In subsection (a), the definition of “armed forces” is omitted as unnecessary in view of the definition in section 2101.

In subsection (b), the words “position in the civil service” are substituted for “civilian office” in view of the definition of “civil service” in section 2101. The words “(including a nonappropriated fund instrumentality under the jurisdiction of the armed forces)” are added on authority of former section 3101 (3).

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.
