Such a contract with an organization may cover more than 1 Medicare+Choice plan. Such contract shall provide that the organization agrees to comply with the applicable requirements and standards of this part and the terms and conditions of payment as provided for in this part.  

(b) Minimum enrollment requirements

(B) at least 1,500 individuals (or 500 individuals in the case of an organization that is a provider-sponsored organization) who are receiving health benefits through the organization if the organization primarily serves individuals residing outside of urbanized areas.  

(2) Application to MSA plans  
In applying paragraph (1) in the case of a Medicare+Choice organization that is offering an MSA plan, paragraph (1) shall be applied by substituting covered lives for individuals.

The Secretary may waive the requirement of paragraph (1) during the first 3 contract years with respect to an organization.  

(c) Contract period and effectiveness  
(1) Period  
Each contract under this section shall be for a term of at least 1 year, as determined by the Secretary, and may be made automatically renewable from term to term in the absence of notice by either party of intention to terminate at the end of the current term.  

(2) Termination authority  
In accordance with procedures established under subsection (h) of this section, the Secretary may at any time terminate any such contract if the Secretary determines that the organization—

(B) is carrying out the contract in a manner inconsistent with the efficient and effective administration of this part; or  
(C) no longer substantially meets the applicable conditions of this part.  

(3) Effective date of contracts

(4) Previous terminations
   (A) In general
   The Secretary may not enter into a contract with a Medicare+Choice organization if a
   previous contract with that organization under this section was terminated at the request of
   the organization within the preceding 2-year period, except as provided in subparagraph (B)
   and except in such other circumstances which warrant special consideration, as determined
   by the Secretary.
   (B) Earlier re-entry permitted where change in payment policy
   Subparagraph (A) shall not apply with respect to the offering by a Medicare+Choice
   organization of a Medicare+Choice plan in a Medicare+Choice payment area if during the
   6-month period beginning on the date the organization notified the Secretary of the intention
   to terminate the most recent previous contract, there was a legislative change enacted (or a
   regulatory change adopted) that has the effect of increasing payment amounts under section
   1395w–23 of this title for that Medicare+Choice payment area.

(5) Contracting authority
   The authority vested in the Secretary by this part may be performed without regard to such
   provisions of law or regulations relating to the making, performance, amendment, or modification

   furtherance of the purpose of this subchapter.

(d) Protections against fraud and beneficiary protections
   (1) Periodic auditing
   The Secretary shall provide for the annual auditing of the financial records (including data relating
   to medicare utilization and costs, including allowable costs under section 1395w–27a (c) of this
   title) of at least one-third of the Medicare+Choice organizations offering Medicare+Choice plans
   under this part. The Comptroller General shall monitor auditing activities conducted under this
   subsection.
   (2) Inspection and audit

           (i) the quality, appropriateness, and timeliness of services performed under the contract,
           and
           (ii) the facilities of the organization when there is reasonable evidence of some need
                for such inspection, and
      (B) shall have the right to timely audit and inspect any books and records of the
           Medicare+Choice organization that pertain

           (ii) to services performed or determinations of amounts payable under the contract.
   (3) Enrollee notice at time of termination

(III) any lending of money or other extension of credit between an organization and a party in interest.

The Secretary may require that information reported respecting an organization which controls, is controlled by, or is under common control with, another entity be in the form of a consolidated financial statement for the organization and such entity.

(B) “Party in interest” defined

For the purposes of this paragraph, the term “party in interest” means—

(i) any director, officer, partner, or employee responsible for management or administration of a Medicare+Choice organization, any person who is directly or indirectly the beneficial owner of more than 5 percent of the equity of the organization, any person who is the beneficial owner of a mortgage, deed of trust, note, or other interest secured by, and valuing more than 5 percent of the organization, and, in the case of a Medicare+Choice organization organized as a nonprofit corporation, an incorporator or member of such corporation under applicable State corporation law;

(6) Review to ensure compliance with care management requirements for specialized Medicare Advantage plans for special needs individuals

(e) Additional contract terms

(1) In general

The contract shall contain such other terms and conditions not inconsistent with this part (including requiring the organization to provide the Secretary with such information) as the Secretary may find necessary and appropriate.

(2) Cost-sharing in enrollment-related costs

(A) In general

A Medicare+Choice organization and a PDP sponsor under part D of this subchapter shall pay the fee established by the Secretary under subparagraph (B).

(B) Authorization

The Secretary is authorized to charge a fee to each Medicare+Choice organization with a contract under this part and each PDP sponsor with a contract under part D of this subchapter that is equal to the organization’s or sponsor’s pro rata share (as determined by the Secretary) of the aggregate amount of fees which the Secretary is directed to collect in a fiscal year. Any amounts collected shall be available without further appropriation to the Secretary for the purpose of carrying out section 1395w–21 of this title (relating to enrollment and dissemination of information), section 1395w–101 (c) of this title, and section 1395b–4 of this title (relating to the health insurance counseling and assistance program).

(D) Limitation

In any fiscal year the fees collected by the Secretary under subparagraph (B) shall not exceed the lesser of—

(i) the estimated costs to be incurred by the Secretary in the fiscal year in carrying out the activities described in section 1395w–21 of this title and section 1395w–101 (c) of this title and section 1395b–4 of this title; or

(ii) the average number of individuals entitled to benefits under part A of this subchapter, and enrolled under part B of this subchapter, during the fiscal year.

(F) Applicable portion defined

In this paragraph, the term “applicable portion” means, for a fiscal year—

A contract under this section with an MA organization shall require the organization to provide, in any written agreement described in section 1395w–23 (a)(4) of this title between the organization and a federally qualified health center, for a level and amount of payment to the federally qualified health center for services provided by such health center that is not less than the level and amount of payment that the plan would make for such services if the services had been furnished by an entity providing similar services that was not a federally qualified health center.

(B) Cost-sharing

Under the written agreement referred to in subparagraph (A), a federally qualified health center must accept the payment amount referred to in such subparagraph plus the Federal payment provided for in section 1395l (a)(3)(B) of this title as payment in full for services covered by the agreement, except that such a health center may collect any amount of cost-sharing permitted under the contract under this section, so long as the amounts of any deductible, coinsurance, or copayment comply with the requirements under section 1395w–24 (e) of this title.

(4) Requirement for minimum medical loss ratio

If the Secretary determines for a contract year (beginning with 2014) that an MA plan has failed to have a medical loss ratio of at least .85—

(A) the MA plan shall remit to the Secretary an amount equal to the product of—

(i) the total revenue of the MA plan under this part for the contract year; and

(ii) the difference between .85 and the medical loss ratio;

(B) for 3 consecutive contract years, the Secretary shall not permit the enrollment of new enrollees under the plan for coverage during the second succeeding contract year; and

(C) the Secretary shall terminate the plan contract if the plan fails to have such a medical loss ratio for 5 consecutive contract years.

(f) Prompt payment by Medicare+Choice organization

(1) Requirement

A contract under this part shall require a Medicare+Choice organization to provide prompt payment (consistent with the provisions of sections 1395h (c)(2) and 1395u (c)(2) of this title) of claims submitted for services and supplies furnished to enrollees pursuant to the contract, if the services or supplies are not furnished under a contract between the organization and the provider or supplier (or in the case of a Medicare+Choice private fee-for-service plan, if a claim is submitted to such organization by an enrollee).

(2) Secretary’s option to bypass noncomplying organization
In the case of a Medicare+Choice eligible organization which the Secretary determines, after notice and opportunity for a hearing, has failed to make payments of amounts in compliance with paragraph (1), the Secretary may provide for direct payment of the amounts owed to providers and suppliers (or, in the case of a Medicare+Choice private fee-for-service plan, amounts owed to the enrollees) for covered services and supplies furnished to individuals enrolled under this part under the contract. If the Secretary provides for the direct payments, the Secretary shall provide for an appropriate reduction in the amount of payments otherwise made to the organization under this part to reflect the amount of the Secretary’s payments (and the Secretary’s costs in making the payments).

(3) **Incorporation of certain prescription drug plan contract requirements**

The following provisions shall apply to contracts with a Medicare Advantage organization offering an MA–PD plan in the same manner as they apply to contracts with a PDP sponsor offering a prescription drug plan under part D:

the Secretary is satisfied that the deficiency that is the basis for the determination has been corrected and is not likely to recur.

(D) Civil monetary penalties of not more than $100,000, or such higher amount as the Secretary may establish by regulation, where the finding under subsection (c)(2)(A) of this section is based on the organization’s termination of its contract under this section other than at a time and in a manner provided for under subsection (a) of this section.

(4) Civil money penalties

The provisions of section 1320a–7a (other than subsections (a) and (b)) of this title shall apply to a civil money penalty under paragraph (2) or (3) in the same manner as they apply to a civil money penalty or proceeding under section 1320a–7a (a) of this title.

(B) the Secretary provides the organization with reasonable notice and opportunity for hearing (including the right to appeal an initial decision) before terminating the contract.

(2) Exception for imminent and serious risk to health
