§ 7101. Composition of Board of Veterans’ Appeals

(a) There is in the Department a Board of Veterans’ Appeals (hereinafter in this chapter referred to as the “Board”). The Board is under the administrative control and supervision of a chairman directly responsible to the Secretary. The Board shall consist of a Chairman, a Vice Chairman, and such number of members as may be found necessary in order to conduct hearings and dispose of appeals properly before the Board in a timely manner. The Board shall have such other professional, administrative, clerical, and stenographic personnel as are necessary in conducting hearings and considering and disposing of appeals properly before the Board. The Board shall have sufficient personnel under the preceding sentence to enable the Board to conduct hearings and consider and dispose of appeals properly before the Board in a timely manner.

(b) (1) The Chairman shall be appointed by the President, by and with the advice and consent of the Senate, for a term of six years. The Chairman shall be subject to the same ethical and legal limitations and restrictions concerning involvement in political activities as apply to judges of the United States Court of Appeals for Veterans Claims.

(2) The Chairman may be removed by the President for misconduct, inefficiency, neglect of duty, or engaging in the practice of law or for physical or mental disability which, in the opinion of
the President, prevents the proper execution of the Chairman’s duties. The Chairman may not be removed from office by the President on any other grounds. Any such removal may only be made after notice and opportunity for hearing.

(3) The Chairman may be appointed under this subsection to more than one term. If, upon the expiration of the term of office for which the Chairman was appointed, the position of Chairman would become vacant, the individual serving as Chairman may, with the approval of the Secretary, continue to serve as Chairman until either appointed to another term or a successor is appointed, but not beyond the end of the Congress during which the term of office expired.

(4) The Secretary shall designate one member of the Board as Vice Chairman. The Vice Chairman shall perform such functions as the Chairman may specify. Such member shall serve as Vice Chairman at the pleasure of the Secretary.

c
(1) (A) The Chairman may from time to time designate one or more employees of the Department to serve as acting members of the Board. Except as provided in subparagraph (B), any such designation shall be for a period not to exceed 90 days, as determined by the Chairman.

(B) An individual designated as an acting member of the Board may continue to serve as an acting member of the Board in the making of any determination on a proceeding for which the individual was designated as an acting member of the Board, notwithstanding the termination of the period of designation of the individual as an acting member of the Board under subparagraph (A) or (C).

(C) An individual may not serve as an acting member of the Board for more than 270 days during any one-year period.

(D) At no time may the number of acting members exceed 20 percent of the total of the number of Board members and acting Board members combined.

(2) In each annual report to the Congress under section 529 of this title, the Secretary shall provide detailed descriptions of the activities undertaken and plans made in the fiscal year for which the report is made with respect to the authority provided by paragraph (1) of this subsection. In each such report, the Secretary shall indicate, in terms of full-time employee equivalents, the number of acting members of the Board designated under such paragraph (1) during the year for which the report is made.

d
(1) After the end of each fiscal year, the Chairman shall prepare a report on the activities of the Board during that fiscal year and the projected activities of the Board for the fiscal year during which the report is prepared and the next fiscal year. Such report shall be included in the documents providing detailed information on the budget for the Department that the Secretary submits to the Congress in conjunction with the President’s budget submission for any fiscal year pursuant to section 1105 of title 31.

(2) Each such report shall include, with respect to the preceding fiscal year, information specifying—

(A) the number of cases appealed to the Board during that year;

(B) the number of cases pending before the Board at the beginning and at the end of that year;

(C) the number of such cases which were filed during each of the 36 months preceding the current fiscal year;

(D) the average length of time a case was before the Board between the time of the filing of an appeal and the disposition during the preceding fiscal year;

(E) the number of members of the Board at the end of the year and the number of professional, administrative, clerical, stenographic, and other personnel employed by the Board at the end of the preceding fiscal year; and
(F) the number of employees of the Department designated under subsection (c)(1) to serve as acting members of the Board during that year and the number of cases in which each such member participated during that year.

(3) The projections in each such report for the current fiscal year and for the next fiscal year shall include (for each such year)—

(A) an estimate of the number of cases to be appealed to the Board; and

(B) an evaluation of the ability of the Board (based on existing and projected personnel levels) to ensure timely disposition of such appeals as required by section 7101 (a) of this title.

(e) A performance incentive that is authorized by law for officers and employees of the Federal Government may be awarded to a member of the Board (including an acting member) by reason of that member’s service on the Board only if the Chairman of the Board determines that such member should be awarded that incentive. A determination by the Chairman for such purpose shall be made taking into consideration the quality of performance of the Board member.

§ 7101A. Members of Board: appointment; pay; performance review

(a) (1) The members of the Board of Veterans’ Appeals other than the Chairman (and including the Vice Chairman) shall be appointed by the Secretary, with the approval of the President, based upon recommendations of the Chairman.

(2) Each member of the Board shall be a member in good standing of the bar of a State.

(b) Members of the Board (other than the Chairman and any member of the Board who is a member of the Senior Executive Service) shall, in accordance with regulations prescribed by the Secretary, be paid basic pay at rates equivalent to the rates payable under section 5372 of title 5.

(c) (1) (A) The Chairman shall establish a panel to review the performance of members of the Board. The panel shall be comprised of the Chairman and two other members of the Board (other than the Vice Chairman). The Chairman shall periodically rotate membership on the panel so as to ensure that each member of the Board (other than the Vice Chairman) serves as a member of the panel for and within a reasonable period.

(B) Not less than one year after the job performance standards under subsection (f) are initially established, and not less often than once every three years thereafter, the performance review panel shall determine, with respect to each member of the Board (other than the Chairman or a member who is a member of the Senior Executive Service), whether that member’s job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f). Each such determination shall be in writing.

(2) If the determination of the performance review panel in any case is that the member’s job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f), the Chairman shall recertify the member’s appointment as a member of the Board.

(3) If the determination of the performance review panel in any case is that the member’s job performance does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall, based upon the individual circumstances, either—

(A) grant the member a conditional recertification; or

(B) recommend to the Secretary that the member be noncertified.

(4) In the case of a member of the Board who is granted a conditional recertification under paragraph (3)(A) or (5)(A), the performance review panel shall review the member’s job performance record and make a further determination under paragraph (1) concerning that member not later than one year after the date of the conditional recertification. If the determination of the performance review panel at that time is that the member’s job performance as a member of the
Board still does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall recommend to the Secretary that the member be noncertified.

(5) In a case in which the Chairman recommends to the Secretary under paragraph (3) or (4) that a member be noncertified, the Secretary, after considering the recommendation of the Chairman, may either—

(A) grant the member a conditional recertification; or

(B) determine that the member should be noncertified.

(d) (1) If the Secretary, based upon the recommendation of the Chairman, determines that a member of the Board should be noncertified, that member’s appointment as a member of the Board shall be terminated and that member shall be removed from the Board.

(B) The Secretary is not required to make an appointment to an attorney position under this paragraph if the Secretary determines that the member of the Board removed under paragraph (1) is not qualified for the position.

(e) (1) A member of the Board (other than the Chairman or a member of the Senior Executive Service) may be removed as a member of the Board by reason of job performance only as provided in subsections (c) and (d). Such a member may be removed by the Secretary, upon the recommendation of the Chairman, for any other reason as determined by the Secretary.

(2) In the case of a removal of a member under this section for a reason other than job performance that would be covered by section 7521 of title 5 in the case of an administrative law judge, the removal of the member of the Board shall be carried out subject to the same requirements as apply to removal of an administrative law judge under that section. Section 554 (a)(2) of title 5 shall not apply to a removal action under this subsection. In such a removal action, a member shall have the rights set out in section 7513(b) of that title.

(f) The Chairman, subject to the approval of the Secretary, shall establish standards for the performance of the job of a member of the Board (other than the Chairman or a member of the Senior Executive Service). Those standards shall establish objective and fair criteria for evaluation of the job performance of a member of the Board.

(C) The decision on each issue and a summary of the reasons for such decision.

(2) A statement of the case, as required by this subsection, will not disclose matters that would be contrary to section 5701 of this title or otherwise contrary to the public interest. Such matters may be disclosed to a designated representative unless the relationship between the claimant and the representative is such that disclosure to the representative would be as harmful as if made to the claimant.

(3) Copies of the “statement of the case” prescribed in paragraph (1) of this subsection will be submitted to the claimant and to the claimant’s representative, if there is one. The claimant will be afforded a period of sixty days from the date the statement of the case is mailed to file the formal appeal. This may be extended for a reasonable period on request for good cause shown. The appeal should set out specific allegations of error of fact or law, such allegations related to specific items in the statement of the case. The benefits sought on appeal must be clearly identified. The agency of original jurisdiction may close the case for failure to respond after receipt of the statement of the case, but questions as to timeliness or adequacy of response shall be determined by the Board of Veterans’ Appeals.

(4) The claimant in any case may not be presumed to agree with any statement of fact contained in the statement of the case to which the claimant does not specifically express agreement.

(5) The Board of Veterans’ Appeals may dismiss any appeal which fails to allege specific error of fact or law in the determination being appealed.

Amendments

§ 7105A. Simultaneously contested claims

(a) In simultaneously contested claims where one is allowed and one rejected, the time allowed for the filing of a notice of disagreement shall be sixty days from the date notice of the adverse action is mailed. In such cases the agency of original jurisdiction shall promptly notify all parties in interest at the last known address of the action taken, expressly inviting attention to the fact that notice of disagreement will not be entertained unless filed within the sixty-day period prescribed by this subsection.

(b) Upon the filing of a notice of disagreement, all parties in interest will be furnished with a statement of the case in the same manner as is prescribed in section 7105. The party in interest who filed a notice of disagreement will be allowed thirty days from the date of mailing of such statement of the case in which to file a formal appeal. Extension of time may be granted for good cause shown but with consideration to the interests of the other parties involved. The substance of the appeal will be communicated to the other party or parties in interest and a period of thirty days will be allowed for filing a brief or argument in answer thereto. Such notice shall be forwarded to the last known address of record of the parties concerned, and such action shall constitute sufficient evidence of notice.

(2) A case referred to in paragraph (1) may, for cause shown, be advanced on motion for earlier consideration and determination. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only—

(B) The effective date of a termination of the term under subparagraph (A) shall be the date on which the chief judge leaves regular active service or the date of the notification under subparagraph (A)(ii), as the case may be.

(5) If a chief judge is temporarily unable to perform the duties of chief judge, those duties shall be performed by the judge of the Court in active service who is present, able and qualified to act, and is next in precedence.

(6) Judges who have the same seniority in commission shall be eligible for service as chief judge in accordance with their relative precedence.

The grounds for removal from office specified in subsection (f)(1) shall provide a basis for a determination pursuant to section 354 (b) or 355 of title 28, and certification and transmittal by the Conference shall be made to the President for consideration under subsection (f).

(3) (A) In conducting hearings pursuant to paragraph (1), the Court may exercise the authority provided under section 1821 of title 28 to pay the fees and allowances described in that section.

In either case, such an appointment may be made only pursuant to a nomination made before October 1, 2004.

(3) The term of office and the eligibility for retirement of a judge appointed under this subsection, other than a judge described in paragraph (4), are governed by the provisions of section 1012 of the Court of Appeals for Veterans Claims Amendments of 1999 (title X of Public Law 106–117; 113 Stat. 1590; 38 U.S.C. 7296 note ) if the judge is one of the first two judges appointed to the Court after November 30, 1999.

(4) A judge of the Court as of December 27, 2001, who was appointed to the Court before January 1, 1991, may accept appointment as a judge of the Court under this subsection notwithstanding that the term of office of the judge on the Court has not yet expired under this section. The term of office of an incumbent judge who receives an appointment as described in the preceding sentence shall be 15 years, which includes any period remaining in the unexpired term of the judge. Any service following an appointment under this subsection shall be treated as though served as part of the original term of office of that judge on the Court.

(5) Notwithstanding paragraph (1), an appointment may not be made to the Court if the appointment would result in there being more than seven judges on the Court who were appointed after January 1, 1997. For the purposes of this paragraph, a judge serving in recall status under
section 7257 of this title shall be disregarded in counting the number of judges appointed to the Court after such date.

If such a notice is filed within such time, such a decision shall become final—

(1) upon the expiration of the time allowed for filing a petition for certiorari with the Supreme Court of the United States, if the decision of the Court of Appeals for Veterans Claims is affirmed or the appeal is dismissed by the United States Court of Appeals for the Federal Circuit and no petition for certiorari is duly filed;

(2) upon the denial of a petition for certiorari, if the decision of the Court of Appeals for Veterans Claims is affirmed or the appeal is dismissed by the United States Court of Appeals for the Federal Circuit; or

(3) upon the expiration of 30 days from the date of issuance of the mandate of the Supreme Court, if that Court directs that the decision of the Court of Appeals for Veterans Claims be affirmed or the appeal dismissed.

(2) If the decision of the Court of Appeals for Veterans Claims is modified or reversed by the United States Court of Appeals for the Federal Circuit and if—

(A) the time allowed for filing a petition for certiorari has expired and no such petition has been duly filed, or

(B) the petition for certiorari has been denied, or

§ 7292. Review by United States Court of Appeals for the Federal Circuit

(a) After a decision of the United States Court of Appeals for Veterans Claims is entered in a case, any party to the case may obtain a review of the decision with respect to the validity of a decision of the Court on a rule of law or of any statute or regulation (other than a refusal to review the schedule of ratings for disabilities adopted under section 1155 of this title) or any interpretation thereof (other than a determination as to a factual matter) that was relied on by the Court in making the decision. Such a review shall be obtained by filing a notice of appeal with the Court of Appeals for Veterans Claims within the time and in the manner prescribed for appeal to United States courts of appeals from United States district courts.

(b) (1) When a judge or panel of the Court of Appeals for Veterans Claims, in making an order not otherwise appealable under this section, determines that a controlling question of law is involved with respect to which there is a substantial ground for difference of opinion and that there is in fact a disagreement between the appellant and the Secretary with respect to that question of law and that the ultimate termination of the case may be materially advanced by the immediate consideration of that question, the judge or panel shall notify the chief judge of that determination. Upon receiving such a notification, the chief judge shall certify that such a question is presented, and any party to the case may then petition the Court of Appeals for the Federal Circuit to decide the question. That court may permit an interlocutory appeal to be taken on that question if such a petition is filed within 10 days after the certification by the chief judge of the Court of Appeals for Veterans Claims. Neither the application for, nor the granting of, an appeal under this paragraph shall stay proceedings in the Court of Appeals for Veterans Claims, unless a stay is ordered by a judge of the Court of Appeals for Veterans Claims or by the Court of Appeals for the Federal Circuit.

(2) For purposes of subsections (d) and (e) of this section, an order described in this paragraph shall be treated as a decision of the Court of Appeals for Veterans Claims.

(c) The United States Court of Appeals for the Federal Circuit shall have exclusive jurisdiction to review and decide any challenge to the validity of any statute or regulation or any interpretation thereof brought under this section, and to interpret constitutional and statutory provisions, to the extent
presented and necessary to a decision. The judgment of such court shall be final subject to review by the Supreme Court upon certiorari, in the manner provided in section 1254 of title 28.

(d) (1) The Court of Appeals for the Federal Circuit shall decide all relevant questions of law, including interpreting constitutional and statutory provisions. The court shall hold unlawful and set aside any regulation or any interpretation thereof (other than a determination as to a factual matter) that was relied upon in the decision of the Court of Appeals for Veterans Claims that the Court of Appeals for the Federal Circuit finds to be—

(A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;
(B) contrary to constitutional right, power, privilege, or immunity;
(C) in excess of statutory jurisdiction, authority, or limitations, or in violation of a statutory right; or
(D) without observance of procedure required by law.

(2) Except to the extent that an appeal under this chapter presents a constitutional issue, the Court of Appeals may not review

(A) a challenge to a factual determination, or
(B) a challenge to a law or regulation as applied to the facts of a particular case.

(e) (1) Upon such review, the Court of Appeals for the Federal Circuit shall have power to affirm or, if the decision of the Court of Appeals for Veterans Claims is not in accordance with law, to modify or reverse the decision of the Court of Appeals for Veterans Claims or to remand the matter, as appropriate.

(2) Rules for review of decisions of the Court of Appeals for Veterans Claims shall be those prescribed by the Supreme Court under section 2072 of title 28.

Retired pay under this subsection shall be paid in the same manner as the salary of a judge.

§ 7297. Survivor annuities

(a) For purposes of this section:

(1) The term “Court” means the United States Court of Appeals for Veterans Claims.

(2) The term “judge” means a judge of the Court who is in active service or who has retired under section 7296 of this title.

(3) The term “pay” means salary received under section 7253 (e) of this title and retired pay received under section 7296 of this title.

(4) The term “retirement fund” means the Court of Appeals for Veterans Claims Retirement Fund established under section 7298 of this title.

(5) The term “surviving spouse” means a surviving spouse of an individual who

(A) was married to such individual for at least one year immediately preceding the individual’s death, or

(B) is a parent of issue by the marriage.

(6) The term “dependent child” has the meaning given the term “child” in section 376 (a)(5) of title 28.

(7) The term “Member of Congress” means a Representative, a Senator, a Delegate to Congress, or the Resident Commissioner of Puerto Rico.

(8) The term “assassination” as applied to a judge shall have the meaning provided that term in section 376 (a)(7) of title 28 as applied to a judicial official.

(b) A judge may become a participant in the annuity program under this section by filing a written election under this subsection while in office or within six months after the date on which the judge marries if the judge has retired under section 7296 of this title. Any such election shall be made in such manner as may be prescribed by the Court.

(c) There shall be deducted and withheld each pay period from the pay of a judge who has made an election under subsection (b) of this section a sum equal to that percentage of the judge’s pay that is the same as provided for the deduction from the salary or retirement salary of a judge of the United States Court of Federal Claims for the purpose of a survivor annuity under section 376 (b)(1)(B) of title 28. Amounts so deducted and withheld shall be deposited in the retirement fund. A judge who makes an election under subsection (b) of this section shall be considered by that election to agree to the deductions from the judge’s pay required by this subsection.

(d) (1) A judge who makes an election under subsection (b) of this section shall deposit, with interest at 3 percent per year compounded on December 31 of each year, to the credit of the retirement fund, an amount equal to 3.5 percent of the judge’s pay and of the judge’s basic salary, pay, or compensation for service as a Member of Congress, and for any other civilian service within the purview of section 8332 of title 5. Each such judge may elect to make such deposits in installments during the judge’s period of service in such amount and under such conditions as may...
be determined in each instance by the chief judge. Notwithstanding the failure of a judge to make such deposit, credit shall be allowed for the service rendered, but the annual annuity of the surviving spouse of such judge shall be reduced by an amount equal to 10 percent of the amount of such deposit, computed as of the date of the death of such judge, unless the surviving spouse elects to eliminate such service entirely from credit under subsection (k) of this section. However, a deposit shall not be required from a judge for any year with respect to which deductions from the judge’s pay, or a deposit, were actually made (and not withdrawn) under the civil service retirement laws.

(2) The interest required under the first sentence of paragraph (1) shall not be required for any period—

(A) during which a judge was separated from any service described in section 376 (d)(2) of title 28; and

(B) during which the judge was not receiving retired pay based on service as a judge or receiving any retirement salary as described in section 376 (d)(1) of title 28.

(e) If the service of a judge who makes an election under subsection (b) of this section terminates other than pursuant to the provisions of section 7296 of this title, or if any judge ceases to be married after making the election under subsection (b) of this section and revokes (in a writing filed as provided in subsection (b) of this section) such election, the amount credited to the judge’s individual account (together with interest at 3 percent per year compounded on December 31 of each year to the date of the judge’s relinquishment of office) shall be returned to the judge. For the purpose of this section, the service of a judge making an election under subsection (b) of this section shall be considered to have terminated pursuant to section 7296 of this title if—

(1) the judge is not reappointed following expiration of the term for which appointed; and

(2) at or before the time of the expiration of that term, the judge is eligible for and elects to receive retired pay under section 7296 of this title.

(f) (1) If a judge who makes an election under subsection (b) of this section dies after having rendered at least 18 months of civilian service (computed as prescribed in subsection (1) of this section), for the last 18 months of which the salary deductions provided for by subsection (e) of this section or the deposits required by subsection (d) of this section have actually been made (and not withdrawn) or the salary deductions required by the civil service retirement laws have actually been made (and not withdrawn)—

(A) if the judge is survived by a surviving spouse but not by a dependent child, there shall be paid to the surviving spouse an annuity beginning with the day of the death of the judge, in an amount computed as provided in subsection (k) of this section; or

(B) if the judge is survived by a surviving spouse and a dependent child or children, there shall be paid to the surviving spouse an immediate annuity in an amount computed as provided in subsection (k) of this section and there shall also be paid to or on behalf of each such child an immediate annuity equal to the lesser of—

(i) 10 percent of the average annual pay of such judge (determined in accordance with subsection (k) of this section), or

(ii) 20 percent of such average annual pay, divided by the number of such children; or

(C) if the judge is not survived by a surviving spouse but is survived by a dependent child or children, there shall be paid to or on behalf of each such child an immediate annuity equal to the lesser of—

(i) 20 percent of the average annual pay of such judge (determined in accordance with subsection (k) of this section), or

(ii) 40 percent of such average annual pay, divided by the number of such children.

(2) The annuity payable to a surviving spouse under this subsection shall be terminated—

(A) upon the surviving spouse’s death; or
(B) upon the remarriage of the surviving spouse before age 55.

(3) The annuity payable to a child under this subsection shall be terminated upon the child’s death.

(4) In case of the death of a surviving spouse of a judge leaving a dependent child or children of the judge surviving the spouse, the annuity of such child or children under paragraph (1)(B) of this subsection shall be recomputed and paid as provided in paragraph (1)(C) of this subsection. In any case in which the annuity of a dependent child is terminated, the annuities of any remaining dependent child or children, based upon the service of the same judge, shall be recomputed and paid as though the child whose annuity was so terminated had not survived the judge.

(5) If a judge dies as a result of an assassination and leaves a survivor or survivors who are otherwise entitled to receive annuity payments under this section, the 18-month requirement in the matter in paragraph (1) preceding subparagraph (A) shall not apply.

(g) Questions of family relationships, dependency, and disability arising under this section shall be determined in the same manner as such questions arising under chapter 84 of title 5 are determined.

(h) (1) If—

   (A) a judge making an election under subsection (b) of this section dies while in office

      (i) before having rendered 5 years of civilian service computed as prescribed in subsection (l) of this section, or

      (ii) after having rendered 5 years of such civilian service but without a survivor entitled to annuity benefits provided by subsection (f) of this section; or

   (B) the right of all persons entitled to an annuity under subsection (f) of this section based on the service of such judge terminates before a claim for such benefits has been established,

   the total amount credited to the individual account of such judge (with interest at 3 percent per year, compounded on December 31 of each year, to the date of the death of such judge) shall be paid in the manner specified in paragraph (2) of this subsection.

(2) An amount payable under paragraph (1) of this subsection shall be paid, upon the establishment of a valid claim therefor, to the person or persons surviving at the date title to the payment arises, in the following order of precedence:

   (A) To the beneficiary or beneficiaries whom the judge designated in writing filed before death with the chief judge (except that in the case of the chief judge such designation shall be filed before death as prescribed by the Court).

   (B) To the surviving spouse of the judge.

   (C) To the child or children of the judge (and the descendants of any deceased children by representation).

   (D) To the parents of the judge or the survivor of them.

   (E) To the executor or administrator of the estate of the judge.

   (F) To such other next of kin of the judge as may be determined by the chief judge to be entitled under the laws of the domicile of the judge at the time of the judge’s death.

(3) Determination as to the surviving spouse, child, or parent of a judge for the purposes of paragraph (2) of this subsection shall be made without regard to the definitions in subsection (a) of this section.

(4) Payment under this subsection in the manner provided in this subsection shall be a bar to recovery by any other person.

(5) In a case in which the annuities of all persons entitled to annuity based upon the service of a judge terminate before the aggregate amount of annuity paid equals the total amount credited to the individual account of such judge (with interest at 3 percent per year, compounded on December 31 of each year to the date of the death of the judge), the difference shall be paid, upon establishment of a valid claim therefor, in the order of precedence prescribed in paragraph (2) of this subsection.
(6) Any accrued annuity remaining unpaid upon the termination (other than by death) of the annuity of any individual based upon the service of a judge shall be paid to that individual. Any accrued annuity remaining unpaid upon the death of an individual receiving an annuity based upon the service of a judge shall be paid, upon the establishment of a valid claim therefor, in the following order of precedence:

(A) To the executor or administrator of the estate of that person.

(B) After 30 days after the date of the death of such individual, to such individual or individuals as may appear in the judgment of the chief judge to be legally entitled thereto.

Such payment shall be a bar to recovery by any other individual.

(i) When a payment under this section is to be made to a minor, or to a person mentally incompetent or under other legal disability adjudged by a court of competent jurisdiction, the payment may be made to the person who is constituted guardian or other fiduciary by the law of the State of residence of such claimant or is otherwise legally vested with the care of the claimant or the claimant’s estate. If no guardian or other fiduciary of the person under legal disability has been appointed under the laws of the State of residence of the claimant, the chief judge shall determine the person who is otherwise legally vested with the care of the claimant or the claimant’s estate.

(j) Annuities under this section shall accrue monthly and shall be due and payable in monthly installments on the first business day of the month following the month or other period for which the annuity has accrued. An annuity under this section is not assignable, either in law or in equity, or subject to execution, levy, attachment, garnishment, or other legal process.

(k) (1) The annuity of the surviving spouse of a judge making an election under subsection (b) of this section shall be an amount equal to the sum of the following:

(A) The product of—

(i) 1.5 percent of the judge’s average annual pay; and

(ii) the sum of the judge’s years of judicial service, the judge’s years of prior allowable service as a Member of Congress, the judge’s years of prior allowable service performed as a member of the Armed Forces, and the judge’s years, not exceeding 15, of prior allowable service performed as a congressional employee (as defined in section 2107 of title 5).

(B) Three-fourths of 1 percent of the judge’s average annual pay multiplied by the judge’s years of allowable service not counted under subparagraph (A) of this paragraph.

(2) An annuity computed under this subsection may not exceed 50 percent of the judge’s average annual pay and may not be less than 25 percent of such average annual pay. Such annuity shall be further reduced in accordance with subsection (d) of this section (if applicable).

(3) For purposes of this subsection, the term “average annual pay”, with respect to a judge, means the average annual pay received by the judge for judicial service (including periods in which the judge received retired pay under section 7296 (d) of this title) or for any other prior allowable service during the period of three consecutive years in which the judge received the largest such average annual pay.

(l) Subject to subsection (d) of this section, the years of service of a judge which are allowable as the basis for calculating the amount of the annuity of the judge’s surviving spouse shall include the judge’s years of service as a judge of the Court, the judge’s years of service as a Member of Congress, the judge’s years of active service as a member of the Armed Forces not exceeding 5 years in the aggregate and not including any such service for which credit is allowed for the purposes of retirement or retired pay under any other provision of law, and the judge’s years of any other civilian service within the purview of section 8332 of title 5.

(m) Nothing contained in this section shall be construed to prevent a surviving spouse eligible therefor from simultaneously receiving an annuity under this section and any annuity to which such spouse would otherwise be entitled under any other law without regard to this section, but in computing such
other annuity service used in the computation of such spouse’s annuity under this section shall not be credited.

(n) A judge making an election under subsection (b) of this section shall, at the time of such election, waive all benefits under the civil service retirement laws except section 8440d of title 5. Such a waiver shall be made in the same manner and shall have the same force and effect as an election filed under section 7296 (d) of this title.

(o) Each survivor annuity payable from the retirement fund shall be increased at the same time as, and by the same percentage by which, annuities payable from the Judicial Survivors’ Annuities Fund are increased pursuant to section 376 (m) of title 28.

(E) To an entity described in paragraph (1)(B) of section 5701 (k) of this title, but only to the extent authorized by such section.

(c) Except as authorized by a court order granted under subsection (b)(2)(D), no record referred to in subsection (a) may be used to initiate or substantiate any criminal charges against, or to conduct any investigation of, a patient or subject.

(d) The prohibitions of this section shall continue to apply to records concerning any person who has been a patient or subject, irrespective of whether or when such person ceases to be a patient.

(e) The prohibitions of this section shall not prevent any interchange of records—

(4) (A) In determining the amount of market pay for physicians or dentists, the Secretary shall consult two or more national surveys of pay for physicians or dentists, as applicable, whether prepared by private, public, or quasi-public entities in order to make a general assessment of the range of pays payable to physicians or dentists, as applicable.

(B) (i) In determining the amount of the market pay for a particular physician or dentist under this subsection, and in determining a tier (if any) to apply to a physician or dentist under subsection (e)(1)(B), the Secretary shall consult with and consider the recommendations of an appropriate panel or board composed of physicians or dentists (as applicable). The Secretary may exempt physicians and dentists occupying administrative or executive leadership positions from the requirements of the previous sentence.

(ii) A physician or dentist may not be a member of the panel or board that makes recommendations under clause (i) with respect to the market pay of such physician or dentist, as the case may be.

(iii) The Secretary should, to the extent practicable, ensure that a panel or board consulted under this subparagraph includes physicians or dentists (as applicable) who are practicing clinicians and who do not hold management positions in the medical facility of the Department at which the physician or dentist subject to the consultation is employed.
(5) The determination of the amount of market pay of a physician or dentist shall take into account—

The amount of market pay may be adjusted as the result of an evaluation under this paragraph. A physician or dentist whose market pay is evaluated under this paragraph shall receive written notice of the results of such evaluation in accordance with procedures prescribed under section 7433 of this title.

(7) No adjustment of the amount of market pay of a physician or dentist under paragraph (6) may result in a reduction of the amount of market pay of the physician or dentist while in the same position or assignment at the medical facility of the Department concerned, unless there is a change in board certification or reduction of privileges.

(d) Performance Pay.—

(1) One element of pay for physicians and dentists shall be performance pay.

(2) Performance pay shall be paid to a physician or dentist on the basis of the physician’s or dentist’s achievement of specific goals and performance objectives prescribed by the Secretary.

(4) The amount of the performance pay payable to a physician or dentist may vary annually on the basis of individual achievement or attainment of the goals or objectives applicable to the physician or dentist under paragraph (2).

(5) The amount of performance pay payable to a physician or dentist in a fiscal year shall be determined in accordance with regulations prescribed by the Secretary, but may not exceed the lower of—

(A) $15,000; or

(B) the amount equal to 7.5 percent of the sum of the base pay and the market pay payable to such physician or dentist in that fiscal year.

(e) Requirements and Limitations on Total Pay.—

(1) (A) Not less often than once every two years, the Secretary shall prescribe for Department-wide applicability the minimum and maximum amounts of annual pay that may be paid under this section to physicians and the minimum and maximum amounts of annual pay that may be paid under this section to dentists.

(B) The Secretary may prescribe for Department-wide applicability under this paragraph separate minimum and maximum amounts of pay for a specialty or assignment. If the Secretary prescribes separate minimum and maximum amounts for a specialty or assignment,
the Secretary may establish up to four tiers of minimum and maximum amounts for such specialty or assignment and prescribe for each tier a minimum amount and a maximum amount that the Secretary determines appropriate for the professional responsibilities, professional achievements, and administrative duties of the physicians or dentists (as the case may be) whose pay is set within that tier.

(C) Amounts prescribed under this paragraph shall be published in the Federal Register, and shall not take effect until at least 60 days after the date of publication.

(2) Except as provided in paragraph (3) and subject to paragraph (4), the sum of the total amount of the annual rate of base pay payable to a physician or dentist under subsection (b) and the market pay determined for the physician or dentist under subsection (c) may not be less than the minimum amount, nor more than the maximum amount, applicable to specialty or assignment of the physician or dentist under paragraph (1).

(3) The sum of the total amount of the annual rate of base pay payable to a physician or dentist under subsection (b) and the market pay determined for the physician or dentist under subsection (c) may exceed the maximum amount applicable to the specialty or assignment of the physician or dentist under paragraph (1) as a result of an adjustment under paragraph (3) or (4) of subsection (b).

(g) Ancillary Effects of Decreases in Pay.—

(1) A decrease in pay of a physician or dentist resulting from an adjustment in the amount of market pay of the physician or dentist under subsection (c) shall not be treated as an adverse action.

(2) If the pay of a physician or dentist is reduced under this subchapter as a result of an involuntary reassignment in connection with a disciplinary action taken against the physician or dentist, the involuntary reassignment shall be subject to appeal under subchapter V of this chapter.

(h) Delegation of Responsibilities.— The Secretary may delegate to an appropriate officer or employee of the Department any responsibility of the Secretary under subsection (c), (d), or (e) except for the responsibilities of the Secretary under subsection (e)(1).

Prior Provisions

Prior sections 7433 to 7440 were omitted in the general amendment of this subchapter by Pub. L. 108–445.

SUBCHAPTER IV—PAY FOR NURSES AND OTHER HEALTH-CARE PERSONNEL

§ 7451. Nurses and other health-care personnel: competitive pay

(a) (1) It is the purpose of this section to ensure, by a means providing increased responsibility and authority to directors of Department health-care facilities, that the rates of basic pay for health-care personnel positions described in paragraph (2) in each Department health-care facility (including the rates of basic pay of personnel employed in such positions on a part-time basis) are sufficient for that facility to be competitive, on the basis of pay and other employee benefits, with non-Department health-care facilities in the same labor-market area in the recruitment and retention of qualified personnel for those positions.

(2) The health-care personnel positions referred to in paragraph (1) (hereinafter in this section referred to as “covered positions”) are the following:

(A) Registered nurse.

(B) Such positions referred to in paragraphs (1) and (3) of section 7401 of this title (other than the positions of physician, dentist, and registered nurse) as the Secretary may determine upon the recommendation of the Under Secretary for Health.

(3) (A) Except as provided in subparagraph (B), the rates of basic pay for covered positions in the Department shall be established and adjusted in accordance with this section instead of subsection (b)(1) of section 7404 of this title or chapter 53 of title 5.

(B) Under such regulations as the Secretary shall prescribe, the Secretary shall establish and adjust the rates of basic pay for covered positions at the following health-care facilities in order to provide rates of basic pay that enable the Secretary to recruit and retain sufficient numbers of health-care personnel in such positions at those facilities:

(i) The Veterans Memorial Medical Center in the Republic of the Philippines.

(ii) Department of Veterans Affairs health-care facilities located outside the contiguous States, Alaska, and Hawaii.

(4) The Secretary, after receiving the recommendation of the Under Secretary for Health, shall prescribe regulations setting forth criteria and procedures to carry out this section and section 7452 of this title. Requirements in such regulations for directors to provide and maintain documentation of actions taken under this section shall require no more documentation than the minimum essential for responsible administration.

(b) The Secretary shall maintain the five grade levels for nurses employed by the Department under section 7401 (1) of this title as specified in the Nurse Schedule in section 7404 (b) of this title. The Secretary shall, pursuant to regulations prescribed to carry out this subchapter, establish grades for other covered positions as the Secretary considers appropriate.

(c) (1) For each grade in a covered position, there shall be a range of basic pay. The maximum rate of basic pay for a grade shall be 133 percent of the minimum rate of basic pay for the grade, except that, if the Secretary determines that a higher maximum rate is necessary with respect to any such grade in order to recruit and retain a sufficient number of high-quality health-care personnel, the Secretary may raise the maximum rate of basic pay for that grade to a rate not in excess of 175 percent of the minimum rate of basic pay for the grade. Whenever the Secretary exercises the authority under the preceding sentence to establish the maximum rate of basic pay at a rate in excess of 133 percent of the minimum rate for that grade, the Secretary shall, in the next annual report required by subsection (g), provide justification for doing so to the Committees on Veterans’ Affairs of the Senate and House of Representatives.

(2) The maximum rate of basic pay for any grade for a covered position may not exceed the maximum rate of basic pay established for positions in level IV of the Executive Schedule.
under section 53161 of title 5. The maximum rate of basic pay for a grade for the position of certified registered nurse anesthetist pursuant to an adjustment under subsection (d) may exceed the maximum rate otherwise provided in the preceding sentence.

(3) The range of basic pay for each such grade shall be divided into equal increments, known as “steps”. The Secretary shall prescribe the number of steps. Each grade in a covered position shall have the same number of steps. Rates of pay within a grade may not be established at rates other than whole steps. Any increase (other than an adjustment under subsection (d)) within a grade in the rate of basic pay payable to an employee in a covered position shall be by one or more of such step increments.

(d) (1) Subject to subsection (e), the rates of basic pay for each grade in a covered position shall be adjusted periodically in accordance with this subsection in order to achieve the purposes of this section. Such adjustments shall be made—

(A) whenever there is an adjustment under section 5303 of title 5 in the rates of pay under the General Schedule, with the adjustment under this subsection to have the same effective date and to be by the same percentage as the adjustment in the rates of basic pay under the General Schedule; and

(B) at such additional times as the director of a Department health-care facility, with respect to employees in that grade at that facility, or the Under Secretary for Health, with respect to covered Regional and Central Office employees in that grade, determines.

(2) An adjustment in rates of basic pay under this subsection for a grade shall be carried out by adjusting the amount of the minimum rate of basic pay for that grade in accordance with paragraph (3) and then adjusting the other rates for that grade to conform to the requirements of subsection (c). Except as provided in paragraph (1)(A), such an adjustment in the minimum rate of basic pay for a grade shall be made by the director of a Department health-care facility so as to achieve consistency with the beginning rate of compensation for corresponding health-care professionals in the Bureau of Labor Statistics (BLS) labor-market area of that facility.

(3) (A) In the case of a Department health-care facility located in an area for which there is current information, based upon an industry-wage survey by the Bureau of Labor Statistics for that labor market, on compensation for corresponding health-care professionals for the BLS labor-market area of that facility, the director of the facility concerned shall use that information as the basis for making adjustments in rates of pay under this subsection. Whenever the Bureau of Labor Statistics releases the results of a new industry-wage survey for that labor market that includes information on compensation for corresponding health-care professionals, the director of that facility shall determine, not later than 30 days after the results of the survey are released, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(B) In the case of a Department health-care facility located in an area for which the Bureau of Labor Statistics does not have current information on compensation for corresponding health-care professionals for the labor-market area of that facility for any covered position, the director of that facility shall conduct a survey in accordance with this subparagraph and shall adjust the amount of the minimum rate of basic pay for grades in that covered position at that facility based upon that survey. To the extent practicable, the director shall use third-party industry wage surveys to meet the requirements of the preceding sentence. Any such survey shall be conducted in accordance with regulations prescribed by the Secretary. Those regulations shall be developed in consultation with the Secretary of Labor in order to ensure that the director of a facility collects information that is valid and reliable and is
consistent with standards of the Bureau. The survey should be conducted using methodology comparable to that used by the Bureau in making industry-wage surveys except to the extent determined infeasible by the Secretary. To the extent practicable, all surveys conducted pursuant to this subparagraph or subparagraph (A) shall include the collection of salary midpoints, actual salaries, lowest and highest salaries, average salaries, bonuses, incentive pays, differential pays, actual beginning rates of pay, and such other information needed to meet the purpose of this section. Upon conducting a survey under this subparagraph, the director concerned shall determine, not later than 30 days after the date on which the collection of information through the survey is completed or published, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(C) (i) A director of a Department health-care facility may use data on the compensation paid to certified registered nurse anesthetists who are employed on a salary basis by entities that provide anesthesia services through certified registered nurse anesthetists in the labor-market area only if the director—

(I) has conducted a survey of compensation for certified registered nurse anesthetists in the local labor-market area of the facility under subparagraph (B);

(II) has used all available administrative authority with regard to collection of survey data; and

(III) makes a determination (under regulations prescribed by the Secretary) that such survey methods are insufficient to permit the adjustments referred to in subparagraph (B) for such nurse anesthetists employed by the facility.

(ii) For the purposes of this subparagraph, certified registered nurse anesthetists who are so employed by such entities shall be deemed to be corresponding health-care professionals to the certified registered nurse anesthetists employed by the facility.

(D) The Under Secretary for Health shall prescribe regulations providing for the adjustment of the rates of basic pay for Regional and Central Office employees in covered positions in order to assure that those rates are sufficient and competitive.

(E) The director of a facility or Under Secretary for Health may not adjust rates of basic pay under this subsection for any pay grade so that the minimum rate of basic pay for that grade is greater than the beginning rates of compensation for corresponding positions at non-Department health-care facilities.

(F) The Under Secretary for Health shall provide appropriate education, training, and support to directors of Department health care facilities in the conduct and use of surveys, including the use of third-party surveys, under this paragraph.

(4) If the director of a Department health-care facility, or the Under Secretary for Health with respect to Regional and Central Office employees, determines, after any survey under paragraph (3)(B) that it is not necessary to adjust the rates of basic pay for employees in a grade of a covered position at that facility in order to carry out the purpose of this section, such an adjustment for employees at that facility in that grade shall not be made.

(5) Information collected by the Department in surveys conducted under this subsection is not subject to disclosure under section 552 of title 5.

(6) In this subsection—

(A) The term “beginning rate of compensation”, with respect to health-care personnel positions in non-Department health-care facilities corresponding to a grade of a covered position, means the sum of—
(i) the minimum rate of pay established for personnel in such positions who have education, training, and experience equivalent or similar to the education, training, and experience required for health-care personnel employed in the same category of Department covered positions; and

(ii) other employee benefits for those positions to the extent that those benefits are reasonably quantifiable.

(B) The term “corresponding”, with respect to health-care personnel positions in non-Department health-care facilities, means those positions for which the education, training, and experience requirements are equivalent or similar to the education, training, and experience requirements for health-care personnel positions in Department health-care facilities.

(e) (1) An adjustment in a rate of basic pay under subsection (d) may not reduce the rate of basic pay applicable to any grade of a covered position.

(2) The director of a Department health-care facility, in determining whether to carry out a wage survey under subsection (d)(3) with respect to rates of basic pay for a grade of a covered position, may not consider as a factor in such determination the absence of a current recruitment or retention problem for personnel in that grade of that position. The director shall make such a determination based upon whether, in accordance with criteria established by the Secretary, there is a significant pay-related staffing problem at that facility in any grade for a position. If the director determines that there is such a problem, or that such a problem is likely to exist in the near future, the Director shall provide for a wage survey in accordance with subsection (d)(3).

(3) The Under Secretary for Health may, to the extent necessary to carry out the purposes of subsection (d), modify any determination made by the director of a Department health-care facility with respect to adjusting the rates of basic pay applicable to covered positions. If the determination of the director would result in an adjustment in rates of basic pay applicable to covered positions, any action by the Under Secretary under the preceding sentence shall be made before the effective date of such pay adjustment. Upon such action by the Under Secretary, any adjustment shall take effect on the first day of the first pay period beginning after such action. The Secretary shall ensure that the Under Secretary establishes a mechanism for the timely exercise of the authority in this paragraph.

(4) Each director of a Department health-care facility shall provide to the Secretary, not later than July 31 each year, a report on staffing for covered positions at that facility. The report shall include the following:

(A) Information on turnover rates and vacancy rates for each covered position, including a comparison of those rates with the rates for the preceding three years.

(B) The director’s findings concerning the review and evaluation of the facility’s staffing situation, including whether there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that facility for any covered position and, if so, whether a wage survey was conducted, or will be conducted with respect to that position.

(C) In any case in which the director conducts such a wage survey during the period covered by the report, information describing the survey and any actions taken or not taken based on the survey, and the reasons for taking (or not taking) such actions.

(D) In any case in which the director conducts such a wage survey during the period covered by the report and makes adjustment in rates of basic pay applicable to one or more covered positions at the facility, information on the methodology used in making such adjustment or adjustments.

(E) In any case in which the director, after finding that there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that
facility for any covered position, determines not to conduct a wage survey with respect to that position, a statement of the reasons why the director did not conduct such a survey.

(5) Not later than September 30 of each year, the Secretary shall submit to the Committees on Veterans’ Affairs of the Senate and House of Representatives a report on staffing for covered positions at Department health care facilities. Each such report shall include the following:

(A) A summary and analysis of the information contained in the most recent reports submitted by facility directors under paragraph (4).

(B) The information for each such facility specified in paragraph (4).

(6) (A) Upon the request of an individual described in subparagraph (B) for a report provided under paragraph (4) with respect to a Department health-care facility, the Under Secretary for Health or the director of such facility shall provide to the individual the most current report for such facility provided under such paragraph.

(B) An individual described in this subparagraph is—

(i) an individual in a covered position at a Department health-care facility; or

(ii) a representative of the labor organization representing that individual who is designated by that individual to make the request.

(f) For the purposes of this section, the term “health-care facility” means a medical center, an independent outpatient clinic, or an independent domiciliary facility.

§ 7452. Nurses and other health-care personnel: administration of pay

(a) (1) Regulations prescribed under section 7451 (a) of this title shall provide that whenever an employee in a covered position is given a new duty assignment which is a promotion, the rate of basic pay of that employee shall be increased at least one step increment in that employee’s grade.

(2) A nurse serving in a head nurse position shall while so serving receive basic pay at a rate two step increments above the rate that would otherwise be applicable to the nurse. If such a nurse is in the highest or next-to-highest step for that nurse’s grade, the preceding sentence shall be applied by extrapolation to create additional steps only for the purposes of this paragraph. The limitation in section 7451 (c)(1) of this title shall not apply with respect to increased basic pay under this paragraph.

(3) An employee in a covered position who is promoted to the next higher grade shall be paid in that grade at a step having a rate of basic pay that is greater than the rate of basic pay applicable to the employee in a covered position on the day before the effective date of the promotion.

(b) (1) Under regulations which the Secretary prescribes for the administration of this section, the director of a Department health-care facility

(A) shall pay a cash bonus (in an amount to be determined by the director not to exceed $2,000) to an employee in a covered position at that facility who becomes certified in a specialty recognized by the Department, and

(B) may provide such a bonus to an employee in such a position who has demonstrated both exemplary job performance and exemplary job achievement. The authority of the Secretary under this subsection is in addition to any other authority of the Secretary to provide job performance incentives.

(2) The Secretary shall include in the annual report under section 7451 (g) of this title a discussion of the use during the period covered by the report of the payment of bonuses under this subsection and other job performance incentives available to the Secretary.

(c) (1) The Secretary shall provide (in regulations prescribed for the administration of this section) that the director of a Department health-care facility, in making a new appointment of a person under section 7401 (1) of this title as an employee in a covered position for employment at that facility, may make that appointment at a rate of pay described in paragraph (3) without being subject to a requirement for prior approval at any higher level of authority within the Department in any case in which the director determines that it is necessary to do so in order to obtain the services of employees in covered positions in cases in which vacancies exist at that health-care facility.

(2) Such a determination may be made by the director of a health-care facility only in order to recruit employees in covered positions with specialized skills, especially employees with skills which are especially difficult or demanding.

(3) A rate of pay referred to in paragraph (1) is a rate of basic pay in excess of the minimum rate of basic pay applicable to the grade in which the appointment is made (but not in excess of the maximum rate of basic pay for that grade).

(4) Whenever the director of a health-care facility makes an appointment described in paragraph (1) without prior approval at a higher level of authority within the Department, the director shall—

(A) state in a document the reasons for employing the employee in a covered position at a rate of pay in excess of the minimum rate of basic pay applicable to the grade in which the employee is appointed (and retain that document on file); and
(B) in the first budget documents submitted to the Secretary by the director after the employee is employed, include documentation for the need for such increased rates of basic pay described in clause (A).

(5) Whenever the director of a health-care facility makes an appointment described in paragraph (1) on the basis of a determination described in paragraph (2), the covered employee appointed may continue to receive pay at a rate higher than that which would otherwise be applicable to that employee only so long as the employee continues to serve in a position requiring the specialized skills with respect to which the determination was made.

(d) Whenever the director of a health-care facility makes an appointment described in subsection (c)(1), the director may (without a regard to any requirement for prior approval at any higher level of authority within the Department) increase the rate of pay of other employees in the same covered position at that facility who are in the grade in which the appointment is made and are serving in a position requiring the specialized skills with respect to which the determination under subsection (c)(2) concerning the appointment was made. Any such increase shall continue in effect with respect to any employee only so long as the employee continues to serve in such a position.

(e) An employee in a covered position employed under section 7401 (1) of this title who (without a break in employment) transfers from one Department health-care facility to another may not be reduced in grade or step within grade (except pursuant to a disciplinary action otherwise authorized by law) if the duties of the position to which the employee transfers are similar to the duties of the position from which the employee transferred. The rate of basic pay of such employee shall be established at the new health-care facility in a manner consistent with the practices at that facility for an employee of that grade and step, except that in the case of an employee whose transfer (other than pursuant to a disciplinary action otherwise authorized by law) to another health-care facility is at the request of the Secretary, the Secretary may provide that for at least the first year following such transfer the employee shall be paid at a rate of basic pay up to the rate applicable to such employee before the transfer, if the Secretary determines that such rate of pay is necessary to fill the position. Whenever the Secretary exercises the authority under the preceding sentence relating to the rate of basic pay of a transferred employee, the Secretary shall, in the next annual report required under section 7451 (g) of this title, provide justification for doing so.

(f) In this section, the term “covered position” has the meaning given that term in section 7451 of this title.

(g) (1) In order to recruit and retain highly qualified Department nurse executives, the Secretary may, in accordance with regulations prescribed by the Secretary, pay special pay to the nurse executive at each location as follows:

(A) Each Department health care facility.

(B) The Central Office.

(2) The amount of special pay paid to a nurse executive under paragraph (1) shall be not less than $10,000 or more than $100,000.

(3) The amount of special pay paid to a nurse executive under paragraph (1) shall be based on factors such as the grade of the nurse executive position, the scope and complexity of the nurse executive position, the personal qualifications of the nurse executive, the characteristics of the health care facility concerned, the nature and number of specialty care units at the health care facility concerned, demonstrated difficulties in recruitment and retention of nurse executives at the health care facility concerned, and such other factors as the Secretary considers appropriate.

(4) Special pay paid to a nurse executive under paragraph (1) shall be in addition to any other pay (including basic pay) and allowances to which the nurse executive is entitled, and shall be considered pay for all purposes, including retirement benefits under chapters 83 and 84 of title 5, and other benefits, but shall not be considered basic pay for purposes of adverse actions under subchapter V of this chapter.
§ 7453. Nurses: additional pay

(a) In addition to the rate of basic pay provided for nurses, a full-time nurse or part-time nurse shall receive additional pay as provided by this section.

(b) A nurse performing service, any part of which is within the period commencing at 6 postmeridian and ending at 6 antemeridian, shall receive additional pay for each hour of such service at a rate equal to 10 percent of the nurse’s hourly rate of basic pay if at least four hours of such service fall between 6 postmeridian and 6 antemeridian. When less than four hours of such service fall between 6 postmeridian and 6 antemeridian, the nurse shall be paid the differential for each hour of service performed between those hours.

(c) A nurse performing service, any part of which is within the period commencing at midnight Friday and ending at midnight Sunday, shall receive additional pay for each hour of such service at a rate equal to 25 percent of such nurse’s hourly rate of basic pay.
(d) A nurse performing service on a holiday designated by Federal statute or Executive order shall receive for each hour of such service the nurse’s hourly rate of basic pay, plus additional pay at a rate equal to such hourly rate of basic pay, for that holiday service, including overtime service. Any service required to be performed by a nurse on such a designated holiday shall be deemed to be a minimum of two hours in duration.

(e) (1) A nurse performing officially ordered or approved hours of service in excess of 40 hours in an administrative workweek, or in excess of eight consecutive hours, shall receive overtime pay for each hour of such additional service. The overtime rates shall be one and one-half times such nurse’s hourly rate of basic pay.

(2) For the purposes of this subsection, overtime must be of at least 15 minutes duration in a day to be creditable for overtime pay.

(3) Compensatory time off in lieu of pay for service performed under the provisions of this subsection shall not be permitted, except as voluntarily requested in writing by the nurse in question.

(4) Any excess service performed under this subsection on a day when service was not scheduled for such nurse, or for which such nurse is required to return to the nurse’s place of employment, shall be deemed to be a minimum of two hours in duration.

(5) For the purposes of this subsection, the period of a nurse’s officially ordered or approved travel away from such nurse’s duty station may not be considered to be hours of service unless—

(A) such travel occurs during such nurse’s period of service; or

(B) such travel—

(i) involves the performance of services while traveling,

(ii) is incident to travel that involves the performance of services while traveling,

(iii) is carried out under arduous conditions as determined by the Secretary, or

(iv) results from an event which could not be scheduled or controlled administratively.

(f) For the purpose of computing the additional pay provided by subsection (b), (c), (d), or (e), a nurse’s hourly rate of basic pay shall be derived by dividing such nurse’s annual rate of basic pay by 2,080.

(g) When a nurse is entitled to two or more forms of additional pay under subsection (b), (c), (d), or (e) for the same period of service, the amounts of such additional pay shall be computed separately on the basis of such nurse’s hourly rate of basic pay, except that no overtime pay as provided in subsection (e) shall be payable for overtime service performed on a holiday designated by Federal statute or Executive order in addition to pay received under subsection (d) for such service.

(h) A nurse who is officially scheduled to be on call outside such nurse’s regular hours or on a holiday designated by Federal statute or Executive order shall be paid for each hour of such on-call duty, except for such time as such nurse may be called back to work, at a rate equal to 10 percent of the hourly rate for excess service as provided in subsection (e).

(i) Any additional pay paid pursuant to this section shall not be considered as basic pay for the purposes of the following provisions of title 5 (and any other provision of law relating to benefits based on basic pay):

(1) Subchapter VI of chapter 55.

(2) Section 5595.

(3) Chapters 81, 83, 84, and 87.

(j) (1) Notwithstanding any other provision of law and subject to paragraph (2), the Secretary may increase the rates of additional pay authorized under subsections (b) through (h) if the Secretary determines that it is necessary to do so in order to obtain or retain the services of nurses.

(2) An increase under paragraph (1) in rates of additional pay—
§ 7454. Physician assistants and other health care professionals: additional pay

(2) Health care professionals employed in positions referred to in paragraph (1) shall be entitled to additional pay on the same basis as provided for nurses in section 7453 (c) of this title.

(3) Employees appointed under section 7408 of this title performing service on a tour of duty, any part of which is within the period commencing at midnight Friday and ending at midnight Sunday, shall receive additional pay in addition to the rate of basic pay provided such employees for each hour of service on such tour at a rate equal to 25 percent of such employee’s hourly rate of basic pay.

(c) The Secretary shall prescribe by regulation standards for compensation and payment under this section.

§ 7455. Increases in rates of basic pay

(a) (1) Subject to subsections (b), (c), and (d), when the Secretary determines it to be necessary in order to obtain or retain the services of persons described in paragraph (2), the Secretary may increase the minimum, intermediate, or maximum rates of basic pay authorized under applicable statutes and regulations. Any increase in such rates of basic pay—

(A) may be made on a nationwide basis, local basis, or other geographic basis; and

(B) may be made—

(i) for one or more of the grades listed in the schedules in subsection (b)(1) of section 7404 of this title;

(ii) for one or more of the health personnel fields within such grades; or

(iv) would not otherwise be available to provide medical care and treatment for veterans.
(C) Employees who are Department police officers providing services under section 902 of this title.

(b) Increases in rates of basic pay may be made under subsection (a) only in order—
   (1) to provide pay in an amount competitive with, but not exceeding, the amount of the same type of pay paid to the same category of personnel at non-Federal facilities in the same labor market;
   (2) to achieve adequate staffing at particular facilities; or
   (3) to recruit personnel with specialized skills, especially those with skills which are especially difficult or demanding.

(c) (1) Subject to paragraph (2), the amount of any increase under subsection (a) in the minimum rate for any grade may not (except in the case of nurse anesthetists, licensed practical nurses, licensed vocational nurses, nursing positions otherwise covered by title 5, pharmacists, and licensed physical therapists) exceed the maximum rate of basic pay (excluding any locality-based comparability payment under section 5304 of title 5 or similar provision of law) for the grade or level by more than 30 percent.
   (2) No rate may be established under this section in excess of the rate of basic pay payable for level IV of the Executive Schedule.

(d) (1) In the exercise of the authority provided in subsection (a) with respect to personnel described in subparagraph (B) or (C) of paragraph (2) of that subsection to increase the rates of basic pay for any category of personnel not appointed under subchapter I, the Secretary shall, not less than 45 days before the effective date of a proposed increase, notify the President of the Secretary’s intention to provide such an increase.
   (2) Such a proposed increase shall not take effect if, before the effective date of the proposed increase, the President disapproves such increase and provides the appropriate committees of the Congress with a written statement of the President’s reasons for such disapproval.
   (3) If, before that effective date, the President approves such increase, the Secretary may advance the effective date to any date not earlier than the date of the President’s approval.

§ 7458. Recruitment and retention bonus pay

(a) In order to recruit and retain registered nurses, the Secretary may enter into agreements under this section. Such an agreement may be entered into with any registered nurse who is employed at, or who agrees to accept employment with the Department at, a Department health-care facility that is designated by the Secretary as a health-care facility with a significant shortage in registered nurses in any clinical service.

(2) A registered nurse entering into an agreement under this section shall agree to remain employed by the Department as a registered nurse for a period of time to be specified in the agreement and to serve during that period in a specific health-care facility that is designated by the Secretary as a health-care facility with a significant shortage of registered nurses in that nurse’s clinical service. Such period may not be less than two years or more than four years. Such employment during such period may be on a full-time basis or a part-time basis, as specified in the agreement. Part-time employment as specified in such an agreement may not be less than half-time.

(b) The Secretary shall pay to any nurse entering into an agreement under this section bonus pay in an amount specified in the agreement. The amount of such bonus pay may not exceed—

(A) $2,000 per year, in the case of an agreement for two years,
(B) $3,000 per year, in the case of an agreement for three years, and
(C) $4,000 per year, in the case of an agreement for four years.

(2) In the case of an agreement for employment on less than a full-time basis, the amount of bonus pay shall be pro-rated accordingly.

c) (1) Except as provided in paragraph (2) of this subsection, a bonus under this section shall be paid in equal installments after each year of service is completed throughout the period of obligated service specified in the agreement.

(2) (A) The Secretary may make a payment in an amount not in excess of 25 percent of the total bonus in a lump sum at the time that the period of obligated service commences under the agreement.

(B) If the Secretary makes a lump-sum payment under subparagraph (A) of this paragraph, the remaining balance of the bonus shall be paid in equal installments after each year of service is completed throughout the period of obligated service specified in the agreement.

d) (1) A bonus paid to any individual under this section shall be in addition to any pay or allowance to which the individual is entitled.

(2) The amount of a bonus paid under this section shall not be considered to be basic pay for the purposes of sections 5551, 5552, and 5595 of title 5, chapters 81, 83, 84, and 87 of such title, or any other provision of law creating an entitlement to benefits based on basic pay.

e) At least once each year the Secretary, upon the recommendation of the Under Secretary for Health, shall determine the specific health-care facilities and clinical services, if any, as to which there are significant problems with respect to the recruitment and retention of registered nurses. Upon making any such determination, the Secretary shall promptly notify the Committees on Veterans’ Affairs of the Senate and the House of Representatives of the determination and the basis for the determination.

(f) The Secretary may enter into agreements under this section with individuals in a health profession other than nursing (and other than a health profession for which special pay may be provided under subchapter III) if the Secretary determines that there are significant problems with respect to recruitment and retention of employees in that health profession. The Secretary’s authority to enter into any such agreement under this section, and such agreement, shall be subject to the provisions of this section in the same manner as are the authority to enter into an agreement under this section with a registered nurse and such an agreement.

(g) (1) Except as provided in paragraph (2) of this subsection, an individual who voluntarily, or because of misconduct, fails to perform services as assigned by the Secretary for the period of obligated service provided in an agreement under this section shall refund to the United States the amount by which the total amount of bonus payments received by that individual under this section exceeds the amount that such individual would have received under an agreement under this section to serve for the period of obligated service actually served (as determined at the time the agreement is entered into). If the period actually served is less than two years, the amount to be refunded is the entire amount paid to the individual.

(2) An individual shall not be required to make a refund under paragraph (1) of this subsection if the Secretary determines, in accordance with regulations prescribed under subsection (h) of this section, that the individual’s failure to perform services for the period of obligated service is due to circumstances (not including separation for cause) beyond the control of the individual.

(3) An obligation to refund any portion of a bonus payment under this subsection is, for all purposes, a debt owed to the United States.

(4) The provisions of this subsection and the specific amounts that the individual could be required to refund shall be disclosed to the individual at the time the agreement is entered into and shall be clearly set forth in the contract.

(h) The Secretary shall prescribe regulations to carry out this section.

(b) Voluntary Overtime.—

(1) Nursing staff may on a voluntary basis elect to work hours otherwise prohibited by subsection (a).

(2) The refusal of nursing staff to work hours prohibited by subsection (a) shall not be grounds—

(3) For purposes of paragraph (2), a mixed case is a case that includes both a major adverse action arising out of a question of professional conduct or competence and an adverse action which is not a major adverse action or which does not arise out of a question of professional conduct or competence.

(b) In any case in which charges are brought against a section 7401 (1) employee which arises out of, or includes, a question of professional conduct or competence which could result in a major adverse action, the employee is entitled to the following:

(A) At least 30 days advance written notice from the Under Secretary for Health or other charging official specifically stating the basis for each charge, the adverse actions that could be taken if the charges are sustained, and a statement of any specific law, regulation, policy, procedure, practice, or other specific instruction that has been violated with respect to each charge, except that the requirement for notification in advance may be waived if there is reasonable cause to believe that the employee has committed a crime for which the employee may be imprisoned.

(B) A reasonable time, but not less than seven days, to present an answer orally and in writing to the Under Secretary for Health or other deciding official, who shall be an official higher in rank than the charging official, and to submit affidavits and other documentary evidence in support of the answer.

(2) In any case described in paragraph (1), the employee is entitled to be represented by an attorney or other representative of the employee’s choice at all stages of the case.

(3) If a proposed adverse action covered by this section is not withdrawn, the deciding official shall render a decision in writing within 21 days of receipt by the deciding official of the employee’s answer. The decision shall include a statement of the specific reasons for the decision with respect to each charge. If a major adverse action is imposed, the decision shall state whether any of the charges sustained arose out of a question of professional conduct or competence. If any of the charges are sustained, the notice of the decision to the employee shall include notice of the employee’s rights of appeal.

(B) Notwithstanding the 21-day period specified in subparagraph (A), a proposed adverse action may be held in abeyance if the employee requests, and the deciding official agrees, that the employee shall seek counseling or treatment for a condition covered under the
Rehabilitation Act of 1973. Any such abeyance of a proposed action may not extend for more than one year.

(4) (A) The Secretary may require that any answer and submission under paragraph (1)(B) be submitted so as to be received within 30 days of the date of the written notice of the charges, except that the Secretary shall allow the granting of extensions for good cause shown.

(B) The Secretary shall require that any appeal to a Disciplinary Appeals Board from a decision to impose a major adverse action shall be received within 30 days after the date of service of the written decision on the employee.

e) (1) When a Disciplinary Appeals Board convenes to consider an appeal in a case under this section, the board, before proceeding to consider the merits of the appeal, shall determine whether the case is properly before it.

(2) Upon hearing such an appeal, the board shall, with respect to each charge appealed to the board, sustain the charge, dismiss the charge, or sustain the charge in part and dismiss the charge in part. If the deciding official is sustained (in whole or in part) with respect to any such charge, the board shall—

(A) approve the action as imposed;

(B) approve the action with modification, reduction, or exception; or

(C) reverse the action.

(3) A board shall afford an employee appealing an adverse action under this section an opportunity for an oral hearing. If such a hearing is held, the board shall provide the employee with a transcript of the hearing.

(4) The board shall render a decision in any case within 45 days of completion of the hearing, if there is a hearing, and in any event no later than 120 days after the appeal commenced.

d) (1) After resolving any question as to whether a matter involves professional conduct or competence, the Secretary shall cause to be executed the decision of the Disciplinary Appeals Board in a timely manner and in any event in not more than 90 days after the decision of the Board is received by the Secretary. Pursuant to the board’s decision, the Secretary may order reinstatement, award back pay, and provide such other remedies as the board found appropriate relating directly to the proposed action, including expungement of records relating to the action.

(2) If the Secretary finds a decision of the board to be clearly contrary to the evidence or unlawful, the Secretary may—

(A) reverse the decision of the board, or

(B) vacate the decision of the board and remand the matter to the Board for further consideration.

(3) If the Secretary finds the decision of the board (while not clearly contrary to the evidence or unlawful) to be not justified by the nature of the charges, the Secretary may mitigate the adverse action imposed.

(4) The Secretary’s execution of a board’s decision shall be the final administrative action in the case.

e) The Secretary may designate an employee of the Department to represent management in any case before a Disciplinary Appeals Board.

(f) (1) A section 7401 (1) employee adversely affected by a final order or decision of a Disciplinary Appeals Board (as reviewed by the Secretary) may obtain judicial review of the order or decision.

(2) In any case in which judicial review is sought under this subsection, the court shall review the record and hold unlawful and set aside any agency action, finding, or conclusion found to be—

(A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;

(B) obtained without procedures required by law, rule, or regulation having been followed; or
(C) unsupported by substantial evidence.
