§ 44920. Security screening opt-out program

(a) In General.— On or after the last day of the 2-year period beginning on the date on which the Under Secretary transmits to Congress the certification required by section 110(c) of the Aviation and Transportation Security Act, an operator of an airport may submit to the Under Secretary an application to have the screening of passengers and property at the airport under section 44901 to be carried out by the screening personnel of a qualified private screening company under a contract entered into with the Under Secretary.

(b) Approval of Applications.— The Under Secretary may approve any application submitted under subsection (a).

(c) Qualified Private Screening Company.— A private screening company is qualified to provide screening services at an airport under this section if the company will only employ individuals to provide such services who meet all the requirements of this chapter applicable to Federal Government personnel who perform screening services at airports under this chapter and will provide compensation and other benefits to such individuals that are not less than the level of compensation and other benefits provided to such Federal Government personnel in accordance with this chapter.

(d) Standards for Private Screening Companies.— The Under Secretary may enter into a contract with a private screening company to provide screening at an airport under this section only if the Under Secretary determines and certifies to Congress that—

1. the level of screening services and protection provided at the airport under the contract will be equal to or greater than the level that would be provided at the airport by Federal Government personnel under this chapter; and
2. the private screening company is owned and controlled by a citizen of the United States, to the extent that the Under Secretary determines that there are private screening companies owned and controlled by such citizens.

(e) Supervision of Screened Personnel.— The Under Secretary shall provide Federal Government supervisors to oversee all screening at each airport at which screening services are provided under this section and provide Federal Government law enforcement officers at the airport pursuant to this chapter.

(f) Termination of Contracts.— The Under Secretary may terminate any contract entered into with a private screening company to provide screening services at an airport under this section if the Under Secretary finds that the company has failed repeatedly to comply with any standard, regulation, directive, order, law, or contract applicable to the hiring or training of personnel to provide such services or to the provision of screening at the airport.

(g) Operator of Airport.— Notwithstanding any other provision of law, an operator of an airport shall not be liable for any claims for damages filed in State or Federal court (including a claim for compensatory, punitive, contributory, or indemnity damages) relating to—

1. such airport operator’s decision to submit an application to the Secretary of Homeland Security under subsection (a) or section 44919 or such airport operator’s decision not to submit an application; and
2. any act of negligence, gross negligence, or intentional wrongdoing by—

(A) a qualified private screening company or any of its employees in any case in which the qualified private screening company is acting under a contract entered into with the Secretary of Homeland Security or the Secretary’s designee; or
(B) employees of the Federal Government providing passenger and property security screening services at the airport.

(3) Nothing in this section shall relieve any airport operator from liability for its own acts or omissions related to its security responsibilities, nor except as may be provided by the Support Anti-Terrorism by Fostering Effective Technologies Act of 2002 shall it relieve any qualified private screening company or its employees from any liability related to its own acts of negligence, gross negligence, or intentional wrongdoing.
