(1) provide, as the case may be, for the use of disabled veterans outreach program specialists, local veterans’ employment representatives, and other employment service personnel funded by the Department of Labor to the extent that the Secretary of Labor determines that such use will not significantly interfere with the provision of services or other benefits to eligible veterans and other eligible recipients of such services or benefits;

(2) The Secretary of Defense and the Secretary of Homeland Security may, under regulations such Secretaries shall prescribe, waive the participation requirement of paragraph (1) with respect to—

(A) such groups or classifications of members as the Secretaries determine, after consultation with the Secretary of Labor and the Secretary of Veterans Affairs, for whom participation is not and would not be of assistance to such members based on the Secretaries’ articulable justification that there is extraordinarily high reason to believe the exempted members are unlikely to face major readjustment, health care, employment, or other challenges associated with transition to civilian life; and

(B) individual members possessing specialized skills who, due to unavoidable circumstances, are needed to support a unit’s imminent deployment.
