Message of the President

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 8 of 1950, prepared in accordance with the Reorganization Act of 1949 and providing for reorganizations in the Federal Trade Commission. My reasons for transmitting this plan are stated in any accompanying general message.

After investigation I have found and hereby declare that each reorganization included in Reorganization Plan No. 8 of 1950 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949.

The taking effect of the reorganizations included in this plan may not in itself result in substantial immediate savings. However, many benefits in improved operations are probable during the next years which will result in a reduction in expenditures as compared with those that would be otherwise necessary. An itemization of these reductions in advance of actual experience under this plan is not practicable.

Harry S. Truman.

REORGANIZATION PLAN NO. 4 OF 1961

Prepared by the President and transmitted to the Senate and the House of Representatives in Congress assembled, May 9, 1961, pursuant to the provisions of the Reorganization Act of 1949, 63 Stat. 203, as amended [see 5 U.S.C. 901 et seq.].

FEDERAL TRADE COMMISSION
Section 1. Authority To Delegate

(a) In addition to its existing authority, the Federal Trade Commission, hereinafter referred to as the “Commission”, shall have the authority to delegate, by published order or rule, any of its functions to a division of the Commission, an individual Commissioner, a hearing examiner, or an employee or employee board, including functions with respect to hearing, determining, ordering, certifying, reporting or otherwise acting as to any work, business, or matter; Provided, however, That nothing herein contained shall be deemed to supersede the provisions of section 7(a) of the Administrative Procedure Act (60 Stat. 241), as amended [see 5 U.S.C. 556].

(b) With respect to the delegation of any of its functions, as provided in subsection (a) of this section, the Commission shall retain a discretionary right to review the action of any such division of the Commission, individual Commissioner, hearing examiner, employee or employee board, upon its own initiative or upon petition of a party to or an intervenor in such action, within such time and in such manner as the Commission shall by rule prescribe: Provided, however, That the vote of a majority of the Commission less one member thereof shall be sufficient to bring any such action before the Commission for review.

(c) Should the right to exercise such discretionary review be declined, or should no such review be sought within the time stated in the rules promulgated by the Commission, then the action of any such division of the Commission, individual Commissioner, hearing examiner, employee or employee board, shall, for all purposes, including appeal or review thereof, be deemed to be the action of the Commission.

Sec. 2. Transfer of Functions to the Chairman

In addition to the functions transferred by the provisions of Reorganization Plan No. 8 of 1950 (64 Stat. 1264) [set out as a note under this section], there are hereby transferred from the Commission to the Chairman of the Commission the functions of the Commission with respect to the assignment of Commission personnel, including Commissioners, to perform such functions as may have been delegated by the Commission to Commission personnel, including Commissioners, pursuant to section 1 of this reorganization plan.

Message of the President

To the Congress of the United States:

This Reorganization Plan No. 4 of 1961 follows upon my message of April 13, 1961, to the Congress of the United States. It is believed that the taking effect of the reorganizations included in this plan will provide for greater efficiency in the dispatch of the business of the Federal Trade Commission.

The plan provides for greater flexibility in the handling of the business before the Commission, permitting its disposition at different levels so as better to promote its efficient dispatch. Thus matters both of an adjudicatory and regulatory nature may, depending upon their importance and their complexity, be finally consummated by divisions of the Commission, individual Commissioners, hearing examiners, and, subject to the provisions of section 7(a) of the Administrative Procedure Act (60 Stat. 241), by other employees. This will relieve the Commissioners from the necessity of dealing with many matters of lesser importance and thus conserve their time for the consideration of major matters of policy and planning. There is, however, reserved to the Commission as a whole the right to review any such decision, report or certification either upon its own initiative or upon the petition of a party or intervenor demonstrating to the satisfaction of the Commission the desirability of having the matter reviewed at the top level.

Provision is also made, in order to maintain the fundamental bipartisan concept explicit in the basic statute creating the Commission, for mandatory review of any such decision, report or certification upon the vote of a majority of the Commission less one member.

Inasmuch as the assignment of delegated functions in particular cases and with reference to particular problems to divisions of the Commission, to Commissioners, to hearing examiners, to employees and boards of employees must require continuous and flexible handling, depending both upon the amount and nature of the business, that function is placed in the Chairman by section 2 of the plan.

By providing sound organizational arrangements, the taking effect of the reorganizations included in the accompanying reorganization plan will make possible more economical and expeditious administration of the affected functions. It is, however, impracticable to itemize at this time the reductions of expenditures which it is probable will be brought about by such taking effect.

After investigation, I have found and hereby declare that each reorganization included in the reorganization plan transmitted herewith is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949, as amended.

I recommend that the Congress allow the reorganization plan to become effective.
§ 42. Employees; expenses

Each commissioner shall receive a salary, payable in the same manner as the salaries of the judges of the courts of the United States. The commission shall appoint a secretary, who shall receive a salary, and it shall have authority to employ and fix the compensation of such attorneys, special experts, examiners, clerks, and other employees as it may from time to time find necessary for the proper performance of its duties and as may be from time to time appropriated for by Congress.

With the exception of the secretary, a clerk to each Commissioner, the attorneys, and such special experts and examiners as the Commission may from time to time find necessary for the conduct of its work, all employees of the Commission shall be a part of the classified civil service, and shall enter the service under such rules and regulations as may be prescribed by the Commission and by the Director of the Office of Personnel Management.

All of the expenses of the Commission, including all necessary expenses for transportation incurred by the Commissioners or by their employees under their orders, in making any investigation, or upon official business in any other places than in the city of Washington, shall be allowed and paid on the presentation of itemized vouchers therefor approved by the Commission.

Until otherwise provided by law, the Commission may rent suitable offices for its use.

The Government Accountability Office shall receive and examine all accounts of expenditures of the Commission.

References in Text

The classified civil service, referred to in second par., means the “competitive service”, see section 2102 of Title 5, Government Organization and Employees. Rules and regulations of the Civil Service Commission for entry into the service are prescribed generally under authority of section 3301 et seq. of Title 5.

Codification

In the first par., provisions that fixed the salary of the commissioners have been omitted as obsolete. The positions of chairman and members of the commission are now under the Executive Schedule, see sections 5414 and 5315 of Title 5, Government Organization and Employees.

Provisions that fixed the salary of the secretary of the commission, payable in like manner, have been omitted as obsolete. The position is now subject to chapter 51 and subchapter III of chapter 53 (relating to classification and General Schedule pay rates) and section 5504 (relating to biweekly pay periods) of Title 5.

Transfer of Functions

For transfer of functions of Federal Trade Commission, with certain exceptions, to Chairman of such Commission, see Reorg. Plan No. 8 of 1950, § 1, eff. May 24, 1950, 15 F.R. 3175, 64 Stat. 1264, set out under section 41 of this title.

“Government Accountability Office” substituted in text for “General Accounting Office” pursuant to section 8(b) of Pub. L. 108–271, set out as a note under section 702 of Title 31, Money and Finance, which redesignated the General Accounting Office and any references thereto as the Government Accountability Office. § 43. Office and place of meeting

The principal office of the Commission shall be in the city of Washington, but it may meet and exercise all its powers at any other place. Effective Date of 2002 Amendment
§ 45. Unfair methods of competition unlawful; prevention by Commission

(a) Declaration of unlawfulness; power to prohibit unfair practices; inapplicability to foreign trade

(1) Unfair methods of competition in or affecting commerce, and unfair or deceptive acts or practices in or affecting commerce, are hereby declared unlawful.

(2) The Commission is hereby empowered and directed to prevent persons, partnerships, or corporations, except banks, savings and loan institutions described in section 57a (f)(3) of this title, Federal credit unions described in section 57a (f)(4) of this title, common carriers subject to the Acts to regulate commerce, air carriers and foreign air carriers subject to part A of subtitle VII of title 49, and persons, partnerships, or corporations insofar as they are subject to the Packers and Stockyards Act, 1921, as amended [7 U.S.C. 181 et seq.], except as provided in section 406(b) of said Act [7 U.S.C. 227 (b)], from using unfair methods of competition in or affecting commerce and unfair or deceptive acts or practices in or affecting commerce.

(3) This subsection shall not apply to unfair methods of competition involving commerce with foreign nations (other than import commerce) unless—

(A) such methods of competition have a direct, substantial, and reasonably foreseeable effect—

(i) on commerce which is not commerce with foreign nations, or on import commerce with foreign nations; or

(ii) on export commerce with foreign nations, of a person engaged in such commerce in the United States; and

(B) such effect gives rise to a claim under the provisions of this subsection, other than this paragraph.

If this subsection applies to such methods of competition only because of the operation of subparagraph (A)(ii), this subsection shall apply to such conduct only for injury to export business in the United States.

(4) (A) For purposes of subsection (a), the term “unfair or deceptive acts or practices” includes such acts or practices involving foreign commerce that—

(i) cause or are likely to cause reasonably foreseeable injury within the United States; or

(ii) involve material conduct occurring within the United States.

(B) All remedies available to the Commission with respect to unfair and deceptive acts or practices shall be available for acts and practices described in this paragraph, including restitution to domestic or foreign victims.

(b) Proceeding by Commission; modifying and setting aside orders

Whenever the Commission shall have reason to believe that any such person, partnership, or corporation has been or is using any unfair method of competition or unfair or deceptive act or practice in or affecting commerce, and if it shall appear to the Commission that a proceeding by it in respect thereof would be to the interest of the public, it shall issue and serve upon such person, partnership, or corporation a complaint stating its charges in that respect and containing a notice of a hearing upon a day and at a place therein fixed at least thirty days after the service of said complaint. The person, partnership, or corporation so complained of shall have the right to appear at the place and time so fixed and show
cause why an order should not be entered by the Commission requiring such person, partnership, or
corporation to cease and desist from the violation of the law so charged in said complaint. Any person,
partnership, or corporation may make application, and upon good cause shown may be allowed by the
Commission to intervene and appear in said proceeding by counsel or in person. The testimony in any
such proceeding shall be reduced to writing and filed in the office of the Commission. If upon such
hearing the Commission shall be of the opinion that the method of competition or the act or practice
in question is prohibited by this subchapter, it shall make a report in writing in which it shall state its
findings as to the facts and shall issue and cause to be served on such person, partnership, or
corporation an order requiring such person, partnership, or corporation to cease and desist from using such method
of competition or such act or practice. Until the expiration of the time allowed for filing a petition for
review, if no such petition has been duly filed within such time, or, if a petition for review has been
filed within such time then until the record in the proceeding has been filed in a court of appeals of the
United States, as hereinafter provided, the Commission may at any time, upon such notice and in such
manner as it shall deem proper, modify or set aside, in whole or in part, any report or any order made or
issued by it under this section. After the expiration of the time allowed for filing a petition for review, if
no such petition has been duly filed within such time, the Commission may at any time, after notice and
opportunity for hearing, reopen and alter, modify, or set aside, in whole or in part any report or order
made or issued by it under this section, whenever in the opinion of the Commission conditions of fact
or of law have so changed as to require such action or if the public interest shall so require, except that

(1) the said person, partnership, or corporation may, within sixty days after service upon him or
it of said report or order entered after such a reopening, obtain a review thereof in the appropriate
court of appeals of the United States, in the manner provided in subsection (c) of this section; and

(2) in the case of an order, the Commission shall reopen any such order to consider whether
such order (including any affirmative relief provision contained in such order) should be altered,
modified, or set aside, in whole or in part, if the person, partnership, or corporation involved files a
request with the Commission which makes a satisfactory showing that changed conditions of law
or fact require such order to be altered, modified, or set aside, in whole or in part. The Commission
shall determine whether to alter, modify, or set aside any order of the Commission in response to
a request made by a person, partnership, or corporation under paragraph 1 (2) not later than 120
days after the date of the filing of such request.

(c) Review of order; rehearing

Any person, partnership, or corporation required by an order of the Commission to cease and desist
from using any method of competition or act or practice may obtain a review of such order in the
court of appeals of the United States, within any circuit where the method of competition or the act or
practice in question was used or where such person, partnership, or corporation resides or carries on
business, by filing in the court, within sixty days from the date of the service of such order, a written
petition praying that the order of the Commission be set aside. A copy of such petition shall be forthwith
transmitted by the clerk of the court to the Commission, and thereupon the Commission shall file in
the court the record in the proceeding, as provided in section 2112 of title 28. Upon such filing of
the petition the court shall have jurisdiction of the proceeding and of the question determined therein
concurrently with the Commission until the filing of the record and shall have power to make and enter
a decree affirming, modifying, or setting aside the order of the Commission, and enforcing the same to
the extent that such order is affirmed and to issue such writs as are ancillary to its jurisdiction or are
necessary in its judgement to prevent injury to the public or to competitors pendente lite. The findings
of the Commission as to the facts, if supported by evidence, shall be conclusive. To the extent that
the order of the Commission is affirmed, the court shall thereupon issue its own order commanding
obedience to the terms of such order of the Commission. If either party shall apply to the court for
leave to adduce additional evidence, and shall show to the satisfaction of the court that such additional
evidence is material and that there were reasonable grounds for the failure to adduce such evidence
in the proceeding before the Commission, the court may order such additional evidence to be taken
before the Commission and to be adduced upon the hearing in such manner and upon such terms and conditions as to the court may seem proper. The Commission may modify its findings as to the facts, or make new findings, by reason of the additional evidence so taken, and it shall file such modified or new findings, which, if supported by evidence, shall be conclusive, and its recommendation, if any, for the modification or setting aside of its original order, with the return of such additional evidence. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court upon certiorari, as provided in section 1254 of title 28.

(d) Jurisdiction of court

Upon the filing of the record with it the jurisdiction of the court of appeals of the United States to affirm, enforce, modify, or set aside orders of the Commission shall be exclusive.

(e) Exemption from liability

No order of the Commission or judgement of court to enforce the same shall in anywise relieve or absolve any person, partnership, or corporation from any liability under the Antitrust Acts.

(f) Service of complaints, orders and other processes; return

Complaints, orders, and other processes of the Commission under this section may be served by anyone duly authorized by the Commission, either

(a) by delivering a copy thereof to the person to be served, or to a member of the partnership to be served, or the president, secretary, or other executive officer or a director of the corporation to be served; or

(b) by leaving a copy thereof at the residence or the principal office or place of business of such person, partnership, or corporation; or

(c) by mailing a copy thereof by registered mail or by certified mail addressed to such person, partnership, or corporation at his or its residence or principal office or place of business. The verified return by the person so serving said complaint, order, or other process setting forth the manner of said service shall be proof of the same, and the return post office receipt for said complaint, order, or other process mailed by registered mail or by certified mail as aforesaid shall be proof of the service of the same.

(g) Finality of order

An order of the Commission to cease and desist shall become final—

(1) Upon the expiration of the time allowed for filing a petition for review, if no such petition has been duly filed within such time; but the Commission may thereafter modify or set aside its order to the extent provided in the last sentence of subsection (b).

(2) Except as to any order provision subject to paragraph (4), upon the sixtieth day after such order is served, if a petition for review has been duly filed; except that any such order may be stayed, in whole or in part and subject to such conditions as may be appropriate, by—

(A) the Commission;

(B) an appropriate court of appeals of the United States, if

(i) a petition for review of such order is pending in such court, and

(ii) an application for such a stay was previously submitted to the Commission and the Commission, within the 30-day period beginning on the date the application was received by the Commission, either denied the application or did not grant or deny the application; or

(C) the Supreme Court, if an applicable petition for certiorari is pending.

(3) For purposes of subsection (m)(1)(B) of this section and of section 57b (a)(2) of this title, if a petition for review of the order of the Commission has been filed—
(A) upon the expiration of the time allowed for filing a petition for certiorari, if the order of the Commission has been affirmed or the petition for review has been dismissed by the court of appeals and no petition for certiorari has been duly filed;

(B) upon the denial of a petition for certiorari, if the order of the Commission has been affirmed or the petition for review has been dismissed by the court of appeals; or

(C) upon the expiration of 30 days from the date of issuance of a mandate of the Supreme Court directing that the order of the Commission be affirmed or the petition for review be dismissed.

(4) In the case of an order provision requiring a person, partnership, or corporation to divest itself of stock, other share capital, or assets, if a petition for review of such order of the Commission has been filed—

(A) upon the expiration of the time allowed for filing a petition for certiorari, if the order of the Commission has been affirmed or the petition for review has been dismissed by the court of appeals and no petition for certiorari has been duly filed;

(B) upon the denial of a petition for certiorari, if the order of the Commission has been affirmed or the petition for review has been dismissed by the court of appeals; or

(C) upon the expiration of 30 days from the date of issuance of a mandate of the Supreme Court directing that the order of the Commission be affirmed or the petition for review be dismissed.

(h) Modification or setting aside of order by Supreme Court

If the Supreme Court directs that the order of the Commission be modified or set aside, the order of the Commission rendered in accordance with the mandate of the Supreme Court shall become final upon the expiration of thirty days from the time it was rendered, unless within such thirty days either party has instituted proceedings to have such order corrected to accord with the mandate, in which event the order of the Commission shall become final when so corrected.

(i) Modification or setting aside of order by Court of Appeals

If the order of the Commission is modified or set aside by the court of appeals, and if

(1) the time allowed for filing a petition for certiorari has expired and no such petition has been duly filed, or

(2) the petition for certiorari has been denied, or

(3) the decision of the court has been affirmed by the Supreme Court, then the order of the Commission rendered in accordance with the mandate of the court of appeals shall become final on the expiration of thirty days from the time such order of the Commission was rendered, unless within such thirty days either party has instituted proceedings to have such order corrected so that it will accord with the mandate, in which event the order of the Commission shall become final when so corrected.

(j) Rehearing upon order or remand

If the Supreme Court orders a rehearing; or if the case is remanded by the court of appeals to the Commission for a rehearing, and if

(1) the time allowed for filing a petition for certiorari has expired, and no such petition has been duly filed, or

(2) the petition for certiorari has been denied, or

(3) the decision of the court has been affirmed by the Supreme Court, then the order of the Commission rendered upon such rehearing shall become final in the same manner as though no prior order of the Commission had been rendered.

(k) “Mandate” defined
As used in this section the term “mandate”, in case a mandate has been recalled prior to the expiration of thirty days from the date of issuance thereof, means the final mandate.

**ml Penalty for violation of order; injunctions and other appropriate equitable relief**

Any person, partnership, or corporation who violates an order of the Commission after it has become final, and while such order is in effect, shall forfeit and pay to the United States a civil penalty of not more than $10,000 for each violation, which shall accrue to the United States and may be recovered in a civil action brought by the Attorney General of the United States. Each separate violation of such an order shall be a separate offense, except that in a case of a violation through continuing failure to obey or neglect to obey a final order of the Commission, each day of continuance of such failure or neglect shall be deemed a separate offense. In such actions, the United States district courts are empowered to grant mandatory injunctions and such other and further equitable relief as they deem appropriate in the enforcement of such final orders of the Commission.

**mm Civil actions for recovery of penalties for knowing violations of rules and cease and desist orders respecting unfair or deceptive acts or practices; jurisdiction; maximum amount of penalties; continuing violations; de novo determinations; compromise or settlement procedure**

(1) (A) The Commission may commence a civil action to recover a civil penalty in a district court of the United States against any person, partnership, or corporation which violates any rule under this subchapter respecting unfair or deceptive acts or practices (other than an interpretive rule or a rule violation of which the Commission has provided is not an unfair or deceptive act or practice in violation of subsection (a)(1) of this section) with actual knowledge or knowledge fairly implied on the basis of objective circumstances that such act is unfair or deceptive and is prohibited by such rule. In such action, such person, partnership, or corporation shall be liable for a civil penalty of not more than $10,000 for each violation.

(B) If the Commission determines in a proceeding under subsection (b) of this section that any act or practice is unfair or deceptive, and issues a final cease and desist order, other than a consent order, with respect to such act or practice, then the Commission may commence a civil action to obtain a civil penalty in a district court of the United States against any person, partnership, or corporation which engages in such act or practice—

(1) after such cease and desist order becomes final (whether or not such person, partnership, or corporation was subject to such cease and desist order), and

(2) with actual knowledge that such act or practice is unfair or deceptive and is unlawful under subsection (a)(1) of this section.

In such action, such person, partnership, or corporation shall be liable for a civil penalty of not more than $10,000 for each violation.

(C) In the case of a violation through continuing failure to comply with a rule or with subsection (a)(1) of this section, each day of continuance of such failure shall be treated as a separate violation, for purposes of subparagraphs (A) and (B). In determining the amount of such a civil penalty, the court shall take into account the degree of culpability, any history of prior such conduct, ability to pay, effect on ability to continue to do business, and such other matters as justice may require.

(2) If the cease and desist order establishing that the act or practice is unfair or deceptive was not issued against the defendant in a civil penalty action under paragraph (1)(B) the issues of fact in such action against such defendant shall be tried de novo. Upon request of any party to such an action against such defendant, the court shall also review the determination of law made by the Commission in the proceeding under subsection (b) of this section that the act or practice which was the subject of such proceeding constituted an unfair or deceptive act or practice in violation of subsection (a) of this section.

(3) The Commission may compromise or settle any action for a civil penalty if such compromise or settlement is accompanied by a public statement of its reasons and is approved by the court.
(n) Standard of proof; public policy considerations

The Commission shall have no authority under this section or section 57a of this title to declare unlawful an act or practice on the grounds that such act or practice is unfair unless the act or practice causes or is likely to cause substantial injury to consumers which is not reasonably avoidable by consumers themselves and not outweighed by countervailing benefits to consumers or to competition. In determining whether an act or practice is unfair, the Commission may consider established public policies as evidence to be considered with all other evidence. Such public policy considerations may not serve as a primary basis for such determination.

(j) Investigative assistance for foreign law enforcement agencies

(1) In general

Upon a written request from a foreign law enforcement agency to provide assistance in accordance with this subsection, if the requesting agency states that it is investigating, or engaging in enforcement proceedings against, possible violations of laws prohibiting fraudulent or deceptive commercial practices, or other practices substantially similar to practices prohibited by any provision of the laws administered by the Commission, other than Federal antitrust laws (as defined in section 12(5) of the International Antitrust Enforcement Assistance Act of 1994 (15 U.S.C. 6211 (5))), to provide the assistance described in paragraph (2) without requiring that the conduct identified in the request constitute a violation of the laws of the United States.

(3) Criteria for determination

In deciding whether to provide such assistance, the Commission shall consider all relevant factors, including—

(4) International agreements

If a foreign law enforcement agency has set forth a legal basis for requiring execution of an international agreement as a condition for reciprocal assistance, or as a condition for provision of materials or information to the Commission, the Commission, with prior approval and ongoing oversight of the Secretary of State, and with final approval of the agreement by the Secretary of State, may negotiate and conclude an international agreement, in the name of either the United States or the Commission, for the purpose of obtaining such assistance, materials, or information. The Commission may not provide investigative assistance under this subsection to a foreign law enforcement agency from a foreign state that the Secretary of State has determined, in accordance with section 2405(j) of the Appendix to title 50, has repeatedly provided support for acts of international terrorism, unless and until such determination is rescinded pursuant to section 2405(j)(4) of the Appendix to title 50.

(k) Referral of evidence for criminal proceedings

(1) In general

Whenever the Commission obtains evidence that any person, partnership, or corporation, either domestic or foreign, has engaged in conduct that may constitute a violation of Federal criminal
law, to transmit such evidence to the Attorney General, who may institute criminal proceedings under appropriate statutes. Nothing in this paragraph affects any other authority of the Commission to disclose information.

(2) International information

The Commission shall endeavor to ensure, with respect to memoranda of understanding and international agreements it may conclude, that material it has obtained from foreign law enforcement agencies acting to investigate or pursue the enforcement of foreign criminal laws may be used for the purpose of investigation, prosecution, or prevention of violations of United States criminal laws.

The Commission shall establish a plan designed to substantially reduce burdens imposed upon small businesses as a result of requirements established by the Commission under clause (b) relating to the filing of quarterly financial reports. Such plan shall

(1) be established after consultation with small businesses and persons who use the information contained in such quarterly financial reports;

(2) provide for a reduction of the number of small businesses required to file such quarterly financial reports; and

The Commission, not later than December 31, 1980, shall submit such plan to the Committee on Commerce, Science, and Transportation of the Senate and to the Committee on Energy and Commerce of the House of Representatives. Such plan shall take effect not later than October 31, 1981.

No officer or employee of the Commission or any Commissioner may publish or disclose information to the public, or to any Federal agency, whereby any line-of-business
data furnished by a particular establishment or individual can be identified. No one other than designated sworn officers and employees of the Commission may examine the line-of-business reports from individual firms, and information provided in the line-of-business program administered by the Commission shall be used only for statistical purposes. Nothing in this section (other than the provisions of clause (c) and clause (d)) shall apply to the business of insurance, except that the Commission shall have authority to conduct studies and prepare reports relating to the business of insurance. The Commission may exercise such authority only upon receiving a request which is agreed to by a majority of the members of the Committee on Commerce, Science, and Transportation of the Senate or the Committee on Energy and Commerce of the House of Representatives. The authority to conduct any such study shall expire at the end of the Congress during which the request for such study was made.

(1) that any person, partnership, or corporation is engaged in, or is about to engage in, the dissemination or the causing of the dissemination of any advertisement in violation of section 52 of this title, and

(2) that the enjoining thereof pending the issuance of a complaint by the Commission under section 45 of this title, and until such complaint is dismissed by the Commission or set aside by the court on review, or the order of the Commission to cease and desist made thereon has become final within the meaning of section 45 of this title, would be to the interest of the public,
the Commission by any of its attorneys designated by it for such purpose may bring suit in a district court of the United States or in the United States court of any Territory, to enjoin the dissemination or the causing of the dissemination of such advertisement. Upon proper showing a temporary injunction or restraining order shall be granted without bond. Any suit may be brought where such person, partnership, or corporation resides or transacts business, or wherever venue is proper under section 1391 of title 28. In addition, the court may, if the court determines that the interests of justice require that any other person, partnership, or corporation should be a party in such suit, cause such other person, partnership, or corporation to be added as a party without regard to whether venue is otherwise proper in the district in which the suit is brought. In any suit under this section, process may be served on any person, partnership, or corporation wherever it may be found.

(b) Temporary restraining orders; preliminary injunctions

Whenever the Commission has reason to believe—

(1) that any person, partnership, or corporation is violating, or is about to violate, any provision of law enforced by the Federal Trade Commission, and

(2) that the enjoining thereof pending the issuance of a complaint by the Commission and until such complaint is dismissed by the Commission or set aside by the court on review, or until the order of the Commission made thereon has become final, would be in the interest of the public—

the Commission by any of its attorneys designated by it for such purpose may bring suit in a district court of the United States to enjoin any such act or practice. Upon a proper showing that, weighing the equities and considering the Commission’s likelihood of ultimate success, such action would be in the public interest, and after notice to the defendant, a temporary restraining order or a preliminary injunction may be granted without bond: Provided, however, That if a complaint is not filed within such period (not exceeding 20 days) as may be specified by the court after issuance of the temporary restraining order or preliminary injunction, the order or injunction shall be dissolved by the court and be of no further force and effect: Provided further, That in proper cases the Commission may seek, and after proper proof, the court may issue, a permanent injunction. Any suit may be brought where such person, partnership, or corporation resides or transacts business, or wherever venue is proper under section 1391 of title 28. In addition, the court may, if the court determines that the interests of justice require that any other person, partnership, or corporation should be a party in such suit, cause such other person, partnership, or corporation to be added as a party without regard to whether venue is otherwise proper in the district in which the suit is brought. In any suit under this section, process may be served on any person, partnership, or corporation wherever it may be found.

(c) Service of process; proof of service

Any process of the Commission under this section may be served by any person duly authorized by the Commission—

(1) by delivering a copy of such process to the person to be served, to a member of the partnership to be served, or to the president, secretary, or other executive officer or a director of the corporation to be served;

(2) by leaving a copy of such process at the residence or the principal office or place of business of such person, partnership, or corporation; or

(3) by mailing a copy of such process by registered mail or certified mail addressed to such person, partnership, or corporation at his, her, or its residence, principal office, or principal place or business.

The verified return by the person serving such process setting forth the manner of such service shall be proof of the same.

(d) Exception of periodical publications

Whenever it appears to the satisfaction of the court in the case of a newspaper, magazine, periodical, or other publication, published at regular intervals—
§ 54. False advertisements; penalties

(a) Imposition of penalties

Any person, partnership, or corporation who violates any provision of section 52 (a) of this title shall, if the use of the commodity advertised may be injurious to health because of results from such use under the conditions prescribed in the advertisement thereof, or under such conditions as are customary or usual, or if such violation is with intent to defraud or mislead, be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more than $5,000 or by imprisonment for not more than six months, or by both such fine and imprisonment; except that if the conviction is for a violation committed after a first conviction of such person, partnership, or corporation, for any violation of such section, punishment shall be by a fine of not more than $10,000 or by imprisonment for not more than one year, or by both such fine and imprisonment: Provided, That for the purposes of this section meats and meat food products duly inspected, marked, and labeled in accordance with rules and regulations issued under the Meat Inspection Act [21 U.S.C. 601 et seq.] shall be conclusively presumed not injurious to health at the time the same leave official “establishments.”

(b) Exception of advertising medium or agency

No publisher, radio-broadcast licensee, or agency or medium for the dissemination of advertising, except the manufacturer, packer, distributor, or seller of the commodity to which the false advertisement relates, shall be liable under this section by reason of the dissemination by him of any false advertisement, unless he has refused, on the request of the Commission, to furnish the Commission the name and post-office address of the manufacturer, packer, distributor, seller, or advertising agency, residing in the United States, who caused him to disseminate such advertisement. No advertising agency...
shall be liable under this section by reason of the causing by it of the dissemination of any false advertisement, unless it has refused, on the request of the Commission, to furnish the Commission the name and post-office address of the manufacturer, packer, distributor, or seller, residing in the United States, who caused it to cause the dissemination of such advertisement.

§ 56. Commencement, defense, intervention and supervision of litigation and appeal by Commission or Attorney General

(a) Procedure for exercise of authority to litigate or appeal

(1) Except as otherwise provided in paragraph (2) or (3), if—

(A) before commencing, defending, or intervening in, any civil action involving this subchapter (including an action to collect a civil penalty) which the Commission, or the Attorney General on behalf of the Commission, is authorized to commence, defend, or intervene in, the Commission gives written notification and undertakes to consult with the Attorney General with respect to such action; and

(B) the Attorney General fails within 45 days after receipt of such notification to commence, defend, or intervene in, such action;

the Commission may commence, defend, or intervene in, and supervise the litigation of, such action and any appeal of such action in its own name by any of its attorneys designated by it for such purpose.

(2) Except as otherwise provided in paragraph (3), in any civil action—

(A) under section 53 of this title (relating to injunctive relief);

(E) under section 57b–2a of this title;

the Commission shall have exclusive authority to commence or defend, and supervise the litigation of, such action and any appeal of such action in its own name by any of its attorneys designated by it for such purpose, unless the Commission authorizes the Attorney General to do so. The Commission shall inform the Attorney General of the exercise of such authority and such exercise shall not preclude the Attorney General from intervening on behalf of the United States in such action and any appeal of such action as may be otherwise provided by law.

(3) If the Commission makes a written request to the Attorney General, within the 10-day period which begins on the date of the entry of the judgment in any civil action in which the Commission represented itself pursuant to paragraph (1) or (2), to represent itself through any of its attorneys designated by it for such purpose before the Supreme Court in such action, it may do so, if—

(b) the Attorney General fails to take any action with respect to the Commission’s request.

(B) In any case where the Attorney General represents the Commission before the Supreme Court in any civil action in which the Commission represented itself pursuant to paragraph (1) or (2),

(including any extension of such time granted by the court) for the purpose of commencing,
defending, or intervening in the civil action pursuant to paragraph (1) or for the purpose of
refusing to appeal or file a petition for writ of certiorari and the written notification or failing

(B) rules which define with specificity acts or practices which are unfair or deceptive acts or practices in or affecting commerce (within the meaning of section 45 (a)(1) of this title), except that the Commission shall not develop or promulgate any trade rule or regulation with regard to the regulation of the development and utilization of the standards and certification activities pursuant to this section. Rules under this subparagraph may include requirements prescribed for the purpose of preventing such acts or practices.

(2) The Commission shall have no authority under this subchapter, other than its authority under this section, to prescribe any rule with respect to unfair or deceptive acts or practices in or affecting commerce (within the meaning of section 45 (a)(1) of this title). The preceding sentence shall not affect any authority of the Commission to prescribe rules (including interpretive rules), and general statements of policy, with respect to unfair methods of competition in or affecting commerce.

(b) Procedures applicable

(1) When prescribing a rule under subsection (a)(1)(B) of this section, the Commission shall proceed in accordance with section 553 of title 5 (without regard to any reference in such section to sections 556 and 557 of such title), and shall also
(A) publish a notice of proposed rulemaking stating with particularity the text of the rule, including any alternatives, which the Commission proposes to promulgate, and the reason for the proposed rule;
(B) allow interested persons to submit written data, views, and arguments, and make all such submissions publicly available;
(C) provide an opportunity for an informal hearing in accordance with subsection (c) of this section; and
(D) promulgate, if appropriate, a final rule based on the matter in the rulemaking record (as defined in subsection (e)(1)(B) of this section), together with a statement of basis and purpose.

(2) (A) Prior to the publication of any notice of proposed rulemaking pursuant to paragraph (1)(A), the Commission shall publish an advance notice of proposed rulemaking in the Federal Register. Such advance notice shall—
   (i) contain a brief description of the area of inquiry under consideration, the objectives which the Commission seeks to achieve, and possible regulatory alternatives under consideration by the Commission; and
   (ii) invite the response of interested parties with respect to such proposed rulemaking, including any suggestions or alternative methods for achieving such objectives.
(B) The Commission shall submit such advance notice of proposed rulemaking to the Committee on Commerce, Science, and Transportation of the Senate and to the Committee on Energy and Commerce of the House of Representatives. The Commission may use such additional mechanisms as the Commission considers useful to obtain suggestions regarding the content of the area of inquiry before the publication of a general notice of proposed rulemaking under paragraph (1)(A).
(C) The Commission shall, 30 days before the publication of a notice of proposed rulemaking pursuant to paragraph (1)(A), submit such notice to the Committee on Commerce, Science, and Transportation of the Senate and to the Committee on Energy and Commerce of the House of Representatives.

(3) The Commission shall issue a notice of proposed rulemaking pursuant to paragraph (1)(A) only where it has reason to believe that the unfair or deceptive acts or practices which are the subject of the proposed rulemaking are prevalent. The Commission shall make a determination that unfair or deceptive acts or practices are prevalent under this paragraph only if—
   (A) it has issued cease and desist orders regarding such acts or practices, or
   (B) any other information available to the Commission indicates a widespread pattern of unfair or deceptive acts or practices.

(c) Informal hearing procedure
The Commission shall conduct any informal hearings required by subsection (b)(1)(C) of this section in accordance with the following procedure:
(1) (A) The Commission shall provide for the conduct of proceedings under this subsection by hearing officers who shall perform their functions in accordance with the requirements of this subsection.
   (B) The officer who presides over the rulemaking proceedings shall be responsible to a chief presiding officer who shall not be responsible to any other officer or employee of the Commission. The officer who presides over the rulemaking proceeding shall make a recommended decision based upon the findings and conclusions of such officer as to all relevant and material evidence, except that such recommended decision may be made by another officer if the officer who presided over the proceeding is no longer available to the Commission.
(C) Except as required for the disposition of ex parte matters as authorized by law, no presiding officer shall consult any person or party with respect to any fact in issue unless such officer gives notice and opportunity for all parties to participate.

(2) Subject to paragraph (3) of this subsection, an interested person is entitled—

(A) to present his position orally or by documentary submission (or both), and

(B) if the Commission determines that there are disputed issues of material fact it is necessary to resolve, to present such rebuttal submissions and to conduct (or have conducted under paragraph (3)(B)) such cross-examination of persons as the Commission determines

(i) to be appropriate, and

(ii) to be required for a full and true disclosure with respect to such issues.

(3) The Commission may prescribe such rules and make such rulings concerning proceedings in such hearings as may tend to avoid unnecessary costs or delay. Such rules or rulings may include

(A) imposition of reasonable time limits on each interested person’s oral presentations, and

(B) requirements that any cross-examination to which a person may be entitled under paragraph (2) be conducted by the Commission on behalf of that person in such manner as the Commission determines

(i) to be appropriate, and

(ii) to be required for a full and true disclosure with respect to disputed issues of material fact.

(4) (A) Except as provided in subparagraph (B), if a group of persons each of whom under paragraphs (2) and (3) would be entitled to conduct (or have conducted) cross-examination and who are determined by the Commission to have the same or similar interests in the proceeding cannot agree upon a single representative of such interests for purposes of cross-examination, the Commission may make rules and rulings

(i) limiting the representation of such interest, for such purposes, and

(ii) governing the manner in which such cross-examination shall be limited.

(B) When any person who is a member of a group with respect to which the Commission has made a determination under subparagraph (A) is unable to agree upon group representation with the other members of the group, then such person shall not be denied under the authority of subparagraph (A) the opportunity to conduct (or have conducted) cross-examination as to issues affecting his particular interests if

(i) he satisfies the Commission that he has made a reasonable and good faith effort to reach agreement upon group representation with the other members of the group and

(ii) the Commission determines that there are substantial and relevant issues which are not adequately presented by the group representative.

(5) A verbatim transcript shall be taken of any oral presentation, and cross-examination, in an informal hearing to which this subsection applies. Such transcript shall be available to the public.

(d) Statement of basis and purpose accompanying rule; “Commission” defined; judicial review of amendment or repeal of rule; violation of rule

(1) The Commission’s statement of basis and purpose to accompany a rule promulgated under subsection (a)(1)(B) of this section shall include

(A) a statement as to the prevalence of the acts or practices treated by the rule;

(B) a statement as to the manner and context in which such acts or practices are unfair or deceptive; and

(C) a statement as to the economic effect of the rule, taking into account the effect on small business and consumers.

(2)
(A) The term “Commission” as used in this subsection and subsections (b) and (c) of this section includes any person authorized to act in behalf of the Commission in any part of the rulemaking proceeding.

(B) A substantive amendment to, or repeal of, a rule promulgated under subsection (a)(1)(B) of this section shall be prescribed, and subject to judicial review, in the same manner as a rule prescribed under such subsection. An exemption under subsection (g) of this section shall not be treated as an amendment or repeal of a rule.

(3) When any rule under subsection (a)(1)(B) of this section takes effect a subsequent violation thereof shall constitute an unfair or deceptive act or practice in violation of section 45 (a)(1) of this title, unless the Commission otherwise expressly provides in such rule.

(e) Judicial review; petition; jurisdiction and venue; rulemaking record; additional submissions and presentations; scope of review and relief; review by Supreme Court; additional remedies

(1) (A) Not later than 60 days after a rule is promulgated under subsection (a)(1)(B) of this section by the Commission, any interested person (including a consumer or consumer organization) may file a petition, in the United States Court of Appeals for the District of Columbia circuit or for the circuit in which such person resides or has his principal place of business, for judicial review of such rule. Copies of the petition shall be forthwith transmitted by the clerk of the court to the Commission or other officer designated by it for that purpose. The provisions of section 2112 of title 28 shall apply to the filing of the rulemaking record of proceedings on which the Commission based its rule and to the transfer of proceedings in the courts of appeals.

(B) For purposes of this section, the term “rulemaking record” means the rule, its statement of basis and purpose, the transcript required by subsection (c)(5) of this section, any written submissions, and any other information which the Commission considers relevant to such rule.

(2) If the petitioner or the Commission applies to the court for leave to make additional oral submissions or written presentations and shows to the satisfaction of the court that such submissions and presentations would be material and that there were reasonable grounds for the submissions and failure to make such submissions and presentations in the proceeding before the Commission, the court may order the Commission to provide additional opportunity to make such submissions and presentations. The Commission may modify or set aside its rule or make a new rule by reason of the additional submissions and presentations and shall file such modified or new rule, and the rule’s statement of basis of purpose, with the return of such submissions and presentations. The court shall thereafter review such new or modified rule.

(3) Upon the filing of the petition under paragraph (1) of this subsection, the court shall have jurisdiction to review the rule in accordance with chapter 7 of title 5 and to grant appropriate relief, including interim relief, as provided in such chapter. The court shall hold unlawful and set aside the rule on any ground specified in subparagraphs (A), (B), (C), or (D) of section 706 (2) of title 5 (taking due account of the rule of prejudicial error), or if—

(A) the court finds that the Commission’s action is not supported by substantial evidence in the rulemaking record (as defined in paragraph (1)(B) of this subsection) taken as a whole, or

(B) the court finds that—

(i) a Commission determination under subsection (c) of this section that the petitioner is not entitled to conduct cross-examination or make rebuttal submissions, or

(ii) a Commission rule or ruling under subsection (c) of this section limiting the petitioner’s cross-examination or rebuttal submissions,

has precluded disclosure of disputed material facts which was necessary for fair determination by the Commission of the rulemaking proceeding taken as a whole.

The term “evidence”, as used in this paragraph, means any matter in the rulemaking record.
(4) The judgment of the court affirming or setting aside, in whole or in part, any such rule shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification, as provided in section 1254 of title 28.

(5) (A) Remedies under the preceding paragraphs of this subsection are in addition to and not in lieu of any other remedies provided by law.

(B) The United States Courts of Appeal shall have exclusive jurisdiction of any action to obtain judicial review (other than in an enforcement proceeding) of a rule prescribed under subsection (a)(1)(B) of this section, if any district court of the United States would have had jurisdiction of such action but for this subparagraph. Any such action shall be brought in the United States Court of Appeals for the District of Columbia circuit, or for any circuit which includes a judicial district in which the action could have been brought but for this subparagraph.

(C) A determination, rule, or ruling of the Commission described in paragraph (3)(B)(i) or (ii) may be reviewed only in a proceeding under this subsection and only in accordance with paragraph (3)(B). Section 706 (2)(E) of title 5 shall not apply to any rule promulgated under subsection (a)(1)(B) of this section. The contents and adequacy of any statement required by subsection (b)(1)(D) of this section shall not be subject to judicial review in any respect.

(f) Definitions of banks, savings and loan institutions, and Federal credit unions

(2) Definition.—For purposes of this subchapter, the term “bank” means—

(A) national banks and Federal branches and Federal agencies of foreign banks;

(B) member banks of the Federal Reserve System (other than national banks), branches and agencies of foreign banks (other than Federal branches, Federal agencies, and insured State branches of foreign banks), commercial lending companies owned or controlled by foreign banks, and organizations operating under section 25 or 25A of the Federal Reserve Act [12 U.S.C. 601 et seq., 611 et seq.]; and

(C) banks insured by the Federal Deposit Insurance Corporation (other than banks referred to in subparagraph (A) or (B)) and insured State branches of foreign banks.

(3) For purposes of this subchapter, the term “savings and loan institution” has the same meaning as in section 1813 of title 12.

(4) For purposes of this subchapter, the term “Federal credit union” has the same meaning as in sections 1766 and 1786 of title 12.

The terms used in this paragraph 1 that are not defined in this subchapter or otherwise defined in section 1813 (s) of title 12 shall have the meaning given to them in section 3101 of title 12.

(g) Exemptions and stays from application of rules; procedures

(1) Any person to whom a rule under subsection (a)(1)(B) of this section applies may petition the Commission for an exemption from such rule.

(2) If, on its own motion or on the basis of a petition under paragraph (1), the Commission finds that the application of a rule prescribed under subsection (a)(1)(B) of this section to any person or class or 2 persons is not necessary to prevent the unfair or deceptive act or practice to which the rule relates, the Commission may exempt such person or class from all or part of such rule. Section 553 of title 5 shall apply to action under this paragraph.

(3) Neither the pendency of a proceeding under this subsection respecting an exemption from a rule, nor the pendency of judicial proceedings to review the Commission’s action or failure to act under this subsection, shall stay the applicability of such rule under subsection (a)(1)(B) of this section.

(h) Restriction on rulemaking authority of Commission respecting children’s advertising proceedings pending on May 28, 1980

Study, Evaluation, and Report by Federal Trade Commission and Administrative Conference of United States on Unfair or Deceptive Acts or Practices; Rulemaking Procedures

§ 57a–1. Omitted

Codification

§ 57b. Civil actions for violations of rules and cease and desist orders respecting unfair or deceptive acts or practices

(a) Suits by Commission against persons, partnerships, or corporations; jurisdiction; relief for dishonest or fraudulent acts

(1) If any person, partnership, or corporation violates any rule under this subchapter respecting unfair or deceptive acts or practices (other than an interpretive rule, or a rule violation of which the Commission has provided is not an unfair or deceptive act or practice in violation of section 45 (a) of this title), then the Commission may commence a civil action against such person, partnership, or corporation for relief under subsection (b) of this section in a United States district court or in any court of competent jurisdiction of a State.

(2) If any person, partnership, or corporation engages in any unfair or deceptive act or practice (within the meaning of section 45 (a)(1) of this title) with respect to which the Commission has issued a final cease and desist order which is applicable to such person, partnership, or corporation, then the Commission may commence a civil action against such person, partnership, or corporation in a United States district court or in any court of competent jurisdiction of a State.

If the Commission satisfies the court that the act or practice to which the cease and desist order relates is one which a reasonable man would have known under the circumstances was dishonest or fraudulent, the court may grant relief under subsection (b) of this section.

(b) Nature of relief available

The court in an action under subsection (a) of this section shall have jurisdiction to grant such relief as the court finds necessary to redress injury to consumers or other persons, partnerships, and corporations resulting from the rule violation or the unfair or deceptive act or practice, as the case may be. Such relief may include, but shall not be limited to, rescission or reformation of contracts, the refund of money or return of property, the payment of damages, and public notification respecting the rule violation or the unfair or deceptive act or practice, as the case may be; except that nothing in this subsection is intended to authorize the imposition of any exemplary or punitive damages.

(c) Conclusiveness of findings of Commission in cease and desist proceedings; notice of judicial proceedings to injured persons, etc.

(1) If

(A) a cease and desist order issued under section 45 (b) of this title has become final under section 45 (g) of this title with respect to any person’s, partnership’s, or corporation’s rule violation or unfair or deceptive act or practice, and

(B) an action under this section is brought with respect to such person’s, partnership’s, or corporation’s rule violation or act or practice, then the findings of the Commission as to the material facts in the proceeding under section 45 (b) of this title with respect to such person’s, partnership’s, or corporation’s rule violation or act or practice, shall be conclusive unless

(i) the terms of such cease and desist order expressly provide that the Commission’s findings shall not be conclusive, or

(ii) the order became final by reason of section 45 (g)(1) of this title, in which case such finding shall be conclusive if supported by evidence.
(2) The court shall cause notice of an action under this section to be given in a manner which is reasonably calculated, under all of the circumstances, to apprise the persons, partnerships, and corporations allegedly injured by the defendant’s rule violation or act or practice of the pendency of such action. Such notice may, in the discretion of the court, be given by publication.

(d) Time for bringing of actions

No action may be brought by the Commission under this section more than 3 years after the rule violation to which an action under subsection (a)(1) of this section relates, or the unfair or deceptive act or practice to which an action under subsection (a)(2) of this section relates; except that if a cease and desist order with respect to any person’s, partnership’s, or corporation’s rule violation or unfair or deceptive act or practice has become final and such order was issued in a proceeding under section 45 (b) of this title which was commenced not later than 3 years after the rule violation or act or practice occurred, a civil action may be commenced under this section against such person, partnership, or corporation at any time before the expiration of one year after such order becomes final.

(e) Availability of additional Federal or State remedies; other authority of Commission unaffected

Remedies provided in this section are in addition to, and not in lieu of, any other remedy or right of action provided by State or Federal law. Nothing in this section shall be construed to affect any authority of the Commission under any other provision of law.

Effective Date

Pub. L. 93–637, title II, § 206(b), Jan. 4, 1975, 88 Stat. 2202, provided that: “The amendment made by subsection (a) of this section [enacting this section] shall not apply to—

“(1) any violation of a rule to the extent that such violation occurred before the date of enactment of this Act [Jan. 4, 1975], or

“(2) any act or practice with respect to which the Commission issues a cease-and-desist order, to the extent that such act or practice occurred before the date of enactment of this Act [Jan. 4, 1975], unless such order was issued after such date and the person, partnership or corporation against whom such an order was issued had been notified in the complaint, or in the notice or order attached thereto, that consumer redress may be sought.”

   (A) delivering a duly executed copy of such demand or petition to any partner, executive officer, managing agent, or general agent of such partnership, corporation, association, or other legal entity, or to any agent of such partnership, corporation, association, or other legal entity authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or other legal entity;
   (B) delivering a duly executed copy of such demand or petition to the principal office or place of business of the partnership, corporation, association, or other legal entity to be served; or
   (C) depositing a duly executed copy in the United States mails, by registered or certified mail, return receipt requested, duly addressed to such partnership, corporation, association, or other legal entity at its principal office or place of business.

(9) Service of any civil investigative demand or of any enforcement petition filed under this section may be made upon any natural person by—
   (A) delivering a duly executed copy of such demand or petition to the person to be served; or
   (B) depositing a duly executed copy in the United States mails by registered or certified mail, return receipt requested, duly addressed to such person at his residence or principal office or place of business.

(10) A verified return by the individual serving any civil investigative demand or any enforcement petition filed under this section setting forth the manner of such service shall be proof of such service. In the case of service by registered or certified mail, such return shall be accompanied by the return post office receipt of delivery of such demand or enforcement petition.

(11) The production of documentary material in response to a civil investigative demand shall be made under a sworn certificate, in such form as the demand designates, by the person, if a natural person, to whom the demand is directed or, if not a natural person, by any person having knowledge of the facts and circumstances relating to such production, to the effect that all of the documentary
material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the custodian.

(12) The submission of tangible things in response to a civil investigative demand shall be made under a sworn certificate, in such form as the demand designates, by the person to whom the demand is directed or, if not a natural person, by any person having knowledge of the facts and circumstances relating to such production, to the effect that all of the tangible things required by the demand and in the possession, custody, or control of the person to whom the demand is directed have been submitted to the custodian.

(13) Each reporting requirement or question in a civil investigative demand shall be answered separately and fully in writing under oath, unless it is objected to, in which event the reasons for the objection shall be stated in lieu of an answer, and it shall be submitted under a sworn certificate, in such form as the demand designates, by the person, if a natural person, to whom the demand is directed or, if not a natural person, by any person responsible for answering each reporting requirement or question, to the effect that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted.

(14) (A) Any Commission investigator before whom oral testimony is to be taken shall put the witness on oath or affirmation and shall personally, or by any individual acting under his direction and in his presence, record the testimony of the witness. The testimony shall be taken stenographically and transcribed. After the testimony is fully transcribed, the Commission investigator before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian.

(B) Any Commission investigator before whom oral testimony is to be taken shall exclude from the place where the testimony is to be taken all other persons except the person giving the testimony, his attorney, the officer before whom the testimony is to be taken, and any stenographer taking such testimony.

(C) The oral testimony of any person taken pursuant to a civil investigative demand shall be taken in the judicial district of the United States in which such person resides, is found, or transacts business, or in such other place as may be agreed upon by the Commission investigator before whom the oral testimony of such person is to be taken and such person.

(D) (i) Any person compelled to appear under a civil investigative demand for oral testimony pursuant to this section may be accompanied, represented, and advised by an attorney. The attorney may advise such person, in confidence, either upon the request of such person or upon the initiative of the attorney, with respect to any question asked of such person.

(ii) Such person or attorney may object on the record to any question, in whole or in part, and shall briefly state for the record the reason for the objection. An objection may properly be made, received, and entered upon the record when it is claimed that such person is entitled to refuse to answer the question on grounds of any constitutional or other legal right or privilege, including the privilege against self-incrimination. Such person shall not otherwise object to or refuse to answer any question, and shall not himself or through his attorney otherwise interrupt the oral examination. If such person refuses to answer any question, the Commission may petition the district court of the United States pursuant to this section for an order compelling such person to answer such question.

(iii) If such person refuses to answer any question on grounds of the privilege against self-incrimination, the testimony of such person may be compelled in accordance with the provisions of section 6004 of title 18.

(E) (i) After the testimony of any witness is fully transcribed, the Commission investigator shall afford the witness (who may be accompanied by an attorney) a reasonable opportunity to examine the transcript. The transcript shall be read to or by the witness,
unless such examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make shall be entered and identified upon the transcript by the Commission investigator with a statement of the reasons given by the witness for making such changes. The transcript shall then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign.

(ii) If the transcript is not signed by the witness during the 30-day period following the date upon which the witness is first afforded a reasonable opportunity to examine it, the Commission investigator shall sign the transcript and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with any reasons given for the failure to sign.

(F) The Commission investigator shall certify on the transcript that the witness was duly sworn by him and that the transcript is a true record of the testimony given by the witness, and the Commission investigator shall promptly deliver the transcript or send it by registered or certified mail to the custodian.

(G) The Commission investigator shall furnish a copy of the transcript (upon payment of reasonable charges for the transcription) to the witness only, except that the Commission may for good cause limit such witness to inspection of the official transcript of his testimony.

(H) Any witness appearing for the taking of oral testimony pursuant to a civil investigative demand shall be entitled to the same fees and mileage which are paid to witnesses in the district courts of the United States.

(d) Procedures for demand material

Materials received as a result of a civil investigative demand shall be subject to the procedures established in section 57b–2 of this title.

(e) Petition for enforcement

Whenever any person fails to comply with any civil investigative demand duly served upon him under this section, or whenever satisfactory copying or reproduction of material requested pursuant to the demand cannot be accomplished and such person refuses to surrender such material, the Commission, through such officers or attorneys as it may designate, may file, in the district court of the United States for any judicial district in which such person resides, is found, or transacts business, and serve upon such person, a petition for an order of such court for the enforcement of this section. All process of any court to which application may be made as provided in this subsection may be served in any judicial district.

(f) Petition for order modifying or setting aside demand

(1) Not later than 20 days after the service of any civil investigative demand upon any person under subsection (c) of this section, or at any time before the return date specified in the demand, whichever period is shorter, or within such period exceeding 20 days after service or in excess of such return date as may be prescribed in writing, subsequent to service, by any Commission investigator named in the demand, such person may file with the Commission a petition for an order by the Commission modifying or setting aside the demand.

(2) The time permitted for compliance with the demand in whole or in part, as deemed proper and ordered by the Commission, shall not run during the pendency of such petition at the Commission, except that such person shall comply with any portions of the demand not sought to be modified or set aside. Such petition shall specify each ground upon which the petitioner relies in seeking such relief, and may be based upon any failure of the demand to comply with the provisions of this section, or upon any constitutional or other legal right or privilege of such person.

(g) Custodial control of documentary material, tangible things, reports, etc.

At any time during which any custodian is in custody or control of any documentary material, tangible things, reports, answers to questions, or transcripts of oral testimony given by any person in compliance with any civil investigative demand, such person may file, in the district court of the United States for the judicial district within which the office of such custodian is situated, and serve upon such custodian,
a petition for an order of such court requiring the performance by such custodian of any duty imposed upon him by this section or section 57b–2 of this title.

(h) Jurisdiction of court

Whenever any petition is filed in any district court of the United States under this section, such court shall have jurisdiction to hear and determine the matter so presented, and to enter such order or orders as may be required to carry into effect the provisions of this section. Any final order so entered shall be subject to appeal pursuant to section 1291 of title 28. Any disobedience of any final order entered under this section by any court shall be punished as a contempt of such court.

(i) Commission authority to issue subpoenas or make demand for information

Notwithstanding any other provision of law, the Commission shall have no authority to issue a subpoena or make a demand for information, under authority of this subchapter or any other provision of law, unless such subpoena or demand for information is signed by a Commissioner acting pursuant to a Commission resolution. The Commission shall not delegate the power conferred by this section to sign subpoenas or demands for information to any other person.

(j) Applicability of this section

The provisions of this section shall not—

(1) apply to any proceeding under section 45 (b) of this title, any proceeding under section 11(b) of the Clayton Act (15 U.S.C. 21 (b)), or any adjudicative proceeding under any other provision of law; or

(2) apply to or affect the jurisdiction, duties, or powers of any agency of the Federal Government, other than the Commission, regardless of whether such jurisdiction, duties, or powers are derived in whole or in part, by reference to this subchapter.

§ 57b–2. Confidentiality

(a) Definitions

For purposes of this section:

(1) The term “material” means documentary material, tangible things, written reports or answers to questions, and transcripts of oral testimony.

(2) The term “Federal agency” has the meaning given it in section 552 (e) of title 5.

(b) Procedures respecting documents, tangible things, or transcripts of oral testimony received pursuant to compulsory process or investigation

(1) With respect to any document, tangible thing, or transcript of oral testimony received by the Commission pursuant to compulsory process in an investigation, a purpose of which is to determine whether any person may have violated any provision of the laws administered by the Commission, the procedures established in paragraph (2) through paragraph (7) shall apply.

(2) (A) The Commission shall designate a duly authorized agent to serve as custodian of documentary material, tangible things, or written reports or answers to questions, and transcripts of oral testimony, and such additional duly authorized agents as the Commission shall determine from time to time to be necessary to serve as deputies to the custodian.

(B) Any person upon whom any demand for the production of documentary material has been duly served shall make such material available for inspection and copying or reproduction to the custodian designated in such demand at the principal place of business of such person (or at such other place as such custodian and such person thereafter may agree or prescribe in writing or as the court may direct pursuant to section 57b–1 (h) of this title) on the return date specified in such demand (or on such later date as such custodian may prescribe in writing). Such person may upon written agreement between such person and the custodian substitute copies for originals of all or any part of such material.

(3) (A) The custodian to whom any documentary material, tangible things, written reports or answers to questions, and transcripts of oral testimony are delivered shall take physical possession of such material, reports or answers, and transcripts, and shall be responsible for the use made of such material, reports or answers, and transcripts, and for the return of material, pursuant to the requirements of this section.
(B) The custodian may prepare such copies of the documentary material, written reports or answers to questions, and transcripts of oral testimony, and may make tangible things available, as may be required for official use by any duly authorized officer or employee of the Commission under regulations which shall be promulgated by the Commission. Notwithstanding subparagraph (C), such material, things, and transcripts may be used by any such officer or employee in connection with the taking of oral testimony under this section.

(C) Except as otherwise provided in this section, while in the possession of the custodian, no documentary material, tangible things, reports or answers to questions, and transcripts of oral testimony shall be available for examination by any individual other than a duly authorized officer or employee of the Commission without the consent of the person who produced the material, things, or transcripts. Nothing in this section is intended to prevent disclosure to either House of the Congress or to any committee or subcommittee of the Congress, except that the Commission immediately shall notify the owner or provider of any such information of a request for information designated as confidential by the owner or provider.

(D) While in the possession of the custodian and under such reasonable terms and conditions as the Commission shall prescribe—

(i) documentary material, tangible things, or written reports shall be available for examination by the person who produced the material, or by any duly authorized representative of such person; and

(ii) answers to questions in writing and transcripts of oral testimony shall be available for examination by the person who produced the testimony or by his attorney.

(4) Whenever the Commission has instituted a proceeding against a person, partnership, or corporation, the custodian may deliver to any officer or employee of the Commission documentary material, tangible things, written reports or answers to questions, and transcripts of oral testimony for official use in connection with such proceeding. Upon the completion of the proceeding, the officer or employee shall return to the custodian any such material so delivered which has not been received into the record of the proceeding.

(5) If any documentary material, tangible things, written reports or answers to questions, and transcripts of oral testimony have been produced in the course of any investigation by any person pursuant to compulsory process and—

(A) any proceeding arising out of the investigation has been completed; or

(B) no proceeding in which the material may be used has been commenced within a reasonable time after completion of the examination and analysis of all such material and other information assembled in the course of the investigation;

then the custodian shall, upon written request of the person who produced the material, return to the person any such material which has not been received into the record of any such proceeding (other than copies of such material made by the custodian pursuant to paragraph (3)(B)).

(6) The custodian of any documentary material, written reports or answers to questions, and transcripts of oral testimony may deliver to any officers or employees of appropriate Federal law enforcement agencies, in response to a written request, copies of such material for use in connection with an investigation or proceeding under the jurisdiction of any such agency. The custodian of any tangible things may make such things available for inspection to such persons on the same basis. Such materials shall not be made available to any such agency until the custodian received certification of any officer of such agency that such information will be maintained in confidence and will be used only for official law enforcement purposes. Such documentary material, results of inspections of tangible things, written reports or answers to questions, and transcripts of oral testimony may be used by any officer or employee of such agency only in such manner and subject to such conditions as apply to the Commission under this section. The custodian may make such materials available to any State law enforcement agency upon the prior certification of any officer of such agency that such information will be maintained in confidence and will be used only for
official law enforcement purposes. The custodian may make such material available to any foreign law enforcement agency upon the prior certification of an appropriate official of any such foreign law enforcement agency, either by a prior agreement or memorandum of understanding with the Commission or by other written certification, that such material will be maintained in confidence and will be used only for official law enforcement purposes, if—

(A) the foreign law enforcement agency has set forth a bona fide legal basis for its authority to maintain the material in confidence;

(B) the materials are to be used for purposes of investigating, or engaging in enforcement proceedings related to, possible violations of—

(i) foreign laws prohibiting fraudulent or deceptive commercial practices, or other practices substantially similar to practices prohibited by any law administered by the Commission;

(ii) a law administered by the Commission, if disclosure of the material would further a Commission investigation or enforcement proceeding; or

(iii) with the approval of the Attorney General, other foreign criminal laws, if such foreign criminal laws are offenses defined in or covered by a criminal mutual legal assistance treaty in force between the government of the United States and the foreign law enforcement agency's government;

(C) the appropriate Federal banking agency (as defined in section 1813 (q) of title 12) or, in the case of a Federal credit union, the National Credit Union Administration, has given its prior approval if the materials to be provided under subparagraph (B) are requested by the foreign law enforcement agency for the purpose of investigating, or engaging in enforcement proceedings based on, possible violations of law by a bank, a savings and loan institution described in section 57a (f)(3) of this title, or a Federal credit union described in section 57a (f)(4) of this title; and

(D) the foreign law enforcement agency is not from a foreign state that the Secretary of State has determined, in accordance with section 2405(j) of the Appendix to title 50, has repeatedly provided support for acts of international terrorism, unless and until such determination is rescinded pursuant to section 2405(j)(4) of the Appendix to title 50.

Nothing in the preceding sentence authorizes the disclosure of material obtained in connection with the administration of the Federal antitrust laws or foreign antitrust laws (as defined in paragraphs (5) and (7), respectively, of section 6211 of this title) to any officer or employee of a foreign law enforcement agency.

(7) In the event of the death, disability, or separation from service in the Commission of the custodian of any documentary material, tangible things, written reports or answers to questions, and transcripts of oral testimony produced under any demand issued under this subchapter, or the official relief of the custodian from responsibility for the custody and control of such material, the Commission promptly shall—

(A) designate under paragraph (2)(A) another duly authorized agent to serve as custodian of such material; and

(B) transmit in writing to the person who produced the material or testimony notice as to the identity and address of the successor so designated.

Any successor designated under paragraph (2)(A) as a result of the requirements of this paragraph shall have (with regard to the material involved) all duties and responsibilities imposed by this section upon his predecessor in office with regard to such material, except that he shall not be held responsible for any default or dereliction which occurred before his designation.

(c) Information considered confidential

(1) All information reported to or otherwise obtained by the Commission which is not subject to the requirements of subsection (b) of this section shall be considered confidential when so marked
by the person supplying the information and shall not be disclosed, except in accordance with the
procedures established in paragraph (2) and paragraph (3).

(2) If the Commission determines that a document marked confidential by the person supplying
it may be disclosed because it is not a trade secret or commercial or financial information which
is obtained from any person and which is privileged or confidential, within the meaning of section 46
(f) of this title, then the Commission shall notify such person in writing that the Commission intends
to disclose the document at a date not less than 10 days after the date of receipt of notification.

(3) Any person receiving such notification may, if he believes disclosure of the document would
cause disclosure of a trade secret, or commercial or financial information which is obtained from
any person and which is privileged or confidential, within the meaning of section 46 (f) of this title,
before the date set for release of the document, bring an action in the district court of the United
States for the district within which the documents are located or in the United States District Court
for the District of Columbia to restrain disclosure of the document. Any person receiving such
notification may file with the appropriate district court or court of appeals of the United States, as
appropriate, an application for a stay of disclosure. The documents shall not be disclosed until the
court has ruled on the application for a stay.

(d) Particular disclosures allowed

(1) The provisions of subsection (c) of this section shall not be construed to prohibit—

(A) the disclosure of information to either House of the Congress or to any committee or
subcommittee of the Congress, except that the Commission immediately shall notify the owner
or provider of any such information of a request for information designated as confidential
by the owner or provider;

(B) the disclosure of the results of any investigation or study carried out or prepared by the
Commission, except that no information shall be identified nor shall information be disclosed
in such a manner as to disclose a trade secret of any person supplying the trade secret, or
to disclose any commercial or financial information which is obtained from any person and
which is privileged or confidential;

(C) the disclosure of relevant and material information in Commission adjudicative
proceedings or in judicial proceedings to which the Commission is a party; or

(D) the disclosure to a Federal agency of disaggregated information obtained in accordance
with section 3512 1 of title 44, except that the recipient agency shall use such disaggregated
information for economic, statistical, or policymaking purposes only, and shall not disclose
such information in an individually identifiable form.

(2) Any disclosure of relevant and material information in Commission adjudicative proceedings
or in judicial proceedings to which the Commission is a party shall be governed by the rules of the
Commission for adjudicative proceedings or by court rules or orders, except that the rules of the
Commission shall not be amended in a manner inconsistent with the purposes of this section.

(e) Effect on other statutory provisions limiting disclosure

Nothing in this section shall supersede any statutory provision which expressly prohibits or limits
particular disclosures by the Commission, or which authorizes disclosures to any other Federal agency.

(f) Exemption from public disclosure

(1) In general

Any material which is received by the Commission in any investigation, a purpose of which is to
determine whether any person may have violated any provision of the laws administered by the
Commission, and which is provided pursuant to any compulsory process under this subchapter
or which is provided voluntarily in place of such compulsory process shall not be required to be
disclosed under section 552 of title 5 or any other provision of law, except as provided in paragraph
(2)(B) of this section.
(2) Material obtained from a foreign source

(A) In general

Except as provided in subparagraph (B) of this paragraph, the Commission shall not be required to disclose under section 552 of title 5 or any other provision of law—

(i) any material obtained from a foreign law enforcement agency or other foreign government agency, if the foreign law enforcement agency or other foreign government agency has requested confidential treatment, or has precluded such disclosure under other use limitations, as a condition of providing the material;

(ii) any material reflecting a consumer complaint obtained from any other foreign source, if that foreign source supplying the material has requested confidential treatment as a condition of providing the material; or

(iii) any material reflecting a consumer complaint submitted to a Commission reporting mechanism sponsored in part by foreign law enforcement agencies or other foreign government agencies.

(B) Savings provision

Nothing in this subsection shall authorize the Commission to withhold information from the Congress or prevent the Commission from complying with an order of a court of the United States in an action commenced by the United States or the Commission.

The procedures for delay of notification or prohibition of disclosure under the Right to Financial Privacy Act (12 U.S.C. 3401 et seq.) and chapter 121 of title 18, including procedures for extensions of such delays or prohibitions, shall be available to the Commission, provided that, notwithstanding any provision therein—

(1) a court may issue an order delaying notification or prohibiting disclosure (including extending such an order) in accordance with the procedures of section 1109 of the Right to Financial Privacy Act (12 U.S.C. 3409) (if notification would otherwise be required under that Act), or section 2705 of title 18 (if notification would otherwise be required under chapter 121 of that title), if the presiding judge or magistrate judge finds that there is reason to believe that such notification or disclosure may cause an adverse result as defined in subsection (g) of this section; and

§ 57b–3. Rulemaking process
(a) Definitions
For purposes of this section:
(1) The term “rule” means any rule promulgated by the Commission under section 46 or section 57a of this title, except that such term does not include interpretive rules, rules involving Commission management or personnel, general statements of policy, or rules relating to Commission organization, procedure, or practice. Such term does not include any amendment to a rule unless the Commission—

(A) estimates that such amendment will have an annual effect on the national economy of $100,000,000 or more;

(B) estimates that such amendment will cause a substantial change in the cost or price of goods or services which are used extensively by particular industries, which are supplied extensively in particular geographic regions, or which are acquired in significant quantities by the Federal Government, or by State or local governments; or

(C) otherwise determines that such amendment will have a significant impact upon persons subject to regulation under such amendment and upon consumers.

(2) The term “rulemaking” means any Commission process for formulating or amending a rule.

(b) Notice of proposed rulemaking; regulatory analysis; contents; issuance

(1) In any case in which the Commission publishes notice of a proposed rulemaking, the Commission shall issue a preliminary regulatory analysis relating to the proposed rule involved. Each preliminary regulatory analysis shall contain—

(A) a concise statement of the need for, and the objectives of, the proposed rule;

(B) a description of any reasonable alternatives to the proposed rule which may accomplish the stated objective of the rule in a manner consistent with applicable law; and

(C) for the proposed rule, and for each of the alternatives described in the analysis, a preliminary analysis of the projected benefits and any adverse economic effects and any other effects, and of the effectiveness of the proposed rule and each alternative in meeting the stated objectives of the proposed rule.

(2) In any case in which the Commission promulgates a final rule, the Commission shall issue a final regulatory analysis relating to the final rule. Each final regulatory analysis shall contain—

(A) a concise statement of the need for, and the objectives of, the final rule;

(B) a description of any alternatives to the final rule which were considered by the Commission;

(C) an analysis of the projected benefits and any adverse economic effects and any other effects of the final rule;

(D) an explanation of the reasons for the determination of the Commission that the final rule will attain its objectives in a manner consistent with applicable law and the reasons the particular alternative was chosen; and

(E) a summary of any significant issues raised by the comments submitted during the public comment period in response to the preliminary regulatory analysis, and a summary of the assessment by the Commission of such issues.

(3) (A) In order to avoid duplication or waste, the Commission is authorized to—

(i) consider a series of closely related rules as one rule for purposes of this subsection; and

(ii) whenever appropriate, incorporate any data or analysis contained in a regulatory analysis issued under this subsection in the statement of basis and purpose to accompany any rule promulgated under section 57a (a)(1)(B) of this title, and incorporate by reference in any preliminary or final regulatory analysis information contained in a notice of proposed rulemaking or a statement of basis and purpose.

(B) The Commission shall include, in each notice of proposed rulemaking and in each publication of a final rule, a statement of the manner in which the public may obtain copies of the preliminary and final regulatory analyses. The Commission may charge a reasonable fee.
for the copying and mailing of regulatory analyses. The regulatory analyses shall be furnished without charge or at a reduced charge if the Commission determines that waiver or reduction of the fee is in the public interest because furnishing the information primarily benefits the general public.

(4) The Commission is authorized to delay the completion of any of the requirements established in this subsection by publishing in the Federal Register, not later than the date of publication of the final rule involved, a finding that the final rule is being promulgated in response to an emergency which makes timely compliance with the provisions of this subsection impracticable. Such publication shall include a statement of the reasons for such finding.

(5) The requirements of this subsection shall not be construed to alter in any manner the substantive standards applicable to any action by the Commission, or the procedural standards otherwise applicable to such action.

(c) Judicial review

(1) The contents and adequacy of any regulatory analysis prepared or issued by the Commission under this section, including the adequacy of any procedure involved in such preparation or issuance, shall not be subject to any judicial review in any court, except that a court, upon review of a rule pursuant to section 57a (e) of this title, may set aside such rule if the Commission has failed entirely to prepare a regulatory analysis.

(2) Except as specified in paragraph (1), no Commission action may be invalidated, remanded, or otherwise affected by any court on account of any failure to comply with the requirements of this section.

(3) The provisions of this subsection do not alter the substantive or procedural standards otherwise applicable to judicial review of any action by the Commission.

(d) Regulatory agenda; contents; publication dates in Federal Register

(1) The Commission shall publish at least semiannually a regulatory agenda. Each regulatory agenda shall contain a list of rules which the Commission intends to propose or promulgate during the 12-month period following the publication of the agenda. On the first Monday in October of each year, the Commission shall publish in the Federal Register a schedule showing the dates during the current fiscal year on which the semiannual regulatory agenda of the Commission will be published.

(2) For each rule listed in a regulatory agenda, the Commission shall—

   (A) describe the rule;

   (B) state the objectives of and the legal basis for the rule; and

   (C) specify any dates established or anticipated by the Commission for taking action, including dates for advance notice of proposed rulemaking, notices of proposed rulemaking, and final action by the Commission.

(3) Each regulatory agenda shall state the name, office address, and office telephone number of the Commission officer or employee responsible for responding to any inquiry relating to each rule listed.

(4) The Commission shall not propose or promulgate a rule which was not listed on a regulatory agenda unless the Commission publishes with the rule an explanation of the reasons the rule was omitted from such agenda.

(c) Applicability of subsection (b)

The provisions of subsection (b) of this section shall apply regardless of whether any rule, regulation, statement of interpretation, or statement of approval prescribed or issued by the Board of Governors is amended, rescinded, or held to be invalid by judicial authority or any other authority after a person, partnership, or corporation has engaged in any conduct or practice in good faith reliance upon, and in conformity with, such rule, regulation, statement of interpretation, or statement of approval.

(d) Request for issuance of statement or interpretation concerning conduct or practice

If, in any case in which—

(1) the Board of Governors has rulemaking authority with respect to any Federal law; and

any person, partnership, or corporation submits a request to the Board of Governors for the issuance of any statement of interpretation or statement of approval relating to any conduct or practice of such person, partnership, or corporation which may be subject to the requirements of such Federal law, then the Board of Governors shall dispose of such request as soon as practicable after the receipt of such.

SUBCHAPTER II—PROMOTION OF EXPORT TRADE

§ 61. Export trade; definitions
The words “export trade” wherever used in this subchapter mean solely trade or commerce in goods, wares, or merchandise exported, or in the course of being exported from the United States or any Territory thereof to any foreign nation; but the words “export trade” shall not be deemed to include the production, manufacture, or selling for consumption or for resale, within the United States or any Territory thereof, of such goods, wares, or merchandise, or any act in the course of such production, manufacture, or selling for consumption or for resale.

The words “trade within the United States” wherever used in this subchapter mean trade or commerce among the several States or in any Territory of the United States, or in the District of Columbia, or between any such Territory and another, or between any such Territory or Territories and any State or States or the District of Columbia, or between the District of Columbia and any State or States.

The word “association” wherever used in this subchapter means any corporation or combination, by contract or otherwise, of two or more persons, partnerships, or corporations.

(Apr. 10, 1918, ch. 50, § 1, 40 Stat. 516.)

§ 62. Export trade and antitrust legislation
Nothing contained in the Sherman Act [15 U.S.C. 1 et seq.] shall be construed as declaring to be illegal an association entered into for the sole purpose of engaging in export trade and actually engaged solely in such export trade, or an agreement made or act done in the course of export trade by such association, provided such association, agreement, or act is not in restraint of trade within the United States, and is not in restraint of the export trade of any domestic competitor of such association: Provided, That such association does not, either in the United States or elsewhere, enter into any agreement, understanding, or conspiracy, or do any act which artificially or intentionally enhances or depresses prices within the United States of commodities of the class exported by such association, or which substantially lessens competition within the United States or otherwise restrains trade therein.

(Apr. 10, 1918, ch. 50, § 2, 40 Stat. 517.)

Codification

§ 63. Acquisition of stock of export trade corporation
Nothing contained in section 18 of this title shall be construed to forbid the acquisition or ownership by any corporation of the whole or any part of the stock or other capital of any corporation organized solely for the purpose of engaging in export trade, and actually engaged solely in such export trade, unless the effect of such acquisition or ownership may be to restrain trade or substantially lessen competition within the United States.
§ 64. Unfair methods of competition in export trade
The prohibition against “unfair methods of competition” and the remedies provided for enforcing said prohibition contained in the Federal Trade Commission Act [15 U.S.C. 41 et seq.] shall be construed as extending to unfair methods of competition used in export trade against competitors engaged in export trade, even though the acts constituting such unfair methods are done without the territorial jurisdiction of the United States.

(Apr. 10, 1918, ch. 50, § 4, 40 Stat. 517.)

§ 65. Information required from export trade corporation; powers of Federal Trade Commission
Every association which engages solely in export trade, within thirty days after its creation, shall file with the Federal Trade Commission a verified written statement setting forth the location of its offices or places of business and the names and addresses of all its officers and of all its stockholders or members, and if a corporation, a copy of its certificate or articles of incorporation and bylaws, and if unincorporated, a copy of its articles or contract of association, and on the 1st day of January of each year every association engaged solely in export trade shall make a like statement of the location of its offices or places of business and the names and addresses of all its officers and of all its stockholders or members and of all amendments to and changes in its articles or certificate of incorporation or in its articles or contract of association. It shall also furnish to the Commission such information as the Commission may require as to its organization business, conduct, practices, management, and relation to other associations, corporations, partnerships, and individuals. Any association which shall fail so to do shall not have the benefit of the provisions of sections 62 and 63 of this title, and it shall also forfeit to the United States the sum of $100 for each and every day of the continuance of such failure, which forfeiture shall be payable into the Treasury of the United States, and shall be recoverable in a civil suit in the name of the United States brought in the district where the association has its principal office, or in any district in which it shall do business. It shall be the duty of the various United States attorneys, under the direction of the Attorney General of the United States, to prosecute for the recovery of the forfeiture. The costs and expenses of such prosecution shall be paid out of the appropriation for the expenses of the courts of the United States.

Whenever the Federal Trade Commission shall have reason to believe that an association or any agreement made or act done by such association is in restraint of trade within the United States or in restraint of the export trade of any domestic competitor of such association, or that an association either in the United States or elsewhere has entered into any agreement, understanding,
or conspiracy, or done any act which artificially or intentionally enhances or depresses prices within
the United States of commodities of the class exported by such association, or which substantially
lessens competition within the United States or otherwise restrains trade therein, it shall summon
such association, its officers, and agents to appear before it, and thereafter conduct an investigation
into the alleged violations of law. Upon investigation, if it shall conclude that the law has been
violated, it may make to such association recommendations for the readjustment of its business, in
order that it may thereafter maintain its organization and management and conduct its business in
accordance with law. If such association fails to comply with the recommendations of the Federal
Trade Commission, said Commission shall refer its findings and recommendations to the Attorney
General of the United States for such action thereon as he may deem proper.

For the purpose of enforcing these provisions the Federal Trade Commission shall have all the
powers, so far as applicable, given it in the Federal Trade Commission Act [15 U.S.C. 41 et seq.].

(c) Substitute identification

If any person subject to section 68a of this title with respect to a wool product finds or has reasonable cause to believe its stamp, tag, label, or other means of identification, or substitute therefor under section 68c of this title, does not contain the information required by this subchapter, he may replace same with a substitute containing the information so required.

(d) Designations on linings, paddings, etc.

This section shall not be construed as requiring designation on garments or articles of apparel of fiber content of any linings, paddings, stiffening, trimmings, or facings, except those concerning which express or implied representations of fiber content are customarily made, nor as requiring designation of fiber content of products which have an insignificant or inconsequential textile content: Provided, That if any such article or product purports to contain or in any manner is represented as containing wool, this section shall be applicable thereto and the information required shall be separately set forth and segregated.

The Commission, after giving due notice and opportunity to be heard to interested persons, may determine and publicly announce the classes of such articles concerning which express or implied representations of fiber content are customarily made, and those products which have an insignificant or inconsequential textile content.

§ 68d. Enforcement of subchapter

(a) Authority of Commission

Except as otherwise specifically provided herein, this subchapter shall be enforced by the Federal Trade Commission under rules, regulations, and procedure provided for in the Federal Trade Commission Act.

The Commission is authorized and directed to prevent any person from violating the provisions of this subchapter in the same manner, by the same means, and with the same jurisdiction, powers, and duties as though all applicable terms and provisions of the Federal Trade Commission Act were incorporated into and made a part of this subchapter; and any such person violating the provisions of this subchapter shall be subject to the penalties and entitled to the privileges and immunities provided in said Federal Trade Commission Act in the same manner, by the same means, and with the same jurisdiction, powers, and duties as though the applicable terms and provisions of the Federal Trade Commission Act were incorporated into and made a part of this subchapter.
The Commission is authorized and directed to make rules and regulations for the manner and form of disclosing information required by this subchapter, and for segregation of such information for different portions of a wool product as may be necessary to avoid deception or confusion, and to make such further rules and regulations under and in pursuance of the terms of this subchapter as may be necessary and proper for administration and enforcement.

The Commission is also authorized to cause inspections, analyses, tests, and examinations to be made of any wool products subject to this subchapter; and to cooperate with any department or agency of the Government, with any State, Territory, or possession, or with the District of Columbia; or with any department, agency, or political subdivision thereof; or with any person.

(b) Maintenance of records by wool manufacturers

Every manufacturer of wool products shall maintain proper records showing the fiber content as required by this subchapter of all wool products made by him, and shall preserve such records for at least three years.

The neglect or refusal to maintain and so preserve such records is unlawful, and any such manufacturer who neglects or refuses to maintain and so preserve such records shall forfeit to the United States the sum of $100 for each day of such failure, which shall accrue to the United States and be recoverable in a civil action.

(Oct. 14, 1940, ch. 871, § 6, 54 Stat. 1131.)

§ 68e. Condemnation and injunction proceedings

(a) Grounds for condemnation; disposition of merchandise

Any wool products shall be liable to be proceeded against in the district court of the United States for the district in which found, and to be seized for confiscation by process of libel for condemnation, if the Commission has reasonable cause to believe such wool products are being manufactured or held for shipment, or shipped, or held for sale or exchange after shipment, in commerce in violation of the provisions of this subchapter, and if after notice from the Commission the provisions of this subchapter with respect to said products are not shown to be complied with. Proceedings in such libel cases shall conform as nearly as may be to suits in rem in admiralty, and may be brought by the Commission.

If such wool products are condemned by the court, they shall be disposed of, in the discretion of the court, by destruction; by sale; by delivery to the owner or claimant thereof upon payment of legal costs and charges and upon execution of good and sufficient bond to the effect that such wool products will not be disposed of until properly stamped, tagged, labeled, or otherwise identified under the provisions of this subchapter; or by such charitable disposition as the court may deem proper. If such wool products are disposed of by sale, the proceeds, less legal costs and charges, shall be paid into the Treasury of the United States.

(b) Grounds for temporary injunction or restraining order; issuance without bond

Whenever the Commission has reason to believe that—

(1) Any person is violating, or is about to violate, sections 68a, 68c, 68f, or 68g of this title, and that
(2) It would be to the public interest to enjoin such violation until complaint is issued by the Commission under the Federal Trade Commission Act and such complaint dismissed by the Commission or set aside by the court on review, or until order to cease and desist made thereon by the Commission has become final within the meaning of the Federal Trade Commission Act,
the Commission may bring suit in the district court of the United States or in the United States court of any Territory, for the district or Territory in which such person resides or transacts business, to enjoin such violation, and upon proper showing a temporary injunction or restraining order shall be granted without bond.

(Oct. 14, 1940, ch. 871, § 7, 54 Stat. 1131.)

§ 68f. Exclusion of misbranded wool products

The falsification of, or failure to set forth, said information in said invoices, or the falsification or perjury of the consignee’s declaration provided for in said Act of June 17, 1930, insofar as it relates to said information, shall be an unfair method of competition, and an unfair and deceptive act, or practice, in commerce under the Federal Trade Commission Act; and any person who falsifies, or fails to set forth, said information in said invoices, or who falsifies or perjures said consignee’s declaration insofar as it relates to said information, may thenceforth be prohibited by the Commission from importing, or participating in the importation of, any wool products into the United States except upon filing bond with the Secretary of the Treasury in a sum double the value of said wool products and any duty thereon, conditioned upon compliance with the provisions of this subchapter.

A verified statement from the manufacturer or producer of such wool products showing their fiber content as required under the provisions of this subchapter may be required under regulations prescribed by the Secretary of the Treasury.

§ 70b. Misbranded and falsely advertised textile fiber products

(a) False or deceptive identification
Except as otherwise provided in this subchapter, a textile fiber product shall be misbranded if it is
falsely or deceptively stamped, tagged, labeled, invoiced, advertised, or otherwise identified as to the
name or amount of constituent fibers contained therein.

(b) Stamp, tag, label or other means of identification; contents
Except as otherwise provided in this subchapter, a textile fiber product shall be misbranded if a stamp,
tag, label, or other means of identification, or substitute therefor authorized by section 70c of this title,
is not on or affixed to the product showing in words and figures plainly legible, the following:

(1) The constituent fiber or combination of fibers in the textile fiber product, designating with
equal prominence each natural or manufactured fiber in the textile fiber product by its generic
name in the order of predominance by the weight thereof if the weight of such fiber is 5 per centum
or more of the total fiber weight of the product, but nothing in this section shall be construed as
prohibiting the use of a nondeceptive trademark in conjunction with a designated generic name:
Provided, That exclusive of permissible ornamentation, any fiber or group of fibers present in an
amount of 5 per centum or less by weight of the total fiber content shall not be designated by the
generic name or the trademark of such fiber or fibers, but shall be designated only as “other fiber”
or “other fibers” as the case may be, but nothing in this section shall be construed as prohibiting
the disclosure of any fiber present in a textile fiber product which has a clearly established and
definite functional significance where present in the amount contained in such product.

(2) The percentage of each fiber present, by weight, in the total fiber content of the textile fiber
product, exclusive of ornamentation not exceeding 5 per centum by weight of the total fiber
content: Provided, That, exclusive of permissible ornamentation, any fiber or group of fibers
present in an amount of 5 per centum or less by weight of the total fiber content shall not be designated by the
generic name or trademark of such fiber or fibers, but shall be designated only as “other fiber”
or “other fibers” as the case may be, but nothing in this section shall be construed as prohibiting
the disclosure of any fiber present in a textile fiber product which has a clearly established and
definite functional significance where present in the amount stated: Provided
further, That in the case of a textile fiber product which contains more than one kind of fiber,
deviation in the fiber content of any fiber in such product, from the amount stated on the stamp, tag,
label, or other identification shall not be a misbranding under this section unless such deviation is in excess of reasonable tolerances which shall be established by the Commission: And provided further, That any such deviation which exceeds said tolerances shall not be a misbranding if the person charged proves that the deviation resulted from unavoidable variations in manufacture and despite due care to make accurate the statements on the tag, stamp, label, or other identification.

(3) The name, or other identification issued and registered by the Commission, of the manufacturer of the product or one or more persons subject to section 70a of this title with respect to such product.

For the purposes of this subchapter, a textile fiber product shall be considered to be falsely or deceptively advertised if any disclosure or implication of fiber content is made in any written advertisement which is used to aid, promote, or assist directly or indirectly in the sale or offering for sale of such textile fiber product, unless the same information as that required to be shown on the tag, stamp, label, or other identification under subsection (b)(1) and (2) of this section is contained in the heading, body, or other part of such written advertisement, except that the percentages of the fiber present in the textile fiber product need not be stated.

(d) Additional information allowed

In addition to the information required in this section, the stamp, tag, label, or other means of identification, or advertisement may contain other information not violating the provisions of this subchapter.

(e) Labelling of packages

For purposes of this subchapter, in addition to the textile fiber products contained therein, a package of textile fiber products intended for sale to the ultimate consumer shall be misbranded unless such package has affixed to it a stamp, tag, label, or other means of identification bearing the information required by subsection (b) of this section, with respect to such contained textile fiber products, or is transparent to the extent it allows for the clear reading of the stamp, tag, label, or other means of identification on the textile fiber product, or in the case of hosiery items, this section shall not be construed as requiring the affixing of a stamp, tag, label, or other means of identification to each hosiery product contained in a package if

(1) such hosiery products are intended for sale to the ultimate consumer in such package,

(2) such package has affixed to it a stamp, tag, label, or other means of identification bearing, with respect to the hosiery products contained therein, the information required by subsection (b) of this section, and

(3) the information on the stamp, tag, label, or other means of identification affixed to such package is equally applicable with respect to each textile fiber product contained therein.

(f) Fabric severed from bolts, pieces or rolls of fabric

This section shall not be construed as requiring designation of the fiber content of any portion of fabric, when sold at retail, which is severed from bolts, pieces, or rolls of fabric labeled in accordance with the provisions of this section at the time of such sale: Provided, That if any portion of fabric severed from a bolt, piece, or roll of fabric is in any manner represented as containing percentages of natural or manufactured fibers, other than that which is set forth on the labeled bolt, piece, or roll, this section shall be applicable thereto, and the information required shall be separately set forth and segregated as required by this section.

(g) Advertisement of textile product by use of name or symbol of fur-bearing animal

For the purposes of this subchapter, a textile fiber product shall be considered to be falsely or deceptively advertised if the name or symbol of any fur-bearing animal is used in the advertisement of
such product unless such product, or the part thereof in connection with which the name or symbol of a fur-bearing animal is used, is a fur or fur product within the meaning of the Fur Products Labeling Act [15 U.S.C. 69 et seq.]: Provided, however, That where a textile fiber product contains the hair or fiber of a fur-bearing animal, the name of such animal, in conjunction with the word “fiber”, “hair”, or “blend”, may be used.

(h) Reused stuffing

For the purposes of this subchapter, a textile fiber product shall be misbranded if it is used as stuffing in any upholstered product, mattress, or cushion after having been previously used as stuffing in any other upholstered product, mattress, or cushion, unless the upholstered product, mattress, or cushion containing such textile fiber product bears a stamp, tag, or label approved by the Commission indicating in words plainly legible that it contains reused stuffing.

(i) Mail order catalog or promotional material

For the purposes of this subchapter, a textile fiber product shall be considered to be falsely or deceptively advertised in any mail order catalog or mail order promotional material which is used in the direct sale or direct offering for sale of such textile fiber product, unless such textile fiber product description states in a clear and conspicuous manner that such textile fiber product is processed or manufactured in the United States of America, or imported, or both.

(j) Location of stamp, tag, label, or other identification

For purposes of this subchapter, any textile fiber product shall be misbranded if a stamp, tag, label, or other identification conforming to the requirements of this section is not on or affixed to the inside center of the neck midway between the shoulder seams or, if such product does not contain a neck, in the most conspicuous place on the inner side of such product, unless it is on or affixed on the outer side of such product, or in the case of hosiery items on the outer side of such product or package.

(k) Marking of certain sock products

(1) Notwithstanding any other provision of law, socks provided for in subheading 6115.92.90, 6115.93.90, 6115.99.18, 6111.20.60, 6111.30.50, or 6111.90.50 of the Harmonized Tariff Schedule of the United States, as in effect on September 1, 2003, shall be marked as legibly, indelibly, and permanently as the nature of the article or package will permit in such a manner as to indicate to the ultimate consumer in the United States the English name of the country of origin of the article. The marking required by this subsection shall be on the front of the package, adjacent to the size designation of the product, and shall be set forth in such a manner as to be clearly legible, conspicuous, and readily accessible to the ultimate consumer.

(2) Exceptions.— Any package that contains several different types of goods and includes socks classified under subheading 6115.92.90, 6115.93.90, 6115.99.18, 6111.20.60, 6111.30.50, or 6111.90.50 of the Harmonized Tariff Schedule of the United States, as in effect on September 1, 2003, shall not be subject to the requirements of paragraph (1).
