TITLE 42—THE PUBLIC HEALTH AND WELFARE

Chap. ...Sec.
1. The Public Health Service [Mostly Repealed or Omitted, See Chapter 6A] ...1
1A. The Public Health Service; Supplemental Provisions [Transferred or Omitted] ...71
2. Sanitation and Quarantine ...81
3. Leprosy [Repealed] ...121
3A. Cancer [Repealed] ...137
4. Viruses, Serums, Toxins, Antitoxins, etc. [Repealed] ...141
5. Maternity and Infancy Welfare and Hygiene [Repealed] ...161
6. The Children’s Bureau ...191
6A. Public Health Service ...201
7. Social Security ...301
7A. Temporary Unemployment Compensation Program [Omitted] ...1400
8. Low-Income Housing ...1401
8A. Slum Clearance, Urban Renewal, and Farm Housing ...1441
8B. Public Works or Facilities [Omitted] ...1491
8C. Open-Space Land [Omitted or Repealed] ...1500
9. Housing of Persons Engaged in National Defense ...1501
10. Federal Security Agency [Transferred or Omitted] ...1601
11. Compensation for Disability or Death to Persons Employed at Military, Air, and Naval Bases Outside United States ...1651
12. Compensation for Injury, Death, or Detention of Employees of Contractors with United States Outside United States ...1701
13. School Lunch Programs ...1751
13A. Child Nutrition ...1771
14. Development and Control of Atomic Energy [Transferred to Chapter 23] ...1801
15. Disaster Relief [Repealed] ...1851
15A. Reciprocal Fire Protection Agreements ...1856
15B. Air Pollution Control [Transferred or Repealed] ...1857
16. National Science Foundation ...1861
16A. Grants for Support of Scientific Research [Repealed] ...1891
16B. Contracts for Scientific and Technological Research ...1900
17. Federal Employment Service [Transferred] ...1901
18. Youth Medals ...1921
19. Saline and Salt Waters [Repealed, Omitted, or Transferred] ...1951
19A. Water Resources Research Program [Repealed] ...1961
19B. Water Resources Planning ...1962
20. Elective Franchise ...1971

CHAPTER 63A—RESIDENTIAL LEAD-BASED PAINT HAZARD REDUCTION

Sec.
4851. Findings.
4851a. Purposes.
4851b. Definitions.

SUBCHAPTER I—LEAD-BASED PAINT HAZARD REDUCTION
4852. Grants for lead-based paint hazard reduction in target housing.
4852a. Task force on lead-based paint hazard reduction and financing.
4852b. National consultation on lead-based paint hazard reduction.
4852c. Guidelines for lead-based paint hazard evaluation and reduction activities.
4852d. Disclosure of information concerning lead upon transfer of residential property.

SUBCHAPTER II—WORKER PROTECTION
4853. Worker protection.
4853a. Coordination between Environmental Protection Agency and Department of Labor.

SUBCHAPTER III—RESEARCH AND DEVELOPMENT

Part 1—HUD Research
4854. Research on lead exposure from other sources.
4854a. Testing technologies.
4854b. Authorization.

Part 2—GAO Report
4855. Federal implementation and insurance study.

SUBCHAPTER IV—REPORTS
4856. Reports of Secretary of Housing and Urban Development.

§ 4851. Findings

The Congress finds that—

(1) low-level lead poisoning is widespread among American children, afflicting as many as 3,000,000 children under age 6, with minority and low-income communities disproportionately affected;

(2) at low levels, lead poisoning in children causes intelligence quotient deficiencies, reading and learning disabilities, impaired hearing, reduced attention span, hyperactivity, and behavior problems;

(3) pre-1980 American housing stock contains more than 3,000,000 tons of lead in the form of lead-based paint, with the vast majority of homes built before 1950 containing substantial amounts of lead-based paint;

(4) the ingestion of household dust containing lead from deteriorating or abraded lead-based paint is the most common cause of lead poisoning in children;

(5) the health and development of children living in as many as 3,800,000 American homes is endangered by chipping or peeling lead paint, or excessive amounts of lead-contaminated dust in their homes;

(6) the danger posed by lead-based paint hazards can be reduced by abating lead-based paint or by taking interim measures to prevent paint deterioration and limit children’s exposure to lead dust and chips;

(7) despite the enactment of laws in the early 1970’s requiring the Federal Government to eliminate as far as practicable lead-based paint hazards in federally owned, assisted, and insured housing, the Federal response to this national crisis remains severely limited; and

(8) the Federal Government must take a leadership role in building the infrastructure—including an informed public, State and local delivery systems, certified inspectors, contractors, and laboratories,
trained workers, and available financing and insurance—necessary to ensure that the national goal of eliminating lead-based paint hazards in housing can be achieved as expeditiously as possible.

§ 4851a. Purposes

The purposes of this chapter are—

1. to develop a national strategy to build the infrastructure necessary to eliminate lead-based paint hazards in all housing as expeditiously as possible;
2. to reorient the national approach to the presence of lead-based paint in housing to implement, on a priority basis, a broad program to evaluate and reduce lead-based paint hazards in the Nation’s housing stock;
3. to encourage effective action to prevent childhood lead poisoning by establishing a workable framework for lead-based paint hazard evaluation and reduction and by ending the current confusion over reasonable standards of care;
4. to ensure that the existence of lead-based paint hazards is taken into account in the development of Government housing policies and in the sale, rental, and renovation of homes and apartments;
5. to mobilize national resources expeditiously, through a partnership among all levels of government and the private sector, to develop the most promising, cost-effective methods for evaluating and reducing lead-based paint hazards;
6. to reduce the threat of childhood lead poisoning in housing owned, assisted, or transferred by the Federal Government; and
7. to educate the public concerning the hazards and sources of lead-based paint poisoning and steps to reduce and eliminate such hazards.

§ 4851b. Definitions

For the purposes of this chapter, the following definitions shall apply:

1. **Abatement**
   The term “abatement” means any set of measures designed to permanently eliminate lead-based paint hazards in accordance with standards established by appropriate Federal agencies. Such term includes—
(A) the removal of lead-based paint and lead-contaminated dust, the permanent containment or encapsulation of lead-based paint, the replacement of lead-painted surfaces or fixtures, and the removal or covering of lead contaminated soil; and  
(B) all preparation, cleanup, disposal, and postabatement clearance testing activities associated with such measures.

(2) **Accessible surface**

The term “accessible surface” means an interior or exterior surface painted with lead-based paint that is accessible for a young child to mouth or chew.

(3) **Certified contractor**

The term “certified contractor” means—

(A) a contractor, inspector, or supervisor who has completed a training program certified by the appropriate Federal agency and has met any other requirements for certification or licensure established by such agency or who has been certified by any State through a program which has been found by such Federal agency to be at least as rigorous as the Federal certification program; and

(B) workers or designers who have fully met training requirements established by the appropriate Federal agency.

(4) **Contract for the purchase and sale of residential real property**

The term “contract for the purchase and sale of residential real property” means any contract or agreement in which one party agrees to purchase an interest in real property on which there is situated 1 or more residential dwellings used or occupied, or intended to be used or occupied, in whole or in part, as the home or residence of 1 or more persons.

(5) **Deteriorated paint**

The term “deteriorated paint” means any interior or exterior paint that is peeling, chipping, chalking or cracking or any paint located on an interior or exterior surface or fixture that is damaged or deteriorated.

(6) **Evaluation**

The term “evaluation” means risk assessment, inspection, or risk assessment and inspection.

(7) **Federally assisted housing**

The term “federally assisted housing” means residential dwellings receiving project-based assistance under programs including—

(A) section 1715l (d)(3) or 1715z–1 of title 12;  
(B) section 1 of the Housing and Urban Development Act of 1965;  
(C) section 1437f of this title; or  
(D) sections 1472 (a), 1474, 1484, 1485, 1486 and 1490m of this title.

(8) **Federally owned housing**

The term “federally owned housing” means residential dwellings owned or managed by a Federal agency, or for which a Federal agency is a trustee or conservator. For the purpose of this paragraph, the term “Federal agency” includes the Department of Housing and Urban Development, the Farmers Home Administration, the Resolution Trust Corporation, the Federal Deposit Insurance Corporation, the General Services Administration, the Department of Defense, the Department of Veterans Affairs, the Department of the Interior, the Department of Transportation, and any other Federal agency.

(9) **Federally supported work**

The term “federally supported work” means any lead hazard evaluation or reduction activities conducted in federally owned or assisted housing or funded in whole or in part through any financial assistance program of the Department of Housing and Urban Development, the Farmers Home Administration, or the Department of Veterans Affairs.
(10) **Friction surface**

The term “friction surface” means an interior or exterior surface that is subject to abrasion or friction, including certain window, floor, and stair surfaces.

(11) **Impact surface**

The term “impact surface” means an interior or exterior surface that is subject to damage by repeated impacts, for example, certain parts of door frames.

(12) **Inspection**

The term “inspection” means a surface-by-surface investigation to determine the presence of lead-based paint as provided in section 4822 (c) of this title and the provision of a report explaining the results of the investigation.

(13) **Interim controls**

The term “interim controls” means a set of measures designed to reduce temporarily human exposure or likely exposure to lead-based paint hazards, including specialized cleaning, repairs, maintenance, painting, temporary containment, ongoing monitoring of lead-based paint hazards or potential hazards, and the establishment and operation of management and resident education programs.

(14) **Lead-based paint**

The term “lead-based paint” means paint or other surface coatings that contain lead in excess of limits established under section 4822 (c) of this title.

(15) **Lead-based paint hazard**

The term “lead-based paint hazard” means any condition that causes exposure to lead from lead-contaminated dust, lead-contaminated soil, lead-contaminated paint that is deteriorated or present in accessible surfaces, friction surfaces, or impact surfaces that would result in adverse human health effects as established by the appropriate Federal agency.

(16) **Lead-contaminated dust**

The term “lead-contaminated dust” means surface dust in residential dwellings that contains an area or mass concentration of lead in excess of levels determined by the appropriate Federal agency to pose a threat of adverse health effects in pregnant women or young children.

(17) **Lead-contaminated soil**

The term “lead-contaminated soil” means bare soil on residential real property that contains lead at or in excess of the levels determined to be hazardous to human health by the appropriate Federal agency.

(18) **Mortgage loan**

The term “mortgage loan” includes any loan (other than temporary financing such as a construction loan) that—

(A) is secured by a first lien on any interest in residential real property; and

(B) either—

(i) is insured, guaranteed, made, or assisted by the Department of Housing and Urban Development, the Department of Veterans Affairs, or the Farmers Home Administration, or by any other agency of the Federal Government; or

(ii) is intended to be sold by each originating mortgage institution to any federally chartered secondary mortgage market institution.

(19) **Originating mortgage institution**

The term “originating mortgage institution” means a lender that provides mortgage loans.

(20) **Priority housing**
The term “priority housing” means target housing that qualifies as affordable housing under section 12745 of this title, including housing that receives assistance under subsection (b) or (o) of section 1437f of this title.

(21) Public housing
The term “public housing” has the same meaning given the term in section 1437a (b) of this title.

(22) Reduction
The term “reduction” means measures designed to reduce or eliminate human exposure to lead-based paint hazards through methods including interim controls and abatement.

(23) Residential dwelling
The term “residential dwelling” means—

(A) a single-family dwelling, including attached structures such as porches and stoops; or
(B) a single-family dwelling unit in a structure that contains more than 1 separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the home or residence of 1 or more persons.

(24) Residential real property
The term “residential real property” means real property on which there is situated 1 or more residential dwellings used or occupied, or intended to be used or occupied, in whole or in part, as the home or residence of 1 or more persons.

(25) Risk assessment
The term “risk assessment” means an on-site investigation to determine and report the existence, nature, severity and location of lead-based paint hazards in residential dwellings, including—

(A) information gathering regarding the age and history of the housing and occupancy by children under age 6;
(B) visual inspection;
(C) limited wipe sampling or other environmental sampling techniques;
(D) other activity as may be appropriate; and
(E) provision of a report explaining the results of the investigation.

(26) Secretary
The term “Secretary” means the Secretary of Housing and Urban Development.

(27) Target housing
The term “target housing” means any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age resides or is expected to reside in such housing for the elderly or persons with disabilities) or any 0-bedroom dwelling. In the case of jurisdictions which banned the sale or use of lead-based paint prior to 1978, the Secretary, at the Secretary’s discretion, may designate an earlier date.

§ 4852. Grants for lead-based paint hazard reduction in target housing

(a) General authority

The Secretary is authorized to provide grants to eligible applicants to evaluate and reduce lead-based paint hazards in housing that is not federally assisted housing, federally owned housing, or public housing, in accordance with the provisions of this section. Grants shall only be made under this section to provide assistance for housing which meets the following criteria—

(1) for grants made to assist rental housing, at least 50 percent of the units must be occupied by or made available to families with incomes at or below 50 percent of the area median income level and the remaining units shall be occupied or made available to families with incomes at or below 80 percent of the area median income level, and in all cases the landlord shall give priority in renting units assisted under this section, for not less than 3 years following the completion of lead abatement activities, to families with a child under the age of six years, except that buildings with five or more units may have 20 percent of the units occupied by families with incomes above 80 percent of area median income level;

(2) for grants made to assist housing owned by owner-occupants, all units assisted with grants under this section shall be the principal residence of families with income at or below 80 percent of the area median income level, and not less than 90 percent of the units assisted with grants under this section shall be occupied by a child under the age of six years or shall be units where a child under the age of six years spends a significant amount of time visiting; and

(3) notwithstanding paragraphs (1) and (2), Round II grantees who receive assistance under this section may use such assistance for priority housing.

(b) Eligible applicants

A State or unit of local government that has an approved comprehensive housing affordability strategy under section 12705 of this title is eligible to apply for a grant under this section.

(c) Form of applications

To receive a grant under this section, a State or unit of local government shall submit an application in such form and in such manner as the Secretary shall prescribe. An application shall contain—

(1) a copy of that portion of an applicant’s comprehensive housing affordability strategy required by section 12705 (b)(16) 1 of this title;

(2) a description of the amount of assistance the applicant seeks under this section;

(3) a description of the planned activities to be undertaken with grants under this section, including an estimate of the amount to be allocated to each activity;

(4) a description of the forms of financial assistance to owners and occupants of housing that will be provided through grants under this section; and

(5) such assurances as the Secretary may require regarding the applicant’s capacity to carry out the activities.

(d) Selection criteria

The Secretary shall award grants under this section on the basis of the merit of the activities proposed to be carried out and on the basis of selection criteria, which shall include—

(1) the extent to which the proposed activities will reduce the risk of lead-based paint poisoning to children under the age of 6 who reside in housing;

(2) the degree of severity and extent of lead-based paint hazards in the jurisdiction to be served;

(3) the ability of the applicant to leverage State, local, and private funds to supplement the grant under this section;
(4) the ability of the applicant to carry out the proposed activities; and
(5) such other factors as the Secretary determines appropriate to ensure that grants made available under this section are used effectively and to promote the purposes of this chapter.

(e) Eligible activities

A grant under this section may be used to—

(1) perform risk assessments and inspections in housing;
(2) provide for the interim control of lead-based paint hazards in housing;
(3) provide for the abatement of lead-based paint hazards in housing;
(4) provide for the additional cost of reducing lead-based paint hazards in units undergoing renovation funded by other sources;
(5) ensure that risk assessments, inspections, and abatements are carried out by certified contractors in accordance with section 2682 of title 15;
(6) monitor the blood-lead levels of workers involved in lead hazard reduction activities funded under this section;
(7) assist in the temporary relocation of families forced to vacate housing while lead hazard reduction measures are being conducted;
(8) educate the public on the nature and causes of lead poisoning and measures to reduce exposure to lead, including exposure due to residential lead-based paint hazards;
(9) test soil, interior surface dust, and the blood-lead levels of children under the age of 6 residing in housing after lead-based paint hazard reduction activity has been conducted, to assure that such activity does not cause excessive exposures to lead; and
(10) carry out such other activities that the Secretary determines appropriate to promote the purposes of this chapter.

(f) Forms of assistance

The applicant may provide the services described in this section through a variety of programs, including grants, loans, equity investments, revolving loan funds, loan funds, loan guarantees, interest write-downs, and other forms of assistance approved by the Secretary.

(g) Technical assistance and capacity building

(1) In general

The Secretary shall develop the capacity of eligible applicants to carry out the requirements of section 12705 (b)(16) of this title and to carry out activities under this section. In fiscal years 1993 and 1994, the Secretary may make grants of up to $200,000 for the purpose of establishing State training, certification or accreditation programs that meet the requirements of section 2682 of title 15.

(2) Set-aside

Of the total amount approved in appropriation Acts under subsection (o) of this section, there shall be set aside to carry out this subsection $3,000,000 for fiscal year 1993 and $3,000,000 for fiscal year 1994.

(h) Matching requirement

Each recipient of a grant under this section shall make contributions toward the cost of activities that receive assistance under this section in an amount not less than 10 percent of the total grant amount under this section.

(i) Prohibition of substitution of funds

Grants under this subchapter may not be used to replace other amounts made available or designated by State or local governments for use for the purposes under this subchapter.

(j) Limitation on use
An applicant shall ensure that not more than 10 percent of the grant will be used for administrative expenses associated with the activities funded.

(k) **Financial records**

An applicant shall maintain and provide the Secretary with financial records sufficient, in the determination of the Secretary, to ensure proper accounting and disbursing of amounts received from a grant under this section.

(l) **Report**

An applicant under this section shall submit to the Secretary, for any fiscal year in which the applicant expends grant funds under this section, a report that—

1. describes the use of the amounts received;
2. states the number of risk assessments and the number of inspections conducted in residential dwellings;
3. states the number of residential dwellings in which lead-based paint hazards have been reduced through interim controls;
4. states the number of residential dwellings in which lead-based paint hazards have been abated; and
5. provides any other information that the Secretary determines to be appropriate.

(m) **Notice of Funding Availability**

The Secretary shall publish a Notice of Funding Availability pursuant to this section not later than 120 days after funds are appropriated for this section.

(n) **Relationship to other law**

Effective 2 years after the date of promulgation of regulations under section 2682 of title 15, no grants for lead-based paint hazard evaluation or reduction may be awarded to a State under this section unless such State has an authorized program under section 2684 of title 15.

(o) **Environmental review**

1. **In general**

For purposes of environmental review, decisionmaking, and action pursuant to the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.] and other provisions of law that further the purposes of such Act, a grant under this section shall be treated as assistance under the HOME Investment Partnership Act, established under title II of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 12721 et seq.], and shall be subject to the regulations promulgated by the Secretary to implement section 288 of such Act [42 U.S.C. 12838].

2. **Applicability**

This subsection shall apply to—

(A) grants awarded under this section; and
(B) grants awarded to States and units of general local government for the abatement of significant lead-based paint and lead dust hazards in low- and moderate-income owner-occupied units and low-income privately owned rental units pursuant to title II of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1992 (Public Law 102–139, 105 Stat. 736).

(p) **Authorization of appropriations**

For the purposes of carrying out this chapter, there are authorized to be appropriated $125,000,000 for fiscal year 1993 and $250,000,000 for fiscal year 1994.

§ 4852a. Task force on lead-based paint hazard reduction and financing

(a) In general

The Secretary, in consultation with the Administrator of the Environmental Protection Agency, shall establish a task force to make recommendations on expanding resources and efforts to evaluate and reduce lead-based paint hazards in private housing.

(b) Membership

The task force shall include individuals representing the Department of Housing and Urban Development, the Farmers Home Administration, the Department of Veterans Affairs, the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Environmental Protection Agency, employee organizations in the building and construction trades industry, landlords, tenants, primary lending institutions, private mortgage insurers, single-family and multifamily real estate interests, nonprofit housing developers, property liability insurers, public housing agencies, low-income housing advocacy organizations, national, State and local lead-poisoning prevention
advocates and experts, and community-based organizations located in areas with substantial rental housing.

(c) Responsibilities

The task force shall make recommendations to the Secretary and the Administrator of the Environmental Protection Agency concerning—

(1) incorporating the need to finance lead-based paint hazard reduction into underwriting standards;
(2) developing new loan products and procedures for financing lead-based paint hazard evaluation and reduction activities;
(3) adjusting appraisal guidelines to address lead safety;
(4) incorporating risk assessments or inspections for lead-based paint as a routine procedure in the origination of new residential mortgages;
(5) revising guidelines, regulations, and educational pamphlets issued by the Department of Housing and Urban Development and other Federal agencies relating to lead-based paint poisoning prevention;
(6) reducing the current uncertainties of liability related to lead-based paint in rental housing by clarifying standards of care for landlords and lenders, and by exploring the “safe harbor” concept;
(7) increasing the availability of liability insurance for owners of rental housing and certified contractors and establishing alternative systems to compensate victims of lead-based paint poisoning; and
(8) evaluating the utility and appropriateness of requiring risk assessments or inspections and notification to prospective lessees of rental housing.

(d) Compensation

The members of the task force shall not receive Federal compensation for their participation.

§ 4852b. National consultation on lead-based paint hazard reduction

In carrying out this chapter, the Secretary shall consult on an ongoing basis with the Administrator of the Environmental Protection Agency, the Director of the Centers for Disease Control, other Federal agencies concerned with lead poisoning prevention, and the task force established pursuant to section 4852a of this title.

Change of Name

§ 4852c. Guidelines for lead-based paint hazard evaluation and reduction activities

Not later than 12 months after October 28, 1992, the Secretary, in consultation with the Administrator of the Environmental Protection Agency, the Secretary of Labor, and the Secretary
of Health and Human Services (acting through the Director of the Centers for Disease Control), shall issue guidelines for the conduct of federally supported work involving risk assessments, inspections, interim controls, and abatement of lead-based paint hazards. Such guidelines shall be based upon criteria that measure the condition of the housing (and the presence of children under age 6 for the purposes of risk assessments) and shall not be based upon criteria that measure the health of the residents of the housing.

§ 4852d. Disclosure of information concerning lead upon transfer of residential property

(a) Lead disclosure in purchase and sale or lease of target housing

(1) Lead-based paint hazards

Not later than 2 years after October 28, 1992, the Secretary and the Administrator of the Environmental Protection Agency shall promulgate regulations under this section for the disclosure of lead-based paint hazards in target housing which is offered for sale or lease. The regulations shall require that, before the purchaser or lessee is obligated under any contract to purchase or lease the housing, the seller or lessor shall—

(A) provide the purchaser or lessee with a lead hazard information pamphlet, as prescribed by the Administrator of the Environmental Protection Agency under section 406 of the Toxic Substances Control Act [15 U.S.C. 2686];

(B) disclose to the purchaser or lessee the presence of any known lead-based paint, or any known lead-based paint hazards, in such housing and provide to the purchaser or lessee any lead hazard evaluation report available to the seller or lessor; and

(C) permit the purchaser a 10-day period (unless the parties mutually agree upon a different period of time) to conduct a risk assessment or inspection for the presence of lead-based paint hazards.

(2) Contract for purchase and sale

Regulations promulgated under this section shall provide that every contract for the purchase and sale of any interest in target housing shall contain a Lead Warning Statement and a statement signed by the purchaser that the purchaser has—

(A) read the Lead Warning Statement and understands its contents;

(B) received a lead hazard information pamphlet; and

(C) had a 10-day opportunity (unless the parties mutually agreed upon a different period of time) before becoming obligated under the contract to purchase the housing to conduct a risk assessment or inspection for the presence of lead-based paint hazards.

(3) Contents of lead warning statement

The Lead Warning Statement shall contain the following text printed in large type on a separate sheet of paper attached to the contract:

“Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced
intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller’s possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.”.

(4) **Compliance assurance**

Whenever a seller or lessor has entered into a contract with an agent for the purpose of selling or leasing a unit of target housing, the regulations promulgated under this section shall require the agent, on behalf of the seller or lessor, to ensure compliance with the requirements of this section.

(5) **Promulgation**

A suit may be brought against the Secretary of Housing and Urban Development and the Administrator of the Environmental Protection Agency under section 20 of the Toxic Substances Control Act [15 U.S.C. 2619] to compel promulgation of the regulations required under this section and the Federal district court shall have jurisdiction to order such promulgation.

**b) Penalties for violations**

(1) **Monetary penalty**

Any person who knowingly violates any provision of this section shall be subject to civil money penalties in accordance with the provisions of section 3545 of this title.

(2) **Action by Secretary**

The Secretary is authorized to take such lawful action as may be necessary to enjoin any violation of this section.

(3) **Civil liability**

Any person who knowingly violates the provisions of this section shall be jointly and severally liable to the purchaser or lessee in an amount equal to 3 times the amount of damages incurred by such individual.

(4) **Costs**

In any civil action brought for damages pursuant to paragraph (3), the appropriate court may award court costs to the party commencing such action, together with reasonable attorney fees and any expert witness fees, if that party prevails.

(5) **Prohibited act**

It shall be a prohibited act under section 409 of the Toxic Substances Control Act [15 U.S.C. 2689] for any person to fail or refuse to comply with a provision of this section or with any rule or order issued under this section. For purposes of enforcing this section under the Toxic Substances Control Act [15 U.S.C. 2601 et seq.], the penalty for each violation applicable under section 16 of that Act [15 U.S.C. 2615] shall not be more than $10,000.

(c) **Validity of contracts and liens**

Nothing in this section shall affect the validity or enforceability of any sale or contract for the purchase and sale or lease of any interest in residential real property or any loan, loan agreement, mortgage, or lien made or arising in connection with a mortgage loan, nor shall anything in this section create a defect in title.

(d) **Effective date**

The regulations under this section shall take effect 3 years after October 28, 1992.

The Toxic Substances Control Act, referred to in subsec. (b)(5), is Pub. L. 94–469, Oct. 11, 1976, 90 Stat. 2003, as amended, which is classified generally to chapter 53 (§ 2601 et seq.) of Title 15, Commerce and Trade. For complete classification of this Act to the Code, see Short Title note set out under section 2601 of Title 15 and Tables.
§ 4853. Worker protection
Not later than 180 days after October 28, 1992, the Secretary of Labor shall issue an interim final regulation regulating occupational exposure to lead in the construction industry. Such interim final regulation shall provide employment and places of employment to employees which are as safe and healthful as those which would prevail under the Department of Housing and Urban Development guidelines published at Federal Register 55, page 38973 (September 28, 1990) (Revised Chapter 8). Such interim final regulations shall take effect upon issuance (except that such regulations may include a reasonable delay in the effective date), shall have the legal effect of an Occupational Safety and Health Standard, and shall apply until a final standard becomes effective under section 655 of title 29.

§ 4853a. Coordination between Environmental Protection Agency and Department of Labor
The Secretary of Labor, in promulgating regulations under section 4853 of this title, shall consult and coordinate with the Administrator of the Environmental Protection Agency for the purpose of achieving the maximum enforcement of title IV of the Toxic Substances Control Act [15 U.S.C. 2681 et seq.] and the Occupational Safety and Health Act of 1970 [29 U.S.C. 651 et seq.] while imposing the least burdens of duplicative requirements on those subject to such title and Act and for other purposes.

Part 1—HUD Research

§ 4854. Research on lead exposure from other sources

The Secretary, in cooperation with other Federal agencies, shall conduct research on strategies to reduce the risk of lead exposure from other sources, including exterior soil and interior lead dust in carpets, furniture, and forced air ducts.

§ 4854a. Testing technologies

The Secretary, in cooperation with other Federal agencies, shall conduct research to—

(1) develop improved methods for evaluating lead-based paint hazards in housing;
(2) develop improved methods for reducing lead-based paint hazards in housing;
(3) develop improved methods for measuring lead in paint films, dust, and soil samples;
(4) establish performance standards for various detection methods, including spot test kits;
(5) establish performance standards for lead-based paint hazard reduction methods, including the use of encapsulants;
(6) establish appropriate cleanup standards;
(7) evaluate the efficacy of interim controls in various hazard situations;
(8) evaluate the relative performance of various abatement techniques;
(9) evaluate the long-term cost-effectiveness of interim control and abatement strategies; and
(10) assess the effectiveness of hazard evaluation and reduction activities funded by this chapter.

§ 4854b. Authorization

Of the total amount approved in appropriation Acts under section 4852 (o) of this title, there shall be set aside to carry out this part $5,000,000 for fiscal year 1993, and $5,000,000 for fiscal year 1994.

References in Text

Section 4852 (o) of this title, referred to in text, was redesignated section 4852 (p) of this title by Pub. L. 103–233, title III, § 305(a)(1), Apr. 11, 1994, 108 Stat. 370.
Part 2—GAO Report

§ 4855. Federal implementation and insurance study

(a) Federal implementation study

The Comptroller General of the United States shall assess the effectiveness of Federal enforcement and compliance with lead safety laws and regulations, including any changes needed in annual inspection procedures to identify lead-based paint hazards in units receiving assistance under subsections (b) and (o) of section 1437f of this title.

(b) Insurance study

The Comptroller General of the United States shall assess the availability of liability insurance for owners of residential housing that contains lead-based paint and persons engaged in lead-based paint hazard evaluation and reduction activities. In carrying out the assessment, the Comptroller General shall—

1. analyze any precedents in the insurance industry for the containment and abatement of environmental hazards, such as asbestos, in federally assisted housing;
2. provide an assessment of the recent insurance experience in the public housing lead hazard identification and reduction program; and
3. recommend measures for increasing the availability of liability insurance to owners and contractors engaged in federally supported work.

SUBCHAPTER IV—REPORTS

§ 4856. Reports of Secretary of Housing and Urban Development

(a) Annual report

The Secretary shall transmit to the Congress an annual report that—

(1) sets forth the Secretary’s assessment of the progress made in implementing the various programs authorized by this chapter;

(2) summarizes the most current health and environmental studies on childhood lead poisoning, including studies that analyze the relationship between interim control and abatement activities and the incidence of lead poisoning in resident children;

(3) recommends legislative and administrative initiatives that may improve the performance by the Department of Housing and Urban Development in combating lead hazards through the expansion of lead hazard evaluation and reduction activities;

(4) describes the results of research carried out in accordance with subchapter III of this chapter; and

(5) estimates the amount of Federal assistance annually expended on lead hazard evaluation and reduction activities.

(b) Biennial report

(1) In general

24 months after October 28, 1992, and at the end of every 24-month period thereafter, the Secretary shall report to the Congress on the progress of the Department of Housing and Urban Development in implementing expanded lead-based paint hazard evaluation and reduction activities.

(2) Contents

The report shall—

(A) assess the effectiveness of section 4852d of this title in making the public aware of lead-based paint hazards;

(B) estimate the extent to which lead-based paint hazard evaluation and reduction activities are being conducted in the various categories of housing;

(C) monitor and report expenditures for lead-based paint hazard evaluation and reduction for programs within the jurisdiction of the Department of Housing and Urban Development;

(D) identify the infrastructure needed to eliminate lead-based paint hazards in all housing as expeditiously as possible, including cost-effective technology, standards and regulations, trained and certified contractors, certified laboratories, liability insurance, private financing techniques, and appropriate Government subsidies;

(E) assess the extent to which the infrastructure described in subparagraph (D) exists, make recommendations to correct shortcomings, and provide estimates of the costs of measures needed to build an adequate infrastructure; and

(F) include any additional information that the Secretary deems appropriate.
