Amendment of Section

Pub. L. 102–251, title III, §§ 302(a), 308, Mar. 9, 1992, 106 Stat. 64, 66, provided that, effective on the date on which the Agreement between the United States and the Union of Soviet Socialist Republics on the Maritime Boundary, signed June 1, 1990, enters into force for the United States, with authority to prescribe implementing regulations effective Mar. 9, 1992, but with no such regulation to be effective until the date on which the Agreement enters into force for the United States, section is amended by amending subsection (c) generally and adding subsection (h) to read as follows:

References in Text

Section 1811 of this title, referred to in subsec. (c), which established the fishery conservation zone, was amended generally by Pub. L. 99–659, title I, § 101(b), Nov. 14, 1986, 100 Stat. 3706, and now relates to United States sovereign rights to fish and fishery management authority within the exclusive economic zone.
§ 773a. International Pacific Halibut Commission

(a) United States Commissioners

The United States shall be represented on the Commission by three United States Commissioners to be appointed by the President and to serve at his pleasure. The Commissioners shall receive no compensation for their services as Commissioners. Each United States Commissioner shall be appointed for a term of office not to exceed 2 years, but is eligible for reappointment. Any United States Commissioner may be appointed for a term of less than 2 years if such appointment is necessary to ensure that the terms of office of not more than two Commissioners will expire in any 1 year. A vacancy among the United States Commissioners shall be filled by the President in the manner in which the original appointment was made, but any Commissioner appointed to fill a vacancy occurring before the expiration of the term for which the Commissioner’s predecessor was appointed shall be appointed only for the remainder of such term. Of the Commissioners—

(1) one shall be an official of the National Oceanic and Atmospheric Administration; and

(2) two shall be knowledgeable or experienced concerning the Northern Pacific halibut fishery; of these, one shall be a resident of Alaska and the other shall be a nonresident of Alaska. Of the three commissioners described in paragraphs (1) and (2), one shall be a voting member of the North Pacific Fishery Management Council.

(3) Commissioners shall not be considered Federal employees except for the purposes of injury compensation or tort claims liability as provided in section 8101 et seq. of title 5 and section 2671 et seq. of title 28. This subsection shall take effect on the 90th day after May 17, 1982.

(b) Alternate United States Commissioners

The Secretary of State, in consultation with the Secretary, may designate from time to time alternate United States Commissioners to the commission. An Alternate United States Commissioner may exercise, at any meeting of the Commission, all powers and duties of a United States Commissioner.
in the absence of a duly designated Commissioner for whatever reason. The number of such alternate United States Commissioners that may be designated for any such meeting shall be limited to the number of authorized United States Commissioners that will not be present.

§ 773b. Acceptance or rejection of Commission recommendations

The Secretary of State, with the concurrence of the Secretary, may accept or reject, on behalf of the United States, recommendations made by the Commission in accordance with article III of the Convention and paragraphs 14 and 15 of the annex to the Convention.

§ 773c. General responsibility

(a) Secretary of Commerce

The Secretary shall have general responsibility to carry out the Convention and this subchapter.

(b) Adoption of regulations; cooperation with Canadian officials

In fulfilling this responsibility, the Secretary—

(1) shall, in consultation with the Secretary of the department in which the Coast Guard is operating, adopt such regulations as may be necessary to carry out the purposes and objectives of the Convention and this subchapter; and

(2) may, with the concurrence of the Secretary of State, cooperate with the duly authorized officials of the Government of Canada.

(c) Regional Fishery Management Council involvement

The Regional Fishery Management Council having authority for the geographic area concerned may develop regulations governing the United States portion of Convention waters, including limited access regulations, applicable to nationals or vessels of the United States, or both, which are in addition to, and not in conflict with regulations adopted by the Commission. Such regulations shall only be implemented with the approval of the Secretary, shall not discriminate between residents of different States, and shall be consistent with the limited entry criteria set forth in section 1853 (b)(6) of this title. If it becomes necessary to allocate or assign halibut fishing privileges among various United States fishermen, such allocation shall be fair and equitable to all such fishermen, based upon the rights and obligations in existing Federal law, reasonably calculated to promote conservation, and carried out in such manner that no particular individual, corporation, or other entity acquires an excessive share of the halibut fishing privileges: Provided, That the Regional Council may provide for the rural coastal villages of Alaska the opportunity to establish a commercial halibut fishery in areas in the Bering Sea to the north of 56 degrees north latitude during a 3 year development period.

Such agency may accept reimbursement from the Commission.

§ 773e. Prohibited acts

(a) for any person subject to the jurisdiction of the United States—
(1) to violate any provision of the Convention, this subchapter or any regulation adopted under this subchapter;
(2) to refuse to permit any enforcement officer to board a fishing vessel subject to such person’s control for purposes of conducting any search or inspection in connection with the enforcement of the Convention, this subchapter or any regulation adopted under this subchapter;

(6) to interfere with, delay or prevent, by any means, the apprehension, arrest or detention of another person, knowing that such person has committed any act prohibited by this section.

(b) for any foreign fishing vessel, and for the owner or operator of any foreign fishing vessel, to engage in fishing for halibut in the fishery conservation zone, unless such fishing is authorized by, and conducted in accordance with the Convention, this subchapter and regulations adopted under this subchapter.

Amendment of Subsection (b)
Pub. L. 102–251, title III, §§ 302(b), 308, Mar. 9, 1992, 106 Stat. 65, 66, provided that, effective on the date on which the Agreement between the United States and the Union of Soviet Socialist Republics on the Maritime Boundary, signed June 1, 1990, enters into force for the United States, with authority to prescribe implementing regulations effective Mar. 9, 1992, but with no such regulation to be effective until the date on which the Agreement enters into force for the United States, subsection (b) is amended by substituting “exclusive economic zone or special areas” for “fishery conservation zone”.
§ 773f. Civil penalties

(a) Liability; continuing violations; notice; determination of amount

Any person who is found by the Secretary, after notice and opportunity for a hearing in accordance with section 554 of title 5, to have committed an act prohibited by section 773e of this title shall be liable to the United States for a civil penalty. The amount of the civil penalty shall not exceed $200,000 for each violation. Each day of a continuing violation shall constitute a separate offense. The amount of such civil penalty shall be assessed by the Secretary, or his designee, by written notice. In determining the amount of such penalty, the Secretary shall take into account the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violator, the degree of culpability, any history of prior offenses, and such other matters as justice may require. In assessing such penalty, the Secretary may also consider any information provided by the violator relating to the ability of the violator to pay if the information is provided to the Secretary at least 30 days prior to an administrative hearing.

(b) Judicial review

Any person against whom a civil penalty is assessed under subsection (a) of this section may obtain review thereof in the appropriate court of the United States by filing a notice of appeal in such court within 30 days from the date of such order and by simultaneously sending a copy of such notice by certified mail to the Secretary and the Attorney General. The Secretary shall promptly file in such court a certified copy of the record upon which such violation was found or such penalty imposed, in accordance with rules prescribed pursuant to section 2112 of title 28. The findings and order of the Secretary shall be set aside by such court if they are not found to be supported by substantial evidence, as provided in section 706 (2) of title 5.

(c) Recovery of assessed penalties by Attorney General

If any person fails to pay an assessment of a civil penalty after it has become a final and unappealable order, or after the appropriate court has entered final judgment in favor of the Secretary, the Secretary shall refer the matter to the Attorney General of the United States, who shall recover the amount assessed in any appropriate district court of the United States. In such action, the validity and appropriateness of the final order imposing the civil penalty shall not be subject to review.

(d) Compromise, modification, and remission of penalties

The Secretary may compromise, modify, or remit, with or without conditions, any civil penalty which is subject to imposition or which has been imposed under this section.

(e) Revocation or suspension of permit

(C) deny such permit; or

(D) impose additional conditions and restrictions on any permit issued to or applied for by such vessel or person under this subchapter and, with respect to any foreign fishing vessel, on the approved application of the foreign nation involved and on any permit issued under that application.

(3) Factors to be considered

In imposing a sanction under this subsection, the Secretary shall take into account—

(A) the nature, circumstances, extent, and gravity of the prohibited acts for which the sanction is imposed; and

(B) with respect to the violator, the degree of culpability, any history of prior offenses, and such other matters as justice may require.

(4) Transfers of ownership

Transfer of ownership of a vessel, a permit, or any interest in a permit, by sale or otherwise, shall not extinguish any permit sanction that is in effect or is pending at the time of transfer of ownership. Before executing the transfer of ownership of a vessel, permit, or interest in a permit, by sale or otherwise, the owner shall disclose in writing to the prospective transferee the existence of any permit sanction that will be in effect or pending with respect to the vessel, permit, or interest at the time of the transfer.

(5) Reinstatement

In the case of any permit that is suspended under this subsection for nonpayment of a civil penalty, criminal fine, or any amount in settlement of a civil forfeiture, the Secretary shall reinstate the permit upon payment of the penalty, fine, or settlement amount and interest thereon at the prevailing rate.

(6) Hearing

No sanction shall be imposed under this subsection unless there has been prior opportunity for a hearing on the facts underlying the violation for which the sanction is imposed either in conjunction with a civil penalty proceeding under this section or otherwise.

(7) Permit defined

In this subsection, the term “permit” means any license, certificate, approval, registration, charter, membership, exemption, or other form of permission issued by the Commission or the Secretary, and includes any quota share or other transferable quota issued by the Secretary.

§ 773h. Forfeitures

(a) Civil forfeiture proceeding

Any fishing vessel (including its fishing gear, furniture, appurtenances, stores, and cargo) used, and any fish taken or retained, in any manner, in connection with or as a result of the commission of any act prohibited by section 773e of this title shall be subject to forfeiture to the United States. All or part of such vessel may, and all such fish shall, be forfeited to the United States pursuant to a civil proceeding under this section.

(b) United States district court jurisdiction

Any district court of the United States shall have jurisdiction, upon application by the Attorney General on behalf of the United States, to order any forfeiture authorized under subsection (a) of this section and any action provided for under subsection (d) of this section.

(c) Seizure of forfeited property

If a judgment is entered for the United States in a civil forfeiture proceeding under this section, the Attorney General may seize any property or other interest declared forfeited to the United States, which has not previously been seized pursuant to this subchapter or for which security has not previously been obtained under subsection (d) of this section. The provisions of the customs laws relating to—

(1) the disposition of forfeited property;

(2) the proceeds from the sale of forfeited property;
(3) the remission or mitigation of forfeitures; and
(4) the compromise of claims;

shall apply to any forfeiture ordered, and to any case in which forfeiture is alleged to be authorized, under this section, unless such provisions are inconsistent with the purposes, policy, and provisions of this subchapter. The duties and powers imposed upon the Commissioner of Customs or other persons under such provisions shall, with respect to this subchapter, be performed by officers or other persons designated for such purpose by the Secretary.

(d) Bond or other security; disposal of seized fish

(1) Any officer authorized to serve any process in rem which is issued by a court having jurisdiction under section 773i (d) of this title shall—
   (A) stay the execution of such process; or
   (B) discharge any fish seized pursuant to such process;

upon the receipt of a satisfactory bond or other security from any person claiming such property. Such bond or other security shall be conditioned upon such person delivering such property to the appropriate court upon order thereof, without any impairment of its value, or paying the monetary value of such property pursuant to an order of such court. Judgment shall be recoverable on such bond or other security against both the principal and any sureties in the event that any condition thereof is breached, as determined by such court.

(2) Any fish seized pursuant to this subchapter may be disposed of pursuant to the order of a court of competent jurisdiction or, if perishable, in a manner prescribed by regulations of the Secretary or the Secretary of the department in which the Coast Guard is operating.

(e) Presumption of violation

For purposes of this section, it shall be a rebuttable presumption that all fish found on board a fishing vessel which is seized in connection with an act prohibited by section 773e of this title were taken or retained in violation of the Convention and this subchapter.

If a permit has been issued pursuant to this subchapter for such vessel, such officer shall note the issuance of any citation under this subsection, including the date thereof and the reason therefor, on the permit. The Secretary shall maintain a record of all citations issued pursuant to this subsection.

(d) United States district court jurisdiction

the production of any books, papers, or other documents which the Secretary deems relevant or material to the inquiry. Such attendance of witnesses and the production of such documentary evidence may be required from any place in the United States at any designated place or hearing.

(3) Process of the Secretary may be served by anyone duly authorized by him either—

A) by delivering a copy thereof to the individual to be served, or to a member of the partnership to be served, or the president, secretary, or other executive officer or a director of the corporation to be served; or the agent designated for service of process;

B) by leaving a copy thereof at the residence or the principal office or place of business of such individual, partnership, or corporation; or
