(5) An increase in the length of any review period established by any multilateral development bank for board review of staff recommendations by such time as would be sufficient to allow the governments of member countries to review and comment on the staff recommendations before any action is taken by the board of directors of such bank on the recommendations.

(b) The Secretary of the Treasury shall instruct the United States Executive Director of each multilateral development bank to request the management of such bank to prepare an annual report which identifies and describes the most exemplary lending practices or loan components implemented during the preceding year with respect to each of the following lending policy goals for each major borrowing country or country group:
