Except as limited by subsection (c) of this section, there shall be deposited in the Fund—

(1) all fines that are collected from persons convicted of offenses against the United States except—

(A) fines available for use by the Secretary of the Treasury pursuant to—
(i) section 11(d) of the Endangered Species Act (16 U.S.C. 1540 (d)); and
(ii) section 6(d) of the Lacey Act Amendments of 1981 (16 U.S.C. 3375 (d)); and

(B) fines to be paid into—
(i) the railroad unemployment insurance account pursuant to the Railroad Unemployment Insurance Act (45 U.S.C. 351 et seq.);
(ii) the Postal Service Fund pursuant to sections 2601 (a)(2) and 2003 of title 39 and for the purposes set forth in section 404 (a)(7) of title 39;

(iv) county public school funds pursuant to section 3613 of title 18;

(2) penalty assessments collected under section 3013 of title 18;\(^1\)

(3) the proceeds of forfeited appearance bonds, bail bonds, and collateral collected under section 3146 of title 18;

(4) any money ordered to be paid into the Fund under section 3671 (c)(2) of title 18; and

(5) any gifts, bequests, or donations to the Fund from private entities or individuals, which the Director is hereby authorized to accept for deposit into the Fund, except that the Director is not hereby authorized to accept any such gift, bequest, or donation that—

(A) attaches conditions inconsistent with applicable laws or regulations; or

(B) is conditioned upon or would require the expenditure of appropriated funds that are not available to the Office for Victims of Crime.

(c) Retention of sums in Fund; availability for expenditure without fiscal year limitation
Sums deposited in the Fund shall remain in the Fund and be available for expenditure under this chapter for grants under this chapter without fiscal year limitation. Notwithstanding subsection (d)(5) of this section, all sums deposited in the Fund in any fiscal year that are not made available for obligation by Congress in the subsequent fiscal year shall remain in the Fund for obligation in future fiscal years, without fiscal year limitation.

(d) Availability for judicial branch administrative costs; grant program percentages

The Fund shall be available as follows:

(2) (A) Except as provided in subparagraph (B), the first $10,000,000 deposited in the Fund shall be available for grants under section 10603a of this title.

(B) (i) For any fiscal year for which the amount deposited in the Fund is greater than the amount deposited in the Fund for fiscal year 1998, the $10,000,000 referred to in subparagraph (A) plus an amount equal to 50 percent of the increase in the amount from fiscal year 1998 shall be available for grants under section 10603a of this title.

(ii) Amounts available under this subparagraph for any fiscal year shall not exceed $20,000,000.

(3) Of the sums remaining in the Fund in any particular fiscal year after compliance with paragraph (2), such sums as may be necessary shall be available for the United States Attorneys Offices and the Federal Bureau of Investigation to improve services for the benefit of crime victims in the Federal criminal justice system, and for a Victim Notification System.

(4) Of the remaining amount to be distributed from the Fund in a particular fiscal year—

(A) 47.5 percent shall be available for grants under section 10602 of this title;

(B) 47.5 percent shall be available for grants under section 10603 (a) of this title; and

(C) 5 percent shall be available for grants under section 10603 (c) of this title.

(5) (A) In addition to the amounts distributed under paragraphs (2), (3), and (4), the Director may set aside up to $50,000,000 from the amounts transferred to the Fund in response to the airplane hijackings and terrorist acts that occurred on September 11, 2001, as an antiterrorism emergency reserve. The Director may replenish any amounts obligated from such reserve in subsequent fiscal years by setting aside up to 5 percent of the amounts remaining in the Fund in any fiscal year after distributing amounts under paragraphs (2), (3) and (4). Such reserve shall not exceed $50,000,000.

(B) The antiterrorism emergency reserve referred to in subparagraph (A) may be used for supplemental grants under section 10603b of this title and to provide compensation to victims of international terrorism under section 10603c of this title.

(C) Amounts in the antiterrorism emergency reserve established pursuant to subparagraph (A) may be carried over from fiscal year to fiscal year. Notwithstanding subsection (c) of this section and section 619 of the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, 2001 (and any similar limitation on Fund obligations in any future Act, unless the same should expressly refer to this section), any such amounts carried over shall not be subject to any limitation on obligations from amounts deposited to or available in the Fund.

(e) Amounts awarded and unspent

Any amount awarded as part of a grant under this chapter that remains unspent at the end of a fiscal year in which the grant is made may be expended for the purpose for which the grant is made at any time during the 3 succeeding fiscal years, at the end of which period, any remaining unobligated sums shall be available for deposit into the emergency reserve fund referred to in subsection (d)(5) of this section at the discretion of the Director. Any remaining unobligated sums shall be returned to the Fund.
(f) “Offenses against the United States” as excluding
As used in this section, the term “offenses against the United States” does not include—
(1) a criminal violation of the Uniform Code of Military Justice (10 U.S.C. 801 et seq.);
(2) an offense against the laws of the District of Columbia; and
(3) an offense triable by an Indian tribal court or Court of Indian Offenses.

(g) Grants for Indian tribes; child abuse cases
(1) The Attorney General shall use 15 percent of the funds available under subsection (d)(2) of this section to make grants for the purpose of assisting Native American Indian tribes in developing, establishing, and operating programs designed to improve—
(A) the handling of child abuse cases, particularly cases of child sexual abuse, in a manner which limits additional trauma to the child victim; and
(B) the investigation and prosecution of cases of child abuse, particularly child sexual abuse.
(2) The Attorney General may use 5 percent of the funds available under subsection (d)(2) of this section (prior to distribution) for grants to Indian tribes to establish child victim assistance programs, as appropriate.
(3) As used in this subsection, the term “tribe” has the meaning given that term in section 450b of title 25.

§ 10602. Crime victim compensation

(a) Authority of Director; grants

(1) Except as provided in paragraph (2), the Director shall make an annual grant from the Fund to an eligible crime victim compensation program of 40 percent in fiscal year 2002 and of 60 percent in subsequent fiscal years of the amounts awarded during the preceding fiscal year, other than amounts awarded for property damage. Except as provided in paragraph (3), a grant under this section shall be used by such program only for awards of compensation.

(2) If the sums available in the Fund for grants under this section are insufficient to provide grants of 40 percent in fiscal year 2002 and of 60 percent in subsequent fiscal years as provided in paragraph (1), the Director shall make, from the sums available, a grant to each eligible crime victim compensation program so that all such programs receive the same percentage of the amounts awarded by such program during the preceding fiscal year, other than amounts awarded for property damage.

(3) Not more than 5 percent of a grant made under this section may be used for training purposes and the administration of the State crime victim compensation program receiving the grant.
(b) Eligible crime victim compensation programs

A crime victim compensation program is an eligible crime victim compensation program for the purposes of this section if—

(1) such program is operated by a State and offers compensation to victims and survivors of victims of criminal violence, including drunk driving and domestic violence for—
   (A) medical expenses attributable to a physical injury resulting from compensable crime, including expenses for mental health counseling and care;
   (B) loss of wages attributable to a physical injury resulting from a compensable crime; and
   (C) funeral expenses attributable to a death resulting from a compensable crime;
(2) such program promotes victim cooperation with the reasonable requests of law enforcement authorities;
(3) such State certifies that grants received under this section will not be used to supplant State funds otherwise available to provide crime victim compensation;
(4) such program, as to compensable crimes occurring within the State, makes compensation awards to victims who are nonresidents of the State on the basis of the same criteria used to make awards to victims who are residents of such State;
(5) such program provides compensation to victims of Federal crimes occurring within the State on the same basis that such program provides compensation to victims of State crimes;
(6) such program provides compensation to residents of the State who are victims of crimes occurring outside the State if—
   (A) the crimes would be compensable crimes had they occurred inside that State; and
   (B) the places the crimes occurred in are States not having eligible crime victim compensation programs;
(7) such program does not, except pursuant to rules issued by the program to prevent unjust enrichment of the offender, deny compensation to any victim because of that victim’s familial relationship to the offender, or because of the sharing of a residence by the victim and the offender;
(8) such program does not provide compensation to any person who has been convicted of an offense under Federal law with respect to any time period during which the person is delinquent in paying a fine, other monetary penalty, or restitution imposed for the offense; and
(9) such program provides such other information and assurances related to the purposes of this section as the Director may reasonably require.

(c) Exclusion from income, resources, and assets for purposes of means tests

Notwithstanding any other law (other than title IV of Public Law 107–42), for the purpose of any maximum allowed income, resource, or asset eligibility requirement in any Federal, State, or local government program using Federal funds that provides medical or other assistance (or payment or reimbursement of the cost of such assistance), any amount of crime victim compensation that the applicant receives through a crime victim compensation program under this section shall not be included in the income, resources, or assets of the applicant, nor shall that amount reduce the amount of the assistance available to the applicant from Federal, State, or local government programs using Federal funds, unless the total amount of assistance that the applicant receives from all such programs is sufficient to fully compensate the applicant for losses suffered as a result of the crime.

(d) Definitions

As used in this section—

(1) the term “property damage” does not include damage to prosthetic devices, eyeglasses or other corrective lenses, or dental devices;
(2) the term “medical expenses” includes, to the extent provided under the eligible crime victim compensation program, expenses for eyeglasses or other corrective lenses, for dental services and
devices and prosthetic devices, and for services rendered in accordance with a method of healing recognized by the law of the State;

(3) the term “compensable crime” means a crime the victims of which are eligible for compensation under the eligible crime victim compensation program, and includes crimes, whose victims suffer death or personal injury, that are described in section 247 of title 18, driving while intoxicated, and domestic violence; and

(4) the term “State” includes the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, and any other possession or territory of the United States.

(e) Relationship to certain Federal programs

Notwithstanding any other law, if the compensation paid by an eligible crime victim compensation program would cover costs that a Federal program, including the program established under title IV of Public Law 107–42, or a federally financed State or local program, would otherwise pay,—

1

(1) such crime victim compensation program shall not pay that compensation; and

(2) the other program shall make its payments without regard to the existence of the crime victim compensation program.
