CHAPTER 1—ESTABLISHMENT AND DUTIES

Sec.
1. Establishment of Coast Guard.
2. Primary duties.
3. Relationship to Navy Department.
4. Operation as a service in the Navy.
5. “Secretary” defined.

§ 1. Establishment of Coast Guard

The Coast Guard as established January 28, 1915, shall be a military service and a branch of the armed forces of the United States at all times. The Coast Guard shall be a service in the Department of Homeland Security, except when operating as a service in the Navy.

Historical and Revision Notes

Said section has been divided. Provisions relating to operation under the Navy in time of war are placed in sections 3 and 4 of this title, and the remainder is in this section.

This section continues the Coast Guard as a military service and branch of the armed forces of the United States at all times. By the act of July 11, 1941, 55 Stat. 585 (title 14, U.S.C., 1946 ed., § 1), the Coast Guard was constituted a branch of the land and naval forces of the United States at all times. This section therefore merely continues an existing agency and codifies existing law on the military status of the Coast Guard, substituting “armed forces” for “land and naval forces” because of the recent establishment of the Department of the Air Force as an “armed force” rather than as a part of the “land and naval forces”. The Coast Guard is designated a service in the Treasury Department except when operating as a service in the Navy. This is a better definition of the status of the Coast Guard than one which defines it as a service under the Treasury Department in time of peace, because the President is authorized to place the Coast Guard under the Navy in time of emergency, which could be in time of peace.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

1976—Pub. L. 94–546 substituted “Department of Transportation” for “Treasury Department”.

Effective Date of 2002 Amendment

Amendment by Pub. L. 107–296 effective on the date of transfer of the Coast Guard to the Department of Homeland Security, see section 1704(g) of Pub. L. 107–296, set out as a note under section 101 of Title 10, Armed Forces.

Short Title of 2010 Amendment

Pub. L. 111–281, title V, § 501, Oct. 15, 2010, 124 Stat. 2951, provided that: “This title [enacting sections 57 to 59, 102, and 200 of this title and section 2116 of Title 46, Shipping, amending sections 47, 50, 51, 52, 93, and 290 of this title and section 3309 of Title 46, repealing section 50a of this title, and enacting provisions set out as a note under section 50a of this title] may be cited as the ‘Coast Guard Modernization Act of 2010’.”

Short Title of 2006 Amendment

§ 2. Primary duties

Footnotes
Historical and Revision Notes

This section contains a codification of functions. It sets forth in general language the primary responsibilities of the Coast Guard: enforcement of all Federal laws on waters to which they have application, safety of life and property at sea, aiding navigation, and readiness to function with the Navy. Having been created in 1915 by the consolidation of the Revenue Cutter Service and the Life Saving Service, the Coast Guard has gradually been given additional duties and responsibilities, such as the assignment of law enforcement powers on the high seas and navigable waters in 1936, the transfer of the Lighthouse Service in 1939, and the transfer of the Bureau of Marine Inspection and Navigation in 1942. Existing along with these other duties has been that of maintaining a state of readiness as a specialized service prepared for active participation with the Navy in time of war. These various interdependent functions of the Service have not been expressed collectively in any statute heretofore, but it is believed desirable to do so in this revision in order to have outlined in general terms in one section the broad scope of the functions of the Coast Guard. 81st Congress, House Report No. 557.

Amendments

1988—Pub. L. 100–690 substituted “United States; shall engage in maritime air surveillance or interdiction to enforce or assist in the enforcement of the laws of the United States; shall administer” for first reference to “United States;”.

1986—Pub. L. 99–640 inserted “and under” after “life and property on” and striking out “on” after “the high seas and” in clause preceding second semicolon; and substituting “icebreaking” for “ice-breaking” and inserting “, under,” after “promotion of safety on” in clause preceding third semicolon, respectively.

1970—Pub. L. 91–278 improved and clarified text, substituting “on and under” for “upon” in clause preceding first semicolon; inserting “and under” after “life and property on” and striking out “on” after “the high seas and” in clause preceding second semicolon; and substituting “icebreaking” for “ice-breaking” and inserting “, under,” after “promotion of safety on” in clause preceding third semicolon, respectively.

1961—Pub. L. 87–396 required Coast Guard to engage in oceanographic research on high seas and in waters subject to jurisdiction of the United States.

Transfer of Functions

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468 (b), 551 (d), 552 (d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

Annual Report on Coast Guard Capabilities and Readiness to Fulfill National Defense Responsibilities

Pub. L. 107–295, title IV, § 426, Nov. 25, 2002, 116 Stat. 2126, provided that: “Not later than February 15 each year, the Secretary of the department in which the Coast Guard is operating shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report, prepared in conjunction with the Commandant of the Coast Guard, setting forth the capabilities and readiness of the Coast Guard to fulfill its national defense responsibilities.”
§ 3. Relationship to Navy Department

Upon the declaration of war if Congress so directs in the declaration or when the President directs, the Coast Guard shall operate as a service in the Navy, and shall so continue until the President, by Executive order, transfers the Coast Guard back to the Department of Homeland Security. While operating as a service in the Navy, the Coast Guard shall be subject to the orders of the Secretary of the Navy who may order changes in Coast Guard operations to render them uniform, to the extent he deems advisable, with Navy operations.

Historical and Revision Notes

Said section has been divided. The provisions relating to when the Coast Guard operates as a service in the Navy are in this section. The provisions relating to the establishment of the Coast Guard are placed in section 1 of this title. The provisions relating to appropriations are placed in section 4 of this title.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

2006—Pub. L. 109–241 inserted “if Congress so directs in the declaration” after “Upon the declaration of war”.

1976—Pub. L. 94–546 substituted “Executive” for “executive” and “Department of Transportation” for “Treasury Department”.

Effective Date of 2002 Amendment

Amendment by Pub. L. 107–296 effective on the date of transfer of the Coast Guard to the Department of Homeland Security, see section 1704(g) of Pub. L. 107–296, set out as a note under section 101 of Title 10, Armed Forces.

§ 4. Operation as a service in the Navy

Whenever the Coast Guard operates as a service in the Navy:

(a) applicable appropriations of the Navy Department shall be available for the expense of the Coast Guard;

(b) applicable appropriations of the Coast Guard shall be available for transfer to the Navy Department;

(c) precedence between commissioned officers of corresponding grades in the Coast Guard and the Navy shall be determined by the date of rank stated by their commissions in those grades;

(d) personnel of the Coast Guard shall be eligible to receive gratuities, medals, and other insignia of honor on the same basis as personnel in the naval service or serving in any capacity with the Navy; and

(e) the Secretary may place on furlough any officer of the Coast Guard and officers on furlough shall receive one half of the pay to which they would be entitled if on leave of absence, but officers of the Coast Guard Reserve shall not be so placed on furlough.

§ 5. “Secretary” defined

As used in this title, the term “Secretary” means the Secretary of the respective department in which the Coast Guard is operating.

(a) The Coast Guard may make inquiries, examinations, inspections, searches, seizures, and arrests upon the high seas and waters over which the United States has jurisdiction, for the prevention, detection, and suppression of violations of laws of the United States. For such purposes, commissioned, warrant, and petty officers may at any time go on board of any vessel subject to the jurisdiction, or to the operation of any law, of the United States, address inquiries to those on board, examine the ship’s documents and papers, and examine, inspect, and search the vessel and use all necessary force to compel compliance. When from such inquiries, examination, inspection, or search it appears that a breach of the laws of the United States rendering a person liable to arrest is being, or has been committed, by any person, such person shall be arrested or, if escaping to shore, shall be immediately pursued and arrested on shore, or other lawful and appropriate action shall be taken; or, if it shall appear that a breach of the laws of the United States has been committed so as to render such vessel, or the merchandise, or any part thereof, on board of, or brought into the United States by, such vessel, liable to forfeiture, or so as to render such vessel liable to a fine or penalty and if necessary to secure such fine or penalty, such vessel or such merchandise, or both, shall be seized.

Historical and Revision Notes

The words “or such merchandise” are inserted in the last clause of subsection (a) in order to provide for situations where it may be desirable to seize merchandise without seizing the vessel.

§ 92. Secretary; general powers

For the purpose of executing the duties and functions of the Coast Guard the Secretary may within the limits of appropriations made therefor:

(a) establish, change the limits of, consolidate, discontinue, and re-establish Coast Guard districts;

(b) arrange with the Secretaries of the Army, Navy and Air Force to assign members of the Coast Guard to any school maintained by the Army, Navy, and Air Force, for instruction and training, including aviation schools;

(c) construct, or cause to be constructed, Coast Guard shore establishments;

(d) design or cause to be designed, cause to be constructed, accept as gift, or otherwise acquire vessels, and subject to applicable regulations under subtitle I of title 40 and division C (except sections 3302, 3501 (b), 3509, 3906, 4710, and 4711) of subtitle I of title 41 dispose of them;

(f) acquire land or interests in land, including acceptance of gifts thereof, where required for the purpose of carrying out any project or purpose for which an appropriation has been made;

(g) exchange land or interests in land in part or in full payment for such other land or interests in land as may be necessary or desirable, the balance of such part payment to be defrayable in accordance with other provisions of this section;
(h) exercise any of the powers vested by this title in the Commandant in any case in which the Secretary deems it appropriate; and

(i) do any and all things necessary to carry out the purposes of this title.

Historical and Revision Notes

This section grants broad general powers concerning policy matters to the Secretary. Many of the powers are contained in existing law but some are enlarged and some additional powers are added as explained following.

Subsection (a) is based on title 14, U.S.C., 1946 ed., § 95 (Aug. 29, 1916, ch. 417, 39 Stat. 601). Said section has been divided. The provision authorizing the Secretary to man stations seems more appropriately given to the operational head of the Service, the Commandant, and for that reason is incorporated in section 93 (c) of this title.

Subsection (b) is based on title 14, U.S.C., 1946 ed., §§ 28, 42 (Aug. 16, 1916, ch. 417, 39 Stat. 601; July 3, 1926, ch. 742, § 11, 44 Stat. 817). These sections were rewritten in order to broaden existing authority in regard to the training of Coast Guard personnel at schools of the other armed forces, thus approaching a practice of war time, and making for economy in the training of Service personnel; such training would be on a basis mutually satisfactory to the Secretaries involved.

Subsection (e) is new. It is derived from title 14, U.S.C., 1946 ed., § 31b (June 6, 1941, ch. 177, 55 Stat. 247 [which was originally repealed by act June 30, 1949, ch. 288, title VI, § 602(a)(28), 63 Stat. 399, renumbered Sept. 5, 1950, ch. 849, § 6(a), (b), 64 Stat. 583]) which provides for the exchange of vehicles, planes, and engines; similar authority in relation to vessels, is granted to the Secretary by this subsection and should prove advantageous to the Government.

Subsection (f) is based on title 14, U.S.C., 1946 ed., § 96 and on title 33, U.S.C., 1946 ed., §§ 729, 730, 731 (Mar. 3, 1875, ch. 130, § 1, 18 Stat. 372; Mar. 4, 1909, ch. 299, 35 Stat. 972; June 17, 1910, ch. 301, § 9, 36 Stat. 538; Mar. 4, 1913, ch. 168, 37 Stat. 1018). This subsection broadens the power of the Secretary to receive as a gift or purchase sites for stations, to include the acquisition of land by any means provided it is for the purpose of executing duties and functions of the Coast Guard.

Subsection (g) is based in part on title 33, U.S.C., 1946 ed., § 732 (Aug. 28, 1916, ch. 414, § 2, 39 Stat. 538; July 11, 1941, ch. 290, § 1, 55 Stat. 584) and grants authority to the Secretary to exchange interests in land as payment or part payment for other interests in land for the purpose of executing the duties and functions of the Coast Guard; this authority, on the basis of past experience, will prove advantageous to the Government.

Subsection (h) is new and merely insures that the Secretary may exercise any of the powers granted to the Commandant in this title.

Subsection (i) is based in part on title 14, U.S.C., 1946 ed., §§ 51, 131 (R.S. 2756, 2758) and insures that the Secretary may do anything necessary to carry out the purposes of this title.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

1951—Subsec. (c). Act Oct. 31, 1951, § 3(3), struck out provision relating to sale or other disposition of unsuitable or unserviceable shore establishments, and disposition of the net monies received therefrom.

Subsec. (d). Act Oct. 31, 1951, § 2(9), inserted reference to applicable regulations of the Federal Property and Administrative Services Act of 1949, as amended, and struck out requirement that net monies received from the disposition of vessels be covered into the Treasury.

Subsec. (e). Act Oct. 31, 1951, § 1(32), repealed subsec. (e) which empowered the Secretary to exchange vessels and parts thereof in part payment for new vessels.

Transfer of Functions
For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468 (b), 551 (d), 552 (d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

“(f) Independent Ice Breaker Analyses.—

“(1) In general.—Not later than 90 days after the date of enactment of this Act [Oct. 15, 2010], the Secretary of the department in which the Coast Guard is operating shall require a nongovernmental, independent third party (other than the National Academy of Sciences) that has extensive experience in the analysis of military procurements, to—

“(A) conduct a comparative cost-benefit analysis, taking into account future Coast Guard budget projections (which assume Coast Guard budget growth of no more than inflation) and other recapitalization needs, of—

“(i) rebuilding, renovating, or improving the existing fleet of polar icebreakers for operation by the Coast Guard;

“(ii) constructing new polar icebreakers for operation by the Coast Guard;

“(iii) construction of new polar icebreakers by the National Science Foundation for operation by the Foundation;

“(iv) rebuilding, renovating, or improving the existing fleet of polar icebreakers by the National Science Foundation for operation by the Foundation; and
“(v) any combination of the activities described in clause (i), (ii), (iii), or (iv) to carry out the missions of the Coast Guard and the National Science Foundation; and

“(B) conduct a comprehensive analysis of the impact on all Coast Guard activities, including operations, maintenance, procurements, and end strength, of the acquisition of polar icebreakers described in subparagraph (A) by the Coast Guard or the National Science Foundation assuming that total Coast Guard funding will not increase more than the annual rate of inflation.

“(2) Report.—Not later than 1 year after the date of enactment of this Act, the Secretary of the department in which the Coast Guard is operating shall submit a report containing the results of the analyses required under paragraph (1), together with recommendations the Commandant considers appropriate under section 93(a)(24) of title 14, United States Code, to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

“(g) High-Latitude Study.—Not later than 90 days after the date of enactment of this Act [Oct. 15, 2010] or the date of completion of the ongoing High-Latitude Study to assess polar icebreaking mission requirements for all Coast Guard missions including search and rescue, marine pollution response and prevention, fisheries enforcement, and maritime commerce, whichever occurs later, the Commandant of the Coast Guard shall submit a report containing the results of the study, together with recommendations the Commandant considers appropriate under section 93(a)(24) of title 14, United States Code, to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

“(h) Arctic Definition.—In this section the term ‘Arctic’ has the same meaning as in section 112 of the Arctic Research and Policy Act of 1984 (15 U.S.C. 4111).”

Conveyance of Coast Guard Vessels for Public Purposes

“(a) In General.—Whenever the transfer of ownership of a Coast Guard vessel or aircraft to an eligible entity for use for educational, cultural, historical, charitable, recreational, or other public purposes is authorized by law or declared excess by the Commandant, the Coast Guard shall transfer the vessel or aircraft to the General Services Administration for conveyance to the eligible entity.

“(b) Conditions of Conveyance.—The General Services Administration may not convey a vessel or aircraft to an eligible entity as authorized by law unless the eligible entity agrees—

“(1) to provide the documentation needed by the General Services Administration to process a request for aircraft or vessels under section 102.37.225 of title 41, Code of Federal Regulations;

“(2) to comply with the special terms, conditions, and restrictions imposed on aircraft and vessels under section 102.37.460 of such title;

“(3) to make the vessel available to the United States Government if it is needed for use by the Commandant of the Coast Guard in time of war or a national emergency; and

“(4) to hold the United States Government harmless for any claims arising from exposure to hazardous materials, including asbestos and polychlorinated biphenyls, that occurs after conveyance of the vessel, except for claims arising from use of the vessel by the United States Government under paragraph (3).

“(c) Other Obligations Unaffected.—Nothing in this section amends or affects any obligation of the Coast Guard or any other person under the Toxic Substances Control Act (15 U.S.C. 2601 et seq.) or any other law regarding use or disposal of hazardous materials including asbestos and polychlorinated biphenyls.

“(d) Eligible Entity Defined.—In this section, the term ‘eligible entity’ means a State or local government, nonprofit corporation, educational agency, community development organization, or other entity that agrees to comply with the conditions established under this section.”

Implementation of International Agreements

Pub. L. 109–241, title VIII, § 801, July 11, 2006, 120 Stat. 562, provided that: “In consultation with appropriate Federal agencies, the Secretary of the department in which the Coast Guard is operating shall work with the responsible officials and agencies of other nations to accelerate efforts at the International Maritime Organization to enhance oversight and enforcement of security, environmental, and other agreements adopted within the International Maritime Organization by flag States on whom such agreements are binding, including implementation of—

“(1) a code outlining flag State responsibilities and obligations;

“(2) an audit regime for evaluating flag State performance;
“(3) measures to ensure that responsible organizations, acting on behalf of flag States, meet established performance
standards; and
“(4) cooperative arrangements to improve enforcement on a bilateral, regional, or international basis.”

**Voluntary Measures for Reducing Pollution From Recreational Boats**

Federal, State, and local government agencies, the Secretary of the department in which the Coast Guard is operating
shall undertake outreach programs for educating the owners and operators of boats using two-stroke engines about the
pollution associated with such engines and support voluntary programs that reduce such pollution and encourage the
early replacement of older two-stroke engines.”

**Great Lakes Lighthouses**

“(a) Findings.—The Congress finds the following:

“(1) The Great Lakes are home to more than 400 lighthouses. One hundred and twenty of these maritime landmarks
are in the State of Michigan.

“(2) Lighthouses are an important part of Great Lakes culture and stand as a testament to the importance of shipping
in the region’s political, economic, and social history.

“(3) Advances in navigation technology have made many Great Lakes lighthouses obsolete. In Michigan alone,
approximately 70 lighthouses will be designated as excess property of the Federal Government and will be transferred
to the General Services Administration for disposal.

“(4) Unfortunately, the Federal property disposal process is confusing, complicated, and not well-suited to disposal of
historic lighthouses or to facilitate transfers to nonprofit organizations. This is especially troubling because, in many
cases, local nonprofit historical organizations have dedicated tremendous resources to preserving and maintaining
Great Lakes lighthouses.

“(5) If Great Lakes lighthouses disappear, the public will be unaware of an important chapter in Great Lakes history.

“(6) The National Trust for Historic Preservation has placed Michigan lighthouses on their list of Most Endangered
Historic Places.

“(b) Assistance for Great Lakes Lighthouse Preservation Efforts.—The Secretary of the department in which the Coast
Guard is operating, may—

“(1) continue to offer advice and technical assistance to organizations in the Great Lakes region that are dedicated to
lighthouse stewardship; and

“(2) promptly release information regarding the timing of designations of Coast Guard lighthouses on the Great Lakes
as excess to the needs of the Coast Guard, to enable those organizations to mobilize and be prepared to take appropriate
action with respect to the disposal of those properties.”

**VHF Communications Services**

“(a) The Secretary of the department in which the Coast Guard is operating may authorize a person providing
commercial VHF communications services to place commercial VHF communications equipment on real property
under the administrative control of the Coast Guard (including towers) subject to any terms agreed to by the parties.
The Secretary and that commercial VHF communications service provider also may enter into an agreement providing
for VHF communications services to the Coast Guard (including digital selective calling and radio direction finding
services) at a discounted rate or price based on providing such access to real property under the administrative control
of the Coast Guard.

“(b) Commercial VHF communication equipment placed on real property under the administrative control of the Coast
Guard under this section shall not interfere in any manner with any current or future Coast Guard communication
equipment.

“(c) Nothing in this section shall affect the rights or obligations of the United States under section 704(c) of the
under section 359(d) of the Communications Act of 1934 (47 U.S.C. 357 (d)) with respect to charges for transmission of
distress messages.”
Purchase of American-Made Equipment and Products; Notice to Recipients of Assistance

“(a) Purchase of American-Made Equipment and Products.—It is the sense of the Congress that, to the greatest extent practicable, all equipment and products purchased with funds made available under this Act [see Tables for classification] should be American-made.

“(b) Notice to Recipients of Assistance.—In providing financial assistance under this Act, the official responsible for providing the assistance, to the greatest extent practicable, shall provide to each recipient of the assistance a notice describing the statement made in subsection (a) by the Congress.”

“(b) Program Requirements.—A pilot program carried out by the Secretary under this section—

“(1) shall be known as the ‘Claude Pepper Junior Reserve Officers Training Program’, and

“(2) shall provide to students at the Academy—

“(A) instruction in subject areas relating to operations of the Coast Guard; and

“(B) training in skills which are useful and appropriate for a career in the Coast Guard.

“(c) Provision of Additional Support.—To carry out a pilot program under this section, the Secretary may provide to the Academy—

“(1) assistance in course development, instruction, and other support activities;

“(2) commissioned, warrant, and petty officers of the Coast Guard to serve as administrators and instructors; and

“(3) necessary and appropriate course materials, equipment, and uniforms.

“(d) Employment of Retired Coast Guard Personnel.—

“(1) In general.—Subject to paragraph (2) of this subsection, the Secretary may authorize the Academy to employ as administrators and instructors for the pilot program retired Coast Guard and Coast Guard Reserve commissioned, warrant, and petty officers who request that employment and who are approved by the Secretary and the Academy.

“(2) Authorized pay.—(A) Retired members employed under paragraph (1) of this subsection are entitled to receive their retired or retainer pay and an additional amount of not more than the difference between—

“(i) the amount the individual would be paid as pay and allowance if they were considered to have been ordered to active duty during that period of employment; and

“(ii) the amount of retired pay the individual is entitled to receive during that period.

“(B) The Secretary shall pay to the Academy an amount equal to one half of the amount described in subparagraph (A) of this paragraph, from funds appropriated for that purpose.

“(C) Notwithstanding any other law, while employed under this subsection, an individual is not considered to be on active duty or inactive duty training.”

L. 101–225, title II, § 213, Dec. 12, 1989, 103 Stat. 1914, provided that: “Before acquiring a vessel for use by the Coast Guard, the Secretary of Transportation or the Commandant of the Coast Guard, as appropriate, shall review the inventory of vessels acquired by the Secretary or the Secretary of Commerce as the result of a default under title XI
of the Merchant Marine Act, 1936 ([former] 46 App. U.S.C. 1271–1279c) [see 46 U.S.C. 53701 et seq.], to determine whether any of those vessels are suitable for use by the Coast Guard.”

Historical and Revision Notes

This section grants powers to the Commandant concerning, in general, operations within the Service and the internal functioning of the Service. Many of the powers are contained in existing law, but some are enlarged, and some additional powers are added as explained following.

Subsection (a) is derived from title 14, U.S.C., 1946 ed., § 53, and title 34, U.S.C., 1946 ed., § 471 (R.S. 1536). The authority to order vessels to cruise along the coasts should be in the operational head of the Service, and not in the President. This section is changed to cover adequately the necessary present day cruising and patrolling.

Subsection (b) is derived from R.S. 4242 and title 14, U.S.C., 1946 ed., §§ 29, 93, 94, 95, 97, 98a (R.S. 4245, 4249; May 4, 1882, ch. 117, §§ 2, 3, 22 Stat. 56; Aug. 29, 1916, ch. 417, 39 Stat. 601; Aug. 6, 1947, ch. 502, 61 Stat. 786; June 6, 1940, ch. 257, § 4, 54 Stat. 247), and specifically grants to the Commandant authority in regard to the establishment, discontinuance, and change of Coast Guard shore establishments other than Coast Guard districts. This power must exist inherently in order for the Service to function efficiently.

Subsection (c) is derived from title 14, U.S.C., 1946 ed., §§ 54, 97, 112 (May 4, 1882, ch. 117, § 3, 22 Stat. 56; May 30, 1908, ch. 231, 35 Stat. 553; Apr. 21, 1910, ch. 182, § 2, 36 Stat. 326), and specifically grants to the Commandant authority in regard to the assignment of vessels, vehicles, aids to navigation, and other equipment. This power is inherent to the proper functioning of any Service.

Subsection (d) is based on title 14, U.S.C., 1946 ed., § 91 (June 18, 1878, ch. 265, § 7, 20 Stat. 164; June 10, 1921, ch. 18, § 304, 42 Stat. 24; July 3, 1926, ch. 742, § 9, 44 Stat. 817). Said section has been divided. The part dealing with investigation of plans and inventions is covered in this subsection in broader terms, and the other parts are covered in general terms in section 632 of this title.

Subsection (e) is based on title 14, U.S.C., 1946 ed., § 111 (June 18, 1878, ch. 265, § 9, 20 Stat. 164). This section has been rewritten to broaden the authority to include any investigation or study that may be of assistance to the Coast Guard, the limitation as to investigation of shipwrecks having been eliminated.

Subsection (f) is new and is intended to give legislative recognition to the importance of disseminating information by the Coast Guard for the promotion of safety at sea, life-saving techniques, and other Coast Guard activities.
Subsection (g) is new and provides for the training of Coast Guard personnel at other than schools or institutions of the other armed forces. Such training is essential and has been carried on under the authority of appropriation acts for many years.

Subsection (h) is based in part on title 14, U.S.C., 1946 ed., §§ 69, 108, 109, (R.S. 2748; June 20, 1874, ch. 344, § 9, 18 Stat. 127; June 18, 1878, ch. 265, § 3, 20 Stat. 163), and is intended to complement the authority granted to the Secretary in sec. 92 (d) of this title granting similar authority to the Commandant as to smaller craft.

Subsection (i) is based in part on title 14, U.S.C., §§ 108, 109, and on title 33, U.S.C., 1946 ed., § 752 (June 20, 1874, ch. 344, § 9, 18 Stat. 127; June 18, 1878, ch. 265, § 3, 20 Stat. 163; Mar. 4, 1913, ch. 168, 37 Stat. 10183, and grants power to the Commandant to acquire and dispose of various equipment and supplies. The authority with respect to the acceptance of such equipment as a gift is new.

Subsection (j) is new and grants power to the Commandant to operate and maintain shore establishments; previously such authority has been inferred from statutes providing for the establishment of shore stations; again such authority is inherent to the functioning of any Service, and this section will provide no greater authority than has been exercised in the past.

Subsection (k) is based on title 14, U.S.C., 1946 ed., § 31b (June 6, 1941, ch. 177, 55 Stat. 247 [which was originally repealed by act June 30, 1949, ch. 288, title VI, § 602(a)(28), 63 Stat. 399, renumbered Sept. 5, 1950, ch. 849, § 6(a), (b), 64 Stat. 583]). The primary authority is granted to the Commandant as well as to the Secretary inasmuch as such exchange seems to be an operational matter and the items which may be exchanged have been enlarged by the addition of aids to navigation, appliances, equipment, and supplies.

Inasmuch as the act cited above applies to the Navy as well as the Coast Guard it is not scheduled for repeal but is being amended by section 13 of this act to eliminate reference to the Coast Guard.

Subsection (l) is new and is deemed desirable in order to give legislative authority for existing yards, and for the procurement of needed equipment and material in case such is not normally or economically obtainable from private contractors.

Subsection (m) is based on title 14, U.S.C., 1946 ed., §§ 110, 192 (June 20, 1874, ch. 344, § 6, 18 Stat. 127; June 18, 1878, ch. 265, § 10, 20 Stat. 165; July 3, 1926, ch. 742, § 9, 44 Stat. 817). The power to accept volunteer services is enlarged to include all services offered in time of emergency, to save life or protect property, and the restrictive provisions relating to lifeboat stations only have been eliminated.

Subsection (n) is new and grants authority to the Commandant to lease real property under the control of the Coast Guard, when not immediately needed in Coast Guard operations. Such authority will be advantageous to the Government, on the basis of past experience.

Subsection (o) is new and is supplementary to subsection (n) of this section. It grants further authority to the Commandant permitting him to grant minor interests in land which is under control of the Coast Guard. This will avoid the necessity of special acts of Congress in each of such instances.

Subsection (p) is new and is necessary to give proper authority for the maintenance of networks of wires and cables, in some cases over or along private property or public highways. These networks are in existence at the present time and are essential for the Service to carry out its functions.

Subsection (q) is new and is necessary in order to provide clear authority for the maintenance of radio stations which are essential to Coast Guard functions.

Changes were made in phraseology. 81st Congress, House Report No. 557.

CHAPTER 7—COOPERATION WITH OTHER AGENCIES

Sec.
141. Cooperation with other agencies, States, territories, and political subdivisions.
142. State Department.
143. Treasury Department.
144. Department of the Army and Department of the Air Force.
145. Navy Department.
146. United States Postal Service.
147. Department of Commerce.
147a. Department of Health and Human Services.
148. Maritime instruction.
149. Assistance to foreign governments and maritime authorities.
150. Coast Guard officers as attaches to missions.
151. Contracts with Government-owned establishments for work and material.
152. Nonappropriated fund instrumentalities: contracts with other agencies and instrumentalities to provide or obtain goods and services.
153. Appointment of judges.

Historical and Revision Notes

In connection with its maritime police, promoting safety of life and property at sea, and aiding navigation functions, the Coast Guard frequently finds it advisable to utilize the services of other agencies and correlatively, frequently finds its facilities useful to other agencies. This high degree of cooperation, a natural attribute of a producing and servicing agency, is important not only because it greatly promotes the quantity and quality of the services performed, but because the concentration of these functions in one agency results in savings to the Government of man-power, funds, and equipment. In the belief that legislative recognition of and specific power to continue this needed cooperation are desirable, Chapter 7 of this title contains a group of sections on cooperation with designated agencies. This is not meant to be a complete listing of cooperating agencies, but rather the designation of the principal ones. In addition, the first section of the chapter deals with availability of Coast Guard personnel and facilities to other agencies and the availability of other agency personnel and facilities to the Coast Guard. 81st Congress, House Report No. 557.

Amendments

§ 141. Cooperation with other agencies, States, territories, and political subdivisions

(a) The Coast Guard may, when so requested by proper authority, utilize its personnel and facilities (including members of the Auxiliary and facilities governed under chapter 23) to assist any Federal agency, State, Territory, possession, or political subdivision thereof, or the District of Columbia, to perform any activity for which such personnel and facilities are especially qualified. The Commandant may prescribe conditions, including reimbursement, under which personnel and facilities may be provided under this subsection.
(b) The Coast Guard, with the consent of the head of the agency concerned, may avail itself of such officers and employees, advice, information, and facilities of any Federal agency, State, Territory, possession, or political subdivision thereof, or the District of Columbia as may be helpful in the performance of its duties. In connection with the utilization of personal services of employees of state or local governments, the Coast Guard may make payments for necessary traveling and per diem expenses as prescribed for Federal employees by the standardized Government travel regulations.

Historical and Revision Notes

This section is based in part on title 33, U.S.C., 1946 ed., § 756 (Mar. 3, 1915, ch. 81, § 6, 38 Stat. 928), and authorizes the Coast Guard to use its personnel and facilities to assist other Government agencies when requested and, correlativey, authorizes the Coast Guard to utilize the personnel and facilities of other agencies. It is believed desirable to have this authority spelled out by statute because in times of emergency, for example floods, it sometimes becomes most advantageous to cooperate in this manner. 81st Congress, House Report No. 557.

Amendments

1996—Pub. L. 104–324, § 405(a)(1), amended section catchline generally, substituting “Cooperation with other agencies, States, territories, and political subdivisions” for “General”.

Subsec. (a). Pub. L. 104–324, § 405(a)(2), (3), inserted “(including members of the Auxiliary and facilities governed under chapter 23)” after “personnel and facilities” and “The Commandant may prescribe conditions, including reimbursement, under which personnel and facilities may be provided under this subsection.” at end.

L. 97–295, §§ 2(6)(A), 6 (b), Oct. 12, 1982, 96 Stat. 1301, 1314.

§ 142. State Department

The Coast Guard, through the Secretary, may exchange information, through the Secretary of State, with foreign governments and suggest to the Secretary of State international collaboration and conferences on all matters dealing with the safety of life and property at sea, other than radio communication.

(Aug. 4, 1949, ch. 393, 63 Stat. 505.)

Historical and Revision Notes

Because of the numerous situations in which it is necessary for the Coast Guard to deal with foreign governments, particularly in the field of safety of life and property at sea, the Coast Guard and the State Department agree that a provision such as this is desirable.

The international character of many Coast Guard functions makes it more and more necessary for the Service to be an initiating or participating agency in international collaboration. Examples of international meetings concerned with matters affecting the Coast Guard include those which dealt with the International Rules of the Road, international load lines, the International Code of Signals, safety at sea, and international telecommunications. It is highly desirable that there be a clear-cut legislative expression of Coast Guard cooperation with the State Department on proposed international conferences dealing with various phases of Coast Guard activities, such as aids to navigation, life-saving equipment, navigation and communication equipment other than radio communication, regulation of dangerous cargoes, international rules of the road, safety requirements and equipment of transoceanic aircraft and vessels, and safe manning standards and efficiency of personnel employed on transoceanic aircraft and vessels. Provisions for

§ 143. Treasury Department

Commissioned, warrant, and petty officers of the Coast Guard are deemed to be officers of the customs and when so acting shall, insofar as performance of the duties relating to customs laws are concerned, be subject to regulations issued by the Secretary of the Treasury governing officers of the customs.

(Aug. 4, 1949, ch. 393, 63 Stat. 506.)

Historical and Revision Notes

This section will not repeal the sections cited above, but makes further provision that Coast Guard personnel when acting as officers of the customs shall, insofar as enforcing customs laws are concerned, be subject to regulations governing regular officers of the customs. 81st Congress, House Report No. 557.

§ 144. Department of the Army and Department of the Air Force

(a) The Secretary of the Army or the Secretary of the Air Force at the request of the Secretary may, with or without reimbursement for the cost thereof, as agreed, receive members of the Coast Guard for instruction in any school, including any aviation school, maintained by the Army or the Air Force, and such members shall be subject to the regulations governing such schools.

(b) Officers and enlisted men of the Coast Guard shall be permitted to purchase quartermaster supplies from the Army at the same price as is charged the officers and enlisted men of the Army.

(c) Articles of ordnance property may be sold by the Secretary of the Army to officers of the Coast Guard for their use in the public service in the same manner as these articles are sold to officers of the Army.

Historical and Revision Notes

Subsection (a) is based on title 14, U.S.C., 1946 ed., § 28 (Aug. 29, 1916, ch. 417, 39 Stat. 601). Section has been enlarged to include the Air Force as well as the Army, and to include all schools maintained by the Army or Air Force, rather than aviation schools only. Reimbursement is made optional depending upon agreement of the Secretaries.

Subsection (b) is based on title 14, U.S.C., 1946 ed., § 31 (Mar. 6, 1920, ch. 94, § 1, 41 Stat. 506).

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

1976—Subsec. (a). Pub. L. 94–546, § 1(10)(a), substituted “at the request of the Secretary” for “at the request of the Secretary of the Treasury”.

Subsec. (c). Pub. L. 94–546, § 1(10)(b), substituted “Secretary of the Army” for “Chief of Ordnance”.

- 62 -
§ 145. Navy Department

(a) The Secretary of the Navy, at the request of the Secretary may, with or without reimbursement for the cost thereof, as agreed:

(1) build any vessel for the Coast Guard at such Navy yards as the Secretary of the Navy may designate;

(2) receive members of the Coast Guard for instruction in any school, including any aviation school maintained by the Navy, and such members shall be subject to the regulations governing such schools;

(3) permit personnel of the Coast Guard and their dependents to occupy any public quarters maintained by the Navy and available for the purpose; and

(4) detail personnel from the Chaplain Corps to provide services, pursuant to section 1789 of title 10, to the Coast Guard.

(b) Officers and enlisted men of the Coast Guard shall be permitted to purchase quartermaster supplies from the Navy and the Marine Corps at the same price as is charged the officers and enlisted men of the Navy and Marine Corps.

(c) When the Coast Guard is operating in the Department of Homeland Security, the Secretary shall provide for such peacetime training and planning of reserve strength and facilities as is necessary to insure an organized, manned, and equipped Coast Guard when it is required for wartime operation in the Navy. To this end, the Secretary of the Navy for the Navy, and the Secretary of Homeland Security, for the Coast Guard, may from time to time exchange such information, make available to each other such personnel, vessels, facilities, and equipment, and agree to undertake such assignments and functions for each other as they may agree are necessary and advisable.

(d) (1) As part of the services provided by the Secretary of the Navy pursuant to subsection (a)(4), the Secretary may provide support services to chaplain-led programs to assist members of the Coast Guard on active duty and their dependents, and members of the reserve component in an active status and their dependents, in building and maintaining a strong family structure.

(2) In this subsection, the term “support services” include transportation, food, lodging, child care, supplies, fees, and training materials for members of the Coast Guard on active duty and their dependents, and members of the reserve component in an active status and their dependents, while participating in programs referred to in paragraph (1), including participation at retreats and conferences.

(3) In this subsection, the term “dependents” has the same meaning as defined in section 1072 (2) of title 10.

Historical and Revision Notes

Subsection (a) is based on title 14, U.S.C., 1946 ed., §§ 28, 42, 57 (Aug. 29, 1916, ch. 417, 39 Stat. 601; July 3, 1926, ch. 742, § 11, 44 Stat. 817.) Subsection is enlarged to make reimbursement for the building of ships or the training of personnel dependent on agreement of the Secretaries, and to include all schools operated by the Navy, rather than aviation schools only.

Subsection (b) is based on title 14, U.S.C., 1946 ed., § 31 (Mar. 6, 1920, ch. 94, § 1, 41 Stat. 506).

Subsection (c) is new. This subsection enacts what has been the practice of the Navy and Coast Guard in keeping the Coast Guard trained to “come on board with some muscle” in time of emergency.
Section 3 of this title deals with the relationship of the Coast Guard to the Navy Department. This section deals with cooperation with the Navy. Whereas the status of the Coast Guard in time of war was treated in chapter 1 of this title, this section has application in time of peace when the Coast Guard is not under the Navy Department.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

1976—Subsec. (a). Pub. L. 94–546, § 1(11)(a), substituted “at the request of the Secretary” for “at the request of the Secretary of the Treasury”.
Subsec. (c). Pub. L. 94–546, § 1(11)(b), substituted in first sentence “Department of Transportation” for “Treasury Department” and in second sentence “Secretary of Transportation” for “Secretary of the Treasury”.

Effective Date of 2002 Amendment

Amendment by Pub. L. 107–296 effective on the date of transfer of the Coast Guard to the Department of Homeland Security, see section 1704(g) of Pub. L. 107–296, set out as a note under section 101 of Title 10, Armed Forces.

§ 146. United States Postal Service

Coast Guard facilities and personnel may be utilized for the transportation and delivery of mail matter during emergency conditions or at isolated locations under such arrangements as may be satisfactory to the Secretary and the United States Postal Service.

Historical and Revision Notes

This section provides generally for what has been the practice between the Coast Guard and the Post Office Department in Alaska for years. The authorization is limited to emergency conditions or isolated locations as may be satisfactory to the Secretary and the United States Postal Service. 81st Congress, House Report No. 557.

Amendments

§ 147. Department of Commerce

In order to promote the safety of life and property on and over the high seas and waters over which the United States has jurisdiction, and to facilitate the preparation and dissemination by the National Oceanic and Atmospheric Administration of the weather reports, forecasts, and warnings essential to the safe and efficient conduct of domestic and international commerce on and over such seas and waters, the Commandant may cooperate with the Administrator, National Oceanic and Atmospheric Administration by procuring, maintaining, and making available, facilities and assistance for observing, investigating, and communicating weather phenomena and for disseminating weather data, forecasts and warnings, the mutually satisfactory terms of such
cooperation in weather service to be agreed upon and arranged between the Commandant and the Administrator, National Oceanic and Atmospheric Administration.

Historical and Revision Notes

This section outlines the sphere of cooperation between the Weather Bureau and the Coast Guard. It would not permit any cooperation that has not been carried on in the past.

Although the Coast Guard has always cooperated closely with the Weather Bureau, positive recognition of this has never appeared in the statutes. In its patrol, its aiding navigation, and its life saving activities, the Coast Guard finds it important to make, receive and transmit weather observations and measurements. Furthermore, with the advent of war, weather reporting, particularly mid-Atlantic weather patrol work, assumed increasing importance, and this extensive weather station manning in cooperation with the Weather Bureau must be provided for in the postwar period. This section providing for such close cooperation with the Weather Bureau in weather reporting would crystallize the cooperative practices of the two agencies as they have operated for years. 81st Congress, House Report No. 557.

Amendments

1976—Pub. L. 94–546 substituted references to the National Oceanic and Atmospheric Administration and to the Administrator, National Oceanic and Atmospheric Administration for references to the Weather Bureau and to the Chief of the Weather Bureau.

§ 147a. Department of Health and Human Services

(a) The Commandant may assist the Secretary of Health and Human Services in providing medical emergency helicopter transportation services to civilians. The Commandant may prescribe conditions, including reimbursement, under which resources may be provided under this section. The following specific limitations apply to assistance provided under this section:

(1) Assistance may be provided only in areas where Coast Guard units able to provide the assistance are regularly assigned. Coast Guard units may not be transferred from one area to another to provide the assistance.

(2) Assistance may be provided only to the extent it does not interfere with the performance of the Coast Guard mission.

(3) Providing assistance may not cause an increase in amounts required for the operation of the Coast Guard.

(b) An individual (or the estate of that individual) who is authorized by the Coast Guard to provide a service under a program established under subsection (a) and who is acting within the scope of that individual’s duties is not liable for injury to, or loss of, property or personal injury or death that may be caused incident to providing the service.

Historical and Revision Notes

In subsection (a), the words “Secretary of Health and Human Services” are substituted for “Department of Health, Education, and Welfare” because of 20:3508(b) and because the responsibility is in the head of the Department. The word “may” is substituted for “is authorized to” for clarity. The word “conditions” is
substituted for “terms and conditions” because it is inclusive. The words “deems appropriate” are omitted as unnecessary. The words “The following . . . limitations apply” are substituted for “shall be subject to the following . . . limitations” for clarity.

§ 148. Maritime instruction

The Coast Guard may, when so requested by proper authority, detail members for duty in connection with maritime instruction and training by the several States, Territories, the District of Columbia, and Puerto Rico, and when requested by the Maritime Administrator, detail persons in the Coast Guard for duty in connection with maritime instruction and training by the United States. The service rendered by any person so detailed shall be considered Coast Guard duty.

Historical and Revision Notes

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

§ 149. Assistance to foreign governments and maritime authorities

(a) Detail of Members to Assist Foreign Governments.— The President may upon application from the foreign governments concerned, and whenever in his discretion the public interests render such a course advisable, detail members of the Coast Guard to assist foreign governments in matters concerning which the Coast Guard may be of assistance. Members so detailed may accept, from the government to which detailed, offices and such compensation and emoluments thereunder appertaining as may be first approved by the Secretary. While so detailed such members shall receive, in addition to the compensation and emoluments allowed them by such governments, the pay and allowances to which they are entitled in the Coast Guard and shall be allowed the same credit for longevity, retirement, and for all other purposes that they would receive if they were serving with the Coast Guard.

(b) Technical Assistance to Foreign Maritime Authorities.— The Commandant, in coordination with the Secretary of State, may provide, in conjunction with regular Coast Guard operations, technical assistance (including law enforcement and maritime safety and security training) to foreign navies, coast guards, and other maritime authorities.

(c) Grants to International Maritime Organizations.— After consultation with the Secretary of State, the Commandant may make grants to, or enter into cooperative agreements, contracts, or other agreements with, international maritime organizations for the purpose of acquiring information or data about merchant vessel inspections, security, safety, environmental protection, classification, and port state or flag state law enforcement or oversight.

(d) Authorized Activities.—

(1) The Commandant may use funds for—
(A) the activities of traveling contact teams, including any transportation expense, translation services expense, or administrative expense that is related to such activities;

(B) the activities of maritime authority liaison teams of foreign governments making reciprocal visits to Coast Guard units, including any transportation expense, translation services expense, or administrative expense that is related to such activities;

(C) seminars and conferences involving members of maritime authorities of foreign governments;

(D) distribution of publications pertinent to engagement with maritime authorities of foreign governments; and

(E) personnel expenses for Coast Guard civilian and military personnel to the extent that those expenses relate to participation in an activity described in subparagraph (C) or (D).

(2) An activity may not be conducted under this subsection with a foreign country unless the Secretary of State approves the conduct of such activity in that foreign country.

Historical and Revision Notes

Experience has indicated that it will be advantageous for the Government to include the Coast Guard along with the other armed forces for the purpose of detailing personnel for service with foreign governments.

It seems probable that the increased collaboration with foreign governments after the war and the vital nature of the Coast Guard’s activities in relation to such collaboration will result in requests from time to time by foreign governments for assistance which the Coast Guard is in the best position to render. This section, which confers broad authority in the President to detail Coast Guard officers and enlisted men to assist foreign governments, is patterned after the act of October 1, 1942, 56 Stat. 763 (title 34, U.S.C., 1946 ed., § 441–a), which authorizes the President to detail Army, Navy, and Marine Corps officers and men to certain foreign governments and, in times of war or national emergency, to any foreign government in the interests of national defense. 81st Congress, House Report No. 557.

Amendments

2006—Pub. L. 109–241 substituted “Assistance to foreign governments and maritime authorities” for “Detail of members to assist foreign governments” in section catchline, designated existing provisions as subsec. (a), inserted heading, and added subsec. (b).

1984—Pub. L. 98–557 substituted reference to members for reference to officers and enlisted men in three places in text, and in catchline substituted “members” for “officers and men”.

Delegation of Authority

Authority of President under this section as invoked by section 2 of Ex. Ord. No. 13223, Sept. 14, 2001, 66 F.R. 48201, as amended, delegated to Secretary of Homeland Security by section 5 of Ex. Ord. No. 13223, set out as a note under section 12302 of Title 10, Armed Forces.

§ 150. Coast Guard officers as attaches to missions

Commissioned officers may, with the consent of the Secretary of State, be regularly and officially attached to the diplomatic missions of the United States in those nations with which the United States is extensively engaged in maritime commerce. Expenses for the maintenance of such Coast
Guard attaches abroad, including office rental and pay of employees and allowances for living quarters, including heat, fuel, and light, may be defrayed by the Coast Guard.

(Aug. 4, 1949, ch. 393, 63 Stat. 507.)

### Historical and Revision Notes

Experience since the war has indicated the necessity for making provision for the assignment of Coast Guard officers to diplomatic missions in those foreign countries which are extensively engaged in maritime commerce with the United States. This is largely the result of duties in connection with inspection with inspection of merchant vessels.

This section authorizes the designation, with the consent of the State Department, of Coast Guard officers to be officially attached to diplomatic missions of the United States. Although Coast Guard advice on Coast Guard matters is always available to our diplomatic missions, in those locations where such advice and information are frequently sought, it is felt that the most effective utilization of Coast Guard services would be achieved by having Coast Guard officers attached to such missions. Provision for customs officers to be attached to diplomatic missions is contained in the act of March 4, 1923, as amended, 42 Stat. 1453 (title 19, U.S.C., 1946 ed., § 6). Before the transfer in 1939 of the Foreign Agriculture Service to the State Department, representatives of the Bureau of Agricultural Economics of the Department of Agriculture stationed abroad were agricultural attaches. Act of June 5, 1930, 46 Stat. 498 (title 7, U.S.C., 1946 ed., § 542(a)). 81st Congress, House Report No. 557.

§ 151. Contracts with Government-owned establishments for work and material

(a) **In General.**— All orders or contracts for work or material, under authorization of law, placed with Government-owned establishments by the Coast Guard, shall be considered as obligations in the same manner as provided for similar orders or contracts placed with private contractors, and appropriations for such work or material shall remain available for payment therefor as in the case of orders or contracts placed with private contractors.

(b) **Orders and Agreements for Industrial Activities.**— Under this section, the Coast Guard industrial activities may accept orders from and enter into reimbursable agreements with establishments, agencies, and departments of the Department of Defense and the Department of Homeland Security.

§ 181. Administration of Academy

The immediate government and military command of the Coast Guard Academy shall be in the Superintendent of the Academy, subject to the direction of the Commandant under the general supervision of the Secretary. The Commandant may select a superintendent from the active list of the Coast Guard who shall serve in the pleasure of the Commandant.

(Aug. 4, 1949, ch. 393, 63 Stat. 508.)
§ 181a. Cadet applicants; preappointment travel to Academy

The Secretary is authorized to expend appropriated funds for selective preappointment travel to the Academy for orientation visits of cadet applicants.

§ 182. Cadets; number, appointment, obligation to serve

(a) The number of cadets appointed annually to the Academy shall be as determined by the Secretary but the number appointed in any one year shall not exceed six hundred. Appointments to cadetships shall be made under regulations prescribed by the Secretary, who shall determine age limits, methods of selection of applicants, term of service as a cadet before graduation, and all other matters affecting such appointments. In the administration of this chapter, the Secretary shall take such action as may be necessary and appropriate to insure that female individuals shall be eligible for appointment and admission to the Coast Guard Academy, and that the relevant standards required for appointment, admission, training, graduation, and commissioning of female individuals shall be the same as those required for male individuals, except for those minimum essential adjustments in such standards required because of physiological differences between male and female individuals. The Secretary may summarily dismiss from the Coast Guard any cadet who, during his cadetship, is found unsatisfactory in either studies or conduct, or may be deemed not adapted for a career in the Coast Guard. Cadets shall be subject to rules governing discipline prescribed by the Commandant.

(b) Each cadet shall sign an agreement with respect to the cadet’s length of service in the Coast Guard. The agreement shall provide that the cadet agrees to the following:

(1) That the cadet will complete the course of instruction at the Coast Guard Academy.

(2) That upon graduation from the Coast Guard Academy the cadet—

(A) will accept an appointment, if tendered, as a commissioned officer of the Coast Guard; and

(B) will serve on active duty for at least five years immediately after such appointment.

(3) That if an appointment described in paragraph (2) is not tendered or if the cadet is permitted to resign as a regular officer before the completion of the commissioned service obligation of the cadet, the cadet—

(A) will accept an appointment as a commissioned officer in the Coast Guard Reserve; and

(B) will remain in that reserve component until completion of the commissioned service obligation of the cadet.

(c) The Secretary may transfer to the Coast Guard Reserve, and may order to active duty for such period of time as the Secretary prescribes (but not to exceed four years), a cadet who breaches an
agreement under subsection (b). The period of time for which a cadet is ordered to active duty under this paragraph may be determined without regard to section 651 (a) of title 10.

(2) A cadet who is transferred to the Coast Guard Reserve under paragraph (1) shall be transferred in an appropriate enlisted grade or rating, as determined by the Secretary.

(3) For the purposes of paragraph (1), a cadet shall be considered to have breached an agreement under subsection (b) if the cadet is separated from the Coast Guard Academy under circumstances which the Secretary determines constitute a breach by the cadet of the cadet’s agreement to complete the course of instruction at the Coast Guard Academy and accept an appointment as a commissioned officer upon graduation from the Coast Guard Academy.

(d) The Secretary shall prescribe regulations to carry out this section. Those regulations shall include—

(1) standards for determining what constitutes, for the purpose of subsection (c), a breach of an agreement under subsection (b);

(2) procedures for determining whether such a breach has occurred; and

(3) standards for determining the period of time for which a person may be ordered to serve on active duty under subsection (c).

(e) In this section, “commissioned service obligation”, with respect to an officer who is a graduate of the Academy, means the period beginning on the date of the officer’s appointment as a commissioned officer and ending on the sixth anniversary of such appointment or, at the discretion of the Secretary, any later date up to the eighth anniversary of such appointment.

(f) (1) This section does not apply to a cadet who is not a citizen or national of the United States.

(2) In the case of a cadet who is a minor and who has parents or a guardian, the cadet may sign the agreement required by subsection (b) only with the consent of the parent or guardian.

(g) A cadet or former cadet who does not fulfill the terms of the obligation to serve as specified under section (b), or the alternative obligation imposed under subsection (c), shall be subject to the repayment provisions of section 303a (e) of title 37.

Historical and Revision Notes

Section 15 of title 14, U.S.C., 1946 ed., has been divided. That part dealing with clothing allowance for cadets is placed in section 183 of this title and the other parts are incorporated with the proviso of title 14, U.S.C., 1946 ed., § 15a–1 to form this section.

Section 15a–1 of title 14, U.S.C., 1946 ed., has been divided. That part dealing with the appointment of cadets to the grade of ensign is placed in section 185 of this title, and the proviso is placed in this section.

The length of term of service as a cadet prior to graduation is added to the list of matters specifically determined by the Secretary.

The period of required service after graduation is increased from 3 to 4 years, to attain uniformity with the other service academies. 81st Congress, House Report No. 557.

Amendments

2010—Subsec. (a). Pub. L. 111–281 struck out “All such appointments shall be made without regard to the sex, race, color, or religious beliefs of an applicant.” before “In the administration”.

- 72 -
§ 183. Cadets; initial clothing allowance

The Secretary may prescribe a sum which shall be credited to each new cadet upon first admission to the Academy, to cover the cost of his initial clothing and equipment issue, which sum shall be deducted subsequently from his pay. Each cadet discharged prior to graduation who is indebted to the United States on account of advances of pay to purchase required clothing and equipment shall be required to turn in to the Academy all clothing and equipment of a distinctively military nature to the extent required to discharge such indebtedness; and, if the value of such clothing and equipment so turned in does not cover the indebtedness incurred, then such indebtedness shall be canceled.

§ 184. Cadets; degree of bachelor of science

The Superintendent of the Academy may, under such rules and regulations as the Secretary shall prescribe, confer the degree of bachelor of science upon all graduates of the Academy and may, in addition, confer the degree of bachelor of science upon such other living graduates of the Academy as shall have met the requirements of the Academy for such degree.

(Aug. 4, 1949, ch. 393, 63 Stat. 508.)

Historical and Revision Notes

Changes in phraseology were made inasmuch as the Academy is now accredited by the Association of American Universities. It was not so accredited when the section was enacted.

Inasmuch as the acts cited above apply equally to the Military Academy and the Naval Academy, as well as the Coast Guard Academy, they are not scheduled for repeal but are being amended by section 13 of this act to eliminate reference to the Coast Guard. 81st Congress, House Report No. 557.

§ 185. Cadets; appointment as ensign

The President may, by and with the advice and consent of the Senate, appoint as ensigns in the Coast Guard all cadets who shall graduate from the Academy. Ensigns so commissioned on the same date shall take rank according to their proficiency as shown by the order of their merit at date of graduation.

(Aug. 4, 1949, ch. 393, 63 Stat. 508.)

Historical and Revision Notes

Said section has been divided. The proviso is incorporated in section 182 of this title. The other part is incorporated in this section.

The last sentence of this section is new as a statute; it makes statutory what has been the practice of years, and is similar to the third sentence of title 34, U.S.C., 1946 ed., § 1057, applicable to graduates of the Naval Academy. 81st Congress, House Report No. 557.

§ 186. Civilian teaching staff

(a) The Secretary may appoint in the Coast Guard such number of civilian faculty members at the Academy as the needs of the Service may require. They shall have such titles and perform duties as prescribed by the Secretary. Leaves of absence and hours of work for civilian faculty members shall be governed by regulations promulgated by the Secretary, without regard to the provisions of title 5.

(b) The compensation of persons employed under this section is as prescribed by the Secretary.

TITLE 14 - Section 187 - Permanent commissioned teaching staff; composition

NB: This unofficial compilation of the U.S. Code is current as of Jan. 4, 2012 (see http://www.law.cornell.edu/uscode/uscprint.html).

Historical and Revision Notes

The last sentence is new and is inserted to permit adjustment of the work load and leave schedule of Academy faculty members due to the peculiarity of the academic schedule.

The last sentence of this section is new, being included in order to allow for adjusting the working time and leave of civilian instructors in conformity with the academic terms at the Academy. The work load of an instructor varies greatly, and flexibility in administration of a faculty is therefore essential. The leave provided for civil service employees does not fit the needs of an instruction staff, and this has been a source of difficulty in the past. This new provision would permit leave during the summer and between academic terms without deduction from pay, and, it is contemplated, at no other time.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

1976—Subsec. (a). Pub. L. 94–546 substituted “Leaves of absence and hours of work for civilian faculty members shall be governed by regulations promulgated by the Secretary, without regard to the provisions of title 5.” for “Leaves of absence and hours of work for such personnel shall be governed by regulations issued by the Secretary of the Treasury, without regard to section 84, chapter 18section 84, chapter 18, subchapter IV of chapter 21, sections 1112, 1113, and 1121–1125, and chapter 23sections 1112, 1113, and 1121–1125, and chapter 23, of title 5.”

1966—Subsec. (a). Pub. L. 89–444, § 1(9)(A), (B), substituted “faculty members” for “members of the teaching staff” and struck out provision that compensation of faculty members be fixed in accordance with the Classification Act of 1949, as amended, and designated existing provisions as so amended as subsec. (a).

1960—Pub. L. 86–474 substituted “Coast Guard such number of civilian members of the teaching staff at the Academy as the needs of the Service may require” for “Coast Guard, subject to the competitive provisions of the civil-service laws and regulations, such number of civilian instructors as the needs of the Service require, not to exceed eight”, and inserted provisions relating to titles and duties of the civilian members of the teaching staff.

1954—Act Sept. 3, 1954, substituted “Classification Act of 1949” for “Classification Act of 1923” and “section 84, chapter 18section 84, chapter 18, subchapter IV of chapter 21, sections 1112, 1113, and 1121–1125, and chapter 23sections 1112, 1113, and 1121–1125, and chapter 23, of title 5” for “sections 29a, 30b–30m, 84, 663, 667, 672a–673, and chapter 18 of title 5”.

§ 187. Permanent commissioned teaching staff; composition

The permanent commissioned teaching staff at the Academy shall consist of professors, associate professors, assistant professors and instructors, in such numbers as the needs of the Service require. They shall perform duties as prescribed by the Commandant, and exercise command only in the academic department of the Academy.

Historical and Revision Notes

Section 15b of title 14, U.S.C., 1946 ed., has been divided. Part of the provisions of the first sentence is placed in this section, while other provisions are placed in section 188 of this title.

Section 15c of title 14, U.S.C., 1946 ed., has been divided. The last sentence is incorporated in this section, while the other provisions are placed in section 189 of this title.

The composition of the teaching staff at the Academy is changed materially on the recommendation of the Academic Board and the Advisory Committee. The scope of duty of members of the staff is enlarged to include whatever the Commandant prescribes.
Title 14, U.S.C., 1946 ed., § 15b provides for five professors as heads or assistant heads of departments at the Academy. The Academic Board of the Academy and the Advisory Committee, after extensive study have recommended the change, as provided in this section, to three professors and twelve others on the permanent teaching staff, with designations to conform generally with the designations and grades of faculty members at other universities. The librarian is given faculty status because of the role of the library as the center of the modern university; this is in conformity with the practice of other higher educational institutions. It is believed that the increased number of permanent commissioned instructors is justified and desirable in view of the expansion of the Cadet Corps as the full effect of the return to a four-year course is felt. It is probable that, in the next few years, the number of cadets will approximate 450. The average number in the past two years has been about 300. This new set-up for the permanent commissioned teaching staff will permit desirable exchanges of professors with leading universities, and occasional sabbatical leaves in order to better the faculty generally. It is pointed out that this increase in permanent instructors does not increase the authorized number of officers in the Coast Guard, as they are all included in the limitation provided in section 42 of this title. If a teaching position at the Academy is not provided for permanently it will require the assignment of an additional regular officer, so it is apparent that the changes proposed in this section do not increase the size of the Service, or the expense, but represent a long-range plan to better the Academy as a leading educational institution within the present, recognized, standards for a proper university faculty. The last sentence retains the command status of the professors as provided in existing law but enlarges the field in which they may perform duty, in order to make it possible to give them interim assignments other than at the Academy, thus broadening their knowledge of the Service while still advantageously utilizing their services. 81st Congress, House Report No. 557.

Amendments

1960—Pub. L. 86–474 substituted “shall consist of professors, associate professors, assistant professors and instructors, in such numbers as the needs of the Service require” for “shall consist of not more than three professors who may serve as heads of departments, and not more than twelve associate professors, assistant professors, and commissioned instructors, one of whom shall be the librarian”.

§ 188. Appointment of permanent commissioned teaching staff

The President may appoint in the Coast Guard, by and with the advice and consent of the Senate, the professors, associate professors, assistant professors, and instructors who are to serve on the permanent commissioned teaching staff of the Academy. An original appointment to the permanent commissioned teaching staff, unless the appointee has served as a civilian member of the teaching staff, regular commissioned officer, temporary commissioned officer, or reserve commissioned officer in the Coast Guard, shall be a temporary appointment until the appointee has satisfactorily completed a probationary term of four years of service; thereafter he may be regularly appointed and his rank shall date from the date of his temporary appointment in the grade in which permanently appointed.

Historical and Revision Notes

Based on title 14, U.S.C., 1946 ed., § 15b (Apr. 16, 1937, ch. 107, § 1, 50 Stat. 66; May 2, 1942, ch. 273, 56 Stat. 265). Said section has been divided. That part of the first sentence which provides for the composition of the teaching staff is incorporated in section 187 of this title. The other provisions are incorporated in this section, except for the proviso which has been omitted as no longer needed.

This section incorporates the following changes because of the new plan for the permanent teaching staff: the President is authorized to appoint a candidate to any of the grades prescribed; and the probationary term, applicable unless the candidate has served in the Coast Guard as prescribed in this section, is increased from two to four years. Authorization for appointment in any grade is deemed desirable in order to permit the acquisition of outstanding instructors for the staff. It is believed that the former two-year period was too short to fully evaluate the capabilities of a temporary appointee. 81st Congress, House Report No. 557.
Amendments

1976—Pub. L. 94–546 substituted “grade in which permanently appointed” for “rank in which permanently appointed”.

1960—Pub. L. 86–474 substituted “and instructors who are to serve” for “and commissioned instructors who are to serve”, and “civilian member of the teaching staff” for “civilian instructor”.

§ 189. Grade of permanent commissioned teaching staff

Professors shall be commissioned officers with grade not above captain, associate and assistant professors with grade not above commander, and instructors with grade not above lieutenant commander. All officers of the permanent commissioned teaching staff shall receive the pay and allowances of other commissioned officers of the same grade and length of service. When any such professor, associate professor, assistant professor, or instructor is appointed or commissioned with grade less than the highest grade permitted, he shall be promoted under regulations prescribed by the Secretary.

Historical and Revision Notes

Said section has been divided. The last sentence is incorporated in section 187 of this title. The other provisions are incorporated in this section.

The limitation on grade of professors is raised from Commander to Captain, and other limitations as to grades within the new permanent commissioned teaching staff are established.

This section prescribes the relative ranks for the various grades in the permanent commissioned teaching staff, establishes the pay as heretofore, and provides for promotion as the Secretary shall prescribe. 81st Congress, House Report No. 557.

Amendments

1960—Pub. L. 86–474 substituted “and instructors with grade not above” for “and commissioned instructors with grade not above”, and “assistant professor, or instructor” for “or assistant professor”.

§ 190. Retirement of permanent commissioned teaching staff

Professors, associate professors, assistant professors, and instructors in the Coast Guard shall be subject to retirement or discharge from active service for any cause on the same basis as other commissioned officers of the Coast Guard, except that they shall not be required to retire from active service under the provisions of section 288 of this title, nor shall they be subject to the provisions of section 289 of this title, nor shall they be required to retire at age sixty-two but may be permitted to serve until age sixty-four at which time unless earlier retired or separated they shall be retired. The Secretary may retire any member of the permanent commissioned teaching staff who has completed thirty years’ active service. Service as a civilian member of the teaching staff at the Academy in addition to creditable service authorized by any other law in any of the military services rendered prior to an appointment as a professor, associate professor, assistant professor, or instructor shall be credited in computing length of service for retirement purposes. The provisions of law relating to retirement for disability in line of duty shall not apply in the case of a professor, associate professor, assistant professor, or instructor serving under a temporary appointment.
§ 191. Credit for service as member of civilian teaching staff

Service as a member of the civilian teaching staff at the Academy in addition to creditable services authorized by any other law in any of the military services rendered prior to an appointment as professor, associate professor, assistant professor, or instructor shall be credited in computing length of service as a professor, associate professor, assistant professor, or instructor for purposes of pay and allowances.

Historical and Revision Notes

Changes in phraseology were made in order to adapt the section to the new structure of the permanent commissioned teaching staff. 81st Congress, House Report No. 557.

Amendments

1960—Pub. L. 86–474 substituted “member of civilian teaching staff” for “civilian instructor” in section catchline, and “member of the civilian teaching staff” for “civilian instructor or civilian librarian” in text, and struck out “commissioned” before “instructor” in two places.

§ 192. Assignment of personnel as instructors

The Commandant may assign any member to appropriate instruction duty at the Academy.
§ 193. Advisory Committee

The Secretary may appoint an Advisory Committee to the Academy, consisting of not more than seven persons of distinction in education and other fields relating to the purposes of the Academy, who shall serve without pay (or, in the case of a member of the Committee who is an officer or employee of the United States, who shall receive no additional pay on account of his service on the Committee). Members of the Advisory Committee shall be appointed for terms of not to exceed three years and may be reappointed. The Secretary shall, in June of each year, appoint one of the members to serve as chairman. The members so appointed shall visit the Academy at least once during the academic year on the call of the chairman and may convene once each year at Headquarters, at the call of the Commandant, for the purpose of examining the course of instruction and advising the Commandant relative thereto. Each member of the Committee shall be reimbursed from Coast Guard appropriations in conformity with the provisions of chapter 57 of title 5. The Secretary shall, not less often than once a year, publish notice in the Federal Register for solicitation of nominations for membership on the Advisory Committee. The Advisory Committee is authorized to make available to Congress any information, advice, and recommendations which the Advisory Committee is authorized to give to the Secretary or the Commandant. The Committee terminates on September 30, 1994.

Amendments

1982—Pub. L. 97–322 inserted parenthetical provision respecting service of an officer or employee of the United States as a member of the Committee without receipt of additional pay and inserted provisions for publication in the Federal Register of notice for solicitation of nominations for membership on the Advisory Committee and for disclosures to Congress.
1976—Pub. L. 94–546 substituted “chairman” for “Chairman” in fourth sentence and “Each member of the Committee shall be reimbursed from Coast Guard appropriations in conformity with the provisions of chapter 57 of title 5.” for “Each member of the Committee shall be reimbursed from Coast Guard appropriations in conformity with section 73b–1 of Title 5, or such actual expenses as permitted by section 73b–2 of Title 5 shall be defrayed by the Coast Guard”.

§ 194. Annual Board of Visitors

(a) In addition to the Advisory Committee, a Board of Visitors to the Academy is established to visit the Academy annually and to make recommendations on the operation of the Academy.

(b) The Board shall be composed of—

(1) two Senators designated by the Chairman of the Committee on Commerce, Science, and Transportation of the Senate;

(2) three Members of the House of Representatives designated by the Chairman of the Committee on Transportation and Infrastructure of the House of Representatives;

(3) one Senator designated by the President of the Senate;

(4) two Members of the House of Representatives designated by the Speaker of the House of Representatives; and

(5) the Chairman of the Committee on Commerce, Science, and Transportation of the Senate and the Chairman of the Committee on Transportation and Infrastructure of the House of Representatives, as ex officio Members.

(c) When a Member is unable to attend the annual meeting another Member may be designated as provided under subsection (b).

d) When an ex officio Member is unable to attend the annual meeting that Member may designate another Member.

e) Members of the Board shall be designated in the First Session and serve for the duration of the Congress.

(f) The Board shall visit the Academy annually on the date chosen by the Secretary. Each Member of the Board shall be reimbursed, to the extent permitted by law, by the Coast Guard for actual expenses incurred while engaged in duties as a Member of the Board.

Historical and Revision Notes

This chapter, dealing with the appointment, enlistment, promotion, retirement and recall of all military personnel, covers subject matter which has been greatly affected by war-time legislation and, therefore, has required rather extensive rewriting of existing law in order to correlate all of the various provisions. An attempt has been made to provide for enlisted men and warrant officers in a manner similar to the way that commissioned officers are provided for; for example, the act of February 21, 1946, ch. 34, 60 Stat. 29 (title 14, U.S.C., 1946 ed., § 162a), made provision for the retirement of commissioned officers on half pay after twenty years naval service, and a prewar statute provided for twenty year retirement of enlisted men on half pay. This leaves warrant officers the only military group not eligible for retirement in twenty years, and a provision such as found in section 305 of this title, granting such retirement, seems clearly indicated in order to avoid unjust discrimination.

The subject matter seemed to break down into the sub-heads of “Commissioned Officers”, “Warrant Officers”, “Enlisted Men”, and “General Provisions”. Each of the first three sub-heads parallels the other two, insofar as the applicability of statutes of the three groups permits. The last sub-head includes the broad provisions which, in the same terms, can be made applicable to all military personnel. In accord with existing Navy and Coast Guard law, the term “commissioned officer” includes commissioned warrant officers unless specifically excepted, or manifestly inapplicable. Heretofore Coast Guard statutes have designated commissioned warrant officers as chief warrant officers; in line with Navy designation it is changed to commissioned warrant officers throughout this title. Terms such as “Coast Guard personnel” or “personnel of the Coast Guard”, as used throughout this title, are intended to include all employees of the Service, civilian and military. 81st Congress, House Report No. 557.

L. 97–295, §§ 2(20)(A), 6 (b), Oct. 12, 1982, 96 Stat. 1302, 1314.

 § 251. Selection boards; convening of boards

At least once a year and at such other times as the needs of the service require, the Secretary shall convene selection boards to recommend for promotion to the next higher grade officers on the active duty promotion list in each grade from lieutenant (junior grade) through captain, with separate boards for each grade. However, the Secretary is not required to convene a board to recommend officers for promotion to a grade when no vacancies exist in the grade concerned, and he estimates that none will occur in the next twelve months.

§ 252. Selection boards; composition of boards

A board convened under section 251 of this title shall consist of five or more officers on the active duty promotion list who are serving in or above the grade to which the board may recommend officers for promotion. No officer may be a member of two successive boards convened to consider officers of the same grade for promotion.

§ 253. Selection boards; notice of convening; communication with board

(a) Before a board is convened under section 251 of this title, notice of the convening date, the promotion zone to be considered, and the officers eligible for consideration shall be given to the service at large.

(b) Each officer eligible for consideration by a selection board convened under section 251 of this title may send a communication through official channels to the board, to arrive not later than the date the board convenes, inviting attention to any matter of record in the armed forces concerning himself. A communication sent under this section may not criticize any officer or reflect upon the character, conduct, or motive of any officer.

Amendments

2010—Subsec. (a). Pub. L. 111–281 inserted “and” after “zone to be considered,” and struck out “, and the number of officers the board may recommend for promotion” after “eligible for consideration”.

1966—Subsec. (a). Pub. L. 89–444 added officers eligible for consideration to list of items for which notice must be given to the service at large before a board is convened under section 251 of this title.

§ 254. Selection boards; oath of members

Each member of a selection board shall swear that he will, without prejudice or partiality, and having in view both the special fitness of officers and the efficiency of the Coast Guard, perform the duties imposed upon him.

§ 255. Number of officers to be selected for promotion

Before convening a board under section 251 of this title to recommend officers for promotion to any grade, the Secretary shall determine the total number of officers to be selected for promotion to that grade. This number shall be equal to the number of vacancies existing in the grade, plus the number of additional vacancies estimated for the next twelve months, less the number of officers on the selection list for the grade.

§ 256. Promotion zones

(a) Before convening a selection board to recommend officers for promotion to any grade above lieutenant (junior grade) and below rear admiral (lower half), the Secretary shall establish a promotion zone for the grade to be considered. The promotion zone for each grade shall consist of the most senior officers of that grade on the active duty promotion list who are eligible for consideration for promotion to the next higher grade and who have not previously been placed in a promotion zone for selection for promotion to the next higher grade. The number of officers in each zone shall be determined after considering—

(1) the needs of the service;
(2) the estimated numbers of vacancies available in future years to provide comparable opportunity for promotion of officers in successive year groups; and
(3) the extent to which current terms of service in that grade conform to a desirable career promotion pattern.

However, such number of officers shall not exceed the number to be selected for promotion divided by six-tenths.

(b) Promotion zones from which officers will be selected for promotion to the grade of rear admiral (lower half) shall be established by the Secretary as the needs of the service require.

Amendments
1966—Subsec. (a). Pub. L. 89–444 limited promotion zone by requiring that list of officers under consideration be officers eligible for consideration for promotion to next higher grade.

§ 256a. Promotion year; defined

For the purposes of this chapter, “promotion year” means the period which commences on July 1 of each year and ends on June 30 of the following year.

§ 257. Eligibility of officers for consideration for promotion

(a) An officer on the active duty promotion list becomes eligible for consideration for promotion to the next higher grade at the beginning of the promotion year in which he completes the following amount of service computed from his date of rank in the grade in which he is serving:

1. two years in the grade of lieutenant (junior grade);
2. three years in the grade of lieutenant;
3. four years in the grade of lieutenant commander;
4. four years in the grade of commander; and
5. three years in the grade of captain.

(b) For the purpose of this section, service in a grade includes all qualifying service in that grade or a higher grade, under either a temporary or permanent appointment. However, service in a grade under a temporary service appointment under section 275 of this title is considered as service only in the grade that the officer concerned would have held had he not been so appointed.

(c) No officer may become eligible for consideration for promotion until all officers of his grade senior to him are so eligible.

(d) Except when his name is on a list of selectees, each officer who becomes eligible for consideration for promotion to the next higher grade remains eligible so long as he—

1. continues on active duty; and
2. is not promoted to that grade.

(e) An officer whose involuntary retirement or separation is deferred under section 295 of this title is not eligible for consideration for promotion to the next higher grade during the period of that deferment.

(f) The Secretary may waive subsection (a) to the extent necessary to allow officers described therein to have at least two opportunities for consideration for promotion to the next higher grade as officers below the promotion zone.

Amendments

Subsec. (d). Pub. L. 94–546, § 1(19)(b), struck out cl. (3) “if serving in a grade below captain, has not twice failed of selection for promotion to the next higher grade.”

§ 258. Selection boards; information to be furnished boards

(a) In General.— The Secretary shall furnish the appropriate selection board convened under section 251 of this title with—

1. the number of officers that the board may recommend for promotion to the next higher grade; and
2. the names and records of all officers who are eligible for consideration for promotion to the grade to which the board will recommend officers for promotion.

(b) Provision of Direction and Guidance.—
(1) In addition to the information provided pursuant to subsection (a), the Secretary may furnish the selection board—

(A) specific direction relating to the needs of the Coast Guard for officers having particular skills, including direction relating to the need for a minimum number of officers with particular skills within a specialty; and

(B) any other guidance that the Secretary believes may be necessary to enable the board to properly perform its functions.

(2) Selections made based on the direction and guidance provided under this subsection shall not exceed the maximum percentage of officers who may be selected from below the announced promotion zone at any given selection board convened under section 251 of this title.

Amendments

1996—Cl. (2). Pub. L. 104–324 struck out “, with identification of those officers who are in the promotion zone” after “officers for promotion”.

1966—Pub. L. 89–444 substituted “officers who are eligible for consideration for promotion to the grade to which the board will recommend officers for promotion” for “officers to be considered by the board” in cl. 2.

§ 259. Officers to be recommended for promotion

(a) A selection board convened to recommend officers for promotion shall recommend those eligible officers whom the board, giving due consideration to the needs of the Coast Guard for officers with particular skills so noted in specific direction furnished to the board by the Secretary under section 258 of this title, considers best qualified of the officers under consideration for promotion. No officer may be recommended for promotion unless he receives the recommendation of at least a majority of the members of a board composed of five members, or at least two-thirds of the members of a board composed of more than five members.

(b) The number of officers that a board convened under section 251 of this title may recommend for promotion to a grade below rear admiral (lower half) from among eligible officers junior in rank to the junior officer in the appropriate promotion zone may not exceed—

(1) 5 percent of the total number of officers that the board is authorized to recommend for promotion to the grade of lieutenant or lieutenant commander;

(2) 7 1/2 percent of the total number of officers that the board is authorized to recommend for promotion to the grade of commander; and

(3) 10 percent of the total number of officers that the board is authorized to recommend for promotion to the grade of captain;

unless such percentage is a number less than one, in which case the board may recommend one such officer for promotion.

(c) (1) After selecting the officers to be recommended for promotion, a selection board may recommend officers of particular merit, from among those officers chosen for promotion, to be placed at the top of the list of selectees promulgated by the Secretary under section 271 (a) of this title. The number of officers that a board may recommend to be placed at the top of the list of selectees may not exceed the percentages set forth in subsection (b) unless such a percentage is a number less than one, in which case the board may recommend one officer for such placement.
No officer may be recommended to be placed at the top of the list of selectees unless he or she receives the recommendation of at least a majority of the members of a board composed of five members, or at least two-thirds of the members of a board composed of more than five members.

(2) The Secretary shall conduct a survey of the Coast Guard officer corps to determine if implementation of this subsection will improve Coast Guard officer retention. A selection board may not make any recommendation under this subsection before the date on which the Secretary publishes a finding, based upon the results of the survey, that implementation of this subsection will improve Coast Guard officer retention.

(3) The Secretary shall submit any finding made by the Secretary pursuant to paragraph (2) to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate.

Amendments

2010—Subsec. (a). Pub. L. 111–281 inserted “giving due consideration to the needs of the Coast Guard for officers with particular skills so noted in specific direction furnished to the board by the Secretary under section 258 of this title,” after “whom the board”.

§ 260. Selection boards; reports

(a) Each board convened under section 251 of this title shall submit a report in writing, signed by all the members thereof, containing the names of the officers recommended for promotion and the names of those officers recommended to be advanced to the top of the list of selectees established by the Secretary under section 271 (a) of this title.

(b) A board convened under section 251 of this title shall certify that, in the opinion of at least a majority of the members if the board has five members, or in the opinion of at least two-thirds of the members if the board has more than five members, the officers recommended for promotion are the best qualified for promotion to meet the needs of the service (as noted in specific direction furnished the board by the Secretary under section 258 of this title) of those officers whose names have been furnished to the board.

Amendments

2010—Subsec. (b). Pub. L. 111–281 inserted “to meet the needs of the service (as noted in specific direction furnished the board by the Secretary under section 258 of this title)” after “qualified for promotion”.

§ 261. Selection boards; submission of reports

(a) A board convened under section 251 of this title shall submit its report to the Secretary. If the board has acted contrary to law or regulation, the Secretary may return the report for proceedings in revision and resubmission to the Secretary. After his final review, the Secretary shall submit the report of the board to the President for his approval, modification, or disapproval.

(b) If any officer recommended for promotion is not acceptable to the President, the President may remove the name of that officer from the report of the board.

(c) Upon approval by the President the names of officers selected for promotion by a board convened under section 251 of this title shall be promptly disseminated to the service at large.

(d) Except as required by this section, the proceedings of a selection board shall not be disclosed to any person not a member of the board.

§ 262. Failure of selection for promotion

(a) An officer, other than an officer serving in the grade of captain, who is, or is senior to, the junior officer in the promotion zone established for his grade under section 256 of this title, fails of selection if he is not selected for promotion by the selection board which considered him, or if having been recommended for promotion by the board, his name is thereafter removed from the report of the board by the President.

(b) An officer shall not be considered to have failed of selection if he was not considered by a selection board because of administrative error. If he is selected by the next succeeding selection board and promoted, he shall be given the date of rank and position on the active duty promotion list in the grade to which promoted that he would have held had he been recommended by the first selection board.

Placement Out of Line of Promotion Prior to September 24, 1963

Pub. L. 88–130, § 2(a), (b), Sept. 24, 1963, 77 Stat. 190, provided that:

No officer shall be separated from the service under the above provisions prior to the last day of the sixth calendar month following the effective date of this Act.

The names of all officers approved by the President and recommended by the board to be placed at the top of the list of selectees shall be placed at the top of the list of selectees in the order of seniority on the active duty promotion list.

(b) Officers on the list of selectees may be promoted by appointment in the next higher grade to fill vacancies in the authorized active duty strength of the grade as determined under section 42 of this title after officers on any previous list of selectees for that grade have been promoted. Officers shall be promoted in the order that their names appear on the list of selectees. The date of rank of an officer promoted under this subsection shall be the date of his appointment in that grade.

(c) An officer serving on active duty in the grade of ensign may, if found fully qualified for promotion in accordance with regulations prescribed by the Secretary, be promoted to the grade of lieutenant (junior grade) by appointment after he has completed twelve months’ active service in grade. (d) When a vacancy in the grade of rear admiral occurs, the senior rear admiral (lower half) serving on the active duty promotion list shall be appointed by the President, by and with the advice and consent of the Senate, to fill the vacancy. The appointment shall be effective on the date the vacancy occurred.

An officer whose promotion is delayed under this subsection and who is subsequently promoted shall be given the date of rank and position on the active duty promotion list in the grade to which promoted that he would have held had his promotion not been so delayed.

Amendments

§ 274. Promotions; pay and allowances

An officer who is promoted under section 271 of this title shall be entitled to the pay and allowances of the grade to which promoted from his date of rank in such grade.

§ 275. Wartime temporary service promotions

(a) In time of war, or of national emergency declared by the President or Congress, the President may suspend any section of this chapter relating to the selection, promotion, or involuntary separation of officers. Such a suspension may not continue beyond six months after the termination of the war or national emergency.

(b) When the preceding sections of this chapter relating to selection and promotion of officers are suspended in accordance with subsection (a), and the needs of the service require, the President may, under regulations prescribed by him, promote to a higher grade any officer serving on active duty in the grade of ensign or above in the Coast Guard.
(c) In time of war, or of national emergency declared by the President or Congress, the President may, under regulations to be prescribed by him, promote to the next higher warrant officer grade any warrant officer serving on active duty in a grade below chief warrant officer, W–4.

(e) A promotion under this section to a grade above lieutenant may be made only upon the recommendation of a board of officers convened for that purpose.

(f) A promotion under this section shall be made by an appointment for temporary service. Original appointments under this section in the grades of lieutenant commander and above shall be made by the President by and with the advice and consent of the Senate. Original appointments under this section in the grades of ensign through lieutenant shall be made by the President alone. Any other appointments under this section shall be made by the President alone.

(g) An appointment under this section, unless expressly declined, is regarded as accepted on the date specified by the Secretary as the date of the appointment, and the officer so promoted is entitled to pay and allowances of the grade to which appointed from that date.

(h) An appointment under this section does not terminate any appointments held by an officer concerned under any other provisions of this title. The President may terminate temporary appointments made under this section at any time. An appointment under this section is effective for such period as the President determines. However, an appointment may not be effective later than six months after the end of the war or national emergency. When his temporary appointment under this section is terminated or expires, the officer shall revert to his former grade.

(i) Not later than six months after the end of the war or national emergency the President shall, under such regulations as he may prescribe, reestablish the active duty promotion list with adjustments and additions appropriate to the conditions of original appointment and wartime service of all officers to be included thereon. The President may, by and with the advice and consent of the Senate, appoint officers on the reestablished active duty promotion list to fill vacancies in the authorized active duty strength of each grade. Such appointments shall be considered to have been made under section 271 of this title.

In determining the total number of years of active service to be used as a multiplier in computing this payment, a part of a year that is six months or more is counted as a whole year and a part of a year that is less than six months is disregarded. The acceptance of a lump-sum payment under this section does not deprive a person of any retirement benefits from the United States. (c) In determining a member’s years of active service for the purpose of computing separation pay under this section, each full month of service that is in addition to the number of full years of service creditable to the member is counted as one-twelfth of a year and any remaining fractional part of a month is disregarded.

(d) The acceptance of severance pay under this section does not deprive a person of any retirement benefits from the United States. However, there shall be deducted from each of his retirement payments so much thereof as is based on the service for which he has received severance pay under this section, until the total deductions equal the amount of such severance pay.

§ 351. Enlistments; term, grade

(a) Under regulations prescribed by the Secretary, the Commandant may enlist persons for minority or a period of at least two years but not more than six years.

(b) The Secretary shall prescribe the grades or ratings for persons enlisting in the Regular Coast Guard.

Historical and Revision Notes

1949 Act

Section 35 of title 14, U.S.C., 1946 ed., has been divided. The provisions of the first sentence of subsection (a) are placed in this section. The proviso of subsection (a) is covered in section 367 (b) of this title. Subsection (b) is placed in section 365 of this title. Subsections (c) and (d) are placed in section 367 (a) of this title, except that part (3) of subsection (c) is covered by section 366 of this title.

Section 206 of title 14, 1946 ed., has been divided. That part dealing with special temporary enlistments is incorporated in this section. That part dealing with temporary appointments of warrant officers is placed in section 302 of this title.

Certain additional details concerning the two types of enlistments are added; these details were previously covered in Coast Guard Regulations.

This section makes provision for the enlistment of personnel in the Coast Guard. The first sentence grants the necessary authority to the Secretary, changes existing law in regard to the term of enlistment from “not to exceed four years” to “not to exceed six years”, and adds a provision for the enlistment of minors for their minority only, such provision being in accordance with existing law applicable to the Navy. The next three sentences establish and define the two
types of enlistments that are now in effect in the Coast Guard, setting forth the basic difference in the two types. The last sentence continues a provision to the effect that original enlistments in the Coast Guard shall be temporary. This section is a combination of existing law and regulations in regard to enlistments, with changes as noted above. See title 14, U.S.C., 1946 ed., § 35, and Coast Guard Regulations, sections 531 and 532. 81st Congress, House Report No. 557.

§ 352. Promotion

Enlisted members shall be advanced in rating by the Commandant under regulations prescribed by the Secretary.

**Historical and Revision Notes**

Inasmuch as all phases of promotion of enlisted men, except the points covered by title 14, U.S.C., 1946 ed., § 23, have been left to administrative control heretofore, and this has proved most satisfactory, the entire promotion of enlisted men is delegated to administrative control by this section. 81st Congress, House Report No. 557.

§ 355. Voluntary retirement after twenty years’ service

Any enlisted member who has completed twenty years’ service may, upon his own application, in the discretion of the Commandant, be retired from active service.

Section, act Aug. 4, 1949, ch. 393, 63 Stat. 521, related to retirement for disabilities incident to service. See sections 1204 and 1376 of Title 10, Armed Forces.

§ 357. Involuntary retirement of enlisted members

(a) Enlisted Personnel Boards shall be convened as the Commandant may prescribe to review the records of enlisted members who have twenty or more years of active military service.

(b) Enlisted members who have twenty or more years of active military service may be considered by the Commandant for involuntary retirement and may be retired on recommendation of a Board—

(1) because the member’s performance is below the standards the Commandant prescribes; or

(2) because of professional dereliction.

(c) An enlisted member under review by the Board shall be—

(1) notified in writing of the reasons the member is being considered for involuntary retirement;

(2) allowed sixty days from the date on which counsel is provided under paragraph (3) to submit any matters in rebuttal;

(3) provided counsel, certified under section 827 (b) of title 10, to help prepare the rebuttal submitted under paragraph (2) and to represent the member before the Board under paragraph (5);

(4) allowed full access to and be furnished with copies of records relevant to the consideration for involuntary retirement prior to submission of the rebuttal submitted under paragraph (2); and

(5) allowed to appear before the Board and present witnesses or other documentation related to the review.

(d) A Board convened under this section shall consist of at least three commissioned officers, at least one of whom shall be of the grade of commander or above.

(e) A Board convened under this section shall recommend to the Commandant enlisted members who—

(1) have twenty or more years of active service;

(2) have been considered for involuntary retirement; and

(3) it determines should be involuntarily retired.

(f) After the Board makes its determination, each enlisted member the Commandant considers for involuntary retirement shall be—

(1) notified by certified mail of the reasons the member is being considered for involuntary retirement;

(2) allowed sixty days from the date counsel is provided under paragraph (3) to submit any matters in rebuttal;

(3) provided counsel, certified under section 827 (b) of title 10, to help prepare the rebuttal submitted under paragraph (2); and

(4) allowed full access to and be furnished with copies of records relevant to the consideration for involuntary retirement prior to submission of the rebuttal submitted under paragraph (2).

(g) If the Commandant approves the Board’s recommendation, the enlisted member shall be notified of the Commandant’s decision and shall be retired from the service within ninety days of the notification.

(h) An enlisted member, who has completed twenty years of service and who the Commandant has involuntarily retired under this section, shall receive retired pay.
(i) An enlisted member voluntarily or involuntarily retired after twenty years of service who was cited for extraordinary heroism in the line of duty shall be entitled to an increase in retired pay. The retired pay shall be increased by 10 percent of—

1. the active-duty pay and permanent additions thereto of the grade or rating with which retired when the member’s retired pay is computed under section 423 (a) of this title; or

2. the member’s retired pay base under section 1407 of title 10, when a member’s retired pay is computed under section 423 (b) of this title.

(j) When the Secretary orders a reduction in force, enlisted personnel may be involuntarily separated from the service without the Board’s action.

**Historical and Revision Notes**

Subsection (b) is new and implements the preceding subsection; it seems necessary in view of certain statutes enacted as the result of World War II.

Subsection (c) is based on title 14, U.S.C., 1946 ed., § 185d (May 24, 1939, ch. 146, § 5, 53 Stat. 756). Said section has been divided. The first sentence is incorporated in section 423 of this title. The second proviso is incorporated in section 424 of this title. The remainder is placed in this subsection.

Changes were made in phraseology. 81st Congress, House Report No. 557.

**Amendments**

1991—Pub. L. 102–241 substituted “Involuntary retirement of enlisted members” for “Enlisted Personnel Board” in section catchline and amended text generally. Prior to amendment, text provided that the Commandant assemble annually a Coast Guard Enlisted Personnel Board to recommend enlisted members for retirement, that the recommendations be transmitted to the Commandant for approval, in which event the enlisted members concerned would be notified and given opportunity to file a written protest, which would require a subsequent annual Board determination and approval by the Commandant to effect the involuntary retirement of that member, and further provided that an enlisted member with twenty years’ service retired from active duty by the Commandant pursuant to this section was to receive retired pay, and that an enlisted member voluntarily or involuntarily retired by reason of twenty years’ service who had been cited for extraordinary heroism was entitled to an increase in retired pay.

1986—Subsec. (b). Pub. L. 99–348, § 205(b)(9)(A), substituted “retired pay” for “the retired pay of the grade or rating with which retired”.

Subsec. (c). Pub. L. 99–348, § 205(b)(9)(B), substituted provision that retired pay be increased by an amount equal to 10 percent of the active-duty pay and permanent additions thereto of the grade or rating with which retired, in the case of a member whose retired pay is computed under 423(a) of this title, or the member’s retired pay base under section 1407 of title 10, in the case of a member whose retired pay is computed under section 423 (b) of this title for provision that the retired pay be increased by an amount equal to 10 per cent of the active-duty pay and permanent additions thereto of the grade or rating with which retired.

1963—Subsec. (c). Pub. L. 88–114 struck out provisions which entitled enlisted men whose average marks in conduct were not less than 971/2 percent of the maximum to a 10-percent increase of their retired pay.

1950—Subsec. (c). Act Aug. 3, 1950, substituted “years’ ” for “years’ “.

Service Credit for Certain Enlisted Personnel

Act June 3, 1948, ch. 394, 62 Stat. 302, provided: “That those enlisted men of the Coast Guard who, during 1940 and 1941, were discharged from the Coast Guard to accept employment as policemen and guards at the Ivigtut Cryolite Mine, Greenland, and who reenlisted in the Coast Guard within three months after the termination of their service as such policemen and guards, shall be credited with the time between discharge and reenlistment for purposes of longevity pay and retirement, but no increased retroactive pay shall accrue by reason of the enactment of this Act.”

Enlisted Men in Service on September 6, 1963

Pub. L. 88–114, § 2, Sept. 6, 1963, 77 Stat. 144, provided that: “The amendment made by subsection (1) of section 1 of this Act [amending this section] does not apply to any enlisted man in service on the effective date of this Act [Sept. 6, 1963].”

Section, act Aug. 4, 1949, ch. 393, § 1, 63 Stat. 522, limited number of retirements in a calendar year of enlisted men who had completed 20 years of service, to not more than the whole number nearest 1 percent of the total enlisted force on the active list, and any men so authorized to be retired annually who were not so retired, could be retired during any subsequent year providing the total retired in that year did not exceed 3 percent of the total enlisted force.

§ 359. Recall to active duty during war or national emergency

In times of war or national emergency, the Commandant may order any enlisted member on the retired list to active duty.

Historical and Revision Notes

This section was changed so as to make provisions for enlisted men parallel to similar provisions for commissioned and warrant officers (see §§ 240 and 310 of the revised title). It seems fair and equitable that similar provisions should apply to all classes of personnel insofar as practicable. 81st Congress, House Report No. 557.

Amendments

1950—Act Aug. 3, 1950, struck out all references to pay.

Delegation of Authority

For delegation of authority under this section, as invoked by section 2 of Ex. Ord. No. 13223, Sept. 14, 2001, 66 F.R. 48201, as amended, to Secretary of Homeland Security when Coast Guard is not serving as part of Navy, see section 5 of Ex. Ord. No. 13223, set out as a note under section 12302 of Title 10, Armed Forces.

§ 360. Recall to active duty with consent of member

Any enlisted member on the retired list may, with his consent, be assigned to such duties as he may be able to perform, except that no enlisted member on the retired list who has reached the age of sixty-two years shall be recalled in time of peace.

TITLE 14 - Section 361 - Relief of retired enlisted member promoted while on active duty

Historical and Revision Notes

This section was changed so as to make provisions for enlisted men parallel to similar provisions for commissioned and warrant officers (see §§ 241 and 311 of the revised title). It seems fair and equitable that similar provisions should apply to all classes of personnel insofar as practicable. 81st Congress, House Report No. 557.

Amendments
1984—Pub. L. 98–557 substituted “member” for “man” in section catchline, and in text substituted reference to enlisted member for reference to enlisted man in two places.
1950—Act Aug. 3, 1950, struck out all references to pay.

§ 361. Relief of retired enlisted member promoted while on active duty

Any enlisted member on the retired list recalled to active duty who during such active duty is advanced to a higher grade or rating under a permanent or temporary appointment or promotion shall, upon relief from active duty be advanced on the retired list to the highest grade or rating held while on active duty. In case the appointment or promotion was temporary the advancement on the retired list shall be made only to such grade or rating in which the member served satisfactorily on active duty.

Historical and Revision Notes
Derived from title 34, U.S.C., 1946 ed., §§ 3501(a) and (b), 350j (b) (July 24, 1941, ch. 320, § 10, 55 Stat. 605; Feb. 21, 1946, ch. 34, § 8(a), 60 Stat. 28).

Said sections have application to officers only, but in accord with the general plan to make as many provisions as possible applicable both to officers and men, it seems highly desirable to provide similarly for enlisted men—a fortiori because there are cases in the Coast Guard in which enlisted men are suffering inequitably because there is no provision for advancing men on the retired list after they have been advanced in rating while serving on active duty after recall from the retired list. 81st Congress, House Report No. 557.

Amendments
1984—Pub. L. 98–557 in section catchline substituted “enlisted member” for “man”, and in two places in text substituted “member” for “man”.
1950—Act Aug. 3, 1950, struck out all references to pay.

§ 362. Retirement in cases where higher grade or rating has been held

Any enlisted member who is retired under any provision of section 353, 354, 355, or 357 of this title shall be retired from active service with the highest grade or rating held by him while on active duty in which, as determined by the Secretary, his performance of duty was satisfactory, but not lower than his permanent grade or rating.

Historical and Revision Notes

The requirement that the higher grade or rating be held prior to June 30, 1946, has been eliminated; this seems to be in line with the intent of Congress as expressed in section 303 of the act of June 29, 1948, ch. 708, 62 Stat. 1081. The act of July 24, 1941, 55 Stat. 605, was enacted primarily for application to Navy personnel but it is made applicable to Coast Guard personnel by its own terms (see title 34, U.S.C., 1946 ed., § 350j(b)). 81st Congress, House Report No. 557.

Amendments

1986—Pub. L. 99–348 struck out “, with retired pay of the grade or rating with which retired” after “permanent grade or rating”.

1982—Pub. L. 97–295 substituted “of this title” for “of this chapter” after “357”.

Section 363, act Aug. 4, 1949, ch. 393, 63 Stat. 523, related to retiring or dropping for disabilities not incident to service. See section 1207 of Title 10, Armed Forces.

Section 364, act Aug. 4, 1949, ch. 393, 63 Stat. 523, related to dropping for disabilities due to vicious habits. See section 1207 of Title 10.

§ 365. Extension of enlistments

Under regulations prescribed by the Secretary, the term of enlistment of any enlisted member may, by voluntary written agreement, be extended and re-extended for a period not exceeding six full years from the date of expiration of the then-existing term of enlistment, and subsequent to such date an enlisted member who so extends his term of enlistment shall receive the same pay and allowances in all respects as though regularly discharged and reenlisted immediately upon expiration of his term of enlistment. However, the total of all such extensions of an enlistment may not exceed six years. No such extension shall operate to deprive the enlisted member concerned, upon discharge at the termination thereof, of any right, privilege, or benefit to which he would have been entitled if his term of enlistment had not been so extended.

Historical and Revision Notes

Said section has been divided. Subsection (b) is placed in this section. The provisions of the first sentence of subsection (a) are placed in section 351 of this title. The proviso of subsection (a) is covered in section 367 (b) of this title. Subsections (c) and (d) are placed in section 367 (a) of this title, except that part (3) of subsection (c) is covered in section 366 of this title.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

§ 366. Retention beyond term of enlistment in case of disability

Any enlisted member of the Coast Guard in the active service whose term of enlistment expires while he is suffering disease or injury incident to service and not due to misconduct, and who is in need of medical care or hospitalization, may, with his consent, be retained in such service beyond the expiration of his term of enlistment. Any such enlisted member shall be entitled to receive at Government expense medical care or hospitalization and his pay and allowances, including credit for longevity, until he shall have recovered to such extent as would enable him to meet the physical requirements for reenlistment, or until it shall have been ascertained by competent authority of the Coast Guard that the disease or injury is of a character that recovery to such an extent would be impossible. Any enlisted member whose enlistment is so extended shall be subject to forfeitures in the same manner and to the same extent as if his term of enlistment had not expired. Nothing contained in this section shall prevent any enlisted member from being held in the service without his consent under section 367 of this title.

Historical and Revision Notes

The parenthetical part, which has no application insofar as the Coast Guard is concerned, has been eliminated.

Inasmuch as the act cited above applies equally to the Army, Navy, and Marine Corps, as well as the Coast Guard, it is not scheduled for repeal but is being amended by section 14 of this act to eliminate reference to the Coast Guard.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

§ 367. Detention beyond term of enlistment

Under regulations prescribed by the Secretary, an enlisted member may be detained in the Coast Guard beyond the term of his enlistment:

(1) until the first arrival of the vessel on which he is serving at its permanent station, or at a port in a State of the United States or in the District of Columbia; or

(2) if attached to a shore station beyond the continental limits of the United States or in Alaska, until his first arrival at a port in any State of the United States or in the District of Columbia where his reenlistment or discharge may be effected, or until he can be discharged or reenlisted at his station beyond the continental limits of the United States or in Alaska, whichever is earlier, but in no event to exceed three months; or

(3) during a period of war or national emergency as proclaimed by the President, and, in the interest of national defense, for a period not to exceed six months after the end of the war or the termination of the emergency; or

(4) for a period of not exceeding thirty days in other cases whether or not specifically covered by this section, when essential to the public interests, and the determination that such detention is essential to the public interests, made in accordance with regulations prescribed by the Secretary, shall be final and conclusive.
Any member detained in the Coast Guard as provided in this section shall be entitled to receive pay and allowances and benefits under the same conditions as though his enlistment period had not expired, and shall be subject in all respects to the laws and regulations for the government of the Coast Guard until his discharge therefrom. Enlisted members detained under the provisions of clause (1) shall be entitled to the pay and allowances provided for enlisted personnel of the Navy detained under similar circumstances.

§ 370. Discharge within three months before expiration of enlistment

Under regulations prescribed by the Secretary, any enlisted member may be discharged at any time within three months before the expiration of his term of enlistment or extended enlistment without prejudice to any right, privilege, or benefit that he would have received, except pay and allowances for the unexpired period not served, or to which he would thereafter become entitled, had he served his full term of enlistment or extended enlistment.

Amendments

§ 371. Aviation cadets; procurement; transfer

(a) The grade of aviation cadet is established as a special enlisted grade in the Coast Guard. Under such regulations as the Secretary prescribes, citizens in civil life may be enlisted as, and enlisted members of the Coast Guard with their consent may be designated as, aviation cadets.

(b) Except in time of war or national emergency declared by Congress, not less than 20 percent of the aviation cadets procured in each fiscal year shall be procured from qualified enlisted members of the Coast Guard.

(c) No persons may be enlisted or designated as an aviation cadet unless—

(1) the person agrees in writing that, upon successful completion of the course of training as an aviation cadet, the person will accept a commission as an ensign in the Coast Guard Reserve and will serve on active duty as such for at least three years, unless sooner released; and

(2) if under twenty-one years of age, the person has the consent of the person’s parent or guardian to the agreement.

(d) Under such regulations as the Secretary prescribes, an aviation cadet may be transferred to another enlisted grade or rating in the Coast Guard, released from active duty, or discharged.

Amendments

Subsec. (c)(1). Pub. L. 98–557, § 15(a)(1)(B), substituted “the person” for “he” in two places and struck out “his” after “upon”.

Subsec. (c)(2). Pub. L. 98–557, § 15(a)(1)(C), substituted “the person” for “he”, “the person’s” for “his”, and “the agreement” for “his agreement”.

1982—Subsec. (b). Pub. L. 97–295 substituted “percent” for “per centum”.

§ 372. Aviation cadets; benefits

Except as provided in section 402 (c) of title 37, aviation cadets or their beneficiaries are entitled to the same allowances, pensions, gratuities, and other benefits as are provided for enlisted members
in pay grade E–4. While on active duty, an aviation cadet is entitled to uniforms, clothing, and equipment at the expense of the United States.

§ 373. Aviation cadets; appointment as Reserve officers

(a) An aviation cadet who fulfills the eligibility requirements of section 2003 of title 10 for designation as a naval aviator may be appointed an ensign in the Coast Guard Reserve and designated a Coast Guard aviator.

(b) Aviation cadets who complete their training at approximately the same time are considered for all purposes to have begun their commissioned service on the same date, and the decision of the Secretary in this regard is conclusive.

§ 374. Critical skill training bonus

(a) The Secretary may provide a bonus, not to exceed $20,000, to an enlisted member who completes training in a skill designated as critical, if at least four years of obligated active service remain on the member’s enlistment at the time the training is completed. A bonus under this section may be paid in a single lump sum or in periodic installments.

(b) If an enlisted member voluntarily or because of misconduct does not complete the member’s term of obligated active service, the Secretary may require the member to repay the United States, on a pro rata basis, all sums paid under this section. The Secretary may charge interest on the amount repaid at a rate, to be determined quarterly, equal to 150 percent of the average of the yields on the 91-day Treasury bills auctioned during the calendar quarter preceding the date on which the amount to be repaid is determined.

GENERAL PROVISIONS

§ 421. Retirement

(a) Every commissioned officer, warrant officer, or enlisted member who is retired under any provisions of this title shall be retired with the permanent grade or rate held at the time of retirement, unless entitled to retire with a higher grade or rate under any provision of this title or any other law.

(b) Where an officer is entitled, under any provision of law, to retire with one grade higher than the grade in which serving at the time of retirement, the next higher grade in the case of captain shall be rear admiral (lower half), and the next higher grade in the case of commissioned warrant officer shall be lieutenant (junior grade).

Historical and Revision Notes

Subsection (a) is new in this form, but the provision contained therein is expressed or implied in numerous statutes relating to the retirement of military personnel.

A provision defining the next higher grade to that of commissioned warrant officer as lieutenant (junior grade), for purposes of retirement, was added.

The other provisions of said section are obsolete and are no longer needed.

Subsection (a) is new, but the provision contained in it is expressed or implied in numerous statutes relating to retirement of military personnel. It is believed desirable to include such a provision to prevent any misconstruction of retirement statutes, even though no change in existing law is intended on the point covered, either by other sections dealing with retirement or by this section.

Subsection (b) is a codification of the only provision of title 14, U.S.C., 1946 ed., § 174, that it is desired to retain, and in addition designated the next higher grade for commissioned warrant officers as lieutenant (junior grade) because the pay of the commissioned warrant officers is the same as for the grade of lieutenant (junior grade) and advancing such officers to the grade of ensign would in some aspects not appear to be a promotion. 81st Congress, House Report No. 557.

Amendments

§ 422. Status of recalled personnel

All retired personnel when recalled to active duty shall serve in the grade or rate in which they were serving at the time of retirement.

Historical and Revision Notes

This provision is desirable because many enlisted men and low-ranking officers may now retire with higher grade which they previously held on a temporary basis. If recalled in the higher grades, they might not be capable of holding same at the time of recall. 81st Congress, House Report No. 557.
TITLE 14 - Section 423 - Computation of retired pay

NB: This unofficial compilation of the U.S. Code is current as of Jan. 4, 2012 (see http://www.law.cornell.edu/uscode/uscodeuspri.html).

Amendments

§ 423. Computation of retired pay

(a) (1) The retired pay of a member who first became a member of a uniformed service (as defined in section 101 of title 10) before September 8, 1980, is determined by multiplying—

(A) the sum of—

(i) the basic pay of the member’s retired grade or rate, and

(ii) all permanent additions thereto including longevity credit to which the member was entitled at the time of retirement; by

(B) the retired pay multiplier determined under section 1409 of title 10 for the number of years of service that may be credited to the member under section 1405 of such title.

(2) In the case of an officer who served as Commandant of the Coast Guard, retired pay under paragraph (1) shall be computed at the highest rate of basic pay applicable to the officer while so serving.

(3) In the case of an enlisted member who served as the master chief petty officer of the Coast Guard, retired pay under paragraph (1) shall be computed at the highest rate of basic pay to which the member was entitled while so serving, if that basic pay is greater than the basic pay of the grade or rate to which the member is otherwise entitled at the time of retirement.

(4) In the case of an officer whose retired pay is computed on the pay of a grade for which basic pay is not based upon years of service, retired pay under paragraph (1) shall be computed on the basis of the number of years of service for which the officer would be entitled to credit in the computation of pay on the active list had the officer been serving in the grade of captain at the time of retirement.

(b) The retired pay of a member who first became a member of a uniformed service (as defined in section 101 of title 10) on or after September 8, 1980, is determined by multiplying—

(1) the retired pay base determined under section 1407 of title 10; by

(2) the retired pay multiplier determined under section 1409 of title 10 for the number of years of service that may be credited to the member under section 1405 of such title.

(c) (1) In computing for the purpose of subsection (a) or (b) the number of years of service that may be credited to a member under section 1405 of title 10—

(A) each full month of service that is in addition to the number of full years of service creditable to the member shall be counted as 1/12 of a year; and

(B) any remaining fractional part of a month shall be disregarded.

(2) Retired pay computed under this section, if not a multiple of $1, shall be rounded to the next lower multiple of $1.

Historical and Revision Notes
Section was enlarged to include computation of retired pay in all situations. It is in accord with the provisions of Navy statutes. 81st Congress, House Report No. 557.

**Amendments**

1986—Pub. L. 99–348 amended section generally. Prior to amendment, section provided that retired pay of a grade or rating would be computed at the rate of 2 1/2 percent of the sum of the basic pay of that grade or rating and all permanent additions thereto including longevity credit, multiplied by the number of years of service credited, with certain exceptions, and that retired pay of an officer or member of the Coast Guard who first became a member of a uniformed service, as defined in section 1407 (a)(2) of title 10, after Sept. 7, 1980, would be computed at the rate of 2 1/2 percent of the monthly retired pay base computed under section 1407 (f) of title 10, multiplied by the number of years of service credited, but that retired pay was not to be more than 75 percent of such monthly retired pay base.

1983—Subsec. (a). Pub. L. 98–94, § 923(d), substituted “In computing the number of years of service by which the rate of 2 1/2 percent is multiplied, each full month of service that is in addition to the number of full years of service creditable to a member is counted as one-twelfth of a year and any remaining fractional part of a month is disregarded” for “A fractional year of six months or more shall be considered a full year in computing the number of years of service by which the rate of 2 1/2 percent is multiplied”.

Pub. L. 98–94, § 922(b), inserted “Retired pay, if not a multiple of $1, shall be rounded to the next lower multiple of $1.”

1980—Pub. L. 96–342 designated existing provisions as subsec. (a), substituted “Except as provided in subsection (b), the” for “The”, and added subsec. (b).

1972—Pub. L. 92–455 provided for computation of retired pay of an enlisted member serving as the master chief petty officer of the Coast Guard at the highest basic pay applicable to him while he so served, if that basic pay is greater than the basic pay of the grade or rating to which he was otherwise entitled at the time of retirement.

1958—Pub. L. 85–422 substituted “that may be credited to him under section 1405 of title 10” for “for which he was entitled to credit in the computation of his pay when last on active duty”.

**Effective Date of 1983 Amendment**

Amendment by section 923 of Pub. L. 98–94 applicable with respect to the computation of retired or retainer pay of any individual who becomes entitled to that pay after Sept. 30, 1983, see section 923(g) of Pub. L. 98–94, set out as a note under section 1174 of Title 10.

**Effective Date of 1963 Amendment**

**Effective Date of 1958 Amendment**

Amendment by Pub. L. 85–422 effective June 1, 1958, see section 9 of Pub. L. 85–422.

..........................................................
(1) the sum of the active-duty pay and all permanent additions thereto (including longevity credit to which the member is entitled) of the grade or rate on which the member’s pay is computed, or
(2) the retired pay base determined under section 1407 of title 10, as appropriate.

(Historical and Revision Notes)
The two provisions of this section are considered desirable as safeguards to eliminate any possible misconstruction of situations relating to retirement and retired pay in respect to the two points covered. 81st Congress, House Report No. 557.

Amendments
1986—Pub. L. 99–348 amended section generally. Prior to amendment, section read as follows: “The provisions of any section of this title shall not be construed so as to prevent any officer or enlisted member from being placed on the retired list with the highest grade or rating and the highest retired pay to which such officer or enlisted member may be entitled under the provisions of any other section of this title or under the provisions of any other law. In no case shall the retired pay of an officer or enlisted member exceed 75 percent of the sum of the active-duty pay and all permanent additions thereto, including longevity credit to which the officer or enlisted member concerned is entitled, of the grade or rating on which his pay is computed.”

§ 424a. Suspension of payment of retired pay of members who are absent from the United States to avoid prosecution

Under procedures prescribed by the Secretary, the Secretary may suspend the payment of the retired pay of a member or former member during periods in which the member willfully remains outside the United States to avoid criminal prosecution or civil liability. The procedures shall address the types of criminal offenses and civil proceedings for which the procedures may be used, including the offenses specified in section 8312 of title 5, and the manner by which a member, upon the return of the member to the United States, may obtain retired pay withheld during the member’s absence.

§ 425. Board for Correction of Military Records deadline

(a) Deadline for Completion of Action.— The Secretary shall complete processing of an application for correction of military records under section 1552 of title 10 by not later than 10 months after the date the Secretary receives the completed application.

(b) Remedies Deemed Exhausted.— Ten months after a complete application for correction of military records is received by the Board for Correction of Military Records of the Coast Guard, administrative remedies are deemed to have been exhausted, and—
(1) if the Board has rendered a recommended decision, its recommendation shall be final agency action and not subject to further review or approval within the department in which the Coast Guard is operating; or
(2) if the Board has not rendered a recommended decision, agency action is deemed to have been unreasonably delayed or withheld and the applicant is entitled to—
(A) an order under section 706 (1) of title 5, directing final action be taken within 30 days from the date the order is entered; and
(B) from amounts appropriated to the department in which the Coast Guard is operating, the costs of obtaining the order, including a reasonable attorney’s fee.
§ 426. Emergency leave retention authority

(a) In General.— A duty assignment for an active duty member of the Coast Guard in support of a declaration of a major disaster or emergency by the President under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.) or in response to a spill of national significance shall be treated, for the purpose of section 701 (f)(2) of title 10, as a duty assignment in support of a contingency operation.

(b) Definitions.— In this section:

(1) Spill of national significance.— The term “spill of national significance” means a discharge of oil or a hazardous substance that is declared by the Commandant to be a spill of national significance.

(2) Discharge.— The term “discharge” has the meaning given that term in section 1001 of the Oil Pollution Act of 1990 (33 U.S.C. 2701).

SPECIAL PROVISIONS

Savings Provision

Section 10(a)(6)(A) of Pub. L. 99–640 provided in part that the repeal of sections 431, 433, 434, and 438 of this title did not affect rights and duties that matured, penalties that were incurred, and proceedings that were begun under such sections before Nov. 10, 1986.

§ 432. Personnel of former Lighthouse Service

(a) Any person of the former Lighthouse Service commissioned as an officer in the Coast Guard shall be an extra number in his grade and in the grades to which he may be promoted. He shall take precedence

   (1) with other officers commissioned in his grade from the former Lighthouse Service as the Secretary of the Treasury may determine, and

   (2) with other line officers in his grade in accordance with the respective dates of their commissions in such grade. He shall be eligible for promotion, if otherwise qualified, at such time as the officer in a regular number in line of promotion next above him on the seniority list becomes eligible for promotion; or if there be no such officer in his grade, he shall be eligible for promotion, if otherwise qualified, when a vacancy occurs in the next higher grade. An officer so commissioned shall be assigned to duty for which he is specially qualified, and professional examinations for promotion given to such officer shall embrace only subjects which pertain to the duty to which he is assigned.

(b) Each vacancy

   (1) hereafter occurring in the extra numbers of such officers;

   (2) existing on August 5, 1939, in positions in the Lighthouse Service formerly held by personnel eligible for such commissions; and

   (3) created by the retirement, resignation, death, or separation from the service for any other cause, of such personnel who do not possess the qualifications prescribed by the Secretary of the Treasury or who, being qualified, do not accept a commission thereunder, shall operate to increase by one the total authorized number of line officers of the Coast Guard.

(c) All persons of the former Lighthouse Service commissioned, appointed, or enlisted in the Coast Guard shall be subject to all laws and regulations for the government of the Coast Guard, and nothing contained in this title shall be construed to prevent the application to any of such persons of laws and regulations concerning the military discipline of commissioned and warrant officers and enlisted members of the Coast Guard.

(d) In computing length of service, for the purpose of retirement in the Coast Guard, of any person of the former Lighthouse Service commissioned, appointed, or enlisted in the Coast Guard, there shall be included all service computable for retirement under the provisions of section 763 of title 33; and after July 1, 1948, in computing longevity for the purpose of pay of such person there shall be included all service of such person in the Lighthouse Service.

(e) No person so commissioned, appointed, or enlisted in the Coast Guard shall suffer any reduction in the total of the annual compensation and allowances which he was receiving on the date of his commission, appointment, or enlistment. Upon his retirement from active duty in the Coast Guard, the retired pay of any person so commissioned, appointed, or enlisted, shall not be less than an annuity computed in accordance with the provisions of section 763 of title 33, substituting, however, for purposes of such computation, the annual compensation which he was receiving on the date of his commission, appointment, or enlistment.
commission, appointment, or enlistment in the Coast Guard for the average annual pay received by him for the last five years of service.

(f) Notwithstanding any other provision of law, chapter 51, subchapter III of chapter 53, and sections 5542–5546 of title 5 shall not apply to civilian keepers of lighthouses and to civilians employed on lightships and other vessels of the Coast Guard.

(g) (1) The head of the department in which the Coast Guard is operating under regulations prescribed by him, may regulate the hours of duty and the pay of civilian keepers of lighthouses and civilians employed on lightships and other vessels of the Coast Guard, but such personnel may be called upon for duty in emergency circumstances or otherwise at any time or all times. The existing system governing the pay of such employees may be continued or changed except that overtime compensation, night differential, and extra pay for duty on holidays shall not be paid to such employees. In lieu thereof additional annual compensation may be authorized, which may be prescribed either as a fixed differential or as a percentage of the basic compensation otherwise applicable to such employees. In no case shall basic compensation exceed $15,000 per annum, except that nothing contained in this subsection shall operate to decrease the basic compensation of any person employed by the Coast Guard on the date of enactment of this subsection, and in no case shall additions thereto exceed 25 percent of such basic compensation. Provision may be made for compensatory absence from duty when conditions of employment result in confinement because of isolation or in long periods of continuous duty; and provisions may likewise be made for extra allowance for service outside of the continental limits of the United States.

(2) The additional compensation authorized by this subsection shall be included in any computation of compensation under section 6 of the Act of June 20, 1918 (33 U.S.C. 763).

Retroactive Pay

Pub. L. 96–23, § 5(b), June 13, 1979, 93 Stat. 69, provided that: “The Coast Guard may issue retroactive pay to its remaining civilian lighthouse keepers in an amount equal to the difference between what the keeper actually received and what he would have received under the General Schedule salary rates had there not been a statutory limitation of $7,500 on his annual salary. This amount is to be calculated from the time at which his salary reached the statutory limitation to the date of enactment of this Act [June 13, 1979].”

**Historical and Revision Notes**

Chapter 13 of this title deals with pay, allowances, awards, and other rights and benefits for personnel of the Coast Guard. Some of these sections are new as applied to the Coast Guard, some clarify and consolidate existing law, and others merely restate existing law. There is no intention to amend, enlarge or curtail the Pay Readjustment Act of 1942, as amended. 81st Congress, House Report No. 557.

**Amendments**

1956—Act Aug. 10, 1956, ch. 1041, §§ 10(b), 11 (b), 12 (b), 14 (b), 70A Stat. 624, added items 462a, 471a, 492a, and 510.
TITLE 14 - Section 461 - Remission of indebtedness of enlisted members upon discharge

Act May 5, 1950, ch. 169, § 16(b), 64 Stat. 149, added items 508 and 509.

....................................

§ 461. Remission of indebtedness of enlisted members upon discharge

If he considers it in the best interest of the United States, the Secretary may have remitted or canceled any part of an enlisted member’s indebtedness to the United States or any of its instrumentalities remaining unpaid before or at the time of, that member’s honorable discharge.

Historical and Revision Notes

Said section 121 was omitted from the 1940 and 1946 editions of the U.S. Code, but it has been held that the assimilation provision thereof is inoperative only insofar as Congress has made specific legislative provision for the Coast Guard, and that benefits derived from legislation pertaining to the Navy previously conferred upon the Coast Guard, and not provided for in subsequent legislation, survive to the Coast Guard under the assimilation statute. (See 27 Comp. Dec. 234; 22 Comp. Gen. 723; decision of June 9, 1947, B–63472; decision of April 2, 1948, B–70438; and decision of September 2, 1948, B–77295.)

It seems desirable to retain this assimilation provision as to pay in order to cover any failure to provide specifically for the Coast Guard in military pay legislation.

This section assimilates the pay of military personnel of the Coast Guard to the pay of military personnel of the Navy. It seems that this is the most feasible method of insuring that the pay of personnel of the Coast Guard will not vary from the pay of military personnel of the other armed forces. The assimilation is intended to include authorization for extra pay and allowances as provided for personnel of the Navy, for all types of special duty: for example, qualified divers on diving duty, military personnel assigned to submarine duty, military personnel assigned to aviation duty, officers assigned as aides to flag officers, and enlisted persons assigned to duty in the mess detail. Military pay acts are intended to include Coast Guard personnel specifically; this section would cover any failure to so provide for Coast Guard personnel in a pay act.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

1976—Pub. L. 94–546 substituted “Secretary” for “Secretary of the Treasury”.

1967—Pub. L. 90–83 corrected section 73(a)(3) of Pub. L. 89–718 to change the designation of sections repealed under Pub. L. 87–649 from sections 471 (a) and (b) of Title 14 to sections 461 (a) and (b) of Title 14. See 1966 Amendment note below.

1966—Pub. L. 89–718, § 73(a)(3), amended section 14d of Pub. L. 87–649, which contained in cls. (1) to (6) list of sections of Title 14 repealed by Pub. L. 87–649, by inserting “(7) Section 471 (a) and (b).” However, for purposes of codification, the repeal has been executed to former subs. (a) and (b) of this section, which provided respectively for the awarding of the same pay and allowances as prescribed for corresponding ranks, grades, or ratings for personnel of the Navy and for the withholding of pay of officers on account of indebtedness to the United States, since this appears to have been the intent of Congress.

Effective Date of Repeal
Repeal effective Nov. 1, 1962, see section 15 of Pub. L. 87–649, set out as an Effective Date note preceding section 101 of Title 37, Pay and Allowances of the Uniformed Services.

Section, act Aug. 4, 1949, ch. 393, 63 Stat. 530, related to continuation of additional pay.

Section 465, act Aug. 4, 1949, ch. 393, 63 Stat. 531, related to advances to officers ordered to and from sea or shore duty beyond the seas. See section 1006 of Title 37.

Effective Date of Repeal
Repeal effective Nov. 1, 1962, see section 15 of Pub. L. 87–649, set out as an Effective Date note preceding section 101 of Title 37, Pay and Allowances of the Uniformed Services.

§ 467. Computation of length of service

In computing length of service of officers and enlisted personnel for any purpose all creditable service in the Army, Navy, Marine Corps, Air Force, Coast Guard, Revenue Cutter Service, and Life Saving Service shall be included in addition to any other creditable service authorized by any other law.

(Aug. 4, 1949, ch. 393, 63 Stat. 531.)

Historical and Revision Notes

The Air Force is added in the enumeration of services.
That part referring to the operation of a station for part of a year is omitted.
Changes were made in phraseology. 81st Congress, House Report No. 557.

§ 468. Procurement of personnel

The Coast Guard may expend operating expense funds for recruiting activities, including but not limited to advertising and entertainment, in order to—

(1) obtain recruits for the Service and cadet applicants; and
(2) gain support of recruiting objectives from those who may assist in the recruiting effort.

Historical and Revision Notes

Based on the following language contained in the Coast Guard appropriation act for 1949, “Pay and Allowances” and preceding years: “expenses of recruiting for the Coast Guard; advertising for and obtaining enlisted personnel and applicants for appointment as cadets;” (June 19, 1948, ch. 558, 62 Stat. 562).
Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

1996—Pub. L. 104–324 amended text generally. Prior to amendment, text read as follows: “The Coast Guard may make expenditures as necessary in order to obtain recruits for the service and cadet applicants, including advertising.”

§ 469. Training

The Coast Guard may make expenditures for the training of personnel, including books, school supplies, correspondence courses, motion picture equipment, and other equipment for instructional purposes.

(Aug. 4, 1949, ch. 393, 63 Stat. 531.)

Historical and Revision Notes

Based on the following language contained in the Coast Guard appropriation act for 1949, “Pay and Allowances” and preceding years: “motion picture and other equipment for instructional purposes; . . . training of enlisted personnel, including textbooks, school supplies, and correspondence courses;” (June 19, 1948, 62 Stat. 562).
Changes were made in phraseology. 81st Congress, House Report No. 557.
§ 470. Special instruction at universities

Coast Guard personnel may be assigned for special instruction at private or state colleges or universities, and their expenses, including tuition, books, laboratory equipment and fees, and school supplies, may be defrayed by the Coast Guard.

(Aug. 4, 1949, ch. 393, 63 Stat. 531.)

Historical and Revision Notes

Based on the following language contained in the Coast Guard appropriation act for 1949, “Pay and Allowances” and preceding years: “Not to exceed $32,200 for cost of instruction of officers at non-Federal institutions, including books, laboratory equipment and fees, school supplies, and maintenance of students;” (June 19, 1948, ch. 558, 62 Stat. 562).

The monetary limitation is removed.

Changes were made in phraseology. 81st Congress, House Report No. 557.

§ 471. Attendance at professional meetings

Coast Guard personnel may be directed to attend meetings of technical, professional, scientific, and other similar organizations and may be reimbursed for expenses thereby incurred at the rates authorized by law.

(Aug. 4, 1949, ch. 393, 63 Stat. 532.)

Historical and Revision Notes

It is believed that the authority contained in this section will greatly benefit the Government in providing better trained personnel. A similar provision was enacted for personnel of the Navy in 1946 (see title 5, U.S.C., 1946 ed., § 421c). 81st Congress, House Report No. 557.

§ 472. Education loan repayment program

(a) (1) Subject to the provisions of this section, the Secretary may repay—

(A) any loan made, insured, or guaranteed under part B of title IV of the Higher Education Act of 1965 (20 U.S.C. 1071 et seq.);

(B) any loan made under part D of such title (the William D. Ford Federal Direct Loan Program, 20 U.S.C. 1087a et seq.) or

(C) any loan made under part E of such title (20 U.S.C. 1087aa et seq.).

Repayment of any such loan shall be made on the basis of each complete year of service performed by the borrower.

(2) The Secretary may repay loans described in paragraph (1) in the case of any person for service performed on active duty as an enlisted member of the Coast Guard in a specialty specified by the Secretary.
(b) The portion or amount of a loan that may be repaid under subsection (a) is \(33\frac{1}{3}\) percent or $1,500, whichever is greater, for each year of service.

(c) If a portion of a loan is repaid under this section for any year, interest on the remainder of such loan shall accrue and be paid in the same manner as is otherwise required.

(d) Nothing in this section shall be construed to authorize refunding any repayment of a loan.

(e) The Secretary shall, by regulation, prescribe a schedule for the allocation of funds made available to carry out this section during any year for which funds are not sufficient to pay the sum of the amounts eligible for repayment under subsection (a).

Prior Provisions

Section, act Aug. 4, 1949, ch. 393, 63 Stat. 532, authorized Secretary to discharge underage Coast Guard enlisted personnel with appropriate pay and allowances, such persons to be given subsistence and transportation in kind to their homes.

Opinion of the Comptroller General, No. B–91297, Dec. 23, 1949, in holding that act Sept. 24, 1945, ch. 385, 59 Stat. 536, from which this section was derived, was superseded by section 303 of the Career Compensation Act of 1949, act Oct. 12, 1949, ch. 681, title III, 63 Stat. 813, stated that this section was also inconsistent with said section 303 and therefore repealed. See section 423 of Title 37, Pay and Allowances of the Uniformed Services.

Section, act Aug. 4, 1949, ch. 393, 63 Stat. 532, related to compensation for travel tolls and fares. See section 478 of Title 37, Pay and Allowances of the Uniformed Services.

§ 475. Leasing and hiring of quarters; rental of inadequate housing
(a) The Secretary is authorized to lease housing facilities at or near Coast Guard installations, wherever located, for assignment as public quarters to military personnel and their dependents, if any, without rental charge upon a determination by the Secretary, or his designee, that there is a lack of adequate housing facilities at or near such Coast Guard installations. The Secretary is also authorized to lease housing facilities for assignment as public quarters, without rental charge, to military personnel who are on sea duty or duty at remote offshore Coast Guard stations and who do not have dependents. Such authority shall be effective in any fiscal year only to such extent or in such amounts as are provided in appropriation Acts. When any such lease involves housing facilities in a foreign country, the lease may be made on a multiyear basis for a period not to exceed five years, and, in accordance with local custom and practice, advance payment may be made for the lease. Such public housing facilities may be leased
on an individual or multiple-unit basis. Expenditures for the rental of such housing facilities may not exceed the average authorized for the Department of Defense in any year except where the Secretary finds that the average is so low as to prevent rental of necessary housing facilities in some areas, in which event he is authorized to reallocate existing funds to high-cost areas so that rental expenditures in such areas exceed the average authorized for the Department of Defense.

(b) The Secretary is authorized, subject to regulations approved by the President—

(1) to designate as rental housing such housing as he may determine to be inadequate as public quarters; and

(2) to lease inadequate housing to members of the Coast Guard for occupancy by them and their dependents.

(c) Where sufficient quarters are not possessed by the United States, the Commandant may hire quarters for personnel, including personnel on sea duty at such times as they may be deprived of their quarters on board ship due to repairs or other conditions which may render them uninhabitable. Such accommodations shall not be available for occupancy by the dependents of such personnel.

Historical and Revision Notes

Based on title 14, U.S.C., 1946 ed., § 133a (June 19, 1942, ch. 419, § 2, 56 Stat. 372) and on the following language contained in the Coast Guard appropriation act for 1949, “Pay and Allowances” and preceding years: “hire of quarters for Coast Guard personnel comparable to quarters assignable on a capital ship of the Navy, as authorized by the Secretary to meet emergency conditions, including officers and men on sea duty at such times as they may be deprived of their quarters on board ship due to repairs or other conditions which may render them uninhabitable: Provided, That under this authorization no funds may be expended for the hire of quarters for occupancy by the dependents of officers or enlisted personnel” (June 19, 1948, ch. 558, 62 Stat. 562).

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

1987—Subsecs. (b) to (d). Pub. L. 100–180 redesignated subsecs. (c) and (d) as (b) and (c), respectively, and struck out former subsec. (b) which read as follows: “Notwithstanding the provisions of any other law, members of the Coast Guard, with dependents, may occupy on a rental basis, without loss of basic allowance for quarters, inadequate quarters under the jurisdiction of the Coast Guard notwithstanding that such quarters may have been constructed or converted for assignment as public quarters. The net difference between the basic allowance for quarters and the fair rental value of such quarters shall be paid from otherwise available appropriations; however, no rental charge for such quarters shall be made against the basic allowance for quarters of a member of the Coast Guard in excess of 75 percent of such allowance except that in no event shall the net rental value charged to the member’s basic allowance for quarters be less than the cost of maintaining and operating the housing.”

1982—Subsec. (b). Pub. L. 97–295 substituted “percent” for “per centum”.

Subsecs. (e), (f). Pub. L. 97–322 repealed subsec. (e) which required that the Secretary, annually and not later than April 1, file with the Speaker of the House and the President of the Senate a report of the utilization of subsecs. (a), (b), and (d) authority during the preceding calendar year, and subsec. (f) which prohibited utilization of subsecs. (a), (b), (c), or (d) authority after Apr. 1, 1973, unless all required subsec. (e) reports were filed with the Congress.

1981—Subsec. (a). Pub. L. 97–136 inserted provisions authorizing the Secretary to lease housing facilities for assignment as public quarters, without rental charge, to military personnel who are on sea duty or duty at remote offshore Coast Guard stations and who do not have dependents, and further provided that such authority shall be effective in any fiscal year only to such extent or in such amounts as are provided in appropriation acts.
§ 476. Contingent expenses

The Commandant may expend for contingencies of the Coast Guard a sum not to exceed $50,000 in any one fiscal year.

Historical and Revision Notes

The limitation on the amount for such contingencies is increased, and the amount is made available to the Commandant rather than solely to the Superintendent of the Academy as now prescribed by law. The authorization is to cover expenditures incident to the offices of the Commandant and the Superintendent of the Academy. The intent is that the amount authorized will be administered in a manner similar to that now employed by the Superintendent of the Academy under the authority of 14 U.S.C., § 15k. 81st Congress, House Report No. 557.
Amendments
2004—Pub. L. 108–293 substituted “$50,000” for “$7,500” and struck out at end “The Commandant may authorize the Superintendent of the Academy to expend not to exceed $2,500 of this amount for contingencies of the Academy.”

§ 477. Equipment to prevent accidents

The Coast Guard may make such expenditures as are deemed appropriate for promotion and maintenance of the safety and occupational health of, and the prevention of accidents affecting, personnel of the Coast Guard, including the purchase of clothing, equipment, and other materials necessary thereto.

(Aug. 4, 1949, ch. 393, 63 Stat. 532.)

Historical and Revision Notes

Because of the wide variety of tasks assigned to Coast Guard personnel it is deemed advisable to broaden this authority to the more general language as rewritten, insofar as Coast Guard personnel are concerned, thus giving complete authority to protect their health.

Said section would in no way be affected.

Inasmuch as the act cited above applies to executive departments generally, it is not scheduled for repeal by this act. 81st Congress, House Report No. 557.

Transfer of Functions

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468 (b), 551 (d), 552 (d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

Hypothermia Protective Clothing Requirement

Pub. L. 107–295, title IV, § 410, Nov. 25, 2002, 116 Stat. 2118, provided that: “The Commandant of the Coast Guard shall ensure that all Coast Guard personnel are equipped with adequate safety equipment, including hypothermia protective clothing where appropriate, while performing search and rescue missions.”

§ 478. Rations or commutation therefor in money

(a) Enlisted members of the Coast Guard, civilian officers and civilian crews of vessels, and working parties in the field shall be allowed a ration or commutation thereof in money, in such amount and under limitations and regulations prescribed by the Secretary.

(b) Money for commuted rations shall be paid, under such regulations as the Secretary shall prescribe, on proper vouchers, or pay rolls, to persons entitled to receive it, or to the officers designated by the Commandant to administer the financial affairs of the messes in which such persons may be subsisted.

(c) Money paid for commuted rations to the designated officer may be deposited in general or limited depositories of public money or in any bank in which deposits are insured. Such funds shall be expended and accounted for under such regulations as the Secretary shall prescribe.

(d) Nothing contained in this section shall be construed as modifying or changing in any manner the provisions of law pertaining to subsistence allowances for enlisted members, but no ration or commutation thereof shall be allowed a person receiving a subsistence allowance.

Historical and Revision Notes

The provisions of said section 134 are extended to include all persons who might be entitled to receive money for commuted rations, rather than only the officer in charge of the mess.

The last proviso of said section 135 is eliminated, because experience during the past 2 years shows that it may react detrimentally on enlisted men in time of rising food costs.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

§ 479. Sales of ration supplies to messes

Ration supplies may be purchased by the cabin, wardroom, warrant officers’, and other authorized messes and payment therefor made in cash to the commissary officer. The prices to be charged for such supplies shall not be less than the invoice prices, and the cash received from such sales shall be accounted for on the ration return and may be expended for the general mess.

(Aug. 4, 1949, ch. 393, 63 Stat. 533.)

Historical and Revision Notes

§ 480. Flight rations

There may be furnished to officers, enlisted members, and civilian employees, while actually engaged in flight operations, an aircraft flight ration in kind, chargeable to the proper Coast Guard appropriation, which flight ration shall be supplementary to any ration or subsistence allowance now granted to such personnel. No part of an aircraft flight ration shall be furnished without cost to any person in a travel status or to any person to whom a per diem allowance is granted in lieu of actual subsistence.

Historical and Revision Notes

Said section is applicable to Navy personnel only. Experience has shown that similar authority should be granted to the Coast Guard; it will operate to the benefit of Navy personnel stopping over at Coast Guard air stations as well as to the benefit of Coast Guard personnel stopping over at Naval air stations.

The language of said section is closely paralleled.

Said section would in no way be affected. 81st Congress, House Report No. 557.

Amendments

§ 481. Payments at time of discharge for good of service

Enlisted members discharged by dishonorable discharge, bad-conduct discharge, or any other discharge for the good of the service, may, upon discharge, be paid a sum not to exceed $25. The sum paid shall be fixed by and in the discretion of the Commandant, and shall be paid only in cases where the person so discharged would otherwise be without funds to meet his immediate needs.

**Historical and Revision Notes**

Said section 197 was made applicable to the Coast Guard by title 14, U.S.C., 1946 ed., § 3a whenever the Coast Guard is operating with the Navy. Experience has shown the advantage of having such a provision applicable to the Coast Guard at all times.

Said section would in no way be affected. 81st Congress, House Report No. 557.

**Amendments**

§ 482. Clothing at time of discharge for good of service

Enlisted members discharged for bad conduct, undesirability, unsuitability, or inaptitude may be furnished civilian clothing, including an overcoat when necessary, the cost of such furnished clothing not to exceed $30, per person.

**Historical and Revision Notes**

Inasmuch as the act cited above applies equally to the Navy and Marine Corps as well as the Coast Guard, it is not scheduled for repeal but is being amended by section 18 of this act to eliminate reference to the Coast Guard.

Changes in phraseology were made in order to adapt said section to this revision. 81st Congress, House Report No. 557.

**Amendments**

§ 483. Right to wear uniform

When authorized by and in accordance with applicable regulations:

(a) any member who has served honorably in the Coast Guard during war shall when not in active service, whether or not on the retired list, be entitled to bear the official title and upon occasions of ceremony to wear the uniform of the highest rank or rating held by him during his war service, and

(b) any member on the retired list shall be entitled to wear the uniform of his rank or rating.

§ 484. Protection of uniform

The provisions of law relating to the protection of the uniform of the United States Army, Navy, or Marine Corps shall apply to the protection of the uniform of the Coast Guard, in the same manner, to the same extent, and under the same conditions.

(Aug. 4, 1949, ch. 393, 63 Stat. 533.)

§ 485. Clothing for officers and enlisted personnel

(a) The Coast Guard may purchase uniforms, accouterments, and related equipment for sale to officer personnel and cadets of the Coast Guard.

(b) The Coast Guard may purchase uniform clothing for sale to enlisted personnel of the Coast Guard. The actual cost of the clothing thus sold to enlisted personnel may be withheld from their pay.

Subsection (c) is new. Title 37, U.S.C., 1946 ed., § 110 authorizes the payment of a cash allowance in case clothing is not furnished to enlisted persons of the Coast Guard. Clearly this presumes the authority to issue clothing to enlisted persons; this section makes the authority statutory. 81st Congress, House Report No. 557.

**Amendments**

1962—Subsec. (c). Pub. L. 87–649 repealed subsec. (c) which permitted the Coast Guard to purchase uniform clothing for distribution to enlisted personnel or to pay such enlisted personnel a cash clothing allowance.

1950—Subsec. (c). Act Aug. 3, 1950, struck out “to” after “or”.

**Effective Date of 1962 Amendment**

---

**§ 486. Clothing for destitute shipwrecked persons**

The Coast Guard may furnish clothing and subsistence to destitute shipwrecked persons, and the Coast Guard may reimburse, in cash or in kind, Coast Guard personnel who furnish clothing and subsistence to destitute shipwrecked persons.

(Aug. 4, 1949, ch. 393, 63 Stat. 534.)

**Historical and Revision Notes**

This section was enlarged to provide that the Coast Guard, as well as personnel thereof, may furnish clothing and subsistence to destitute shipwrecked persons.

Changes were made in phraseology. 81st Congress, House Report No. 557.

---

**§ 487. Procurement and sale of stores to members and civilian employees**

Such stores as the Secretary may designate may be procured and sold to members of the Coast Guard, and to the surviving spouses of such members. Such designated stores may also be procured and sold to civilian officers and employees of the United States, and to such other persons as may be specifically authorized by the Secretary, at Coast Guard stations and other units beyond the continental limits of the United States or in Alaska.

**Historical and Revision Notes**

Said section granted authority for the Secretary of the Navy to sell designated stores to officers and enlisted men. It is deemed desirable to grant similar authority to the Secretary having control of the Coast Guard.

Said section would in no way be affected. 81st Congress, House Report No. 557.

**Amendments**

1984—Pub. L. 98–557 in section catchline substituted “members” for “officers, enlisted men,” and in text substituted “surviving spouses” for “widows” and “members” for “officers and enlisted men” in two places.
§ 488. Advancement of public funds to personnel

The Commandant, under regulations prescribed by the Secretary, may advance public funds to personnel when required to meet expenses of members detailed on emergency shore duty. Funds so advanced shall not exceed a reasonable estimate of the actual expenditures to be made and for which reimbursement is authorized by law.

Historical and Revision Notes

Said section 885 was made applicable to the Coast Guard by title 14, U.S.C., 1946 ed., § 3a whenever the Coast Guard is operating with the Navy. Experience has shown the advantage of having such a provision applicable to the Coast Guard at all times.

Said section would in no way be affected. 81st Congress, House Report No. 557.

Amendments

Section, act Aug. 4, 1949, ch. 393, 63 Stat. 534, provided for payment of a death gratuity to survivors of officers and enlisted men of Regular Coast Guard. See sections 1475 to 1480 of Title 10, Armed Forces.

Effective Date of Repeal

Section 7 of Pub. L. 88–558 provided that the repeal of this section is effective two years from Aug. 31, 1964.

§ 491. Medal of honor

The President may award, and present in the name of Congress, a medal of honor of appropriate design, with ribbons and appurtenances, to a person who, while a member of the Coast Guard, distinguishes himself conspicuously by gallantry and intrepidity at the risk of his life above and beyond the call of duty—

(1) while engaged in an action against an enemy of the United States;
(2) while engaged in military operations involving conflict with an opposing foreign force;
(3) while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

Historical and Revision Notes
This section is new insofar as application to Coast Guard personnel in time of peace is concerned. Such awards can be made to members of the Coast Guard when the Coast Guard is operating with the Navy.

Amendments
1963—Pub. L. 88–77 enlarged the authority to award the medal of honor, which was limited to those cases in which persons, while in the service of the Coast Guard, distinguished themselves in action involving actual conflict with an enemy, or in the line of his profession, and without detriment to the mission of his command or to the command to which attached, to permit its award for distinguished service by members of the Coast Guard while engaged in an action against an enemy of the United States, while engaged in military operations involving conflict with an opposing foreign force, or while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party, and substituted the requirement that it be of appropriate design, with ribbons and appurtenances, for the requirement that the design be the same as that of the Navy medal of honor.

§ 491a. Coast Guard cross
The President may award a Coast Guard cross of appropriate design, with ribbons and appurtenances, to a person who, while serving in any capacity with the Coast Guard, when the Coast Guard is not operating under the Department of the Navy, distinguishes himself or herself by extraordinary heroism not justifying the award of a medal of honor—
(1) while engaged in an action against an enemy of the United States;
(2) while engaged in military operations involving conflict with an opposing foreign force or international terrorist organization; or
(3) while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

§ 492. Distinguished service medal
The President may present, but not in the name of Congress, a distinguished service medal of appropriate design, with accompanying ribbon, together with a rosette or other device, to be worn in lieu thereof, to any person who, while serving in any capacity with the Coast Guard, distinguishes himself by exceptionally meritorious service to the Government in a duty of great responsibility.

(Aug. 4, 1949, ch. 393, 63 Stat. 535.)

Historical and Revision Notes
This section is new insofar as application to Coast Guard personnel in time of peace is concerned. Such awards can be made to members of the Coast Guard when the Coast Guard is operating with the Navy.

By the authority vested in me as President by the Constitution and the laws of the United States of America and as Commander in Chief of the Armed Forces of the United States, it is ordered as follows:

Section 1. There is hereby established a Homeland Security Distinguished Service Medal, with accompanying ribbons and appurtenances, for award by the Secretary of Homeland Security to any member of the Armed Forces of the United States who has provided exceptionally meritorious service in a duty of great responsibility while assigned in the Department of Homeland Security, or in other activities under the responsibility of the Secretary of Homeland Security, either national or international, as may be assigned by the Secretary.

Sec. 2. The Homeland Security Distinguished Service Medal and appurtenances thereto shall be of appropriate design approved by the Secretary of Homeland Security and shall be awarded under such regulations as the Secretary shall prescribe. These regulations shall place the Homeland Security Distinguished Service Medal in an order of precedence immediately before the Coast Guard Distinguished Service Medal.

Sec. 3. No more than one Homeland Security Distinguished Service Medal shall be awarded to any one person, but for each succeeding exceptionally meritorious period of service justifying such an award, a suitable device may be awarded to be worn with that Medal as prescribed by appropriate regulations of the Department of Homeland Security.

Sec. 4. The Homeland Security Distinguished Service Medal or device may be awarded posthumously and, when so awarded, may be presented to such representative of the deceased as may be deemed appropriate by the Secretary of Homeland Security.

§ 492a. Silver star medal

The President may award a silver star medal of appropriate design, with ribbons and appurtenances, to a person who, while serving in any capacity with the Coast Guard, when the Coast Guard is not operating under the Department of the Navy, is cited for gallantry in action that does not warrant a medal of honor or Coast Guard cross—

(1) while engaged in an action against an enemy of the United States;

(2) while engaged in military operations involving conflict with an opposing foreign force or international terrorist organization; or

(3) while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

Prior Provisions

A prior section 492a was renumbered section 492b of this title.

§ 492b. Distinguished flying cross

The President may present, but not in the name of Congress, a distinguished flying cross of appropriate design, with accompanying ribbon, to any person who, while serving in any capacity with the Coast Guard, distinguishes himself by heroism or extraordinary achievement while participating in an aerial flight.

§ 493. Coast Guard medal

The President may present, but not in the name of Congress, a medal to be known as the Coast Guard medal, of appropriate design, with accompanying ribbon, together with a rosette or other device to be worn in lieu thereof, to any person who, while serving in any capacity with the Coast Guard, distinguishes himself by heroism not involving actual conflict with an enemy.

(Aug. 4, 1949, ch. 393, 63 Stat. 535.)

Historical and Revision Notes

This section establishes a new medal to be known as the Coast Guard Medal, which is intended to be a parallel award to the Navy and Marine Corps Medal of the Navy, to be awarded under the same circumstances as that medal is awarded to personnel of the Navy (see title 34, U.S.C., 1946 ed., § 356b). 81st Congress, House Report No. 557.

§ 494. Insignia for additional awards

No more than one medal of honor, Coast Guard cross, distinguished service medal, silver star medal, distinguished flying cross, or one Coast Guard medal shall be issued to any one person; but for each succeeding deed or service sufficient to justify the awarding of a medal of honor, Coast Guard cross, distinguished service medal, silver star medal, distinguished flying cross, or Coast Guard medal, the President may award a suitable emblem or insignia to be worn with the decoration and a corresponding rosette or other device.

Historical and Revision Notes

This section is supplemental to the preceding sections dealing with the award of medals and regulates the award of additional medals of the same kind. It follows the established practice in all the armed forces (see title 34, U.S.C., 1946 ed., § 358). 81st Congress, House Report No. 557.

Amendments

2010—Pub. L. 111–281 substituted “Coast Guard cross, distinguished service medal, silver star medal, distinguished flying cross,” for “distinguished service medal, distinguished flying cross,” in two places.

1956—Act Aug. 10, 1956, included the distinguished flying cross.

Additional Repeal

§ 496. Time limit on award; report concerning deed

(a) No medal of honor, Coast Guard cross, distinguished service medal, silver star medal, distinguished flying cross, Coast Guard medal, or bar, emblem, or insignia in lieu thereof may be awarded to a person unless—

(1) the award is made within five years after the date of the deed or service justifying the award;
(2) a statement setting forth the deed or distinguished service and recommending official recognition of it was made by his superior through official channels within three years from the date of that deed or termination of the service.

(b) If the Secretary determines that—

(1) a statement setting forth the deed or distinguished service and recommending official recognition of it was made by the person’s superior through official channels within three years from the date of that deed or termination of the service and was supported by sufficient evidence within that time; and
(2) no award was made, because the statement was lost or through inadvertence the recommendation was not acted upon; a medal of honor, Coast Guard cross, distinguished service medal, silver star medal, distinguished flying cross, Coast Guard medal, or bar, emblem, or insignia in lieu thereof, as the case may be, may be awarded to the person within two years after the date of that determination.

Historical and Revision Notes

Amendments

Subsec. (b)(2). Pub. L. 111–281, § 224(c)(2)(B), substituted “Coast Guard cross, distinguished service medal, silver star medal, distinguished flying cross,” for “distinguished service medal, distinguished flying cross.”

1962—Pub. L. 87–526 incorporated existing provisions in subsec. (a), included the distinguished flying cross and bar in lieu of any award in the enumeration of medals, and extended the time limit for recommending award of a medal after performance of the deed justifying the award from one to three years and added subsec. (b).

§ 497. Honorable subsequent service as condition to award

No medal of honor, Coast Guard cross, distinguished service medal, silver star medal, distinguished flying cross, Coast Guard medal, or emblem, or insignia in lieu thereof shall be awarded or presented to any individual, or to the representative of any individual, whose entire service subsequent to the time he distinguished himself shall not in the opinion of the Commandant have been honorable.

§ 498. Posthumous awards

In case an individual who distinguishes himself dies before the making of any award to which he may be entitled, as authorized in this chapter, the award may be made and presented within five years from the date of the act or service justifying the award to such next of kin as may have been designated by the individual, or in the absence of such designation, or if the designated person is not alive at the time of the award, or the relationship between such person and the serviceman shall have been terminated before his death, then to such representative as the President designates. In the event of a posthumous award when the award will be made to the parents of the deceased and the parents have been divorced or separated, a duplicate award may be made to each parent.

(Aug. 4, 1949, ch. 393, 63 Stat. 536.)

§ 499. Delegation of powers to make awards; rules and regulations

The President may delegate to the Secretary, under such conditions, regulations, and limitations as he prescribes, the powers conferred upon him to make the awards designated in this chapter, and the President may make any and all rules, regulations, and orders which he deems necessary in the conferring of such awards.

(Aug. 4, 1949, ch. 393, 63 Stat. 536.)

§ 500. Life-saving medals

(a) The Secretary may, under regulations prescribed by him, award a Life-saving medal of gold or silver to any person, including personnel of the Coast Guard, who rescues or endeavors to rescue any other person from drowning, shipwreck, or other peril of the water in accordance with the following provisions:

(1) if such rescue or attempted rescue is made at the risk of one’s own life and evidences extreme and heroic daring, the medal shall be of gold;
(2) if such rescue or attempted rescue is not sufficiently distinguished to deserve the medal of gold, but evidences the exercise of such signal exertion as to merit recognition, the medal shall be of silver.

(b) In order for a person to be eligible for the Life-saving Medals the rescue or attempted rescue must take place in waters within the United States or subject to the jurisdiction thereof, or if the rescue or attempted rescue takes place outside such waters, one or the other of the parties must be a citizen of the United States or from a vessel or aircraft owned or operated by citizens of the United States.

(c) No person shall receive more than one gold medal and one silver medal; but any person who has received or may hereafter receive a gold or silver medal and who again performs an act which would entitle him to receive another medal of the same class may be awarded, in lieu of a second medal of the same class, a gold or silver bar, as the case may be, to be worn with the medal already bestowed, and for every such additional act, an additional bar may be awarded. Medals and bars in lieu thereof, authorized by this subsection, may be awarded posthumously.

Historical and Revision Notes

Said sections have been rewritten so as to make the awarding of Life-saving medals turn on whether or not the United States has an interest in the heroic act, rather than on technical jurisdictional grounds. Under existing law the award of a medal could be made in any case in which the rescuer or the rescued was a citizen of the United States, or was from a vessel owned or operated by the United States regardless of where the rescue took place; and if the rescue took place within waters of the United States the award could be made to an alien.

The existing law relating to the Treasury Department Life-Saving Medal contained in title 14, U.S.C., 1946 ed., §§ 192–196, has long needed revision. The existing law is composed of a series of statutes enacted separately between 1874 and 1897, and the result has not been entirely satisfactory. The original statute, enacted in 1874 (title 14, U.S.C., 1946 ed., § 193), provided for Life-saving medals of the first and second class to be bestowed “upon any persons who shall hereafter endanger their own lives in saving, or endeavoring to save lives from the perils of the sea, within the United States, or upon any American vessel”. The medal of the first class was confined to cases of “extreme and heroic daring” and the medal of the second class was to be awarded “in cases not sufficiently distinguished to deserve the medal of the first class” Then in 1878 another act was passed (title 14, U.S.C., 1946 ed., § 194) authorizing the bestowal of the medal of the second class “upon persons making such signal exertions in rescuing and succoring the shipwrecked, and saving persons from drowning” as, in the opinion of the Secretary of the Treasury, merited recognition. These two sections were construed by the Attorney General to be limited to the rescue of persons who were subjected to the perils of the sea in any waters of the United States in the vicinity of any lifeboat station, life-saving station, or house of refuge. And the person upon whom the medal could be bestowed was limited to members of life-saving crews. (1895) Op. Att. Gen. 124. Thereupon, in 1897, an act was passed which provided that the two earlier acts should “be construed so as to empower the Secretary of the Treasury to bestow such medals upon persons making signal exertions in rescuing and succoring the shipwrecked and saving persons from drowning in waters over which the United States has jurisdiction, whether the said persons making such exertions were or were not members of the Life-Saving Service or whether or not such exertions were made in the vicinity of a life-saving station”. (Title 14, U.S.C., 1946 ed., § 196.) This act was designed to give a more liberal application to the two earlier acts, and all three were to be read as one. (1900) 23 Op. Atty. Gen. 78. However, difficult questions of interpretation have arisen because of the different jurisdictional language in the three acts. For example, title 14, U.S.C., 1946 ed., § 193, refers to rescues “within the United States”, while title 14, U.S.C., 1946 ed., § 196, refers to rescues “in the waters over which the United States has jurisdiction”. The need for clarification is obvious. Subsection (a) authorizes the awarding of the medal to any person, including Coast Guard personnel, who rescues or endeavors to rescue any person from drowning, shipwreck, or peril of the water. If the rescue or attempted rescue is at the risk of one’s own life and evidences extreme and heroic daring, the medal shall be of gold, and if the rescue or attempted rescue is not sufficiently distinguished to deserve the gold medal, but evidences the exertion of such signal exertion as to merit recognition, the medal shall be of silver. Thus, the acts for which the medals are to be awarded are defined simply and without any geographical or jurisdictional limitations. The difficulty with the existing law is the attempt to define the required deed together with those limitations. Subsection (a) does not change existing law insofar as the type of act necessary for the medals is concerned; it merely simplifies and clarifies existing law.
Subsection (b) contains the jurisdictional limitations on the awarding of the medal and broadens, to a considerable extent, the provisions of existing law. It is the intent of this subsection to authorize the awarding of a medal in all cases where the United States has a legitimate interest in recognizing meritorious acts, such as where a United States citizen performs the act, or where a United States citizen is rescued, or where United States waters or United States vessels or aircraft are involved. Accordingly, rescues by United States citizens anywhere in the world will be recognized. Any person, including persons not citizens of the United States, may receive medals if the rescue or attempted rescue takes place in waters within the United States or subject to its jurisdiction or, in cases of rescues outside such waters, if either the rescuer or the person rescued is from a United States vessel or aircraft, or the person rescued is a United States citizen. Thus, every case in which the United States government has an interest is provided for. A United States citizen who performs a heroic act sufficient to justify a medal in state waters, or in foreign waters, could not receive one under existing law, but could receive such award under this proposed revision. The awarding of medals should not turn on technical jurisdictional grounds; it should turn rather on the interest of the United States to recognize noble and heroic acts.

Subsection (c) dealing with the awarding of bars for additional acts, clarifies, but does not change title 14, U.S.C., 1946 ed., § 195, except that authority is granted to award medals posthumously. 81st Congress, House Report No. 557.

Amendments

1976—Subsec. (a). Pub. L. 94–546 substituted “Secretary” for “Secretary of the Treasury”.

§ 501. Replacement of medals

In those cases where a medal, or a bar, emblem, or insignia in lieu thereof, awarded pursuant to this chapter has been stolen, lost, destroyed, or rendered unfit for use without fault or neglect on the part of the person to whom it was awarded, such medal, or bar, emblem, or insignia in lieu thereof, shall be replaced without charge, or, in the discretion of the Secretary, upon condition that the Government is reimbursed for the cost thereof.

Historical and Revision Notes

This section provides for the replacement of medals. It follows the established practice of the other armed forces, but makes an additional provision that the Secretary in his discretion may charge for the replacement medals in some circumstances. (See title 10, U.S.C., 1946 ed., § 1416 and title 34, U.S.C., 1946 ed., § 359.) 81st Congress, House Report No. 557.

Amendments

§ 502. Award of other medals

Coast Guard personnel, notwithstanding the provisions of this chapter, may be awarded medals, bars, emblems, or insignia to which such personnel may be entitled under other provisions of law.

(Aug. 4, 1949, ch. 393, 63 Stat. 537.)

Historical and Revision Notes

This section insures that the preceding sections are not intended to prevent Coast Guard military personnel from receiving other medals, the legion of merit, for example. 81st Congress, House Report No. 557.

Meritorious Service Medal

Medal established as an award for outstanding meritorious achievement or service to the United States, see Ex. Ord. No. 11448, Jan. 16, 1969, 34 F.R. 915, as amended, set out as a note preceding section 1121 of Title 10, Armed Forces.
§ 503. Awards and insignia for excellence in service or conduct

The Coast Guard may award trophies, badges, and cash prizes to Coast Guard personnel or groups thereof, including personnel of the reserve components thereof whether or not on active duty, for excellence in accomplishments related to Coast Guard service, to incur such expenses as may be necessary to enter such personnel in competitions, and to provide badges or buttons in recognition of special service, good conduct, and discharge under conditions other than dishonorable.

(Aug. 4, 1949, ch. 393, 63 Stat. 537.)

Historical and Revision Notes

Based on the following language contained in the Coast Guard appropriation act for 1949, “Pay and Allowances” and preceding years: “not exceeding $10,000 for cash prizes for men for excellence in boatmanship, gunnery, target practice, and engineering competitions” (June 19, 1948, ch. 558, 62 Stat. 561).

This section expands the language contained in the appropriation act to include the awarding of trophies and badges, and to include in the accomplishments for which such awards may be made, excellence in any field related to Coast Guard duty. 81st Congress, House Report No. 557.

§ 504. Medal of honor: duplicate medal

A person awarded a medal of honor shall, upon written application of that person, be issued, without charge, one duplicate medal of honor with ribbons and appurtenances. Such duplicate medal of honor shall be marked, in such manner as the Secretary may determine, as a duplicate or for display purposes only.

Prior Provisions

A prior section 504, act Aug. 4, 1949, ch. 393, 63 Stat. 537, related to disposition of the remains of deceased Coast Guard personnel, prior to repeal by act July 15, 1954, ch. 507, § 14(c)(5), 68 Stat. 481. For provisions relating to recovery, care, and disposition of the remains of deceased personnel of the uniformed services and deceased civilian personnel, see section 1481 of Title 10, Armed Forces.

§ 505. Medal of honor: presentation of Medal of Honor Flag

The President shall provide for the presentation of the Medal of Honor Flag designated under section 903 of title 36 to each person to whom a medal of honor is awarded under section 491 of this title. Presentation of the flag shall be made at the same time as the presentation of the medal under section 491 or 498 of this title. In the case of a posthumous presentation of the medal, the flag shall be presented to the person to whom the medal is presented.

Prior Provisions

A prior section 505, act Aug. 4, 1949, ch. 393, 63 Stat. 537, related to escorts to the place of burial for the bodies of deceased Coast Guard personnel, prior to repeal by act July 15, 1954, ch. 507, § 14(c)(5), 68 Stat. 481. For provisions...
relating to recovery, care, and disposition of the remains of deceased personnel of the uniformed services and deceased civilian personnel, see section 1481 of Title 10, Armed Forces.

Amendments

2006—Pub. L. 109–364 struck out “after October 23, 2002” after “section 491 of this title” and inserted at end “In the case of a posthumous presentation of the medal, the flag shall be presented to the person to whom the medal is presented.”

2002—Pub. L. 107–314 substituted “October 23, 2002” for “the date of the enactment of this section”.

Presentation of Flag for Prior Recipients of Medal of Honor

President to provide for the presentation of the Medal of Honor Flag to living recipients of the Medal of Honor as expeditiously as possible after Oct. 17, 2006, and for posthumous presentation to survivors of deceased recipients of the Medal of Honor upon written application therefor, see section 555(b) of Pub. L. 109–364, set out as a note under section 3755 of Title 10, Armed Forces.

§ 507. Disposition of effects of decedents

All moneys, articles of value, papers, keepsakes, and other similar effects belonging to the deceased persons in the Coast Guard, not claimed by their legal heirs or next of kin, shall be deposited in safe custody, and if any such moneys, articles of value, papers, keepsakes, or other similar effects so deposited have been, or shall hereafter be, unclaimed for a period of two years from the date of the death of such person, such articles and effects shall be sold and the proceeds thereof, together with the moneys above mentioned, shall be deposited in the Treasury as miscellaneous receipts. The Secretary shall make diligent inquiry in every instance after the death of such person to ascertain the whereabouts of his heirs or next of kin, and prescribe necessary regulations to carry out the foregoing provisions. Claims may be presented hereunder at any time within five years after such moneys or proceeds have been so deposited in the Treasury, and, when supported by competent proof in any case after such deposit in the Treasury, shall be certified to Congress for consideration.

(Aug. 4, 1949, ch. 393, 63 Stat. 538.)

Historical and Revision Notes

Said section provided for the disposition of effects of deceased naval personnel. It is believed similar provisions should be made for Coast Guard personnel.

Said section would in no way be affected. 81st Congress, House Report No. 557.

§ 508. Deserters; payment of expenses incident to apprehension and delivery; penalties

(a) The Coast Guard may, pursuant to regulations prescribed by the Secretary, make such expenditures as are deemed necessary for the apprehension and delivery of deserters, stragglers, and prisoners.

(b) No person who is convicted by court martial for desertion from the Coast Guard in time of war, and as the result of such conviction is dismissed or dishonorably discharged from the Coast Guard shall
afterwards be enlisted, appointed, or commissioned in any military or naval service under the United States, unless the disability resulting from desertion, as established by this section is removed by a board of commissioned officers of the Coast Guard convened for consideration of the case, and the action of the Board is approved by the Secretary; or unless he is restored to duty in time of war.

**Amendments**

1952—Subsec. (a). Act July 10, 1952, authorized reimbursement of necessary expenses to persons other than civil officers, and added stragglers and prisoners to class of offenders.

**Amendments**

1968—Pub. L. 90–377 substituted “Persons discharged as result of court-martial; allowances to” for “Prisoners; allowances to; transportation” in section catchline, and struck out provision that persons confined in prisons in pursuance of the sentence of a Coast Guard court shall during such confinement, be allowed a reasonable sum, not to exceed $3 per month, for necessary prison expenses and the provision that the Commandant of the Coast Guard may transport to their homes or places of enlistment, as he may designate, all discharged prisoners, the expense of such transportation to be paid out of any money to the credit of prisoners when discharged.

**Effective Date**

Section effective May 31, 1951, see section 5 of act May 5, 1950.

§ 510. Shore patrol duty; payment of expenses

An officer or cadet of the Coast Guard who is assigned shore patrol duty away from his vessel or other duty station may be paid his actual expenses.

(Added Aug. 10, 1956, ch. 1041, § 14(a), 70A Stat. 624.)

§ 511. Compensatory absence from duty for military personnel at isolated duty stations

The Secretary may grant compensatory absence from duty to military personnel of the Coast Guard serving at isolated duty stations of the Coast Guard when conditions of duty result in confinement because of isolation or in long periods of continuous duty.

§ 512. Monetary allowance for transportation of household effects

The transportation and reimbursement authorized by subsection (b) of section 476 of title 37 shall be available hereafter to pay a monetary allowance in place of such transportation to a member who, under regulations prescribed by the Secretary, participates in a program designated by the Secretary in which his baggage and household effects are moved by a privately owned or rental vehicle. This allowance shall not be limited to reimbursement for actual expenses and may be paid in advance of the transportation of the baggage and household effects. The allowance shall, however, be in an amount that will result in savings to the Government when the total cost of the movement of baggage and household effects is compared with the cost that otherwise would have been incurred under subsection (b) of section 476 of title 37.

Codification

In text, “476” substituted for “406” pursuant to section 631(f)(4)(B) of Pub. L. 112–81, which provided that any reference in a provision of law other than a section of title 10, 32, or 37, United States Code, to a section of title 37 that was transferred and redesignated by “subsection (c)” of section 631 was deemed to refer to the section as so redesignated, notwithstanding that sections of title 37 were transferred and redesignated by subsection (d) of section 631 rather than subsection (c), to reflect the probable intent of Congress.

Amendments

§ 513. Retroactive payment of pay and allowances delayed by administrative error or oversight

Under regulations prescribed by the Secretary, the Coast Guard may authorize retroactive payment of pay and allowances, including selective reenlistment bonuses, to enlisted members if entitlement to the pay and allowances was delayed in vesting solely because of an administrative error or oversight.

c) Analysis of Alternatives.—

(1) In general.—The Coast Guard may not acquire an experimental or technically immature capability or asset or implement a Level 1 or Level 2 acquisition project or program, unless it has prepared an analysis of alternatives for the capability or asset to be acquired in the concept and technology development phase of the acquisition process for the capability or asset.

(2) Requirements.—The analysis of alternatives shall be prepared by a federally funded research and development center, a qualified entity of the Department of Defense, or a similar independent third-party entity that has appropriate acquisition expertise and has no financial interest in any part of the acquisition project or program that is the subject of the analysis. At a minimum, the analysis of alternatives shall include—

(A) an assessment of the technical maturity of the capability or asset, and technical and other risks;

(B) an examination of capability, interoperability, and other advantages and disadvantages;

(C) an evaluation of whether different combinations or quantities of specific assets or capabilities could meet the Coast Guard’s overall performance needs;

(G) the business case for each viable alternative.

d) Test and Evaluation Master Plan.—

(1) In general.—For any Level 1 or Level 2 acquisition project or program the Chief Acquisition Officer must approve a test and evaluation master plan specific to the acquisition project or program for the capability, asset, or subsystems of the capability or asset and intended to minimize technical, cost, and schedule risk as early as practicable in the development of the project or program.
(2) **Test and evaluation strategy.**— The master plan shall—

(A) set forth an integrated test and evaluation strategy that will verify that capability-level or asset-level and subsystem-level design and development, including performance and supportability, have been sufficiently proven before the capability, asset, or subsystem of the capability or asset is approved for production; and

(B) require that adequate developmental tests and evaluations and operational tests and evaluations established under subparagraph (A) are performed to inform production decisions.

(3) **Other components of the master plan.**— At a minimum, the master plan shall identify—

(A) the key performance parameters to be resolved through the integrated test and evaluation strategy;

(B) critical operational issues to be assessed in addition to the key performance parameters;

(5) **Limitation.**— The Coast Guard may not—

(A) proceed beyond that phase of the acquisition process that entails approving the supporting acquisition of a capability or asset before the master plan is approved by the Chief Acquisition Officer; or

(B) award any production contract for a capability, asset, or subsystem for which a master plan is required under this subsection before the master plan is approved by the Chief Acquisition Officer.

(e) **Life-Cycle Cost Estimates.**—

(1) **In general.**— The Commandant shall implement mechanisms to ensure the development and regular updating of life-cycle cost estimates for each acquisition with a total acquisition cost that equals or exceeds $10,000,000 and an expected service life of 10 or more years, and to ensure that these estimates are considered in decisions to develop or produce new or enhanced capabilities and assets.

(2) **Types of estimates.**— In addition to life-cycle cost estimates that may be developed by acquisition program offices, the Commandant shall require that an independent life-cycle cost estimate be developed for each Level 1 or Level 2 acquisition project or program.

(3) **Required updates.**— For each Level 1 or Level 2 acquisition project or program the Commandant shall require that life-cycle cost estimates shall be updated before each milestone decision is concluded and the project or program enters a new acquisition phase.

**Prior Provisions**

§ 573. Preliminary development and demonstration

(a) In General.— The Commandant shall ensure that developmental test and evaluation, operational test and evaluation, life-cycle cost estimates, and the development and demonstration requirements applied by this chapter to acquisition projects and programs are met to confirm that the projects or programs meet the requirements identified in the mission-analysis and affordability assessment prepared under section 571(a)(2), the operational requirements developed under section 572(a)(1) and the following development and demonstration objectives:

1. To demonstrate that the design, manufacturing, and production solution is based upon a stable, producible, and cost-effective product design.
2. To ensure that the product capabilities meet contract specifications, acceptable operational performance requirements, and system security requirements.
3. To ensure that the product design is mature enough to commit to full production and deployment.

(b) Tests and Evaluations.—

Use of third parties.— The Commandant shall ensure that the Coast Guard uses independent third parties with expertise in testing and evaluating the capabilities or assets and the subsystems of the capabilities or assets being acquired to conduct developmental tests and evaluations and operational tests and evaluations whenever the Coast Guard lacks the capability to conduct the tests and evaluations required by a master plan.

3. Communication of safety concerns.— The Commandant shall require that safety concerns identified during developmental or operational tests and evaluations or through independent or Government-conducted design assessments of capabilities or assets and subsystems of capabilities or assets to be acquired by the Coast Guard shall be communicated as soon as practicable, but not later than 30 days after the completion of the test or assessment event or activity that identified the safety concern, to the program manager for the capability or asset and the subsystems concerned and to the Chief Acquisition Officer.

4. Reporting of safety concerns.— Any safety concerns that have been reported to the Chief Acquisition Officer for an acquisition program or project shall be reported by the Commandant to the appropriate congressional committees at least 90 days before the award of any contract or issuance of any delivery order or task order for low, initial, or full-rate production of the capability or asset concerned if they will remain uncorrected or unmitigated at the time such a contract is awarded or delivery order or task order is issued. The report shall include a justification for the approval of that level of production of the capability or asset before the safety concerns are corrected or mitigated. The report shall also include an explanation of the actions that will be taken to correct or mitigate the safety concerns, the date by which those actions will be taken, and the adequacy of current funding to correct or mitigate the safety concerns.

5. Asset already in low, initial, or full-rate production.— If operational test and evaluation of a capability or asset already in low, initial, or full-rate production identifies a safety concern with the capability or asset or any subsystems of the capability or asset not previously identified during developmental or operational test and evaluation, the Commandant shall—

A. notify the program manager and the Chief Acquisition Officer of the safety concern as soon as practicable, but not later than 30 days after the completion of the test and evaluation event or activity that identified the safety concern; and
(B) notify the Chief Acquisition Officer and include in such notification—
   (i) an explanation of the actions that will be taken to correct or mitigate the safety concern
       in all capabilities or assets and subsystems of the capabilities or assets yet to be produced,
       and the date by which those actions will be taken;
   (ii) an explanation of the actions that will be taken to correct or mitigate the safety concern
        in previously produced capabilities or assets and subsystems of the capabilities or
        assets, and the date by which those actions will be taken; and
   (iii) an assessment of the adequacy of current funding to correct or mitigate the safety
        concern in capabilities or assets and subsystems of the capabilities or assets and in
        previously produced capabilities or assets and subsystems.

(c) Technical Certification.—
   (1) In general.— The Commandant shall ensure that any Level 1 or Level 2 acquisition project
       or program is certified by the technical authority of the Coast Guard after review by an independent
       third party with capabilities in the mission area, asset, or particular asset component.
   (2) TEMPEST testing.— The Commandant shall—
      (A) cause all electronics on all aircraft, surface, and shore capabilities and assets that require
          TEMPEST certification and that are delivered after the date of enactment of the Coast
          Guard Authorization Act of 2010 to be tested in accordance with TEMPEST standards
          and communications security (comsec) standards by an independent third party that is authorized
          by the Federal Government to perform such testing; and
      (B) certify that the assets meet all applicable TEMPEST requirements.
   (3) Cutter classification.—
      (A) In general.— The Commandant shall cause each cutter, other than a National Security
          Cutter, acquired by the Coast Guard and delivered after the date of enactment of the Coast
          Guard Authorization Act of 2010 to be classed by the American Bureau of Shipping before
          final acceptance.
      (B) Reports.— Not later than December 31, 2011, and biennially thereafter, the
          Commandant shall provide a report to the Committee on Transportation and Infrastructure of
          the House of Representatives and the Committee on Commerce, Science, and Transportation
          of the Senate identifying which, if any, Coast Guard cutters that have been issued a certificate
          of classification by the American Bureau of Shipping have not been maintained in class and
          detailing the reasons why they have not been maintained in class.
   (4) Other vessels.— The Commandant shall cause the design and construction of each National
       Security Cutter, other than National Security Cutters 1, 2, and 3, to be assessed by an independent
       third party with expertise in vessel design and construction certification.
   (5) Aircraft airworthiness.— The Commandant shall cause all aircraft and aircraft engines
       acquired by the Coast Guard and delivered after the date of enactment of the Coast Guard
       Authorization Act of 2010 to be assessed for airworthiness by an independent third party with

Pub. L. 107–295, title IV, §§ 405(c), 417 (b), Nov. 25, 2002, 116 Stat. 2123, added items 672a and 674 to 676, and struck out item 673 “Small boat station rescue capability” and former item 674 “Small boat station closures”.

1988—Pub. L. 100–690, title VII, § 7401(b), Nov. 18, 1988, 102 Stat. 4483, substituted “immunity for firing at or into vessel” for “immunity of Coast Guard officer” in item 637.

1974—Pub. L. 93–283, § 1(11), May 14, 1974, 88 Stat. 140, substituted “Use of moneys appropriated for acquisition, construction, and improvement; for research, development, test, and evaluation; and for the alteration of bridges over the navigable waters” for “Use of appropriations to restore, replace, establish, or develop facilities” in item 656, and added item 658.

1956—Act Aug. 7, 1956, ch. 1023, § 1(b), 70 Stat. 1077, substituted “Coast Guard Supply Fund” for “Coast Guard supply fund and supply account” in item 650.
§ 631. Delegation of powers by the Secretary

The Secretary is authorized to confer or impose upon the Commandant any of the rights, privileges, powers, or duties, in respect to the administration of the Coast Guard, vested in or imposed upon the Secretary by this title or other provisions of law.

Historical and Revision Notes

This section authorizes the Secretary to delegate to the Commandant any of the authority granted to him in respect to the administration of the Coast Guard. Such power to delegate is granted by other statutes to the heads of many of the executive departments. 81st Congress, House Report No. 557.

Amendments

1976—Pub. L. 94–546 substituted “Secretary” for “Secretary of the Treasury” wherever appearing and substituted “Commandant” for “Commandant of the Coast Guard”.

Administrative Advisory Committees; Solicitation of Nominations for Membership; Publication in Federal Register; Disclosures to Congress; Compensation and Travel Expenses

Pub. L. 97–322, title I, § 118(e), Oct. 15, 1982, 96 Stat. 1587, provided that:

“(1) The Secretary of the department in which the Coast Guard is operating shall, not less often than once a year, publish notice in the Federal Register for solicitation of nominations for membership on any advisory committee established administratively for the purpose of giving advice and recommendations to such Secretary or the Commandant of the Coast Guard with respect to functions of the Coast Guard.

“(2) Any advisory committee described in paragraph (1) of this subsection is authorized to make available to Congress any information, advice, and recommendations which the committee is authorized to give to the Secretary of the department in which the Coast Guard is operating or the Commandant of the Coast Guard.

“(3) Members of any advisory committee described in paragraph (1) of this subsection who are not officers or employees of the United States shall serve without pay and members of any such committee who are officers or employees of the United States shall receive no additional pay on account of their service on such committee. While away from their homes or regular places of business, members of any such committee may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of title 5, United States Code.”

§ 632. Functions and powers vested in the Commandant

All powers and functions conferred upon the Coast Guard, or the Commandant, by or pursuant to this title or any other law shall, unless otherwise specifically stated, be executed by the Commandant subject to the general supervision of the Secretary. In order to execute the powers and functions vested in him, the Commandant may assign personnel of the Coast Guard to duty in the District of Columbia, elsewhere in the United States, in any territory of the United States, and in any foreign country, but such personnel shall not be assigned to duties in any foreign country without the consent of the government of that country; assign to such personnel such duties and authority as he deems necessary; and issue rules, orders, and instructions, not inconsistent with law, relating to the organization, internal administration, and personnel of the Coast Guard.

(Aug. 4, 1949, ch. 393, 63 Stat. 545.)
Historical and Revision Notes

Said section 91 has been divided. That part dealing with investigation of plans and inventions is covered in section 93 (d) of this title. The remainder is covered in general terms. It has been rewritten in broad terms, making clear that the Commandant is granted the necessary authority to administer the Coast Guard under the Secretary, including authority to issue rules, orders, and instructions.

This section is primarily a consolidation of existing functions rather than a codification of existing laws. It does not, for the most part, grant new authority to the Coast Guard as an organization. It merely clarifies the method by which Coast Guard functions shall be administered. Under existing statutes, functions relating to the Coast Guard have been conferred upon the President, the Secretary of the Treasury, and the Commandant, and sometimes upon the Secretary of the Treasury in times of peace and the Secretary of the Navy in times of war. This revision confers some functions directly upon the Coast Guard, and this section provides for the execution of those functions by the Commandant, the military head of the organization, thereby making for consistency and uniformity. The functions are to be executed “subject to the general supervision of the Secretary”. Title 14, U.S.C., 1946 ed., § 91 now grants authority to the Commandant to prescribe regulations; this is changed to the issuance of rules, orders, and instructions as the promulgation of regulations in a military organization is properly a function of the Secretary.

Changes were made in phraseology. 81st Congress, House Report No. 557.

§ 633. Regulations

In addition to the authority conferred by other provisions of this title the Secretary may promulgate such regulations and orders as he deems appropriate to carry out the provisions of this title or any other law applicable to the Coast Guard.

(Aug. 4, 1949, ch. 393, 63 Stat. 545.)

Historical and Revision Notes

This section enlarges said sections to prescribe what is generally understood in a military organization, that the promulgation of regulations is a function of the head of the Department.

Changes were made in phraseology. 81st Congress, House Report No. 557.

§ 634. Officers holding certain offices

(a) Any officer, including any petty officer, may be designated by the Commandant as captain of the port or ports or adjacent high seas or waters over which the United States has jurisdiction, as the Commandant deems necessary to facilitate execution of Coast Guard duties.

(b) Commissioned officers may be appointed as United States Deputy Marshals in Alaska.

Historical and Revision Notes

1949 Act

Subsection (b) is derived from the last 6 lines of title 48, U.S.C., 1946 ed., § 1460 (July 31, 1939, ch. 399, 53 Stat. 1143). An additional provision is added waiving the requirement of a performance bond inasmuch as Coast Guard officers appointed as United States commissioners or marshals are not custodians of funds, and in any case their oath as a commissioned officer appears to be sufficient to insure faithful performance of duty.

Changes were made in phraseology. 81st Congress, House Report No. 557.

1982 Act

This amends 14:634(b) to reflect the effect of 28:631(c) and sections 401(a) and 402(a) of the Federal Magistrates Act (Pub. L. 90–578, Oct. 17, 1968, 82 Stat. 1118).

Amendments

1982—Subsec. (b). Pub. L. 97–295 struck out “United States Commissioners or” after “appointed as” and last sentence which provided that any commissioned officer appointed as United States Commissioner in Alaska shall not be required to execute a bond for the faithful performance of his official duties as such Commissioner.

§ 635. Oaths required for boards

The members of a retiring board, selection board, examining board, and any other board authorized to be assembled pursuant to this title shall be sworn to discharge their duties honestly and impartially, the oath to be administered to the members by the President or other presiding officer of the board, and to him by the junior member or recorder.

(Aug. 4, 1949, ch. 393, 63 Stat. 545.)

Historical and Revision Notes

Said section has been divided. That part relating to oaths is covered in this section. The remainder is covered in section 425 of this title.

Said section is enlarged to include the oaths required for all boards, rather than to cover retiring boards only. 81st Congress, House Report No. 557.

§ 636. Administration of oaths

(a) Such commissioned and warrant officers of the Coast Guard as may be designated by the Commandant may, pursuant to rules prescribed by the Commandant, exercise the general powers of a notary public in the administration of oaths for the following purposes:

(1) execution, acknowledgment, and attestation of instruments and papers, oaths of allegiance in connection with recruiting, oaths in connection with courts and boards, and all other notarial acts in connection with the proper execution of Coast Guard functions;

(2) execution, acknowledgment, and attestation of instruments and papers, and all other notarial acts in time of war or national emergency; and

(3) execution, acknowledgment, and attestation of instruments and papers, and all other notarial acts in Alaska and places beyond the continental limits of the United States where the Coast Guard is serving.

(b) No fee of any character shall be charged by any commissioned or warrant officer for performing notarial acts. The signature and indication of grade of any commissioned or warrant officer performing any notarial act shall be prima facie evidence of his authority.

(Aug. 4, 1949, ch. 393, 63 Stat. 545.)
§ 637. Stopping vessels; indemnity for firing at or into vessel

(a) Whenever any vessel liable to seizure or examination does not stop on being ordered to do so or on being pursued by an authorized vessel or authorized aircraft which has displayed the ensign, pennant, or other identifying insignia prescribed for an authorized vessel or authorized aircraft, the person in command or in charge of the authorized vessel or authorized aircraft may, subject to paragraph (2), fire at or into the vessel which does not stop.

(2) Before firing at or into a vessel as authorized in paragraph (1), the person in command or in charge of the authorized vessel or authorized aircraft shall fire a gun as a warning signal, except that the prior firing of a gun as a warning signal is not required if that person determines that the firing of a warning signal would unreasonably endanger persons or property in the vicinity of the vessel to be stopped.

(b) The person in command of an authorized vessel or authorized aircraft and all persons acting under that person’s direction shall be indemnified from any penalties or actions for damages for firing at or into a vessel pursuant to subsection (a). If any person is killed or wounded by the firing, and the person in command of the authorized vessel or authorized aircraft or any person acting pursuant to their orders is prosecuted or arrested therefor, they shall be forthwith admitted to bail.

(c) A vessel or aircraft is an authorized vessel or authorized aircraft for purposes of this section if—

(1) it is a Coast Guard vessel or aircraft;

(2) it is a surface naval vessel or military aircraft on which one or more members of the Coast Guard are assigned pursuant to section 379 of title 10; or

(3) any other vessel or aircraft on government noncommercial service when—

(A) the vessel or aircraft is under the tactical control of the Coast Guard; and

(B) at least one member of the Coast Guard is assigned and conducting a Coast Guard mission on the vessel or aircraft.

Footnotes

1 So in original. Probably should be preceded by “it is”.

Historical and Revision Notes

Said sections are rewritten, the provisions concerning oaths being broadened to conform more closely to law applicable to officers of the Navy (see title 34, U.S.C., 1946 ed., § 217a). 81st Congress, House Report No. 557.

Historical and Revision Notes

Aircraft are included within the protective terms of this section which permits aircraft to stop vessels but makes no provision for stopping aircraft.

Changes were made in phraseology. 81st Congress, House Report No. 557.

Amendments

§ 638. Coast Guard ensigns and pennants

(a) Vessels and aircraft authorized by the Secretary shall be distinguished from other vessels and aircraft by an ensign, pennant, or other identifying insignia of such design as prescribed by the Secretary. Such ensign, pennant, or other identifying insignia shall be displayed in accordance with regulations prescribed by the Secretary.

(b) No vessel or aircraft without authority shall carry, hoist, or display any ensign, pennant, or other identifying insignia prescribed for, or intended to resemble, any ensign, pennant, or other identifying insignia prescribed for Coast Guard vessels or aircraft. Every person violating this subsection shall be fined not more than $5,000, or imprisoned for not more than two years, or both.

§ 639. Penalty for unauthorized use of words “Coast Guard”

No individual, association, partnership, or corporation shall, without authority of the Commandant, use the combination of letters “USCG” or “USCGR”, the words “Coast Guard,” “United States Coast Guard,” “Coast Guard Reserve,” “United States Coast Guard Reserve,” “Coast Guard Auxiliary,” “United States Coast Guard Auxiliary,” “Lighthouse Service,” “Life Saving Service,” or any combination or variation of such letters or words alone or with other letters or words, as the name under which he or it shall do business, for the purpose of trade, or by way of advertisement to induce the effect of leading the public to believe that any such individual, association, partnership, or corporation has any connection with the Coast Guard. No individual, association, partnership, or corporation shall falsely advertise, or otherwise represent falsely by any device whatsoever, that any project or business in which he or it is engaged, or product which he or it manufactures, deals in, or sells, has been in any way endorsed, authorized, or approved by the Coast Guard. Every person violating this section shall be fined not more than $1,000, or imprisoned not more than one year, or both.

Historical and Revision Notes

This section makes the unauthorized use of the words “Coast Guard” or any derivative thereof, a crime. This is believed to be a desirable prohibition in view of the many commercial organizations which are manufacturing equipment approved by the Coast Guard and selling same to vessels in the United States. 81st Congress, House Report No. 557.

Amendments

1950—Act Aug. 3, 1950, made it possible for Commandant to grant authority to private business organizations to use terms or designations otherwise prohibited by this section.

Coast Guard City, USA

Pub. L. 105–383, title IV, § 409, Nov. 13, 1998, 112 Stat. 3431, provided that: “The Commandant of the Coast Guard may recognize the community of Grand Haven, Michigan, as ‘Coast Guard City, USA’. If the Commandant desires to recognize any other community in the same manner or any other community requests such recognition from the Coast Guard, the Commandant shall notify the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives 90 days prior to approving such recognition.”

§ 640. Coast Guard band recordings for commercial sale

(a) The Coast Guard band may produce recordings for commercial sale.

(b) Amounts received as proceeds from the sale of any such recordings may be credited to applicable appropriations of the Coast Guard for expenses of the Coast Guard band.

(c) The Secretary shall prescribe regulations governing the accounting of such proceeds.

§ 641. Disposal of certain material

(a) The Commandant subject to applicable regulations under subtitle I of title 40 and division C (except sections 3302, 3501 (b), 3509, 3906, 4710, and 4711) of subtitle I of title 41 may dispose of, with or without charge, to the Coast Guard Auxiliary, including any incorporated unit thereof, to the sea-scout service of the Boy Scouts of America, and to any public body or private organization not organized for profit having an interest therein for historical or other special reasons, such obsolete or other material as may not be needed for the Coast Guard.

(b) The Commandant may, under regulations prescribed by the Secretary, sell apparatus or equipment manufactured by or in use in the Coast Guard, which is not readily procurable in the open market. The money received from such sale shall be deposited in the Treasury to the credit of the current appropriation from which purchase of similar apparatus or equipment is authorized.

(c) (1) The Commandant may—

(A) provide for the sale of recyclable materials that the Coast Guard holds;

(B) provide for the operation of recycling programs at Coast Guard installations; and

(C) designate Coast Guard installations that have qualified recycling programs for the purposes of subsection (d)(2).

(2) Recyclable materials shall be sold in accordance with sections 541–555 of title 40, except that the Commandant may conduct sales of materials for which the proceeds of sale will not exceed $5,000 under regulations prescribed by the Commandant.

(d) (1) Proceeds from the sale of recyclable materials at a Coast Guard installation shall be credited to funds available for operations and maintenance at that installation in amounts sufficient to cover operations, maintenance, recycling equipment, and overhead costs for processing recyclable materials at the installation.

(2) If, after funds are credited, a balance remains available to a Coast Guard installation and the installation has a qualified recycling program, not more than 50 percent of that balance may be used at the installation for projects for pollution abatement, energy conservation, and occupational safety and health activities. The cost of the project may not be greater than 50 percent of the amount permissible for a minor construction project.

(3) The remaining balance available to a Coast Guard, installation may be transferred to the Coast Guard Morale, Welfare, and Recreation Program.

(e) If the balance available to the Coast Guard installation under this section at the end of a fiscal year is in excess of $200,000, the amount of that excess shall be deposited in the general fund of the Treasury as offsetting receipts of the Department in which the Coast Guard is operating and ascribed to Coast Guard activities.

Footnotes
1 So in original. The comma probably should not appear.
§ 642. Deposit of damage payments

Whenever an aid to navigation or other property belonging to the Coast Guard is damaged or destroyed by a private person, and such private person or his agent shall pay to the satisfaction of the proper official of the Coast Guard for the cost of repair or replacement of such property, the Commandant may accept and deposit such payments, through proper officers of the Fiscal Service, Treasury Department, in special deposit accounts in the Treasury, for payment therefrom to the person or persons repairing or replacing the damaged property and refundment of amounts collected in excess of the cost of the repairs or replacements concerned. In the event that repair or replacement of the damaged property is effected by the Coast Guard, the appropriations bearing the cost thereof and current at the time collection is made shall be reimbursed from the special deposit account.

(Aug. 4, 1949, ch. 393, 63 Stat. 547.)
§ 643. Rewards for apprehension of persons interfering with aids to navigation
The Coast Guard may offer and pay rewards for the apprehension and conviction, or for information helpful therein, of persons found interfering in violation of law with aids to navigation maintained by the Coast Guard; or for information leading to the discovery of missing Coast Guard property or to recovery thereof.

(Aug. 4, 1949, ch. 393, 63 Stat. 547.)

Historical and Revision Notes
Section is enlarged to provide for payment of rewards for information leading to the discovery or recovery of missing Coast Guard property. 81st Congress, House Report No. 557.

§ 644. Payment for the apprehension of stragglers
The Coast Guard may offer and pay rewards for the apprehension and delivery of deserters, stragglers, and prisoners.

(Aug. 4, 1949, ch. 393, 63 Stat. 547.)

Historical and Revision Notes
Said section has been divided. That part relating to rewards for the apprehension of deserters is placed in this section. That part relating to the acceptance of convicted deserters in the armed forces is placed in section 575 of this title. The first sentence of said section is eliminated inasmuch as it is believed that commanding officers in the Coast Guard are charged with the duty of apprehending deserters without special statutory authority therefor. The limitation as to amount that could be offered is removed. The provision concerning money due the deserter is eliminated. 81st Congress, House Report No. 557.

§ 645. Confidentiality of medical quality assurance records; qualified immunity for participants
(a) In this section—
(1) “medical quality assurance program” means any activity carried out by or for the Coast Guard to assess the quality of medical care, including activities conducted by individuals, military medical or dental treatment facility committees, or other review bodies responsible for quality assurance, credentials, infection control, patient care assessment (including treatment procedures, blood, drugs, and therapeutics) medical records, health resources management review and identification and prevention of medical or dental incidents and risks.
(2) “medical quality assurance record” means the proceedings, records, minutes, and reports that emanate from quality assurance program activities described in paragraph (1) and are produced or compiled by the Coast Guard as part of a medical quality assurance program.
(3) “health care provider” means any military or civilian health care professional who, under regulations prescribed by the Secretary, is granted clinical practice privileges to provide health care services in a military medical or dental treatment facility or who is licensed or certified to perform health care services by a governmental board or agency or professional health care society or organization.
Medical quality assurance records created by or for the Coast Guard as part of a medical quality assurance program are confidential and privileged. The records may not be disclosed to any person or entity except as provided in subsection (d).

Medical quality assurance records are not subject to discovery and may not be admitted into evidence in any judicial or administrative proceeding, except as provided in subsection (d).

Except as provided in this section, an individual who reviews or creates medical quality assurance records for the Coast Guard or who participates in any proceeding that reviews or creates the records may not testify in any judicial or administrative proceeding with respect to the records or with respect to any finding, recommendation, evaluation, opinion, or action taken by that person in connection with the records.

Subject to paragraph (2), a medical quality assurance record may be disclosed, and an individual referred to in subsection (c) may testify in connection with a record only as follows:

(A) To a Federal executive agency or private organization, if necessary to license, accredit, or monitor Coast Guard health care facilities.

(B) To an administrative or judicial proceeding commenced by a present or former Coast Guard or Coast Guard assigned Public Health Service health care provider concerning the termination, suspension, or limitation of clinical privileges of the health care provider.

(C) To a governmental board or agency or to a professional health care society or organization, if necessary to perform licensing, or privileging, or to monitor professional standards for a health care provider who is or was a member or an employee of the Coast Guard or the Public Health Service assigned to the Coast Guard.

(D) To a hospital, medical center, or other institution that provides health care services, if necessary to assess the professional qualifications of any health care provider who is or was a member or employee of the Coast Guard or the Public Health Service assigned to the Coast Guard and who has applied for or been granted authority or employment to provide health care services in or on behalf of the institution.

(E) To an officer, member, employee, or contractor of the Coast Guard or the Public Health Service assigned to the Coast Guard if for official purposes.

(F) To a criminal or civil law enforcement agency or instrumentality charged under applicable law with the protection of the public health or safety, if a qualified representative of the agency or instrumentality makes a written request that the record or testimony be provided for a purpose authorized by law.

(G) In an administrative or judicial proceeding commenced by a criminal or civil law enforcement agency or instrumentality referred to in subparagraph (F), but only with respect to the subject of the proceeding.

Except in a quality assurance action, the identity of any individual receiving health care services from the Coast Guard or the identity of any other individual associated with the agency for the purposes of a medical quality assurance program that is disclosed in a medical quality assurance record shall be deleted from that record or document before any disclosure of the record is made outside the Coast Guard. This requirement does not apply to the release of information under section 552a of title 5.

Except as provided in this section, a person having possession of or access to a record or testimony described by this section may not disclose the contents of the record or testimony.

Medical quality assurance records may not be made available to any person under section 552 of title 5.

An individual who participates in or provides information to an individual that reviews or creates medical quality assurance records is not civilly liable for participating or providing the information if the
participation or provision of information was in good faith based on prevailing professional standards at the time the medical quality assurance program activity took place.

(h) Nothing in this section shall be construed as—

(1) authority to withhold from any person aggregate statistical information regarding the results of Coast Guard medical quality assurance programs;

(2) authority to withhold any medical quality assurance record from a committee of either House of Congress, any joint committee of Congress, or the Government Accountability Office if the record pertains to any matter within their respective jurisdictions;

(3) limiting access to the information in a record created and maintained outside a medical quality assurance program, including a patient’s medical records, on the grounds that the information was presented during meetings of a review body that are part of a medical quality assurance program.

(i) Except as otherwise provided in this section, an individual who willfully discloses a medical quality assurance record knowing that the record is a medical quality assurance record, is liable to the United States Government for a civil penalty of not more than $3,000 in the case of a first offense and not more than $20,000 in the case of a subsequent offense.

Prior Provisions

Amendments

1996—Subsecs. (d) to (h). Pub. L. 104–324 redesignated subsec. (d), relating to disclosure by person with access to a record or testimony, as (e) and redesignated former subsecs. (e) to (h) as (f) to (i), respectively.

§ 646. Admiralty claims against the United States

(a) The Secretary may consider, ascertain, adjust, determine, compromise, or settle, and pay in an amount not more than $100,000, an admiralty claim against the United States for—

(1) damage caused by a vessel in the Coast Guard service or by other property under the jurisdiction of the Department in which the Coast Guard is operating;

(2) compensation for towage and salvage services, including contract salvage, rendered to a vessel in the Coast Guard service or to other property under the jurisdiction of the Department in which the Coast Guard is operating; or

(3) damage caused by a maritime tort committed by an agent or employee of the Department in which the Coast Guard is operating or by property under the jurisdiction of that Department.

(b) Upon acceptance of payment by the claimant, the settlement or compromise of a claim under this section is final and conclusive notwithstanding any other law.

(c) If a claim under this section is settled or compromised for more than $100,000, the Secretary shall certify it to Congress.

§ 647. Claims for damage to property of the United States

The Secretary may consider, ascertain, adjust, determine, compromise, or settle claims for damage cognizable in admiralty in a district court of the United States and all claims for damage caused by a vessel or floating object, to property of the United States under the jurisdiction of the Coast Guard or property for which the Coast Guard may have assumed, by contract or otherwise, any obligation to respond for damage thereto. The Secretary is further authorized to receive in payment of any such claim the amount due the United States pursuant to determination, compromise, or settlement as herein authorized and, upon acceptance of such payment but not until then, such determination, settlement, or compromise of such claim shall be final and conclusive for all purposes, any law to the contrary notwithstanding. All such payments shall be deposited in the Treasury of the United States as miscellaneous receipts. The Secretary is further authorized to execute on behalf of the United States and to deliver in exchange for such payment a full release of such claim. This section, as respects the determination, compromise, settlement, and payment of claims, shall be supplementary to, and not in lieu of, all other provisions of law authorizing the determination, compromise, or settlement of claims for damage to property hereinabove described. No settlement or compromise where there is involved a payment in the net amount of over $100,000 is authorized by this section.

Historical and Revision Notes

This section closely parallels title 34, U.S.C., §§ 600a, 600b, which authorize the Secretary of the Navy to negotiate amicable settlements of affirmative claims of the United States for damage to Government property. Experience gained by the Navy since enactment of title 34, U.S.C., §§ 600a–600d, indicates that such
amicable settlement reacts to the benefit of the Government in many cases. The provisions of this section would complement those of section 646 of this title and the two sections together would permit the Coast Guard to negotiate the settlement of claims arising out of Coast Guard floating operations, both for and against the United States. 81st Congress, House Report No. 557.

Amendments

1984—Pub. L. 98–557 substituted “$100,000” for “$25,000”.

1976—Pub. L. 94–546 struck out subsection designation “(a)” and substituted “Secretary” for “Secretary of the Treasury” wherever appearing, “deposited in the Treasury of the United States” for “covered into the Treasury of the United States”, and “authorized by this section” for “authorized by this title”.

1960—Pub. L. 86–533 repealed subsec. (b) which required the Secretary of the Treasury to report to Congress with respect to payments received by the United States in excess of $3,000.

Effective Date of 1984 Amendment

Pub. L. 98–557, § 17(b)(3)(B), Oct. 30, 1984, 98 Stat. 2868, provided that: “The amendment made by subparagraph (A) of this paragraph [amending this section] shall apply to all claims considered, ascertained, adjusted, determined, compromised or settled on or after the date of enactment of this Act [Oct. 30, 1984].”

§ 648. Accounting for industrial work

The Secretary may prescribe regulations governing accounting for industrial work, including charges for overhead for civilian labor and for maintenance of industrial plant and equipment, performed at the Coast Guard Yard or such similar Coast Guard industrial establishments as he may designate. Any orders placed for such industrial work shall be covered by a transfer or advance of funds to cover the estimated cost thereof, and shall be credited to such accounts as may be necessary and established by the Secretary to carry out the provisions of this section. Accounts so established shall be available for materials, supplies, or equipment, and civilian labor, including overhead and maintenance, required in performing the work ordered. Upon completion of an order an adjustment will be made to make the amount transferred or advanced equal to the actual cost as computed in accordance with the accounting regulations prescribed by the Secretary.

(Aug. 4, 1949, ch. 393, 63 Stat. 549.)

Historical and Revision Notes

This section is intended to eliminate a very cumbersome and inefficient method of accounting for industrial jobs at the Coast Guard Yard and other shore establishments where industrial work may be undertaken. Under existing law several accounts must be kept current for each job in progress. Under this statute the working fund would be available for all types of expenditures in connection with a job and the breakdown into separate accounts could be done after the job is complete. The other armed forces have provisions of law which permit a working fund similar to the one provided by this section. 81st Congress, House Report No. 557.

§ 649. Supplies and equipment from stock

Supplies and equipment for special work of the Coast Guard may be furnished from general stock and the applicable appropriation reimbursed therefor from the respective appropriations for such special work.

(Aug. 4, 1949, ch. 393, 63 Stat. 550.)

Historical and Revision Notes

§ 650. Coast Guard Supply Fund

(a) A Coast Guard Supply Fund is authorized. The Secretary may prescribe regulations for designating the classification of materials to be stocked. In these regulations, whenever the fund is extended to include items not previously stocked, or spare parts obtained as part of a procurement under a different account of major items such as vessels or aircraft, whether or not such parts were previously stocked, the Secretary may authorize an increase in the existing capital of the fund by the value of such usable materials transferred thereto from Coast Guard inventories carried in other accounts. Except for the materials so transferred, the fund shall be charged with the cost of materials purchased or otherwise acquired. The fund shall be credited with the value of materials consumed, issued for use, sold, or otherwise disposed of, such values to be determined on a basis that will approximately cover the cost thereof.

(b) Obligations may, without regard to fiscal year limitations, be incurred against anticipated reimbursement to the Coast Guard Supply Fund in such amount and for such period, as the Secretary, with approval of the Director of the Office of Management and Budget, may determine to be necessary to maintain stock levels consistently with planned operations for the next year.

Historical and Revision Notes

A Coast Guard supply fund was established by the Naval Appropriation Act for fiscal year 1943 approved February 7, 1942, 56 Stat. 73. Experience has clearly shown that it is advantageous to the Government to have permanent authorization for such a fund. 81st Congress, House Report No. 557.

Amendments

1980—Subsec. (a). Pub. L. 96–376 substituted “these regulations” for “such regulations” and authorized an increase in the capital of the fund when the fund is extended to include spare parts obtained as part of a procurement under a different account of major items such as vessels or aircraft, whether or not such parts were previously stocked.

1970—Pub. L. 91–278 designated existing provisions as subsec. (a) and added subsec. (b).

1956—Act Aug. 7, 1956, substituted “Coast Guard Supply Fund” for “Coast Guard supply fund and supply account” in section catchline, struck out provisions calling for mandatory increase of the Fund by the value of commissary provisions and uniform clothing on hand on July 1, 1949, and inserted provisions permitting the Secretary to prescribe regulations for designating the classification of materials to be stocked and for increasing the existing capital of the Fund.

§ 651. Annual report

In April of each year, the Commandant, through the Secretary, shall report to Congress the operations and expenditures of the Coast Guard during the preceding fiscal year, including amounts collected as provided under section 664 of this title.

§ 652. Removing restrictions

Any law removing for the duration of a war or national emergency proclaimed by the President any restriction contained in any then-existing law as applied to the Navy, including, but not limited to, restrictions relating to the manner in which purchases may be made and contracts awarded, fiscal operations, and personnel, shall, in the same manner and to the same extent, remove such restrictions as applied to the Coast Guard.

(Aug. 4, 1949, ch. 393, 63 Stat. 550.)

§ 653. Employment of draftsmen and engineers

The Coast Guard may employ temporarily, at the seat of government, draftsmen and engineers for the preparation of plans and specifications for vessels, lighthouses, aids to navigation, and other projects for the Coast Guard that may be authorized or appropriated for by Congress, to be paid from the appropriations applicable to such projects.

(Aug. 4, 1949, ch. 393, 63 Stat. 550.)
§ 654. Public and commercial vessels and other watercraft; sale of fuel, supplies, and services

The Secretary under such regulations as he may prescribe, may sell to public and commercial vessels and other watercraft, such fuel, supplies and furnish such services as may be required to meet the necessities of the vessel or watercraft if such vessel or watercraft is unable—

(1) to procure the fuel, supplies, or services from other sources at its present location; and

(2) to proceed to the nearest port where they may be obtained without endangering the safety of the ship, the health and comfort of its personnel, or the safe condition of the property carried aboard.

Sales under this section shall be at such prices as the Secretary considers reasonable. Payment will be made on a cash basis or on such other basis as will reasonably assure prompt payment. Amounts received from such a sale shall, unless otherwise directed by another provision of law, be credited to the current appropriation concerned and are available for the same purposes as that appropriation.

Amendments
1966—Pub. L. 89–444 inserted “Public and commercial vessels and other watercraft; sale of fuel, supplies, and services” in section catchline.

§ 655. Arms and ammunition; immunity from taxation

No tax on the sale or transfer of firearms, pistols, revolvers, shells, or cartridges may be imposed on such articles when bought with funds appropriated for the Coast Guard.

Amendments
1976—Pub. L. 94–546 struck out “United States” before “Coast Guard”.

§ 656. Use of moneys appropriated for acquisition, construction, and improvement; for research, development, test, and evaluation; and for the alteration of bridges over the navigable waters

(a) Funds appropriated to or for the use of the Coast Guard for acquisition, construction, and improvement of facilities, for research, development, test, and evaluation; and for the alteration of bridges over the navigable waters shall remain available until expended.

(b) The Secretary may use any funds appropriated to or for the use of the Coast Guard for other construction purposes to restore, repair, or replace facilities that have been damaged or destroyed, including acquisition of sites.

(c) The Secretary may use any funds appropriated to or for the use of the Coast Guard for other construction purposes to acquire, construct, convert, extend, and install at Coast Guard installations and facilities, needed permanent or temporary public works, including the preparation of sites and the furnishing of appurtenances, utilities, and equipment, but excluding the construction of family quarters, costing not more than $200,000 for any one project.
§ 657. Dependent school children

(a) Except as otherwise authorized by the Act of September 30, 1950 1 (20 U.S.C. 236–244), the Secretary may provide, out of funds appropriated to or for the use of the Coast Guard, for the primary and secondary schooling of dependents of Coast Guard personnel stationed outside the continental United States at costs for any given area not in excess of those of the Department of Defense for the same area, when it is determined by the Secretary that the schools, if any, available in the locality are unable to provide adequately for the education of those dependents.

(b) Whenever the Secretary, under such regulations as he may prescribe, determines that schools located in the same area in which a Coast Guard facility is located are not accessible by public means of transportation on a regular basis, he may provide, out of funds appropriated to or for the use of the Coast Guard, for the transportation of dependents of Coast Guard personnel between the schools serving the area and the Coast Guard facility.

§ 659. Assistance to film producers

(a) Notwithstanding any other provision of law, when the Secretary determines that it is appropriate, and that it will not interfere with Coast Guard missions, the Secretary may conduct operations with Coast Guard vessels, aircraft, facilities, or personnel, in such a way as to give assistance to film producers. As used in this section, "film producers” includes commercial or noncommercial producers of material for cinema, television, or videotape.

(b) The Secretary shall keep account of costs incurred as a result of providing assistance to film producers, not including costs which would otherwise be incurred in Coast Guard operations or training, or shall estimate such costs in advance, and such costs shall be paid to the Secretary by the film producers who request such assistance, on terms determined by the Secretary. The Secretary may waive costs not exceeding $200 for one production, and may waive other costs related to noncommercial productions which the Secretary determines to be in the public interest. The Secretary shall reimburse the amounts collected under this section to the Coast Guard appropriation account under which the costs were incurred.

(Added Pub. L. 100–448, § 29(a), Sept. 28, 1988, 102 Stat. 1849.)

(1) other transportation facilities are inadequate and cannot be made adequate;

If at the end of any fiscal year there is in effect a declaration of war or national emergency, the President may defer the effectiveness of any end-strength limitation with respect to that fiscal year prescribed by law for any military or civilian component of the Coast Guard, for a period not to exceed 6 months after the end of the war or termination of the national emergency.

(e) A member of the Reserve, except an enlisted member retiring on the basis of years of active service, is entitled to the same retirement rights, benefits, and privileges as prescribed by law for a member of the Navy Reserve, and wherever a law confers authority upon the Secretary of the Navy, similar authority is given to the Secretary to be exercised with respect to the Coast Guard when the Coast Guard is not operating as a service in the Navy. An enlisted member of the Reserve who retires on the basis of years of active service is entitled to the same retirement rights, benefits, and privileges as prescribed by law for an enlisted member of the Regular Coast Guard.
(f) A member of the Coast Guard Reserve not on active duty who is enrolled in an officer candidate program authorized by section 12209 of title 10 leading to a commission in the Coast Guard Reserve, and is a full-time student in an accredited college curriculum leading to a bachelor’s degree may be paid a subsistence allowance for each month of the member’s academic year at the same rate as that prescribed by section 209 (a) of title 37.

Effective Date of 1996 Amendment

§ 706. Temporary members of the Reserve; eligibility and compensation
A citizen of the United States, its territories, or possessions who is a member of the Auxiliary, an officer or member of the crew of a motorboat or yacht placed at the disposal of the Coast Guard, or a person (including a Government employee without pay other than the compensation of that person’s civilian position) who by reason of special training and experience is considered by the Commandant to be qualified for duty, may be enrolled by the Commandant as a temporary member of the Reserve, for duty under conditions the Commandant may prescribe, including part-time and intermittent active duty with or without pay, without regard to age. The Commandant is authorized to define the powers and duties of temporary members of the Reserve, and to confer upon them, appropriate to their qualifications and experience, the same grades and ratings as provided for members of the Reserve. When performing active duty with pay as authorized by this section, temporary members of the Reserve are entitled to receive the pay and allowances of their rank, grade, or rating.

Prior Provisions
Provisions similar to those in this section were contained in section 756 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

§ 707. Temporary members of the Reserve; disability or death benefits
(a) If a temporary member of the Reserve is physically injured, or dies as a result of physical injury, and the injury is incurred incident to service while performing active duty, or engaged in authorized travel to or from that duty, the law authorizing compensation for employees of the United States suffering
injuries while in the performance of their duties, applies, subject to this section. That law shall be administered by the Secretary of Labor to the same extent as if the member was a civil employee of the United States and was injured in the performance of that duty. For benefit computation, regardless of pay or pay status, the member is considered to have had monthly pay of the monthly equivalent of the minimum rate of basic pay in effect for grade GS–9 of the General Schedule on the date the injury is incurred.

(b) This section does not apply if the workmen’s compensation law of a State, a territory, or another jurisdiction provides coverage because of a concurrent employment status of the temporary member. When the temporary member or a dependent is entitled to a benefit under this section and also to a concurrent benefit from the United States on account of the same disability or death, the temporary member or dependent, as appropriate, shall elect which benefit to receive.

(c) If a claim is filed under this section with the Secretary of Labor for benefits because of an alleged injury or death, the Secretary of Labor shall notify the Commandant who shall direct an investigation into the facts surrounding the alleged injury or death. The Commandant shall then certify to the Secretary of Labor whether or not the injured or deceased person was a temporary member of the Reserve, the person’s military status, and whether or not the injury or death was incurred incident to military service.

(d) A temporary member of the Reserve, who incurs a physical disability or contracts sickness or disease while performing a duty to which the member has been assigned by competent authority, is entitled to the same hospital treatment afforded a member of the Regular Coast Guard.

(e) In administering section 8133 of title 5, for a person covered by this section—

(1) the percentages applicable to payments under that section are—

A) 45 percent under subsection (a)(2) of that section, where the member died fully or currently insured under title II of the Social Security Act (42 U.S.C. 401 et seq.), with no additional payments for a child or children so long as the widow or widower remains eligible for payments under that subsection;

B) 20 percent under subsection (a)(3) of that section, for one child, and 10 percent additional for each additional child, not to exceed a total of 75 percent, where the member died fully or currently insured under title II of the Social Security Act; and

C) 25 percent under subsection (a)(4) of that section, if one parent was wholly dependent for support upon the deceased member at the time of the member’s death and the other was not dependent to any extent; 16 percent to each if both were wholly dependent; and if one was, or both were, partly dependent, a proportionate amount in the discretion of the Secretary of Labor;

(2) payments may not be made under subsection (a)(5) of that section; and

(3) the Secretary of Labor shall inform the Commissioner of Social Security whenever a claim is filed and eligibility for compensation is established under subsection (a)(2) or (a)(3) of section 8133 of title 5. The Commissioner of Social Security shall then certify to the Secretary of Labor whether or not the member concerned was fully or currently insured under title II of the Social Security Act at the time of the member’s death.

References in Text

The law authorizing compensation for employees of the United States, referred to in subsec. (a), appears in subchapter I (§ 8101 et seq.) of chapter 81 of Title 5, Government Organization and Employees.

The General Schedule, referred to in subsec. (a), is set out under section 5322 of Title 5.
In recognition of the service of temporary members of the Reserve, the Secretary may upon request issue an appropriate certificate of honorable service in lieu of a certificate of disenrollment issued to any person following disenrollment under honorable conditions from service as a temporary member. Issuance of a certificate of honorable service to any person under this section does not entitle that person to any rights, privileges, or benefits under any law of the United States.

(a) Under regulations prescribed by the Secretary an enlisted member of the Reserve may be designated as a student aviation pilot.

(b) A member who is not a qualified aviator may not be designated as a student aviation pilot unless the member agrees in writing to serve on active duty for a period of two years after successful completion of flight training, unless sooner released. A student aviation pilot may be released from active duty or discharged at any time as provided for in the regulations prescribed by the Secretary.

(c) A student aviation pilot who is a qualified civilian aviator may be given a brief refresher course in flight training.
(d) A student aviation pilot undergoing flight training is entitled to have uniforms and equipment provided at Government expense.
(e) Under regulations prescribed by the Secretary, a student aviation pilot may be designated an aviation pilot upon the successful completion of flight training.
(f) In time of peace, an aviation pilot obligated under subsection (b) to serve on active duty for two years may serve for an additional period of not more than two years.
(g) An aviation pilot may be released from active duty or discharged at any time as provided for in the regulations prescribed by the Secretary.
(h) If qualified under regulations prescribed by the Secretary, an aviation pilot may be appointed as an ensign in the Reserve.

Prior Provisions

Provisions similar to those in this section were contained in section 758a of this title prior to the complete revision of this chapter by Pub. L. 96–322.

§ 709a. Reserve student pre-commissioning assistance program

(a) The Secretary may provide financial assistance to an eligible enlisted member of the Coast Guard Reserve, not on active duty, for expenses of the member while the member is pursuing on a full-time basis at an institution of higher education a program of education approved by the Secretary that leads to—

(1) a baccalaureate degree in not more than 5 academic years; or
(2) a post-baccalaureate degree.

(b) (1) To be eligible for financial assistance under this section, an enlisted member of the Coast Guard Reserve shall—

(A) be enrolled on a full-time basis in a program of education referred to in subsection (a) at any institution of higher education; and
(B) enter into a written agreement with the Coast Guard described in paragraph (2).

(2) A written agreement referred to in paragraph (1)(B) is an agreement between the member and the Secretary in which the member agrees—

(A) to accept an appointment as a commissioned officer in the Coast Guard Reserve, if tendered;
(B) to serve on active duty for up to five years; and
(C) under such terms and conditions as shall be prescribed by the Secretary, to serve in the Coast Guard Reserve until the eighth anniversary of the date of the appointment.

(c) Expenses for which financial assistance may be provided under this section are the following:

(1) Tuition and fees charged by the institution of higher education involved.
(2) The cost of books.
(3) In the case of a program of education leading to a baccalaureate degree, laboratory expenses.
(4) Such other expenses as are deemed appropriate by the Secretary.

(d) The amount of financial assistance provided to a member under this section shall be prescribed by the Secretary, but may not exceed $25,000 for any academic year.

(e) Financial assistance may be provided to a member under this section for up to 5 consecutive academic years.
(f) A member who receives financial assistance under this section may be ordered to active duty in the Coast Guard Reserve by the Secretary to serve in a designated enlisted grade for such period as the Secretary prescribes, but not more than 4 years, if the member—

1. completes the academic requirements of the program and refuses to accept an appointment as a commissioned officer in the Coast Guard Reserve when offered;
2. fails to complete the academic requirements of the institution of higher education involved; or
3. fails to maintain eligibility for an original appointment as a commissioned officer.

(g) (1) If a member requests to be released from the program and the request is accepted by the Secretary, or if the member fails because of misconduct to complete the period of active duty specified, or if the member fails to fulfill any term or condition of the written agreement required to be eligible for financial assistance under this section, the financial assistance shall be terminated. The Secretary may request the member to reimburse the United States in an amount that bears the same ratio to the total costs of the education provided to that member as the unserved portion of active duty bears to the total period of active duty the member agreed to serve. The Secretary shall have the option to order such reimbursement without first ordering the member to active duty. An obligation to reimburse the United States imposed under this paragraph is a debt owed to the United States.

2. The Secretary may waive the service obligated under subsection (f) of a member who becomes unqualified to serve on active duty due to a circumstance not within the control of that member or who is not physically qualified for appointment and who is determined to be unqualified for service as an enlisted member of the Coast Guard Reserve due to a physical or medical condition that was not the result of the member’s own misconduct or grossly negligent conduct.

3. A discharge in bankruptcy under title 11 that is entered less than 5 years after the termination of a written agreement entered into under subsection (b) does not discharge the individual signing the agreement from a debt arising under such agreement or under paragraph (1).

(h) As used in this section, the term “institution of higher education” has the meaning given that term in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001).

§ 710. Appointment or wartime promotion; retention of grade upon release from active duty

(a) A member of the Reserve on active duty, who is appointed or promoted under section 214 or 275 of this title, is entitled upon release from that duty to the highest grade satisfactorily held by reason of that appointment or promotion. The Secretary shall determine the highest grade satisfactorily held.

(b) Unless otherwise entitled to a higher grade, a member recalled to active duty shall be recalled in the grade in which released under subsection (a).

§ 711. Exclusiveness of service

§ 712. Active duty for emergency augmentation of regular forces

(a) Notwithstanding another law, and for the emergency augmentation of the Regular Coast Guard forces during a, or to aid in prevention of an imminent, serious natural or manmade disaster, accident, catastrophe, act of terrorism (as defined in section 2(16) of the Homeland Security Act of 2002 (6 U.S.C. 101 (16))), or transportation security incident as defined in section 70101 of title 46, the Secretary may, without the consent of the member affected, order to active duty of not more than 60 days in any 4-month period and not more than 120 days in any 2-year period an organized training unit of the Coast Guard Ready Reserve, a member thereof, or a member not assigned to a unit organized to serve as a unit.

(b) Under the circumstances of the domestic emergency involved, a reasonable time shall be allowed between the date when a Reserve member ordered to active duty under this section is alerted for that duty and the date when the member is required to enter upon that duty. Unless the Secretary determines that the nature of the domestic emergency does not allow it, this period shall be at least two days.

(c) Active duty served under this section—

(1) satisfies on a day-for-day basis all or a part of the annual active duty for training requirement of section 10147 of title 10;

(2) does not satisfy any part of the active duty obligation of a member whose statutory Reserve obligation is not already terminated; and

(3) entitles a member while engaged therein, or while engaged in authorized travel to or from that duty, to all rights and benefits, including pay and allowances and time creditable for pay and retirement purposes, to which the member would be entitled while performing other active duty.

(d) Reserve members ordered to active duty under this section shall not be counted in computing authorized strength of members on active duty or members in grade under this title or under any other law.

(e) For purposes of calculating the duration of active duty allowed pursuant to subsection (a), each period of active duty shall begin on the first day that a member reports to active duty, including for purposes of training.

The initial period of active duty for training required by section 12103 (d) of title 10, may be divided into two successive annual periods of not less than six weeks each, to permit the enlistment of a Reserve member without interrupting any full-time schooling in which the member is engaged.

§ 720. Definitions

As used in this subchapter—

(1) “Reserve officer” means a commissioned officer in the Reserve, except an officer excluded by section 721 of this title or a commissioned warrant officer; and

(2) “discharged” means released from an appointment as a Reserve officer.

§ 721. Applicability of this subchapter

This subchapter applies only to the Reserve; except that it does not apply to a temporary member of the Reserve.

§ 722. Suspension of this subchapter in time of war or national emergency

In time of war or national emergency declared by Congress, the President may suspend the operation of this subchapter or any part hereof. If this subchapter or any part hereof is suspended by the President, prior to placing the suspended provision in operation, the President shall by regulation, in so far as practicable, adjust the grades of Reserve officers in the same manner as adjustments in grade are made for Regular officers.

§ 723. Effect of this subchapter on retirement and retired pay

Except as provided in subsection 746(b) of this title, nothing in this subchapter authorizes the retirement of a Reserve officer or the payment of retired, retainer, or severance pay to a Reserve officer.
officer; or affects in any manner the law relating to the retirement of, or the granting of retired or retainer pay or other benefits to a Reserve officer.

Prior Provisions

Provisions similar to those in this section were contained in section 795 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

§ 724. Authorized number of officers

(a) The authorized number of officers in the Reserve in an active status is 5,000. Reserve officers on an active-duty list shall not be counted as part of the authorized number of officers in the Reserve. The actual number of Reserve officers in an active status at any time shall not exceed the authorized number unless the Secretary determines that a greater number is necessary for planned mobilization requirements, or unless the excess results directly from the operation of law.

(b) (1) The Secretary shall make, at least once each year, a computation to determine the number of Reserve officers in an active status authorized to be serving in each grade. The number in each grade shall be computed by applying the applicable percentage to the total number of such officers serving in an active status on the date the computation is made. The number of Reserve officers in an active status below the grade of rear admiral (lower half) shall be distributed by pay grade so as not to exceed percentages of commissioned officers authorized by section 42 (b) of this title. When the actual number of Reserve officers in an active status in a particular pay grade is less than the maximum percentage authorized, the difference may be applied to the number in the next lower grade. A Reserve officer may not be reduced in rank or grade solely because of a reduction in an authorized number as provided for in this subsection, or because an excess results directly from the operation of law.

(2) The authorized number of Reserve Officers in an active status not on active duty in the grades of rear admiral (lower half) and rear admiral is a total of two. However, the Secretary of the department in which the Coast Guard is operating may authorize an additional number of Reserve officers not on active duty in the grades of rear admiral (lower half) and rear admiral as necessary in order to meet planned mobilization requirements.

(c) Deferral of Limitation.— If at the end of any fiscal year there is in effect a declaration of war or national emergency, the President may defer the effectiveness of any end-strength limitation with respect to that fiscal year prescribed by law for any military or civilian component of the Coast Guard Reserve, for a period not to exceed 6 months after the end of the war or termination of the national emergency.

Prior Provisions

Provisions similar to those in this section were contained in section 772 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

Amendments

2006—Subsec. (a). Pub. L. 109–241, § 207(1), inserted “Reserve officers on an active-duty list shall not be counted as part of the authorized number of officers in the Reserve.” after “5,000.”
§ 725. Precedence

(a) Reserve officers rank and take precedence in their respective grades among themselves and with officers of the same grade on the active duty promotion list and the permanent commissioned teaching staff in accordance with their dates of rank. When Reserve officers and officers on the active duty promotion list or the permanent commissioned teaching staff have the same date of rank in a grade, they take precedence as determined by the Secretary.

(b) Notwithstanding any other law, a Reserve officer shall not lose precedence when transferred to or from the active duty promotion list, nor shall that officer’s date of rank be changed due to the transfer.

(c) A Reserve officer shall, when on the active duty promotion list, be promoted in the same manner as any other officer on the active duty promotion list regardless of the length of active duty service of the Reserve officer.

(d) Notwithstanding any other law, a Reserve officer shall not lose precedence by reason of promotion to the grade of rear admiral or rear admiral (lower half), if the promotion is determined in accordance with a running mate system.

(e) The Secretary shall adjust the date of rank of a Reserve officer so that no changes of precedence occur.

Prior Provisions

Provisions similar to those in this section were contained in section 781 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

Amendments

2004—Subsecs. (d), (e). Pub. L. 108–293 added subsecs. (d) and (e).

§ 726. Running mates

(a) The Secretary shall assign a running mate to each Reserve officer in an active status not on the active duty promotion list. The officer initially assigned as a running mate under this section shall be that officer on the active duty promotion list of the same grade who is next senior in precedence to the Reserve officer concerned. An officer who has twice failed of selection or who has been considered
but has not been recommended for continuation under section 289 of this title shall not be assigned as a running mate under this section.

(b) A Reserve officer in an active status not on the active duty promotion list shall be assigned a new running mate as follows:

(1) If a previously assigned running mate is promoted from below the promotion zone, is removed from the active duty promotion list, suffers a loss of numbers, fails of selection, fails to qualify for promotion, or declines an appointment after being selected for promotion, the new running mate shall be that officer on the active duty promotion list, of the same grade, who is next senior to the previous running mate and who is, or may become, eligible for consideration for promotion. If the previous running mate was on a list of selectees for promotion, the new running mate shall be that officer on the active duty promotion list, of the same grade, who is on a list of selectees for promotion and who is next senior to the previous running mate.

(2) If a Reserve officer suffers a loss of numbers, the new running mate shall be that officer on the active duty promotion list who, after the loss of numbers has been effected, is the running mate of the Reserve officer next senior to the Reserve officer concerned.

(3) If a Reserve officer is considered for promotion and fails of selection, fails to qualify for promotion, declines an appointment after being selected for promotion, or has his or her name removed from a list of selectees for promotion, and that officer’s running mate is promoted, the new running mate shall be that officer on the active duty promotion list, of the same grade, who, at the time the previous running mate was considered for promotion, was next senior to the previous running mate, was eligible for consideration for promotion, and whose name was not included on a list of selectees for promotion.

(4) In a situation not expressly covered by this subsection, the Secretary may assign a new running mate as necessary to effect the intent of this section that inequitable changes of precedence do not occur.

(c) A Reserve officer on the active duty promotion list shall, to the extent practicable and consistent with the limitations imposed by this section, be assigned as the running mate of all Reserve officers junior to the officer, who are in an active status not on the active duty promotion list, and who had a running mate in common with the officer just prior to the time the officer was placed on the active duty promotion list.

(d) The Secretary may adjust, as necessary, the date of rank of a Reserve officer not on active duty so that the date will correspond with that of the running mate assigned to the officer in accordance with this section. If an overpayment of pay or allowances results from adjusting the date of rank, the overpayment is not subject to recoupment.

Prior Provisions

Provisions similar to those in this section were contained in section 782 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

§ 727. Constructive credit upon initial appointment

Under regulations prescribed by the Secretary, a person, appointed as a Reserve officer, may be assigned a date of rank and precedence which reflects that person’s experience, education, or other qualifications. For the purpose of this subchapter only, a person appointed for the purpose of assignment or designation as a judge advocate in the Reserve shall be credited with a minimum of one year service in an active status. A person holding a doctor of philosophy, or a comparable degree, in medicine or in a science allied to medicine as determined by the Secretary, may be
credited with a minimum of three years service in an active status if appointed for an assignment comparable to that of an officer in the Navy Medical Department.

Prior Provisions

Provisions similar to those in this section were contained in section 773 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

Amendments

2006—Pub. L. 109–241 substituted “judge advocate” for “law specialist”.

2004—Pub. L. 108–293 substituted “one year” for “three years” in second sentence.

§ 728. Promotion of Reserve officers on active duty

(a) A Reserve officer on active duty, other than for training, duty on a board, or duty of a limited or temporary nature if assigned to active duty from an inactive duty status, shall not be eligible for consideration for promotion under this subchapter; but shall be considered for promotion under chapter 11 of this title. If promoted while serving on active duty the officer shall be considered as having been promoted under this subchapter and shall be an extra number in the grade to which promoted for the purpose of grade distribution as prescribed in this subchapter. Upon release from active duty the officer shall be included in the grade distribution authorized by this subchapter.

(b) Notwithstanding subsection (a) of this section, a Reserve officer who has been selected for promotion to the next higher grade under this subchapter at the time the officer reports for active duty, shall be promoted to that grade under chapter 11 of this title.

(c) A Reserve officer who, at the time the officer is released from active duty, has been selected for promotion to the next higher grade under chapter 11 of this title, shall be promoted to that grade as though selected under this subchapter.

(d) A failure of selection for promotion to the next higher grade occurring under this subchapter or under chapter 11 of this title shall count for all purposes.

Prior Provisions

Provisions similar to those in this section were contained in section 791 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

§ 729. Promotion; recommendations of selection boards

(a) Except as otherwise provided by law, a Reserve officer shall only be promoted pursuant to the recommendation of a selection board.

(b) The Secretary shall convene selection boards from time to time to recommend Reserve officers for promotion to the next higher grade. A board may be convened to consider officers in one or more grades.

(c) A selection board shall, from among the names of those eligible Reserve officers submitted to it, recommend for promotion to the next higher grade:

(1) those officers serving in the grade of lieutenant (junior grade) or above whom it considers to be best qualified; and

(2) those officers serving in the grade of ensign whom it considers to be fully qualified.
(d) (1) Before convening a selection board to recommend Reserve officers for promotion, the Secretary shall establish a promotion zone for officers serving in each grade to be considered by the board. The Secretary shall determine the number of officers in the promotion zone for officers serving in any grade from among officers who are eligible for promotion in that grade.

(2) (A) Before convening a selection board to recommend Reserve officers for promotion to a grade (other than the grade of lieutenant (junior grade)), the Secretary shall determine the maximum number of officers in that grade that the board may recommend for promotion.

(B) The Secretary shall make the determination under subparagraph (A) of the maximum number that may be recommended with a view to having in an active status a sufficient number of Reserve officers in each grade to meet the needs of the Coast Guard for Reserve officers in an active status.

(C) In order to make the determination under subparagraph (B), the Secretary shall determine the following:

(i) The number of positions needed to accomplish mission objectives that require officers in the grade to which the board will recommend officers for promotion.

(ii) The estimated number of officers needed to fill vacancies in such positions during the period in which it is anticipated that officers selected for promotion will be promoted.

(iii) The number of officers authorized by the Secretary to serve in an active status in the grade under consideration.

(iv) Any statutory limitation on the number of officers in any grade authorized to be in an active status.

(3) (A) The Secretary may, when the needs of the Coast Guard require, authorize the consideration of officers in a grade above lieutenant (junior grade) for promotion to the next higher grade from below the promotion zone.

(B) When selection from below the promotion zone is authorized, the Secretary shall establish the number of officers that may be recommended for promotion from below the promotion zone. That number may not exceed the number equal to 10 percent of the maximum number of officers that the board is authorized to recommend for promotion, except that the Secretary may authorize a greater number, not to exceed 15 percent of the total number of officers that the board is authorized to recommend for promotion, if the Secretary determines that the needs of the Coast Guard so require. If the maximum number determined under this subparagraph is less than one, the board may recommend one officer for promotion from below the promotion zone.

(C) The number of officers recommended for promotion from below the promotion zone does not increase the maximum number of officers that the board is authorized to recommend for promotion under paragraph (2).

(e) The law and regulations relating to the selection for promotion of a commissioned officer of the Regular Coast Guard to the grades of rear admiral (lower half) and rear admiral apply to a Reserve officer, except that to be eligible for consideration for promotion to the grade of rear admiral (lower half) an officer shall have completed at least ten years commissioned service, of which the last five years shall have been served in the Coast Guard Reserve.

(f) The provisions of section 260 of this title apply to boards convened under this section. The Secretary shall determine the procedure to be used by a selection board.

(g) The report of a selection board shall be submitted to the Secretary for review and transmission to the President for approval. When an officer recommended by a board for promotion is not acceptable to the President, the President may remove the name of that officer from the report of the board.

(h) The recommendations of a selection board, as approved by the President, constitute a list of selectees from which the promotions of Reserve officers shall be made. An officer on a list of selectees
remains thereon until promoted unless removed by the President under section 738 of this title. If an existing list of selectees has not been exhausted by the time a later list has been approved, all officers remaining on the older list shall be tendered appointments prior to those on the later list.

(i) A Reserve officer whose name is on a list of selectees for promotion shall, unless that officer’s promotion is lawfully withheld, be tendered an appointment in the next higher grade on the date a vacancy occurs, or as soon thereafter as practicable in the grade to which the officer was selected for promotion or, if promotion was determined in accordance with a running mate system, at the same time, or as soon thereafter as practicable, as that officer’s running mate is tendered a similar appointment.

Prior Provisions
Provisions similar to those in this section were contained in section 780 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

Amendments
2002—Subsec. (i). Pub. L. 107–295 inserted “on the date a vacancy occurs, or as soon thereafter as practicable in the grade to which the officer was selected for promotion or, if promotion was determined in accordance with a running mate system,” after “grade”.

2000—Subsec. (d). Pub. L. 106–398 amended subsec. (d) generally. Prior to amendment, subsec. (d) read as follows: “Before convening a selection board to recommend Reserve officers for promotion to a grade above lieutenant (junior grade), the Secretary shall determine the total number of Reserve officers to be selected for promotion to that grade. The number to be selected shall normally be equal to the number of vacancies existing in that grade, plus the number of vacancies anticipated over the next twelve months, minus the number of officers on the list of selectees for that grade. The Secretary may, however, prescribe regulations that provide for the establishment of promotion opportunity percentages for each grade to ensure that equitable promotion opportunities exist among successive groups of Reserve officers being considered for promotion. The number so determined may not cause the number of Reserve officers in an active status in a grade to exceed that authorized for the grade concerned.”

1983—Subsec. (e). Pub. L. 97–417 substituted “the grades of commodore and rear admiral” for “the grade of rear admiral”, and inserted “for promotion to the grade of commodore” after “consideration”.

Effective Date of 2000 Amendment
Pub. L. 106–398, § 1 [[div. A], title V, § 502(c)], Oct. 30, 2000, 114 Stat. 1654, 1654A–100, provided that: “The amendments made by this section [amending this section and section 731 of this title] shall apply with respect to selection boards convened under section 730 of title 14, United States Code, on or after the date of the enactment of this Act [Oct. 30, 2000].”

Delegation of Functions
For assignment of functions of President under subsec. (g) of this section, see section 2(c) of Ex. Ord. No. 13358, Sept. 28, 2004, 69 F.R. 58797, set out as a note under section 301 of Title 3, The President.

§ 730. Selection boards; appointment
(a) A selection board shall
(1) be appointed and convened by the Secretary;
(2) consist of at least 50 per centum Reserve officer membership, except in the case of a flag officer selection board where, to the extent practicable, it shall consist of at least 50 per centum Reserve officer membership;
(3) consist only of members, Reserve or Regular, senior in grade to any officer being considered by that board; and

(4) be composed of not less than five members, which number constitutes a quorum.

(b) A selection board serves for the length of time prescribed by the Secretary, but no board may serve longer than one year. No officer may serve on two consecutive selection boards for the same grade when the second of those boards considers an officer who was considered, but not recommended for promotion, by the first selection board.

(c) Each member of a selection board shall swear that he will, without prejudice or partiality, and having in view both the special fitness required of officers and the efficiency of the Coast Guard, perform the duties imposed upon him. Not less than a majority of the total membership of a selection board shall concur in each recommendation made by the board.

(d) An officer eligible for consideration for promotion by a selection board may forward, through official channels, a written communication inviting the attention of the board to any matter in the officer’s record in the armed forces that, in the opinion of the officer concerned, is important to the board’s consideration. A communication forwarded under this subsection shall arrive in time to allow delivery to the board prior to its convening, and may not criticize or reflect upon the character, conduct, or motive of any officer.

§ 731. Establishment of promotion zones under running mate system

(a) Authority To Use Running Mate System.— The Secretary may by regulation implement section 729 (d)(1) of this title by requiring that the promotion zone for consideration of Reserve officers in an active status for promotion to the next higher grade be determined in accordance with a running mate system as provided in subsection (b).

(b) Consideration for Promotion.— If promotion zones are determined as authorized under subsection (a), a Reserve officer shall, subject to the eligibility requirements of this subchapter, be placed in a promotion zone when that officer’s running mate is placed in a promotion zone and shall, in accordance with the provisions of this subchapter, be considered for promotion at approximately the same time as that officer’s running mate or as soon thereafter as practicable, or in the event that promotion is not determined in accordance with a running mate system, then a Reserve officer becomes eligible for consideration for promotion to the next higher grade at the beginning of the promotion year in which he or she completes the following amount of service computed from the date of rank in the grade in which he or she is serving:

(1) two years in the grade of lieutenant (junior grade);
(2) three years in the grade of lieutenant;
(3) four years in the grade of lieutenant commander;
(4) four years in the grade of commander; and
(5) three years in the grade of captain.

(c) Consideration of Officers Below the Zone.— If the Secretary authorizes the selection of officers for promotion from below the promotion zone in accordance with section 729 (d)(3) of this title, the number of officers to be considered from below the zone may be established through the application of the running mate system under this subchapter or otherwise as the Secretary determines to be appropriate to meet the needs of the Coast Guard.
§ 732. Eligibility for promotion

A Reserve officer is eligible for consideration for promotion and for promotion under this subchapter, if that officer is in an active status. A Reserve officer who has been considered but not recommended for retention in an active status by a board convened under subsection 741(a) of this title, is not eligible for consideration for promotion.

Prior Provisions

§ 733. Recommendation for promotion of an officer previously removed from an active status

A Reserve officer...

Prior Provisions

Provisions similar to those in this section were contained in section 774 of this title prior to the complete revision of this chapter by Pub. L. 96–322.
A Reserve officer shall not be promoted to a higher grade unless the officer has been found to be physically qualified and the character of the officer’s service subsequent to the convening of the selection board which recommended the officer for promotion has been verified as satisfactory.

(b) Subsection (a) of this section does not exclude from promotion a Reserve officer physically disqualified by a medical board for duty at sea or in the field, if the disqualification results from wounds received in the line of duty, and those wounds do not incapacitate the officer for other duties in the grade to which the officer is to be promoted.

Prior Provisions
Provisions similar to those in this section were contained in section 777 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

§ 734. Qualifications for promotion

§ 735. Promotion; acceptance; oath of office

(a) When a Reserve officer is promoted to the next higher grade under this subchapter, the date of rank shall be the date of appointment in that grade, unless the promotion was determined in accordance with a running mate system, in which event the same date of rank shall be assigned as that assigned to the officer’s running mate. A Reserve officer so promoted shall be allowed the pay and allowances of the higher grade for duty performed from the date of the officer’s appointment thereto.

(b) Notwithstanding any other provision of law and subject to subsection (c), if promotion of an inactive duty promotion list officer to the grade of rear admiral or rear admiral (lower half) is determined in accordance with a running mate system, a reserve officer, if acceptable to the President and the Senate, shall be promoted to the next higher grade no later than the date the officer’s running mate is promoted.
(c) For the purposes of this section, the date of appointment shall be that date when promotion authority is exercised by the Secretary. However, the Secretary may adjust the date of appointment—

(1) if a delay in the finding required under section 734 (a) of this title is beyond the control of the officer and the officer is otherwise qualified for promotion; or

(2) for any other reason that equity requires.

Prior Provisions
Provisions similar to those in this section were contained in section 784 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

Amendments
2004—Subsec. (b). Pub. L. 108–293, § 220(b), amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows: “Notwithstanding any other law, when the running mate of a reserve officer serving in the grade of rear admiral (lower half) is promoted to the grade of rear admiral, the reserve officer shall also be promoted to that grade.”

Subsec. (c). Pub. L. 108–293, § 220(c), struck out “of subsection (a)” after “For the purposes”.

2002—Subsec. (a), Pub. L. 107–295 inserted “the date of rank shall be the date of appointment in that grade, unless the promotion was determined in accordance with a running mate system, in which event” after “subchapter,”.

1983—Subsec. (b). Pub. L. 97–417 substituted provision that, notwithstanding any other law, when the running mate of a reserve officer serving in the grade of commodore is promoted to the grade of rear admiral, the reserve officer shall also be promoted to that grade, for provision that, notwithstanding any other law and when a Reserve officer’s running mate was so entitled, a Reserve officer in the grade of rear admiral was entitled to the pay and allowances of the upper half for duty performed.

§ 737. Type of promotion; temporary
Notwithstanding any other law, if a Reserve officer is promoted when the officer’s running mate is promoted and the promotion of the running mate is on a temporary basis, the promotion of the Reserve officer is also on a temporary basis. If subsequently the running mate is reverted to a lower grade, other than for reasons of discipline, incompetence, or at the running mate’s request, the Reserve officer shall likewise revert to the same lower grade with corresponding precedence.

Prior Provisions
Provisions similar to those in this section were contained in section 790 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

§ 738. Effect of removal by the President or failure of consent of the Senate

(b) If the Senate, where required, does not consent to the appointment of an officer whose name is on a list of selectees established under section 729 of this title, that officer’s name shall be removed from the list.

(c) An officer whose name is removed from a list of selectees under subsection (a) or (b) continues to be eligible for consideration for promotion. If selected for promotion by the next selection board and promoted, that officer shall be assigned the date of rank and precedence that would have been assigned if the officer’s name had not been previously removed. However, if the officer is not selected by the next selection board, or if the officer’s name is again removed from the list of selectees, the officer shall be considered for all purposes as having twice failed of selection for promotion.

Prior Provisions

Provisions similar to those in this section were contained in section 788 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

Delegation of Functions

For assignment of functions of President under subsec. (a) of this section, see section 2(d) of Ex. Ord. No. 13358, Sept. 28, 2004, 69 F.R. 58797, set out as a note under section 301 of Title 3, The President.

§ 739. Failure of selection for promotion

(a) A Reserve officer, other than one serving in the grade of captain, who is, or is senior to, the junior officer in the promotion zone established for the officer’s grade, fails of selection if not selected for promotion by the selection board that considered the officer, or if having been selected for promotion by the board, the officer’s name is thereafter removed from the report of the board by the President.

(b) A Reserve officer is not considered to have failed of selection if the officer was not considered by a selection board because of administrative error. If that officer is selected by the next appropriate selection board after the error is discovered, and is promoted, the same date of rank and precedence shall be assigned that would have been assigned if the officer had been recommended for promotion by the selection board that originally would have considered the officer but for the error.

Prior Provisions

Provisions similar to those in this section were contained in section 796 of this title prior to the complete revision of this chapter by Pub. L. 96–322.

§ 740. Failure of selection and removal from an active status

(a) The Secretary—

(1) may remove from an active status a Reserve officer who has twice failed of selection to the next higher grade; and

(b) A Reserve officer who has twice failed of selection to the next higher grade and who is not removed from an active status under subsection (a)(1) of this section shall be retained for the period prescribed by the Secretary.
(c) Subject to section 12646 of title 10, a Reserve officer who is removed from an active status under subsection (a) of this section shall be given an opportunity to transfer to the Retired Reserve, if qualified, but unless so transferred shall, in the discretion of the Secretary, be transferred to the inactive status list or discharged as follows:

(1) if removed from an active status under subsection (a)(1) of this section, on June 30 next following the approval date of the board report by virtue of which the officer’s second failure of selection occurs; or

(2) if removed from an active status under subsection (a)(2) of this section, on June 30 next following the date on which the officer completes thirty years of total commissioned service as computed under this section.

(d) For the purpose of this section, the total commissioned service of an officer who has served continuously in the Reserve following appointment in the grade of ensign shall be computed from the date on which that appointment was accepted. A Reserve officer initially appointed in a grade above ensign is considered to have the actual total commissioned service performed in a grade above commissioned warrant officer or the same total commissioned service as an officer of the Regular Coast Guard who has served continuously from an original appointment as ensign, who has not lost numbers or precedence, and who is, or was, junior to the Reserve officer, whichever is greater.

§ 741. Retention boards; removal from an active status to provide a flow of promotion

(a) Notwithstanding any other provision of this title, whenever the Secretary determines that it is necessary to reduce the number of Reserve officers in an active status in any grade to provide a steady flow of promotion, or that there is an excessive number of Reserve officers in an active status in any grade, the Secretary may appoint and convene a retention board to consider all of the Reserve officers in that grade in an active status who have 18 years or more of service for retirement, except those officers who—

(1) are on extended active duty;

(2) are on a list of selectees for promotion;

(3) will complete 30 years total commissioned service by June 30th following the date that the retention board is convened; or

(c) Subject to section 12646 of title 10, a Reserve officer who is not recommended for retention in an active status under this section shall be given an opportunity to transfer to the Retired Reserve, if qualified, but unless so transferred shall, in the discretion of the Secretary, be transferred to the inactive status list or discharged on June 30 next following the date on which the report of the retention board is approved.
