CHAPTER 49—HOMEOWNERS PROTECTION

§ 4901. Definitions

In this chapter, the following definitions shall apply:

(1) **Adjustable rate mortgage**

The term “adjustable rate mortgage” means a residential mortgage that has an interest rate that is subject to change. A residential mortgage that:

(A) does not fully amortize over the term of the obligation; and

(B) contains a conditional right to refinance or modify the unamortized principal at the maturity date of the term, shall be considered to be an adjustable rate mortgage for purposes of this chapter.

(2) **Cancellation date**

The term “cancellation date” means—

(A) with respect to a fixed rate mortgage, at the option of the mortgagor, the date on which the principal balance of the mortgage—

(i) based solely on the initial amortization schedule for that mortgage, and irrespective of the outstanding balance for that mortgage on that date, is first scheduled to reach 80 percent of the original value of the property securing the loan; or

(ii) based solely on actual payments, reaches 80 percent of the original value of the property securing the loan; and

(B) with respect to an adjustable rate mortgage, at the option of the mortgagor, the date on which the principal balance of the mortgage—

(i) based solely on the amortization schedule then in effect for that mortgage, and irrespective of the outstanding balance for that mortgage on that date, is first scheduled to reach 80 percent of the original value of the property securing the loan; or

(ii) based solely on actual payments, first reaches 80 percent of the original value of the property securing the loan.

(3) **Fixed rate mortgage**

The term “fixed rate mortgage” means a residential mortgage that has an interest rate that is not subject to change.

(4) **Good payment history**

The term “good payment history” means, with respect to a mortgagor, that the mortgagor has not—

(A) made a mortgage payment that was 60 days or longer past due during the 12-month period beginning 24 months before the later of

(i) the date on which the mortgage reaches the cancellation date, or
(ii) the date that the mortgagor submits a request for cancellation under section 4902
(a)(1) of this title; or

(B) made a mortgage payment that was 30 days or longer past due during the 12-month period
preceding the later of

(i) the date on which the mortgage reaches the cancellation date, or

(ii) the date that the mortgagor submits a request for cancellation under section 4902
(a)(1) of this title.

(5) **Initial amortization schedule**

The term “initial amortization schedule” means a schedule established at the time at which a residential
mortgage transaction is consummated with respect to a fixed rate mortgage, showing—

(A) the amount of principal and interest that is due at regular intervals to retire the principal
balance and accrued interest over the amortization period of the loan; and

(B) the unpaid principal balance of the loan after each scheduled payment is made.

(6) **Amortization schedule then in effect**

The term “amortization schedule then in effect” means, with respect to an adjustable rate mortgage,
a schedule established at the time at which the residential mortgage transaction is consummated or, if
such schedule has been changed or recalculated, is the most recent schedule under the terms of the note
or mortgage, which shows—

(A) the amount of principal and interest that is due at regular intervals to retire the principal
balance and accrued interest over the remaining amortization period of the loan; and

(B) the unpaid balance of the loan after each such scheduled payment is made.

(7) **Midpoint of the amortization period**

The term “midpoint of the amortization period” means, with respect to a residential mortgage
transaction, the point in time that is halfway through the period that begins upon the first day of the
amortization period established at the time a residential mortgage transaction is consummated and ends
upon the completion of the entire period over which the mortgage is scheduled to be amortized.

(8) **Mortgage insurance**

The term “mortgage insurance” means insurance, including any mortgage guaranty insurance, against
the nonpayment of, or default on, an individual mortgage or loan involved in a residential mortgage
transaction.

(9) **Mortgage insurer**

The term “mortgage insurer” means a provider of private mortgage insurance, as described in this
chapter, that is authorized to transact such business in the State in which the provider is transacting
such business.

(10) **Mortgagee**

The term “mortgagee” means the holder of a residential mortgage at the time at which that mortgage
transaction is consummated.

(11) **Mortgagor**

The term “mortgagor” means the original borrower under a residential mortgage or his or her successors
or assignees.

(12) **Original value**

The term “original value”, with respect to a residential mortgage transaction, means the lesser of the
sales price of the property securing the mortgage, as reflected in the contract, or the appraised value
at the time at which the subject residential mortgage transaction was consummated. In the case of a
residential mortgage transaction for refinancing the principal residence of the mortgagor, such term
means only the appraised value relied upon by the mortgagee to approve the refinance transaction.
(13) Private mortgage insurance

The term “private mortgage insurance” means mortgage insurance other than mortgage insurance made available under the National Housing Act [12 U.S.C. 1701 et seq.], title 38, or title V of the Housing Act of 1949 [42 U.S.C. 1471 et seq.].

(14) Residential mortgage

The term “residential mortgage” means a mortgage, loan, or other evidence of a security interest created with respect to a single-family dwelling that is the principal residence of the mortgagor.

(15) Residential mortgage transaction

The term “residential mortgage transaction” means a transaction consummated on or after the date that is 1 year after July 29, 1998, in which a mortgage, deed of trust, purchase money security interest arising under an installment sales contract, or equivalent consensual security interest is created or retained against a single-family dwelling that is the principal residence of the mortgagor to finance the acquisition, initial construction, or refinancing of that dwelling.

(16) Servicer

The term “servicer” has the same meaning as in section 2605 (i)(2) of this title, with respect to a residential mortgage.

(17) Single-family dwelling

The term “single-family dwelling” means a residence consisting of 1 family dwelling unit.

(18) Termination date

The term “termination date” means—

(A) with respect to a fixed rate mortgage, the date on which the principal balance of the mortgage, based solely on the initial amortization schedule for that mortgage, and irrespective of the outstanding balance for that mortgage on that date, is first scheduled to reach 78 percent of the original value of the property securing the loan; and

(B) with respect to an adjustable rate mortgage, the date on which the principal balance of the mortgage, based solely on the amortization schedule then in effect for that mortgage, and irrespective of the outstanding balance for that mortgage on that date, is first scheduled to reach 78 percent of the original value of the property securing the loan.

§ 4902. Termination of private mortgage insurance

(a) Borrower cancellation

A requirement for private mortgage insurance in connection with a residential mortgage transaction shall be canceled on the cancellation date or any later date that the mortgagor fulfills all of the requirements under paragraphs (1) through (4), if the mortgagor—
(1) submits a request in writing to the servicer that cancellation be initiated;
(2) has a good payment history with respect to the residential mortgage;
(3) is current on the payments required by the terms of the residential mortgage transaction; and
(4) has satisfied any requirement of the holder of the mortgage (as of the date of a request under paragraph (1)) for—
   (A) evidence (of a type established in advance and made known to the mortgagor by the
        servicer promptly upon receipt of a request under paragraph (1)) that the value of the property
        securing the mortgage has not declined below the original value of the property; and
   (B) certification that the equity of the mortgagor in the residence securing the mortgage is
        unencumbered by a subordinate lien.

(b) Automatic termination
A requirement for private mortgage insurance in connection with a residential mortgage transaction
shall terminate with respect to payments for that mortgage insurance made by the mortgagor—
   (1) on the termination date if, on that date, the mortgagor is current on the payments required by
       the terms of the residential mortgage transaction; or
   (2) if the mortgagor is not current on the termination date, on the first day of the first month
       beginning after the date that the mortgagor becomes current on the payments required by the terms
       of the residential mortgage transaction.

(c) Final termination
If a requirement for private mortgage insurance is not otherwise canceled or terminated in accordance
with subsection (a) or (b) of this section, in no case may such a requirement be imposed on residential
mortgage transactions beyond the first day of the month immediately following the date that is the
midpoint of the amortization period of the loan if the mortgagor is current on the payments required
by the terms of the mortgage.

(d) Treatment of loan modifications
If a mortgagor and mortgagee (or holder of the mortgage) agree to a modification of the terms or
conditions of a loan pursuant to a residential mortgage transaction, the cancellation date, termination
date, or final termination shall be recalculated to reflect the modified terms and conditions of such loan.

(e) No further payments
No payments or premiums may be required from the mortgagor in connection with a private mortgage
insurance requirement terminated or canceled under this section—
   (1) in the case of cancellation under subsection (a) of this section, more than 30 days after the
       later of—
       (A) the date on which a request under subsection (a)(1) of this section is received; or
       (B) the date on which the mortgagor satisfies any evidence and certification requirements
           under subsection (a)(4) of this section;
   (2) in the case of termination under subsection (b) of this section, more than 30 days after the
       termination date or the date referred to in subsection (b)(2) of this section, as applicable; and
   (3) in the case of termination under subsection (c) of this section, more than 30 days after the final
       termination date established under that subsection.

(f) Return of unearned premiums
   (1) In general
       Not later than 45 days after the termination or cancellation of a private mortgage insurance
       requirement under this section, all unearned premiums for private mortgage insurance shall be
       returned to the mortgagor by the servicer.
   (2) Transfer of funds to servicer
Not later than 30 days after notification by the servicer of termination or cancellation of private mortgage insurance under this chapter with respect to a mortgagor, a mortgage insurer that is in possession of any unearned premiums of that mortgagor shall transfer to the servicer of the subject mortgage an amount equal to the amount of the unearned premiums for repayment in accordance with paragraph (1).

(g) **Exceptions for high risk loans**

(1) **In general**

The termination and cancellation provisions in subsections (a) and (b) of this section do not apply to any residential mortgage transaction that, at the time at which the residential mortgage transaction is consummated, has high risks associated with the extension of the loan—

(A) as determined in accordance with guidelines published by the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation, in the case of a mortgage loan with an original principal balance that does not exceed the applicable annual conforming loan limit for the secondary market established pursuant to section 1454 (a)(2) of this title, so as to require the imposition or continuation of a private mortgage insurance requirement beyond the terms specified in subsection (a) or (b) of this section; or

(B) as determined by the mortgagee in the case of any other mortgage, except that termination shall occur—

(i) with respect to a fixed rate mortgage, on the date on which the principal balance of the mortgage, based solely on the initial amortization schedule for that mortgage, and irrespective of the outstanding balance for that mortgage on that date, is first scheduled to reach 77 percent of the original value of the property securing the loan; and

(ii) with respect to an adjustable rate mortgage, on the date on which the principal balance of the mortgage, based solely on the amortization schedule then in effect for that mortgage, and irrespective of the outstanding balance for that mortgage on that date, is first scheduled to reach 77 percent of the original value of the property securing the loan.

(2) **Termination at midpoint**

A private mortgage insurance requirement in connection with a residential mortgage transaction described in paragraph (1) shall terminate in accordance with subsection (c) of this section.

(3) **Rule of construction**

Nothing in this subsection may be construed to require a residential mortgage or residential mortgage transaction described in paragraph (1)(A) to be purchased by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation.

(4) **GAO report**

Not later than 2 years after July 29, 1998, the Comptroller General of the United States shall submit to the Congress a report describing the volume and characteristics of residential mortgages and residential mortgage transactions that, pursuant to paragraph (1) of this subsection, are exempt from the application of subsections (a) and (b) of this section. The report shall—

(A) determine the number or volume of such mortgages and transactions compared to residential mortgages and residential mortgage transactions that are not classified as high-risk for purposes of paragraph (1); and

(B) identify the characteristics of such mortgages and transactions that result in their classification (for purposes of paragraph (1)) as having high risks associated with the extension of the loan and describe such characteristics, including—

(i) the income levels and races of the mortgagors involved;

(ii) the amount of the downpayments involved and the downpayments expressed as percentages of the acquisition costs of the properties involved;
(iii) the types and locations of the properties involved;
(iv) the mortgage principal amounts; and
(v) any other characteristics of such mortgages and transactions that may contribute to their classification as high risk for purposes of paragraph (1), including whether such mortgages are purchase-money mortgages or refinancings and whether and to what extent such loans are low-documentation loans.

(h) Accrued obligation for premium payments

The cancellation or termination under this section of the private mortgage insurance of a mortgagor shall not affect the rights of any mortgagee, servicer, or mortgage insurer to enforce any obligation of such mortgagor for premium payments accrued prior to the date on which such cancellation or termination occurred.

time at which the transaction is consummated, the mortgagee shall provide written notice to the
mortgagor that in no case may private mortgage insurance be required beyond the date that is the
midpoint of the amortization period of the loan, if the mortgagor is current on payments required
by the terms of the residential mortgage.

(3) Annual disclosures

If private mortgage insurance is required in connection with a residential mortgage transaction, the
servicer shall disclose to the mortgagor in each such transaction in an annual written statement—

(A) the rights of the mortgagor under this chapter to cancellation or termination of the private
mortgage insurance requirement; and

(B) an address and telephone number that the mortgagor may use to contact the servicer to
determine whether the mortgagor may cancel the private mortgage insurance.

(4) Applicability

Paragraphs (1) through (3) shall apply with respect to each residential mortgage transaction
consummated on or after the date that is 1 year after July 29, 1998.

(b) Disclosures for existing mortgages

If private mortgage insurance was required in connection with a residential mortgage entered into at
any time before the effective date of this chapter, the servicer shall disclose to the mortgagor in each

(a) In general

Not later than 30 days after the date of cancellation or termination of a private mortgage insurance requirement in accordance with this chapter, the servicer shall notify the mortgagor in writing—

§ 4905. Disclosure requirements for lender paid mortgage insurance

(a) Definitions

For purposes of this section—

(1) the term “borrower paid mortgage insurance” means private mortgage insurance that is required in connection with a residential mortgage transaction, payments for which are made by the borrower;

(2) the term “lender paid mortgage insurance” means private mortgage insurance that is required in connection with a residential mortgage transaction, payments for which are made by a person other than the borrower; and

(3) the term “loan commitment” means a prospective mortgagee’s written confirmation of its approval, including any applicable closing conditions, of the application of a prospective mortgagor for a residential mortgage loan.

(b) Exclusion

Sections 4902 through 4904 of this title do not apply in the case of lender paid mortgage insurance.

(c) Notices to mortgagor

In the case of lender paid mortgage insurance that is required in connection with a residential mortgage transaction—

(1) not later than the date on which a loan commitment is made for the residential mortgage transaction, the prospective mortgagee shall provide to the prospective mortgagor a written notice—

(A) that lender paid mortgage insurance differs from borrower paid mortgage insurance, in that lender paid mortgage insurance may not be canceled by the mortgagor, while borrower paid mortgage insurance could be cancelable by the mortgagor in accordance with section
4902 (a) of this title, and could automatically terminate on the termination date in accordance with section 4902 (b) of this title;

(B) that lender paid mortgage insurance—

(i) usually results in a residential mortgage having a higher interest rate than it would in the case of borrower paid mortgage insurance; and

(ii) terminates only when the residential mortgage is refinanced (under the meaning given such term in the regulations issued by the Board of Governors of the Federal Reserve System to carry out the Truth in Lending Act (15 U.S.C. 1601 et seq.)), paid off, or otherwise terminated; and

(C) that lender paid mortgage insurance and borrower paid mortgage insurance both have benefits and disadvantages, including a generic analysis of the differing costs and benefits of a residential mortgage in the case lender paid mortgage insurance versus borrower paid mortgage insurance over a 10-year period, assuming prevailing interest and property appreciation rates;

(D) that lender paid mortgage insurance may be tax-deductible for purposes of Federal income taxes, if the mortgagor itemizes expenses for that purpose; and

(2) not later than 30 days after the termination date that would apply in the case of borrower paid mortgage insurance, the servicer shall provide to the mortgagor a written notice indicating that the mortgagor may wish to review financing options that could eliminate the requirement for private mortgage insurance in connection with the residential mortgage transaction.

(d) Standard forms

The servicer of a residential mortgage transaction may develop and use a standardized form or forms for the provision of notices to the mortgagor, as required under subsection (c) of this section.

(ii) in which the liable party is not subject to section 4909 of this title, such amount as the court may allow, not to exceed $1,000 as to each member of the class, except that the total recovery under this subparagraph in any class action or series of class actions arising out of the same violation by the same liable party shall not exceed the lesser of $500,000 or 1 percent of the gross revenues of the liable party, as determined by the court;
