For purposes of this section:

(1) Presumptive eligibility period

The term “presumptive eligibility period” means, with respect to an individual described in subsection (a) of this section, the period that—

(B) ends with (and includes) the earlier of—

(i) the day on which a determination is made with respect to the eligibility of such individual for services under the State plan; or

(B) Regulations

The Secretary may issue regulations further limiting those entities that may become qualified entities in order to prevent fraud and abuse and for other reasons.

The State agency shall provide qualified entities with—

(A) such forms as are necessary for an application to be made by an individual described in subsection (a) of this section for medical assistance under the State plan; and

(2) Notification requirements

A qualified entity that determines under subsection (b)(1)(A) of this section that an individual described in subsection (a) of this section is presumptively eligible for medical assistance under a State plan shall—

which determination is made; and
(B) inform such individual at the time the determination is made that an application for
medical assistance under the State plan is required to be made by not later than the last day of
the month following the month during which the determination is made.

(3) Application for medical assistance

In the case of an individual described in subsection (a) of this section who is determined by
a qualified entity to be presumptively eligible for medical assistance under a State plan, the
