This subchapter, referred to in text, was in the original “this subtitle”, meaning subtitle D of title VI of Pub. L. 102–550, Oct. 28, 1992, 106 Stat. 3823, which enacted this subchapter and amended section 1437f of this title.

§ 13612. Reservation of units for disabled families

(b) Number of units

Each owner required to reserve units in a project for occupancy under subsection (a) of this section shall reserve a number of units in the project that is not less than the lesser of—

1. the number of units equivalent to the higher of—

   (B) the percentage of units in the project that were occupied by such families upon January 1, 1992; or

2. 10 percent of the number of units in the project.

§ 13613. Secondary preferences

(a) Insufficient elderly families

If an owner of a covered section 8 housing project in which elderly families are given a preference for occupancy pursuant to section 13611 of this title determines (in accordance with regulations established by the Secretary) that there are insufficient numbers of elderly families who have applied for occupancy in the housing to fill all the units in the project not reserved under section 13612 of this title, the owner may give preference for occupancy of such units to disabled families who are near-elderly families and have applied for occupancy in the housing.

(b) Insufficient non-elderly disabled families
If an owner of a covered section 8 housing project in which elderly families are given a preference for occupancy pursuant to section 13611 of this title determines (in accordance with regulations established by the Secretary) that there are insufficient numbers of disabled families who are not elderly or near-elderly families and have applied for occupancy in the housing to fill all the units in the project reserved under section 13612 of this title, the owner may give preference for occupancy of units so reserved to disabled families who are near-elderly families and have applied for occupancy in the housing.

Amendments
1998—Pub. L. 105–276 substituted “shall be given to disabled families according to any preferences established under any system established under section 1437f (d)(1)(A) of this title by the public housing agency.” for “shall be given to disabled families according to the preferences for occupancy referred to in section 1437f (d)(1)(A)(i) of this title and the first sentence of section 1437f (o)(3)(B) of this title, to elderly families according to such preferences, and to near-elderly families according to such preferences, respectively.”

1996—Pub. (b) Prohibition of evictions

Any tenant who is lawfully residing in a dwelling unit in a housing project described in subsection (a) of this section may not be evicted or otherwise required to vacate such unit because of any reservation or preferences under this subchapter or because of any action taken by the Secretary of Housing and Urban Development or the owner of the project pursuant to this subchapter.

The Secretary shall submit a report to the Congress describing the study and the findings of the study not later than the expiration of the 1-year period beginning on October 28, 1992.

§ 13631. Requirement to provide service coordinators

To the extent that amounts are made available for providing service coordinators under this section, the Secretary shall require owners of covered federally assisted housing projects (as such term is defined in subsection (d) of this section) receiving such amounts to provide for employing or otherwise retaining the services of one or more individuals to coordinate the provision of supportive services for elderly and disabled families residing in the projects (in this section referred to as a “service coordinator”). No such elderly or disabled family may be required to accept services.

(b) Responsibilities

Each service coordinator of a covered federally assisted housing project provided pursuant to this subtitle or the amendments made by this subtitle—

(1) shall consult with the owner of the housing, tenants, any tenant organizations, any resident management organizations, service providers, and any other appropriate persons, to identify the particular needs and characteristics of elderly and disabled families who reside in the project and any supportive services related to such needs and characteristics;

(f) Protection against telemarketing fraud

(1) In general
The Secretary, in coordination with the Secretary of Health and Human Services, shall establish standards for service coordinators in federally assisted housing who are providing education and outreach to elderly persons residing in such housing regarding telemarketing fraud. The standards shall be designed to ensure that such education and outreach informs such elderly persons of the dangers of telemarketing fraud and facilitates the investigation and prosecution of telemarketers engaging in fraud against such residents.

(2) Contents

The standards established under this subsection shall require that any such education and outreach be provided in a manner that—

(A) informs such residents of—
   (i) the prevalence of telemarketing fraud targeted against elderly persons;

(a) Ineligibility because of eviction for drug crimes
Any tenant evicted from federally assisted housing by reason of drug-related criminal activity (as such term is defined in section 1437a (b) of this title) shall not be eligible for federally assisted housing during the 3-year period beginning on the date of such eviction, unless the evicted tenant successfully completes a rehabilitation program approved by the public housing agency (which shall include a waiver of this subsection if the circumstances leading to eviction no longer exist).

(b) Ineligibility of illegal drug users and alcohol abusers

(1) In general
Notwithstanding any other provision of law, a public housing agency or an owner of federally assisted housing, as determined by the Secretary, shall establish standards that prohibit admission to the program or admission to federally assisted housing for any household with a member—

(A) who the public housing agency or owner determines is illegally using a controlled substance; or

(B) with respect to whom the public housing agency or owner determines that it has reasonable cause to believe that such household member’s illegal use (or pattern of illegal use) of a controlled substance, or abuse (or pattern of abuse) of alcohol, may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

(2) Consideration of rehabilitation
In determining whether, pursuant to paragraph (1)(B), to deny admission to the program or federally assisted housing to any household based on a pattern of illegal use of a controlled substance or a pattern of abuse of alcohol by a household member, a public housing agency or an owner may consider whether such household member—

(A) has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable);

(B) has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable); or

(C) is participating in a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable).

(c) Authority to deny admission to criminal offenders
Except as provided in subsections (a) and (b) of this section and in addition to any other authority to screen applicants, in selecting among applicants for admission to the program or to federally assisted housing, if the public housing agency or owner of such housing (as applicable) determines that an applicant or any member of the applicant’s household is or was, during a reasonable time preceding the date when the applicant household would otherwise be selected for admission, engaged in any drug-related or violent criminal activity or other criminal activity which would adversely affect the health, safety, or right to peaceful enjoyment of the premises by other residents, the owner, or public housing agency employees, the public housing agency or owner may—

(1) deny such applicant admission to the program or to federally assisted housing; and

(2) after the expiration of the reasonable period beginning upon such activity, require the applicant, as a condition of admission to the program or to federally assisted housing, to submit to the public housing agency or owner evidence sufficient (as the Secretary shall by regulation provide) to ensure that the individual or individuals in the applicant’s household who engaged in...
criminal activity for which denial was made under paragraph (1) have not engaged in any criminal activity during such reasonable period.

Codification

(a) In general
Notwithstanding any other provision of law, a public housing agency or an owner of federally assisted housing (as applicable), shall establish standards or lease provisions for continued assistance or occupancy in federally assisted housing that allow the agency or owner (as applicable) to terminate the tenancy or assistance for any household with a member—

(1) who the public housing agency or owner determines is illegally using a controlled substance; or
(2) whose illegal use (or pattern of illegal use) of a controlled substance, or whose abuse (or pattern of abuse) of alcohol, is determined by the public housing agency or owner to interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

(b) Consideration of rehabilitation
In determining whether, pursuant to subsection (a)(2) of this section, to terminate tenancy or assistance to any household based on a pattern of illegal use of a controlled substance or a pattern of abuse of alcohol by a household member, a public housing agency or an owner may consider whether such household member—

(1) has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable);

Upon such a request by the owner, the agency shall take the action requested under subsection (b) of this section. The agency may not make any information obtained pursuant to the action under subsection (b) of this section available to the owner but shall perform determinations for the owner regarding screening, lease enforcement, and eviction based on criteria supplied by the owner.

(d) Opportunity to dispute

Before an adverse action is taken with respect to an applicant for federally assisted housing on the basis that an individual is subject to a lifetime registration requirement under a State sex offender registration program, the public housing agency obtaining the record shall provide the tenant or applicant with a copy of the registration information and an opportunity to dispute the accuracy and relevance of that information.

(e) Fee

A public housing agency may be charged a reasonable fee for taking actions under subsection (b) of this section. In the case of a public housing agency taking actions on behalf of another owner of federally assisted housing pursuant to subsection (c) of this section, the agency may pass such fee on to the owner making the request and may charge an additional reasonable fee for making the request on behalf of the owner.
