TITLE 10 - ARMED FORCES
Subtitle A - General Military Law
PART IV - SERVICE, SUPPLY, AND PROCUREMENT
CHAPTER 139 - RESEARCH AND DEVELOPMENT

§ 2351. Availability of appropriations

(a) Funds appropriated to the Department of Defense for research and development remain available for obligation for a period of two consecutive years.

(b) Funds appropriated to the Department of Defense for research and development may be used—
   (1) for the purposes of section 2353 of this title; and
   (2) for purposes related to research and development for which expenditures are specifically authorized in other appropriations of the Department of Defense.

Historical and Revision Notes

1982 Act

Revised section Source (U.S. Code) Source (Statutes at Large)

The words “Unless otherwise provided in the appropriation Act concerned” are omitted as unnecessary and for consistency. The word “Funds” is substituted for “moneys” for consistency in title 10.

1988 Act

Subsection (a) is based on section 2361 of this title.

Subsection (b) is based on Pub. L. 99–190, § 101(b) [title VIII, § 8015], Dec. 19, 1985, 99 Stat. 1185, 1205.

Prior Provisions

A prior section 2351, act Aug. 10, 1956, ch. 1041, 70A Stat. 133, related to policy, plans, and coordination relative to research and development on scientific problems relating to the national security, prior to repeal by Pub. L. 85–599, § 3(d).

Amendments

1988—Pub. L. 100–370 renumbered section 2361 of this title as this section, designated such provisions as subsec. (a), and added subsec. (b).
