§ 4901. Congressional findings and declaration of policy

(a) Congress finds that—

(1) the per capita consumption of watermelons in the United States has declined steadily in recent years;
(2) watermelons are an important cash crop to many farmers in the United States and are an economical, enjoyable, and healthful food for consumers;
(3) approximately 2,607,600,000 pounds of watermelons with a farm value of $158,923,000 were produced in 1981 in the United States;
(4) watermelons move in the channels of interstate commerce, and watermelons that do not move in such channels directly affect interstate commerce;
(5) the maintenance and expansion of existing markets and the establishment of new or improved markets and uses for watermelons are vital to the welfare of watermelon growers and those concerned with marketing, using, handling, and importing watermelons, as well as the general economic welfare of the Nation; and
(6) the development and implementation of coordinated programs of research, development, advertising, and promotion are necessary to maintain and expand existing markets and establish new or improved markets and uses for watermelons.

(b) It is declared to be the policy of Congress that it is essential in the public interest, through the exercise of the powers provided herein, to authorize the establishment of an orderly procedure for the development, financing (through adequate assessments on watermelons harvested in the United States, or imported into the United States, for commercial use), and carrying out of an effective, continuous, and coordinated program of research, development, advertising, and promotion designed to strengthen the watermelon’s competitive position in the marketplace, and establish, maintain, and expand domestic and foreign markets for watermelons. The purpose of this chapter is to so authorize the establishment of such procedure and the development, financing, and carrying out of such program. Nothing in this chapter may be construed to dictate quality standards nor provide for the control of production or otherwise limit the right of individual watermelon producers to produce watermelons.
Amendments

1993—Subsec. (a)(5). Pub. L. 103–189, § 8(k)(1), substituted “handling, and importing” for “and handling”.

An equal number of representatives of producers and handlers shall be nominated by producers and handlers, and the representative of the public shall be nominated by the other members of the Board, in such manner as may be prescribed by the Secretary. If producers and handlers fail to select nominees for appointment to the Board, the Secretary may appoint persons on the basis of representation as provided for in the plan. If the Board fails to nominate a public representative, the Secretary shall choose such representative for appointment.

(2) A producer shall be eligible to serve on the Board only as a representative of handlers, and not as a representative of producers, if—

(B) the combined total volume of watermelons handled by the producer from the producer’s own production and purchases from other producers’ production is more than 50 percent of the producer’s own production.

(D) Not later than 5 years after the date that importers are subjected to the plan, and every 5 years thereafter, the Secretary shall evaluate the average annual percentage of assessments paid by importers during the 3-year period preceding the date of the evaluation and adjust, to the extent practicable, the number of importer representatives on the Board.

(d) Compensation and expenses of Board

The plan shall provide that all Board members shall serve without compensation, but shall be reimbursed for reasonable expenses incurred in performing their duties as members of the Board.

(e) Budget on fiscal period basis
The plan shall provide that the Board shall prepare and submit to the Secretary for the Secretary’s approval a budget, on a fiscal period basis, of its anticipated expenses and disbursements in the administration of the plan, including probable costs of research, development, advertising, and promotion.

(f) **Assessments; payments; notice**

The plan shall provide for the fixing by the Secretary of assessments to cover costs incurred under the budgets provided for in subsection (e) of this section, and under section 4907 (f) of this title, based on the Board’s recommendation as to the appropriate rate of assessment, and for the payment of the assessments to the Board. In fixing or changing the rate of assessment pursuant to the plan, the Secretary shall comply with the notice and comment procedures established under section 553 of title 5. Sections 556 and 557 of such title shall not apply with respect to fixing or changing the rate of assessment.

(g) **Scope of expenditures; restrictions; assessments on per-unit basis; importers**

The plan shall provide the following:

1. Funds received by the Board shall be used for research, development, advertising, or promotion of watermelons and such other expenses for the administration, maintenance, and functioning of the Board as may be authorized by the Secretary, including any referendum and administrative costs incurred by the Department of Agriculture under this chapter.

2. No advertising or sales promotion program under this chapter shall make any reference to private brand names nor use false or unwarranted claims in behalf of watermelons or their products or false or unwarranted statements with respect to attributes or use of any competing products.

3. No funds received by the Board shall in any manner be used for the purpose of influencing governmental policy or action, except as provided by subsections (b)(4) and (f) of this section.

4. Assessments shall be made on watermelons produced by producers and watermelons handled by handlers, and the rate of such assessments in the case of producers and handlers shall be the same, on a per-unit basis, for producers and handlers. If a person performs both producing and handling functions, both assessments shall be paid by such person.

5. If importers are subject to the plan, an assessment shall also be made on watermelons imported into the United States by the importers. The rate of assessment for importers who are subject to the plan shall be equal to the combined rate for producers and handlers.

(h) **Refunds**

1. Except as provided in paragraph (2), the plan shall provide that, notwithstanding any other provisions of this chapter, any watermelon producer or handler (or importer who is subject to the plan) against whose watermelons an assessment is made and collected under this chapter and who is not in favor of supporting the research, development, advertising, and promotion program provided for under this chapter shall have the right to demand a refund of the assessment from the Board, under regulations, and on a form and within a time period (not less than 90 days), prescribed by the Board and approved by the Secretary. A producer or handler (or importer who is subject to the plan) who timely makes demand in accord with the regulations, on submission of proof satisfactory to the Board that the producer, handler, or importer paid the assessment for which the refund is sought, shall receive such refund within 60 days after demand therefor.

2. If approved in the referendum required by section 4914 (b) of this title relating to the elimination of the assessment refund under paragraph (1), the Secretary shall amend the plan that is in effect on the day before December 14, 1993, to eliminate the refund provision.

3. (A) Notwithstanding paragraph (2) and subject to subparagraph (B), if importers are subject to the plan, the plan shall provide that an importer of less than 150,000 pounds of watermelons per year shall be entitled to apply for a refund that is based on the rate of assessment paid by domestic producers.
(B) The Secretary may adjust the quantity of the weight exemption specified in subparagraph (A) on the recommendation of the Board after an opportunity for public notice and opportunity for comment in accordance with section 553 of title 5, and without regard to sections 556 and 557 of such title, to reflect significant changes in the 5-year average yield per acre of watermelons produced in the United States.

(i) Submission of programs or projects; approval by Secretary

The plan shall provide that the Board, subject to the provisions of subsections (e), (f), and (g) of this section, shall develop and submit to the Secretary, for the Secretary’s approval, any research, development, advertising, or promotion program or project, and that a program or project must be approved by the Secretary before becoming effective.

(j) Contract authority

The plan shall provide the Board with authority to enter into contracts or agreements, with the approval of the Secretary, for the development and carrying out of research, development, advertising, or promotion programs or projects, and the payment of the cost thereof with funds collected under this chapter.

(k) Recordkeeping; accounting and audit reports

The plan shall provide that the Board shall

   (1) maintain books and records,
   (2) prepare and submit to the Secretary such reports from time to time as may be prescribed for appropriate accounting with respect to the receipt and disbursement of funds entrusted to it, and
   (3) cause a complete audit report to be submitted to the Secretary at the end of each fiscal period.

(l) Certification

The plan shall provide that the Board shall have the authority to establish rules for certifying whether a person meets the definition of a producer under section 4902 (5) of this title.

The handler shall remit producer assessments to the Board as the Board directs. Such handler shall maintain a separate record with respect to each producer for whom watermelons were handled. To facilitate the collection and payment of assessments, the Board may designate different handlers or classes of handlers to recognize differences in marketing practices or procedures used in any State or area. The handler shall be assessed an equal amount as the producer. No more than one assessment on a producer nor more than one assessment on a handler shall be made on any watermelons.

(B) The assessment on imported watermelons shall be equal to the combined rate for domestic producers and handlers and shall be paid by the importer to the Board at the time of the entry of the watermelons into the United States.

(C) Each importer required to pay assessments under the plan shall maintain a separate record that includes a record of—

The person shall be given an opportunity for a hearing on the petition, in accordance with regulations prescribed by the Secretary. After the hearing, the Secretary shall make a ruling on the petition, which shall be final if in accordance with the law.

(b) The district courts of the United States in any district in which the person is an inhabitant, or in which the person’s principal place of business is located, are hereby vested with jurisdiction to review such ruling, provided that a complaint for that purpose is filed within twenty days from the date of the entry of the ruling. Service of process in such proceedings may be had on the Secretary by delivering to the Secretary a copy of the complaint. If the court determines that the ruling is not in accordance with law, it shall remand the proceedings to the Secretary with directions either to

(1) make such ruling as the court shall determine to be in accordance with law, or

(2) take such further proceedings as, in its opinion, the law requires. The pendency of proceedings instituted under subsection (a) of this section shall not impede or delay the United States or the Secretary from obtaining relief under section 4910 (a)¹ of this title.

§ 4910. Enforcement

(a) The several district courts of the United States are vested with jurisdiction specifically to enforce, and to prevent and restrain any person from violating, any plan or regulation made or issued under this
TITLE 7 - Section 4911 - Investigation and power to subpoena

§ 4911. Investigation and power to subpoena

(a) The Secretary may make such investigations as the Secretary deems necessary to carry out effectively the Secretary’s responsibilities under this chapter or to determine whether a person has engaged or is engaging in any acts or practices that constitute a violation of any provision of this chapter, or of any plan or regulation issued under this chapter. For the purpose of an investigation, the Secretary may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, and documents that are relevant to the inquiry. The attendance of witnesses and the production of records may be required from any place in the United States. In case of contumacy by, or refusal to obey a subpoena issued to, any person, including a handler (or an importer who is subject to the plan), the Secretary may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the
production of books, papers, and documents; and such court may issue an order requiring the person to appear before the Secretary, there to produce records, if so ordered, or to give testimony touching the matter under investigation. Any failure to obey such order of the court may be punished by the court as contempt thereof. All process in any such case may be served in the judicial district in which the person is an inhabitant or wherever the person may be found. The site of any hearing held under this subsection shall be within the judicial district in which the person is an inhabitant or in which the person’s principal place of business is located.

(b) No person shall be excused from attending and testifying or from producing books, papers, and documents before the Secretary, or in obedience to the subpoena of the Secretary, or in any cause or proceeding, criminal or otherwise, based on, or growing out of, any alleged violation of this chapter, or of any plan or regulation issued thereunder, on the grounds that the testimony or evidence, documentary or otherwise, required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture. However, no person shall be prosecuted or subjected to any penalty or forfeiture on account of any transaction, matter, or thing concerning which the person is compelled, after having claimed the person’s privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that any individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

The ballots and other information or reports that reveal or tend to reveal the vote of any producer, handler, or importer or the person’s volume of watermelons produced, handled, or imported shall be held strictly confidential and shall not be disclosed. Any officer or employee of the Department of Agriculture violating the provisions hereof shall be subject to the penalties provided in section 4908 (c) of this title.

§ 4913. Suspension or termination of plans

(a) Whenever the Secretary finds that a plan or any provision thereof obstructs or does not tend to effectuate the declared policy of this chapter, the Secretary shall terminate or suspend the operation of the plan or provision.

(b) The Secretary may conduct a referendum at any time, and shall hold a referendum on request of the Board or at least 10 percent of the combined total of the watermelon producers, handlers, and importers eligible to vote in a referendum, to determine if watermelon producers, handlers, and importers favor the termination or suspension of the plan. Pub. L. 103–189, § 8(j)(2)(C), which directed the substitution of “, handled by the handlers, or imported by the importers” for “or handled by the handlers,” in second sentence, was executed by making the substitution in text which did not contain a comma after the word “handlers”, to reflect the probable intent of Congress.

L. 103–189, § 8(j)(1)–(2)(B), in first sentence, substituted “at least 10 percent of the combined total” for “10 per centum or more” and “, handlers, and importers” for “and handlers” in two places, and in second sentence, substituted “, handle, or import” for “or handle” and “50 percent of the combined total” for “50 per centum”.
