§ 1202. Regulars and members on active duty for more than 30 days: temporary disability retired list

Upon a determination by the Secretary concerned that a member described in section 1201 (c) of this title would be qualified for retirement under section 1201 of this title but for the fact that his disability is not determined to be of a permanent nature and stable, the Secretary shall, if he also determines that accepted medical principles indicate that the disability may be of a permanent nature, place the member’s name on the temporary disability retired list, with retired pay computed under section 1401 of this title.

The first 82 words are inserted for clarity and are based on the rule stated in section 1201 of this title, which restates that part of 37:272(a), (b), and (f) relating to retirement for physical disability. The revised section incorporates by reference those provisions which are identical for retirement and for placement on the temporary disability retired list. This is possible, since 37:272(f) applies to placement on the temporary disability retired list as well as to retirement (see opinion of the Judge Advocate General of the Army (JAGA 1953/1900, 9 Mar. 1953)).
