(1) An agreement with an eligible entity or entities under this section shall provide for—

(A) the acquisition by the entity or entities of all right, title, and interest in and to any real property, or any lesser interest in the property, as may be appropriate for purposes of this section; and

(B) the sharing by the United States and the entity or entities of the acquisition costs in accordance with paragraph (3).

(2) Property or interests may not be acquired pursuant to the agreement unless the owner of the property or interests consents to the acquisition.

(3) An agreement with an eligible entity under this section may provide for the management of natural resources on, and the monitoring and enforcement of any right, title, real property in which the Secretary concerned acquires any right, title, or interest in accordance with this subsection and for the payment by the United States of all or a portion of the costs of such natural resource management and monitoring and enforcement if the Secretary concerned determines that there is a demonstrated need to preserve or restore habitat for the purpose described in subsection (a)(2).

Any such payment by the United States—

(A) may be paid in a lump sum and include an amount intended to cover the future costs of natural resource management and monitoring and enforcement; and
(B) may be placed by the eligible entity in an interest-bearing account, and any interest shall be applied for the same purposes as the principal.

(4) (A) The Secretary concerned shall determine the appropriate portion of the acquisition costs to be borne by the United States in the sharing of acquisition costs of real property, or an interest in real property, under paragraph (1)(B).

(B) In lieu of or in addition to making a monetary contribution toward the cost of acquiring a parcel of real property, or an interest therein, pursuant to an agreement under this section, the Secretary concerned may convey, using the authority provided by section 2869 of this title, real property described in paragraph (2) of subsection (a) of such section, subject to the limitation in paragraph (3) of such subsection.

(C) The portion of acquisition costs borne by the United States under subparagraph (A), either through the contribution of funds or excess real property, or both, may not exceed an amount equal to, at the discretion of the Secretary concerned—

(D) The portion of acquisition costs borne by the United States under subparagraph (A) may exceed the amount determined under subparagraph (C), but only if—

(i) the Secretary concerned provides written notice to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives containing—

(I) a certification by the Secretary that the military value to the United States of the property or interest to be acquired justifies a payment in excess of the fair market value of the property or interest; and

(II) a description of the military value to be obtained; and

(ii) the contribution toward the acquisition costs of the property or interest is not made until at least 14 days after the date on which the notice is submitted under clause (i) or, if earlier, at least 10 days after the date on which a copy of the notice is provided in an electronic medium pursuant to section 480 of this title.

No such requirement need be included in the agreement if the property or interest is being transferred to a State, or the agreement requires it to be subsequently transferred to a State, and the Secretary concerned determines that the laws and regulations applicable to the future use of such property or interest provide adequate assurance that the property concerned will be developed and used in a manner appropriate for purposes of this section. The Secretary shall limit such transfer request to the minimum
property or interests necessary to ensure that the property concerned is developed and used in a manner appropriate for purposes of this section.

(B) Notwithstanding subparagraph (A), if all or a portion of the property or interest acquired under the agreement is subsequently transferred to the United States and administrative jurisdiction over the property is under a Federal official other than a Secretary concerned, the Secretary concerned and that Federal official shall enter into a memorandum of agreement providing, to the satisfaction of the Secretary concerned, for the management of the property or interest concerned in a manner appropriate for purposes of this section. Such memorandum of agreement shall also provide that, should it be proposed that the property or interest concerned be developed or used in a manner not appropriate for purposes of this section, including declaring the property to be excess to the agency’s needs or proposing to exchange the property for other property, the Secretary concerned may request that administrative jurisdiction over the property be transferred to the Secretary concerned at no cost, and, upon such a request being made, the administrative jurisdiction over the property shall be transferred accordingly.

(6) The Secretary concerned may accept on behalf of the United States any property or interest to be transferred to the United States under the agreement.
