

(2) The Commission, by rule, consistent with the public interest, the protection of investors, and the other purposes of this chapter, may relieve any self-regulatory organization of any

responsibility under this chapter to enforce compliance with any specified provision of this chapter or the rules or regulations thereunder by any member of such organization or person associated with such a member, or any class of such members or persons associated with a member.

(h) Suspension or revocation of self-regulatory organization's registration; censure; other sanctions

(1) The appropriate regulatory agency for a self-regulatory organization is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this chapter, to suspend for a period not exceeding twelve months or revoke the registration of such self-regulatory organization, or to censure or impose limitations upon the activities, functions, and operations of such self-regulatory organization, if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such self-regulatory organization has violated or is unable to comply with any provision of this chapter, the rules or regulations thereunder, or its own rules or without reasonable justification or excuse has failed to enforce compliance—

(A) in the case of a national securities exchange, with any such provision by a member thereof or a person associated with a member thereof;

(B) in the case of a registered securities association, with any such provision or any provision of the rules of the Municipal Securities Rulemaking Board by a member thereof or a person associated with a member thereof; or

(C) in the case of a registered clearing agency, with any provision of its own rules by a participant therein.

(2) The appropriate regulatory agency for a self-regulatory organization is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this chapter, to suspend for a period not exceeding twelve months or expel from such self-regulatory organization any member thereof or participant therein, if such member or participant is subject to an order of the Commission pursuant to section 78o (b)(4) of this title or if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such member or participant has willfully violated or has effected any transaction for any other person who, such member or participant had reason to believe, was violating with respect to such transaction—

(A) in the case of a national securities exchange, any provision of the Securities Act of 1933 [15 U.S.C. 77a et seq.], the Investment Advisers Act of 1940 [15 U.S.C. 80b-1 et seq.], the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], this chapter, or the rules or regulations under any of such statutes;

(B) in the case of a registered securities association, any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, this chapter, the rules or regulations under any of such statutes, or the rules of the Municipal Securities Rulemaking Board; or

(C) in the case of a registered clearing agency, any provision of the rules of the clearing agency.

(3) The appropriate regulatory agency for a national securities exchange or registered securities association is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this chapter, to suspend for a period not exceeding twelve months or to bar any person from being associated with a member of such national securities exchange or registered securities association, if such person is subject to an order of the Commission pursuant to section 78o (b)(6) of this title or if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such person has willfully violated or has effected any transaction for any other person who, such person associated with a member had reason to believe, was violating with respect to such transaction—

(A) in the case of a national securities exchange, any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, this chapter, or the rules or regulations under any of such statutes; or

(B) in the case of a registered securities association, any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, this chapter, the rules or regulations under any of the statutes, or the rules of the Municipal Securities Rulemaking Board.

(4) The appropriate regulatory agency for a self-regulatory organization is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this chapter, to remove from office or censure any officer or director of such self-regulatory organization, if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such officer or director has willfully violated any provision of this chapter, the rules or regulations thereunder, or the rules of such self-regulatory organization, willfully abused his authority, or without reasonable justification or excuse has failed to enforce compliance—

(A) in the case of a national securities exchange, with any such provision by any member or person associated with a member;

(B) in the case of a registered securities association, with any such provision or any provision of the rules of the Municipal Securities Rulemaking Board by any member or person associated with a member; or

(C) in the case of a registered clearing agency, with any provision of the rules of the clearing agency by any participant.

(i) Appointment of trustee

If a proceeding under subsection (h)(1) of this section results in the suspension or revocation of the registration of a clearing agency, the appropriate regulatory agency for such clearing agency may, upon notice to such clearing agency, apply to any court of competent jurisdiction specified in section 78u (d) or 78aa of this title for the appointment of a trustee. In the event of such an application, the court may, to the extent it deems necessary or appropriate, take exclusive jurisdiction of such clearing agency and the records and assets thereof, wherever located; and the court shall appoint the appropriate regulatory agency for such clearing agency or a person designated by such appropriate regulatory agency as trustee with power to take possession and continue to operate or terminate the operations of such clearing agency in an orderly manner for the protection of participants and investors, subject to such terms and conditions as the court may prescribe.
