§ 8127. Small business concerns owned and controlled by veterans: contracting goals and preferences

(a) Contracting Goals.—

(1) In order to increase contracting opportunities for small business concerns owned and controlled by veterans and small business concerns owned and controlled by veterans with service-connected disabilities, the Secretary shall—

(A) establish a goal for each fiscal year for participation in Department contracts (including subcontracts) by small business concerns owned and controlled by veterans who are not veterans with service-connected disabilities in accordance with paragraph (2); and

(B) establish a goal for each fiscal year for participation in Department contracts (including subcontracts) by small business concerns owned and controlled by veterans with service-connected disabilities in accordance with paragraph (3).

(2) The goal for a fiscal year for participation under paragraph (1)(A) shall be determined by the Secretary.

(3) The goal for a fiscal year for participation under paragraph (1)(B) shall be not less than the Government-wide goal for that fiscal year for participation by small business concerns owned and controlled by veterans with service-connected disabilities under section 15(g)(1) of the Small Business Act (15 U.S.C. 644 (g)(1)).

(4) The Secretary shall establish a review mechanism to ensure that, in the case of a subcontract of a Department contract that is counted for purposes of meeting a goal established pursuant to this section, the subcontract was actually awarded to a business concern that may be counted for purposes of meeting that goal.

(b) Use of Noncompetitive Procedures for Certain Small Contracts.— For purposes of meeting the goals under subsection (a), and in accordance with this section, in entering into a contract with a small business concern owned and controlled by veterans for an amount less than the simplified acquisition threshold (as defined in section 134 of title 41), a contracting officer of the Department may use procedures other than competitive procedures.

(c) Sole Source Contracts for Contracts Above Simplified Acquisition Threshold.— For purposes of meeting the goals under subsection (a), and in accordance with this section, a contracting officer of the Department may award a contract to a small business concern owned and controlled by veterans using procedures other than competitive procedures if—

(1) such concern is determined to be a responsible source with respect to performance of such contract opportunity;

(2) the anticipated award price of the contract (including options) will exceed the simplified acquisition threshold (as defined in section 134 of title 41) but will not exceed $5,000,000; and

(3) in the estimation of the contracting officer, the contract award can be made at a fair and reasonable price that offers best value to the United States.

(d) Use of Restricted Competition.— Except as provided in subsections (b) and (c), for purposes of meeting the goals under subsection (a), and in accordance with this section, a contracting officer of the Department shall award contracts on the basis of competition restricted to small business concerns owned and controlled by veterans if the contracting officer has a reasonable expectation that two or
more small business concerns owned and controlled by veterans will submit offers and that the award
can be made at a fair and reasonable price that offers best value to the United States.

(e) Eligibility of Small Business Concerns.— A small business concern may be awarded a contract
under this section only if the small business concern and the veteran owner of the small business concern
are listed in the database of veteran-owned businesses maintained by the Secretary under subsection (f).

(f) Database of Veteran-Owned Businesses.—

(1) Subject to paragraphs (2) through (6), the Secretary shall maintain a database of small business
concerns owned and controlled by veterans and the veteran owners of such business concerns.

(2) (A) To be eligible for inclusion in the database, such a veteran shall submit to the Secretary
such information as the Secretary may require with respect to the small business concern
or the veteran. Application for inclusion in the database shall constitute permission under
section 552a of title 5 (commonly referred to as the Privacy Act) for the Secretary to access
such personal information maintained by the Secretary as may be necessary to verify the
information contained in the application.

(B) If the Secretary receives an application for inclusion in the database from an individual
whose status as a veteran cannot be verified because the Secretary does not maintain
information with respect to the veteran status of the individual, the Secretary may not include
the small business concern owned and controlled by the individual in the database maintained
by the Secretary until the Secretary receives such information as may be necessary to verify
that the individual is a veteran.

(3) Information maintained in the database shall be submitted on a voluntary basis by such
veterans.

(4) No small business concern may be listed in the database until the Secretary has verified that—
(A) the small business concern is owned and controlled by veterans; and

(B) in the case of a small business concern for which the person who owns and controls
the concern indicates that the person is a veteran with a service-connected disability, that the
person is a veteran with a service-connected disability.

(5) The Secretary shall make the database available to all Federal departments and agencies and
shall notify each such department and agency of the availability of the database.

(6) If the Secretary determines that the public dissemination of certain types of information
maintained in the database is inappropriate, the Secretary shall take such steps as are necessary to
maintain such types of information in a secure and confidential manner.

(g) Enforcement Penalties for Misrepresentation.— Any business concern that is determined by
the Secretary to have misrepresented the status of that concern as a small business concern owned
and controlled by veterans or as a small business concern owned and controlled by service-disabled
veterans for purposes of this subsection shall be debarred from contracting with the Department for a
reasonable period of time, as determined by the Secretary.

(h) Treatment of Businesses After Death of Veteran-Owner.—

(1) Subject to paragraph (3), if the death of a veteran causes a small business concern to be less
than 51 percent owned by one or more veterans, the surviving spouse of such veteran who acquires
ownership rights in such small business concern shall, for the period described in paragraph (2),
be treated as if the surviving spouse were that veteran for the purpose of maintaining the status of
the small business concern as a small business concern owned and controlled by veterans.

(2) The period referred to in paragraph (1) is the period beginning on the date on which the veteran
dies and ending on the earliest of the following dates:

(A) The date on which the surviving spouse remarries.

(B) The date on which the surviving spouse relinquishes an ownership interest in the small business concern.
(C) The date that is ten years after the date of the veteran’s death.

(3) Paragraph (1) only applies to a surviving spouse of a veteran with a service-connected disability rated as 100 percent disablimg or who dies as a result of a service-connected disability.

(i) **Priority for Contracting Preferences.**— Preferences for awarding contracts to small business concerns shall be applied in the following order of priority:

(B) section 31 of such Act (15 U.S.C. 657a).

(4) Contracts awarded pursuant to any other small business contracting preference.

(j) **Applicability of Requirements to Contracts.**—

(1) If after December 31, 2008, the Secretary enters into a contract, memorandum of understanding, agreement, or other arrangement with any governmental entity to acquire goods or services, the Secretary shall include in such contract, memorandum, agreement, or other arrangement a requirement that the entity will comply, to the maximum extent feasible, with the provisions of this section in acquiring such goods or services.

(2) Nothing in this subsection shall be construed to supersede or otherwise affect the authorities provided under the Small Business Act (15 U.S.C. 631 et seq.).

(k) **Annual Reports.**— Not later than December 31 each year, the Secretary shall submit to Congress a report on small business contracting during the fiscal year ending in such year. Each report shall include, for the fiscal year covered by such report, the following:

(1) The percentage of the total amount of all contracts awarded by the Department during that fiscal year that were awarded to small business concerns owned and controlled by veterans.
