No bank service company shall unreasonably discriminate in the provision of any services authorized under this chapter to any depository institution that does not own stock in or is not a member of the service company on the basis of the fact that such depository institution is in competition with an institution that owns stock in or is a member of the bank service company, except that—

(1) it shall not be considered unreasonable discrimination for a bank service company to provide services to a nonstockholding or nonmember institution only at a price that fully reflects all of the costs of offering those services, including the cost of capital and a reasonable return thereon; and

(2) a bank service company may refuse to provide services to a nonstockholding or nonmember institution if comparable services are available from another source at competitive overall costs, or if the providing of services would be beyond the practical capacity of the service company.

Amendments

L. 104–208, § 2613(g)(1)–(4), (6), in section catchline, inserted “or nonmembers” after “nonstockholders”, and in introductory provisions of text, substituted “company” for “corporation” wherever appearing and “such depository institution” for “the nonstockholding institution” and inserted “or is not a member of” after “does not own stock in” and “or is a member of” after “that owns stock in”.

(c) Services performed by contract or otherwise

Notwithstanding subsection (a) of this section, whenever a depository institution that is regularly examined by an appropriate Federal banking agency, or any subsidiary or affiliate of such a depository institution that is subject to examination by that agency, causes to be performed for itself, by contract or otherwise, any services authorized under this chapter, whether on or off its premises—

(1) such performance shall be subject to regulation and examination by such agency to the same extent as if such services were being performed by the depository institution itself on its own premises, and
(2) the depository institution shall notify each such agency of the existence of the service relationship within thirty days after the making of such service contract or the performance of the service, whichever occurs first.

(d) Issuance of regulations and orders

The Board and the appropriate Federal banking agencies are authorized to issue such regulations and orders as may be necessary to enable them to administer and to carry out the purposes of this chapter and to prevent evasions thereof.
