TITLE 22 - FOREIGN RELATIONS AND INTERCOURSE
CHAPTER 34 - THE PEACE CORPS
§ 2504. Peace Corps volunteers

(a) Persons eligible; terms and conditions of service; Federal employee status; racial, sex, religious, or color discrimination

The President may enroll in the Peace Corps for service abroad qualified citizens and nationals of the United States (referred to in this chapter as “volunteers”). The terms and conditions of the enrollment, training (including training under section 2507a of this title), compensation, hours of work, benefits, leave, termination, and all other terms and conditions of the service of volunteers shall be exclusively those set forth in this chapter and those consistent therewith which the President may prescribe; and, except as provided in this chapter, volunteers shall not be deemed officers or employees or otherwise in the service or employment of, or holding office under, the United States for any purpose. In carrying out this subsection, there shall be no discrimination against any person on account of race, sex, creed, or color.

(b) Living allowances, travel, leave and related items; transfers of supplies and equipment

Volunteers shall be provided with such living, travel, and leave allowances, and such housing, transportation, supplies, equipment, subsistence, and clothing as the President may determine to be necessary for their maintenance and to insure their health and their capacity to serve effectively. Supplies or equipment provided volunteers to insure their capacity to serve effectively may be transferred to the government or to other entities of the country or area with which they have been serving, when no longer necessary for such purpose, and when such transfers would further the purposes of this chapter. Transportation and travel allowances may also be provided, in such circumstances as the President may determine, for applicants for enrollment to or from places of training and places of enrollment, and for former volunteers from places of termination to their homes in the United States.

(c) Readjustment allowances

Volunteers shall be entitled to receive a readjustment allowance at a rate not less than $125 for each month of satisfactory service as determined by the President. The readjustment allowance of each volunteer shall be payable on his return to the United States: Provided, however, That, under such circumstances as the President may determine, the accrued readjustment allowance, or any part thereof, may be paid to the volunteer, members of his family or others, during the period of his service, or prior to his return to the United States. In the event of the volunteer’s death during the period of his service, the amount of any unpaid readjustment allowance shall be paid in accordance with the provisions of section 5582 (b) of title 5. For purposes of the Internal Revenue Code of 1986, a volunteer shall be deemed to be paid and to receive each amount of a readjustment allowance to which he is entitled after December 31, 1964, when such amount is transferred from funds made available under this chapter to the fund from which such readjustment allowance is payable.

(d) Repealed. Pub. L. 89–554, § 8(a), Sept. 6, 1966, 80 Stat. 661

(e) Health care

Volunteers shall receive such health care (including, if necessary, for volunteers and trainees, services under section 2507b of this title) during their service, applicants for enrollment shall receive such health examinations preparatory to their service, applicants for enrollment who have accepted an invitation to begin a period of training under section 2507 (a) of this title shall receive such immunization and dental care preparatory to their service, and former volunteers shall receive such health examinations within six months after termination of their service, including services provided in accordance with section 2507b of this title (except that the six-month limitation shall not apply in the case of such services), as the President may deem necessary or appropriate. Subject to such conditions as the President may prescribe, such health care may be provided in any facility of any agency of the United States Government, and in such cases the appropriation for maintaining and operating such facility
shall be reimbursed from appropriations available under this chapter. Health care may not be provided under this subsection in a manner inconsistent with the Assisted Suicide Funding Restriction Act of 1997 [42 U.S.C. 14401 et seq.].

(f) Retirement and other credits based upon length of service

(1) Any period of satisfactory service of a volunteer under this chapter shall be credited in connection with subsequent employment in the same manner as a like period of civilian employment by the United States Government—

(A) for the purposes of section 816(a) of the Foreign Service Act of 1980 [22 U.S.C. 4056 (a)] and every other Act establishing a retirement system for civilian employees of any United States Government agency; and

(B) except as otherwise determined by the President, for the purposes of determining seniority, reduction in force, and layoff rights, leave entitlement, and other rights and privileges based upon length of service under the laws administered by the Office of Personnel Management, the Foreign Service Act of 1980 [22 U.S.C. 3901 et seq.], and every other Act establishing or governing terms and conditions of service of civilian employees of the United States Government: Provided, That service of a volunteer shall not be credited toward completion of any probationary or trial period or completion of any service requirement for career appointment.

(2) For the purposes of paragraph (1)(A) of this subsection, volunteers and volunteer leaders shall be deemed to be receiving compensation during their service at the respective rates of readjustment allowances payable under subsection (c) of this section and section 2505 (1) of this title.

(g) Assignment to other entities

The President may detail or assign volunteers or otherwise make them available to any entity referred to in paragraph (1) of section 2509 (a) of this title on such terms and conditions as he may determine: Provided, That not to exceed two hundred volunteers may be assigned to carry out secretarial or clerical duties on the staffs of the Peace Corps representatives abroad: Provided, however, That any volunteer so detailed or assigned shall continue to be entitled to the allowances, benefits and privileges of volunteers authorized under or pursuant to this chapter.

(i) Termination of service

The service of a volunteer may be terminated at any time at the pleasure of the President.

(j) Oath of office

Upon enrollment in the Peace Corps, every volunteer shall take the oath prescribed for persons appointed to any office of honor or profit by section 3331 of title 5.

(k) Counseling programs for returned volunteers

In order to assure that the skills and experience which former volunteers have derived from their training and their service abroad are best utilized in the national interest, the President may, in cooperation with agencies of the United States, private employers, educational institutions and other entities of the United States, undertake programs under which volunteers would be counseled with respect to opportunities for further education and employment.

(l) Legal expenses of defendant in judicial or administrative proceedings
Notwithstanding any other provision of law, counsel may be employed and counsel fees, court costs, bail, and other expenses incident to the defense of volunteers may be paid in foreign judicial or administrative proceedings to which volunteers have been made parties and counsel may be employed and counsel fees, court costs and other expenses may be paid in the support of volunteers who are parties, complaining witnesses, or otherwise participating in the prosecution of crimes committed against such volunteers.

The minor children of a volunteer living with the volunteer may receive—

(1) such living, travel, education, and leave allowances, such housing, transportation, subsistence, and essential special items of clothing as the President may determine;

(2) such health care, including health care following the volunteer’s service for illness or injury incurred during such service, and health and accident insurance, as the President may determine and upon such terms as he may determine, including health care in any facility referred to in subsection (e) of this section, subject to such conditions as the President may prescribe and subject to reimbursement of appropriations as provided in such subsection (e);

Any person so appointed shall, upon completion of the prescribed probationary period, acquire a competitive status.
