§ 4271. Establishment

There is established a permanent bipartisan commission to be known as the Advisory Commission on Intergovernmental Relations, hereinafter referred to as the “Commission”.

(Pub. L. 86–380, § 1, Sept. 24, 1959, 73 Stat. 703.)

Codification

Section was formerly classified to section 2371 of Title 5 prior to the general revision and enactment of Title 5, Government Organization and Employees, by Pub. L. 89–554, § 1. Sept. 6, 1966, 80 Stat. 378.

Executive Order No. 11455

Office of Intergovernmental Relations; Authorization of Appropriations; Compensation of Director; Appointment of Personnel; Experts and Consultants

Pub. L. 91–186, Dec. 30, 1969, 83 Stat. 849, authorized the appropriation of such sums as may be necessary for the expenses of the Office of Intergovernmental Relations, established by Ex. Ord. No. 11455, formerly set out above, prescribed the compensation of the Director of the Office, and authorized the Director to appoint such personnel as he deems necessary and to obtain the services of experts and consultants.

Executive Order No. 12303

Ex. Ord. No. 12303, Apr. 8, 1981, 46 F.R. 21341, which established the Presidential Advisory Committee on Federalism and provided for its membership, functions, etc., was revoked by Ex. Ord. No. 12399, § 4(e), Dec. 31,
§ 4272. Declaration of purpose

Because the complexity of modern life intensifies the need in a federal form of government for the fullest cooperation and coordination of activities between the levels of government, and because population growth and scientific developments portend an increasingly complex society in future years, it is essential that an appropriate agency be established to give continuing attention to intergovernmental problems.

It is intended that the Commission, in the performance of its duties, will—

(1) bring together representatives of the Federal, State, and local governments for the consideration of common problems;
(2) provide a forum for discussing the administration and coordination of Federal grant and other programs requiring intergovernmental cooperation;
(3) give critical attention to the conditions and controls involved in the administration of Federal grant programs;
(4) make available technical assistance to the executive and legislative branches of the Federal Government in the review of proposed legislation to determine its overall effect on the Federal system;
(5) encourage discussion and study at an early stage of emerging public problems that are likely to require intergovernmental cooperation;
(6) recommend, within the framework of the Constitution, the most desirable allocation of governmental functions, responsibilities, and revenues among the several levels of government; and
(7) recommend methods of coordinating and simplifying tax laws and administrative practices to achieve a more orderly and less competitive fiscal relationship between the levels of government and to reduce the burden of compliance for taxpayers.

Codification

Section was formerly classified to section 2372 of Title 5 prior to the general revision and enactment of Title 5, Government Organization and Employees, by Pub. L. 89–554, § 1, Sept. 6, 1966, 80 Stat. 378.
