(3) Calculation of license fee

(A) Fee required

The Commission shall establish a fee for each of the licenses under the covered rural service area licensing proceeding. In determining the amount of the fee, the Commission shall consider—

If, after the amendment of an application pursuant to subsection (a)(1)(B) of this section, the Commission finds that the applicant is ineligible for grant of a license to provide cellular radiotelephone services for a rural service area or the applicant does not meet the requirements under paragraph (2) of this subsection, the Commission shall grant the license for which the applicant is the tentative selectee (pursuant to subsection (a)(1)(B) of this section by competitive bidding pursuant to section 309 (j) of this title.

During the 5-year period that begins on the date that an applicant is granted any license pursuant to subsection (a) of this section, the Commission may not authorize the transfer or assignment of that license under section 310 of this title.
